It's an attack of the deceased

They've been facing poison gas

7000 charge en masse

Turn the tide of the attack

And force the enemy to turn back

And that's when the dead men are marching again

Osowiec then and again

Attack of the dead, hundred men

Facing the led once again

Hundred men

Charge again

Die again

Osowiec then and again

Attack of the dead, hundred men

Facing the led once again

Hundred men

Charge again

Die again

Two combatants spar

Hindenburg against the Tsar

Move in 12 battalions large

Into a Russian counter-charge

They'll be fighting for their lives

As their enemy revives

Russians won't surrender, no

Striking fear into their foe

And that's when the dead men are marching again

Osowiec then and again

Attack of the dead, hundred men

Facing the led once again

Hundred men

Charge again

Die again

Osowiec then and again

Attack of the dead, hundred men

Facing the led once again

Hundred men

Charge again

Die again

And that's when the dead men are marching again

Osowiec then and again

Attack of the dead, hundred men

Facing the led once again

Hundred men

Charge again

Die again

Osowiec then and again

Attack of the dead, hundred men

Facing the led once again

Hundred men

Charge again

Die again

Girl Jordan: Time to bring the storm!

(WHEN IT RAINS IN AMERICA BY SARAH BRIGHTMAN PLAYS)

Girl Jordan: (SINGING DIVINELY AS THUNDERSTORMS, LIGHTNING AND RAIN FORM ABOVE US)

Do you want to feel freedom

Do you want to see sun and rain

Do you want to be near me

Do you want to light up the way

A strange magical feeling

That maybe baby we'll find someday

I thought I heard you laughing

I never wanted to make you cry

I only needed a reason

To see a teardrop in your eye

'Cause lovin' you keeps me from the storm

When it rains in America

There's a place we can run to

Far away from the city stare

Where's the ocean's a desert

But the wind still blows in your hair

Where we can watch the sun go down

When it rains in America

When it rains in America

When it rains in America

When it rains in America

'Cause loving you keeps me from the storm

When it rains in America

She floated and rain and lightning fired at the ghost and blasted him all over!

Lola: YEAH!

Shayla Arashi: Time to bring the storm!

(RAIN BY MADONNA PLAYS)

Shayla Arashi: (SINGING DIVINELY AS A HUGE STORM FORMED ABOVE)

I feel it

It's coming

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

When your lips are burning mine

And you take the time to tell me how you feel

When you listen to my words

And I know you've heard

I know it's real rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

'Til I feel your

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

When you looked into my eyes

And you said goodbye could you see my tears?

When I turned the other way

Did you hear me say

I'd wait for all the dark clouds bursting in a perfect sky?

You promised me when you said goodbye

That you'd return when the storm was done

And now I'll wait for the light, I'll wait for the sun

'Til I feel your

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Here comes the sun!

Here comes the sun!

And I say, never go away

Waiting is the hardest thing (It's strange)

(I feel like I've known you before) I tell myself that if I believe in you

In dream of you (And I want to understand you)

With all my heart and all my soul (More and more and more)

That by sheer force of will (When I'm with you)

(I feel like a magical child) I will raise you from the ground

(Everything strange) And without a sound, you'll appear

(Everything wild) And surrender to me, to love

Rain is what the thunder brings

For the first time I can hear my heart sing
Call me a fool but I know I'm not
I'm gonna stand out here on the mountain top
'Til I feel your
Rain
I feel it, it's coming
Your love's coming down like
Rain
I feel it, it's coming
Your love's coming down like
Rain
Feel it on my finger tips
Hear it on my window pane
Your love's coming down like
Rain
Wash away my sorrow
Take away my pain
Your love's coming down like
Rain
I feel it, it's coming
Your love's coming down like
Rain

I feel it, it's coming

Your love's coming down like

Rain (I'll stand out on the mountain top)

(Until I hear you call my name)

Gina Green: (GASP) My own spirit ring!

Isabel came.

Isabel: The Piranha may be the animal that killed you but it's perfect for you as your spirit. They tend to put up a wall between themselves and the people they don't trust. They are adaptable to any new relationship. However, they are also closed off and short-tempered. Additionally, these folks are quite entertaining to be around as their straight-forward speech tends to create unexpected situations. Their bluntness also creates opportunities to learn about how they view you and the rest of the world. Though not necessarily optimists, these people can see the light in any situation. Folks with this spirit animal totem are reliable and help anyone when they're having a bad day.

Nico: Wow!

Gina Green: That is cool!

Lincoln and his Harem: ELVIS PRESLEY FINAL SMASH: BLUE HAWAII!

As they sing Blue Hawaii music notes started exploding on the ghost of Purvis Parker

Lincoln: Take this!

Lincoln punched the clone of The Ghost of Pervis Parker super hard in the stomach and sent him flying into a wall that cracked and fell apart and he fell flat on his back. Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Ghost of Pervis Parker clone's chest, and then, Lincoln began absorbing The Ghost of Pervis Parker clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Ghost of Pervis Parker clone, and he banished The Ghost of Pervis Parker clone to The Black Gates.

Nico: Looks like that's another of the clones of Mystery Inc's enemies taken down, but this is only the beginning.

Lincoln: You got that right, there's a lot of them we're gonna be facing. Now, there's one last thing to do and one last loose end to tie up: Boros.

?: Yes, and I hope all of you can provide me the same challenge Saitama gave to me.

Suddenly, the twelve large planets and stars orbing around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the

Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from massive blasts of energy that came from nowhere and hit the barrier, but it stood strong and absorbed the energy blasts and it flowed into us making us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Boros.

A massive very tall cyclops-like alien with light-pink, spiky hair and bangs that fell over his face came out, and it was none other than Boros, the leader of the Dark Matter Thieves.

Lincoln: Boros.

Suddenly, Sebastian drove his greatsword through his heart and as soon as he removed his massive greatsword, he also slashed wildly at Boros' armor and destroyed it. But, thanks to what he did, that caused Boros to undergo a transformation as his muscle mass increased, and his body grew spiky plates and his spine and the surrounding tissue became exposed while his skin changed to a navy blue color with light blue markings that emitted energy and an additional yellow eye grew under his chest which moved in sync with his original now yellowish-green eye and his hair was now completely spiked up becoming slightly darker in color.

Hailey Timaeus: That's his second transformation thanks to Sebastian destroying his armor. Looks like we're in for a rough fight.

Suddenly, Hailey Timaeus' blue eye turned neon blue and she was surrounded by a cyan blue energy aura with stars, water, ocean waves, dragons, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Boros, she left cyan blue energy, stars, water, ocean waves, dragons, phoenixes, and angels with every step.

Hailey Timaeus: You're even more dangerous and powerful than the rest of the monsters Saitama and the other heroes have dealt with in the past, but because of the fact that you're a major threat to the universe, you're on the same level as many of our enemies we'd dealt with in the past, and for that, I will make sure you never ever come back.

Suddenly, Hailey Timaeus was surrounded by a massive vortex of cyan blue energy with stars, water, and ocean waves surrounding the vortex, there are dragons, phoenixes, angels, and The Legendary Dragon Timaeus and The Legendary Knight Timaeus flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Boros: the red eyes of eternal death.

Me: WHOA!

Nico: Oh man!

Lincoln: This is it. The wrath of The Legendary Dragon and Legendary Knight Timaeus is about to be unleashed.

Then, as the vortex faded, Hailey Timaeus emerged, but she was changed forever and the wrath of The Legendary Dragon Timaeus and The Legendary Knight Timaeus is about to be unleashed!

Hailey Timaeus grew from 6'5" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large cyan blue orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her short chin-length cyan blue hair and flower clip and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head. Suddenly, the scar on her right eye glowed with cyan blue energy, and her right eye grew back, and now, she has neon blue eyes and a cyan blue energy aura with stars, water, ocean waves, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has The Legendary Dragon Timaeus and The Legendary Knight Timaeus emblazoned on her forehead and Third Eye with cyan blue iris, she has on dragon earrings with cyan blue gems for eyes and holding the Star, Water, and Eternity Kanjis in its claws, she also has The Legendary Dragon Timaeus and The Legendary Knight Timaeus with cyan blue gems for eyes and holding the Star, Water, and Eternity Kanjis in its hands and claws for the second pendant on the bottom of her cyan blue dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with cyan blue crystal links from her merged Crystal Necklace of the Buddha and cyan blue gems embedded on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Hailey Timaeus has on a sleeveless cyan blue top, sleeveless open blue blouse, cyan blue skirt, cyan blue pants, blue sneakers, and long sleeveless white trenchcoat with stars, water, ocean waves, dragons, phoenixes, and angels on the coattails, and on the back is The Legendary Dragon Timaeus and The Legendary Knight Timaeus surrounded by water and stars and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes angels surrounding a cyan blue gem with neon glowing cyan blue lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Hailey Timaeus felt a sharp pain on her back, and then, massive cyan blue angel wings with ocean blue tips on the large green feathers grew and sprouted out of her back and she also now has eleven massive and long cyan blue wolf tails with ocean blue tips and ocean blue markings, Hailey Timaeus has on her Ring of the Phoenix with large cyan blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Hailey Timaeus' massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of cyan blue energy, stars, water, ocean waves, dragons, phoenixes, and angels, and when it emerged, it was transformed into Hailey Timaeus' Cosmic Eternal Oceanic Maelstrom Water Legendary Dragon and Knight

Timaeus Phoenix Angel Greatsword of Cosmic Eternal Oceanic Maelstrom Water Legendary Dragon and Knight Timaeus Phoenix Angel Justice, it's a brand-new massive greatsword with embedded cyan blue gems and The Legendary Dragon Timaeus and The Legendary Knight Timaeus etched on the 7'9" massive, wide, double-edged gold blade, large gold dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large cyan blue gems embedded in their foreheads, longer midnight black handle, four large gold dragon heads with cyan blue gems for eyes and on the bottom of the large gold dragon heads is a large gold dragon head with cyan blue gems for eyes and cyan blue gem in its mouth for the pommel, Hailey Timaeus has on her brand-new large gold Bracers of The Champions of The Universe with large cyan blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Legendary Dragon Timaeus' head with cyan blue gems for eyes and large cyan blue gem in her mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Hailey Timaeus' Super Angel-Legendary Knight Timaeus-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Boros saw it, he fired energy blasts at her to kill her, but Hailey Timaeus absorbed the energy blasts and she fired a massive barrage of cyan blue energy, stars, water, ocean waves, dragons, phoenixes, and angels which hit Boros and sent him flying into a tree, he got back up, but he had a grin on his face.

Selene Arcangela: Oh man, Hailey Timaeus has transformed, and now, the fury of Timaeus is about to be unleashed.

Lincoln: Hailey had been through a lot losing her right eye because of what Lisa did and the crap her meathead idiot brothers tried to do to her in their fit of chauvinistic jealousy, and now, she's about to tear Boros to shreds.

Hailey Timaeus: (Divine Echoing Godly Voice of The Cosmic Oceanic Water Maelstrom Legendary Knight Timaeus Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Oceanic Water Maelstrom Legendary Knight Timaeus Dragon Phoenix God Angel Love) You said a mouthful. Let's get him, Lincoln.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Hailey Timaeus.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything that you've done throughout the universe, there's absolutely no way we're going to let you live, Boros, now you will pay for everything that you've done.

Hailey Timaeus and Lincoln went after Boros, and they fired extremely powerful blasts of rainbow energy, cyan blue energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Boros, and they exploded with incredible power as they hit him.

Then, Lincoln and Hailey Timaeus attacked him with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Hailey Timaeus also did the same by firing cyan blue energy slashes from her massive greatsword, and he and Hailey Timaeus attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and Boros continued to enjoy it as if it was pure ecstasy.

Boros went after Lincoln and Hailey Timaeus, but Lincoln and Hailey Timaeus fired rainbow and cyan blue energy blasts at Boros and they summoned water dragons to attack Boros and he was really scarred by their furious attack. Suddenly, Boros activated Meteoric Burst as his appearance changed dramatically as his hair grew, reaching his back, his eye became completely white though at times a black pupil became visible, and his body got engulfed in white energy, while his markings returned to their original dark blue color. Boros charged at them, but Hailey Timaeus and Lincoln dodged all of his attacks, and they brutally attacked him, and Lincoln punched him hard in the face as he crashed back first into a wall and landed on the ground on his back.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Boros' chest, and then, Lincoln began absorbing Boros into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Boros, and he banished Boros to The Black Gates. We cheered wildly for what Hailey Timaeus and Lincoln did as they holstered their massive greatswords on their backs and powered down and Hailey Timaeus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long cyan blue wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, large twelve cyan blue orbs orbiting around her legs, and massive cyan blue angel wings are permanent.

Hailey Timaeus: Your days of causing destruction throughout the universe are over. Thanks for helping me destroy Boros for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Hailey.

Suddenly, Hailey Timaeus wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Hailey Timaeus' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Legendary Dragon Timaeus and Legendary Knight Timaeus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and water and ocean waves behind them and we cheered wildly. Then, Lincoln and Hailey Timaeus sucked in and absorbed the elemental forces and water and ocean waves and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage to Boros.

Lincoln: He was really as tough as they say.

Nico: He sure was, but you did it, you and Bella both defeated him and you absorbed him, Lincoln, and you and all of us assimilated his powers, strength, and abilities.

Me: You got that right. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the three we're going to meet: Elena Darkswarm, Gene-Slammer of Evilswarm Bahamut, Eliza Darkswarm, Gene-Slammer of Evilswarm Ophion, and Erica Darkswarm, Gene-Slammer of Evilswarm Ouroboros.

Selene Arcangela: (GASPS) Three more Halloween Gene-Slammers?! Awesome, and you guys are going to love them, Elena Darkswarm, Gene-Slammer of Evilswarm Bahamut, Eliza Darkswarm, Gene-Slammer of Evilswarm Ophion, and Erica Darkswarm, Gene-Slammer of Evilswarm Ouroboros are Lincoln's Guardian Angels from England and classmates in Science, and shockingly, they're the sisters of Rottytops, and they're hot and deadly zombies. Elena has pink hair, Eliza has orange hair, and Erica has black hair. They and Lincoln love to design costumes for Halloween, especially for when Lincoln would have kids in the future. Lincoln made The Darkswarm Triplets beautiful black necklaces with their favorite jewels, and to show thanks, they each kissed Lincoln on the lips. As a result, Lincoln promised that when he comes of age, he will marry Rottytops and her sisters along with the rest of his harem, and they hate Lewis Travolta with a blazing passion, the reason why is because that bloated glutton tried to steal from candy factories, but thankfully, Lincoln and the Darkswarm Triplets slipped an extreme amount of powdered laxatives in the candy that Lewis attempted to steal while they got the rest out of his hands, and when he ate the candy, he ended up crapping all over his car.

Me: I remember that incident all too well. Serves that dummy right.

Nico: Trying to steal from candy factories especially with you guys watching, how stupid can he get?

Lincoln: Don't even ask.

Brick: Now that was a musical fight!

Dodgeball Wizard: Damn right it was!

Toad: So now what?

Oculous: Let's celebrate and play a few more songs!

Manta Bayarsh: Sounds like a plan!

Nico: Good idea! And great job today everyone.

Shaggy: Like I'll say!

Eli: (To the viewers) Hope you all liked this one.

Me: I know I did.

We all later went back home and enjoyed the rest of the day and went to sleep.

Sakura Knudson: Boy Daphne, I completely forgot how awesome your house is.

Daphne: I know. My family is incredibly rich and wealthy.

Nico: Boy it sure is and your house is one of the biggest ever.

Me: It sure is. And we were all amazed seeing how huge Daphne's house was when we first saw it.

Camie: It sure is a massive house.

Laney: I'll say!

Varie: Yeah we all thought it was awesome seeing it.

Trixie Lulamoon: It's amazing that Daphne lives in a huge house like this.

Nico: It sure is. Trixie, I want to thank you, Tempest, and your teams for coming.

Trixie Lulamoon: No problem Nico and it will be a fun adventure for The Great and Powerful Trixie!

Varie: Yeah!

Tempest: It sure will be fun.

Galatea Ghidorah: I'm now fully recovered and ready to kick some butt as the embodiment of the Ghidorah Dopant.

Carol: That is awesome Galatea.

Nico: Galatea, how did you get in that Xenomorph nest?!

Me: That''s what we were wondering ourselves.

Galatea Ghidorah: I sensed an evil force in that mine and went to investigate. Then a Xenomorph grabbed me and tied me to the wall and I blasted him after he put an egg in front of me. Then a facehugger came out of the egg and latched onto me and then everything went dark. Then I saw Shanan and the Mascots.

Shanan: She wanted me to kill her and I used a safe way to get the chest burster out of her.

Nico: Well, we would've revived you anyway.

Me: Yep.

Galatea Ghidorah: I know. But at least we are now rid of the Xenomorphs forever.

Camie: Thank goodness for that.

Varie: Yeah no kidding.

Eli: No kidding.

Me: Yeah. Boy yesterday was so fun!

Lola: Yeah that was a musical adventure.

Nico: It sure was!

Me: And my birthday was just as fun too.

Camie: It sure was!

Sakura Knudson: You got that right. Glad you had fun bro.

Xenia: Everyone had fun.

Me: And the songs we sang during the mission were fun and

awesome.

Nico: What was your favorite song?

Me: I liked all of them and it was awesome.

Qin: I liked them all too.

Eli: They all were fun and awesome.

Varie: Yep.

Nico: I honestly loved the W.I.T.C.H. song.

Qin: That is always fun.

Camie: Yep.

Lola: Especially when we show the images of our battles with Nerissa and Phobos.

Nico: You got right.

Me: Those were so epic.

Nico: I remember the last time we were here.

Me: Yeah and that was to solve the mystery of the Ghost of Chef Pierre Goulash.

Nico: Yep.

Camie: Who was the ghost again?

Me: Well the ghost was that of Chef Pierre Goulash. Daphne's great grandfather hired him a long time ago. But after they got into a terrible argument over who knows what he was fired. Chef Goulash swore that he would come back someday and take everything away from the Blake's.

Camie: Geez!

Eli: Yeah.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of The Ghost of Chef Pierre Goulash has been sighted and he's really out to get Daphne.

We gasped.

Me: Oh man, a clone of The Ghost of Chef Pierre Goulash?! Not good.

Qin: I checked with the prison, and Mr. Gordon is still in prison.

Sakura Knudson: I remember that case, that greedy jerk lent us Robopup for the obvious reasons as to throw us off the trail.

Shaggy: Like, that was until Scooby defeated Robopup and we got Mr. Gordon thrown in jail. And we also got worse news: that clone of The Ghost of Chef Pierre Goulash stole the furniture from Daphne's room again!

We gasped.

Nico: HE DID WHAT?!

Penny Pizza: Oh, that's the last straw, now he's really, really going to get it!

Then, Lincoln called the rest of the team and told them of what happened.

Lori: Daphne told us everything, and she's literally mad now!

Velma: We got to get to her before she takes the fun out of us clobbering him.

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body and his entire body started getting covered in thick white fur, his deep sapphire eyes and rainbow iris of his Third Eye turned yellow, his fangs grew longer and his rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's and grew a wolf snout, his eleven massive and long white wolf tails and large white wolf ears remained the same, his long wild white hair turned wilder, and he let out a loud howl.

Me: WHOA! Lincoln, you have a wolf form?!

Nico: HOLY SHIT! Damn, that's so awesome!

Lincoln: Yep, and this is different from when I transform into Lincoln the Nocturnal, but of course, this form also has the same effects whenever I transform into my werewolf form, Lincoln the Nocturnal.

Michelle Aphrodite: (Swooning) I'll say.

Suddenly, all of the girls in Lincoln's harem were swooning over Lincoln and he let out a soft romantic growl.

We were holding in our snickers.

Lincoln: (Beastly Voice) Okay, now let's go find that chef ghost clone and pulverize him.

Fabia heard a Pokemon cry.

Fabia: Hey look!

We saw a Cresselia.

Me: Whoa a Cresselia. And the poor thing is hurt.

Camie: Aww.

We went over.

Cresselia: I was attacked by this chef guy with scary red teeth.

Me: The ghost did this.

Aranaut: Princess, I don't mind you having this Pokemon

Me: I agree with Aranaut. Cresselia is the Moonlight Pokemon and represents the light of the night.

Fabia: And I am for the Haos element. Okay.

We healed up Cresselia.

Cresselia: Awesome. Thank you so much.

Fabia: You're welcome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his

massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Beastly Voice) (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Beastly Voice) Yep, and this curse will be on them for all eternity. (Sensed for The Ghost of Chef Pierre Goulash clone) AHA! Gotcha! I just spotted The Ghost of Chef Pierre Goulash clone, he's 20 yards away, and he's already chasing after the gang.

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: (Beastly Voice) He's gonna end up as a stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: (Beastly Voice) Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all

of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Ghost of Chef Pierre Goulash clone.

We were Walking down the halls of the mansion we're looking around for The Ghost of Chef Pierre Goulash clone and Lincoln was also sniffing him out.

Ben turned into Wildmutt and started sniffing.

Me: Better join in. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: Awesome!

Me: (SNIFFS) Down here

Nico: He's here somewhere.

Qin: Yep.

Shaggy: (Cowardly whimpering) Can we go home now?

Scooby Doo: Pretty please?

Lincoln: (Beastly Voice) Alright, now if I'm not mistaken, The Ghost of Chef Pierre Goulash Clone should definitely be coming right now!

Suddenly, we saw the gang running towards us, and then, we saw

The Ghost of Chef Pierre Goulash clone head for us, but before he could attack, Lincoln created a massive indestructible diamond barrier that had protected all of us, and he banged his fists hard at it, but the barrier was still standing and his fists were all bruised as he screamed and howled in pain.

Eli: Jeez!

Nico: Man, that's painful.

Ghost of Chef Pierre Goulash: (French Accent) SACRE BOO!

Me: Boo yourself!

Ghost of Chef Pierre Goulash Clone: (GET OUT HERE RIGHT NOW! I MUST KILL YOU ALL FOR THE MASTER!

Qin: As if, you're not one of Universe 666 Sebastian's creations!

Lincoln: (Beastly Voice) Don't waste your breath on him, Qin, he's still getting his butt kicked.

Cresselia charged at him and fired waves of light and blasted the ghost.

Me: (Imitating Rodney Dangerfield) You know something, all the food you make is low grade dogfood.

We laughed!

The Ghost was pissed now!

Ghost of Chef Pierre Goulash Clone: DOG FOOD!? (PICKS UP A CLEAVER!) I'LL SHOW YOU DOG FOOD!

Lightning: GO GO MEGAFORCE!

He transformed!

Lightning: STRENGTH OF THE CYCLOPS! MEGAFORCE MIDNIGHT BLUE!

Chowder: Check out what I've got cooking! FOOF N SCOOPS!

He made his garbage dish!

He shoved it into the Ghost's mouth and swallowed!

The ghost then HURLED HIS GUTS OUT!

Nico: YUCK!

Poromon got on a slingshot and he fired and pecked at the ghost!

POINk POINK!

Qin: YEAH!

Lincoln fired a massive diamond ball with moonlight surrounding it, and it hit The Ghost of Chef Pierre Goulash clone and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront The Ghost of Chef Pierre Goulash Clone, who went charging at us, but Lincoln swatted him back with his eleven massive and long white wolf tails.

But, then, The Ghost of Chef Pierre Goulash clone went at Crystal, and she got viciously attacked by him, and that really got to Shaggy.

Shaggy: HEY!

He ran over and pried him off.

Shaggy: Like, are you okay, Crystal?

Crystal: I'm groovy, Shaggy, but what he did, like that was not cool.

Suddenly, Shaggy's eyes narrowed and he glared viciously at The Ghost of Chef Pierre Goulash clone with murderous intent as we felt it, and then, we saw the skies turn literally pitch black.

Nico: UH OH!

Me: (GULPS) Oh no, he's really really really crossed it now!

Sakura Knudson: As if messing with Scooby Snax would be more than enough to piss him off, but now, hurting Crystal like that, he just signed his own death warrant.

Nico: I think I know what's about to happen, Shaggy's going to transform. The last time it happened, we went after a resurrected Revolta when we were dealing with the resurrected Doomsday 23.

Suddenly, something within Shaggy's mind brutally snapped as memories of what he went through with every last criminal dressed as a monster and dealing with the real life monsters along with what he saw happen to Crystal rushed through his head and it really pissed him off now, and we saw his massive black angel wings spread out and his green eyes turn neon green, and he was surrounded by a black and green energy aura with stars, darkness, dark fire, dark lightning, dark magic, black magic, Satanic Magic, black dragons, phoenixes, and angels, he unholstered his massive Erebus' Eternal Night Dragon Greatsword of Dark Dragon Justice from his back, and as he approached The Ghost of Chef Pierre Goulash Clone, he left black and green energy, stars, darkness, dark fire, dark lightning, dark magic, black magic, Satanic Magic, black dragons, phoenixes, and angels with every step.

Shaggy: Like, you still disgust me even now. Even though I know you're just a clone and that Mr. Gordon is still in jail for good, having you continue to run loose would not be good. (SUDDENLY GETTING MONDO SUPER PISSED OFF AND HIS BLACK AND GREEN ENERGY AURA FLARED UP EVEN MORE EXTREMELY AS HIS MUSCLES BULGED EVEN MORE) But, like what you did in stealing Daphne's furniture from her room again and viciously attacking my girlfriend just to spite me,… , LIKE YOU JUST CROSSED ONE FUCKING LINE WAY TOO MANY TIMES, AND I'M GONNA ENJOY TEARING YOU APART LIMB FROM LIMB AND SPILLING YOUR BLOOD ALL OVER THE PLACE BEFORE I LET LINCOLN ABSORB YOU, YOU GOOD-FOR-NOTHING EXCUSE FOR A GHOST CHEF!

WE GASPED AT THE SUDDEN EXTENT OF SHAGGY'S ANGER: THAT CLONE OF THE GHOST OF CHEF PIERRE GOULASH

JUST CROSSED IT BIG TIME, AND NOW, HE IS MEGA DOOMED! AND MANY OF US DID SOME EXTREMELY WILD TAKES!

Me: OH MAN! THIS ISN'T GOOD!

Nico: IT SURE ISN'T!

Eli: UH OH!

Sakura Knudson, The Knudson Sisters, Varie, Sumner, and Patti: YOU GOT THAT RIGHT!

Lincoln: Messing with food is one thing, but when it comes to messing with his friends and even worse hurting his girlfriend, now, he's really heading for Hell! EVERYONE, HIT THE DECK! HE'S GONNA BLOW!

We freaked out and ran for cover, and then, Shaggy screamed like a infinite-times fucked-up madman to the infinite power, and then,

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion and then he was surrounded by a massive vortex of black and green energy with stars, darkness, dark fire, dark lightning, dark magic, black magic, and Satanic Magic surrounding the vortex, there are black dragons, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at The Ghost of Chef Pierre Goulash clone: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: UH OH! DARKNESS IS ABOUT TO BE UNLEASHED ON THAT GHOST CHEF!

Lincoln: BIG TIME!

Then, as the vortex faded, Shaggy emerged, but he was changed forever.

Shaggy grew from 7'5" to 8'5" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger for his new body and he still retained his eight-pack abs, he now has gold armlets on his biceps and thighs and he now has twelve large black and green orbs orbiting around his legs, he has green highlights in the bangs of his now longer dark brown hair and he has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he has neon green eyes and black and green energy aura with stars, darkness, dark fire, dark lightning, dark magic, black magic, Satanic Magic, black dragons, phoenixes, and angels surrounding him and immense protective neon rainbow aura with all of the elements swirling around it, he has a black dragon with the Dark Kanji emblazoned on his forehead and Third Eye with green iris, he has on dragon earrings with green gems for eyes and holding the Star, Dark, and Eternity Kanjis in its claws, he has on his Crystal Necklace of The Buddha with green gems embedded on the black crescent moon links and green crystal links and a green dragon-shaped Element of Harmony and on the bottom of the Element of Harmony is a dragon with green gems for eyes and holding the Star, Dark, and Eternity Kanjis in its claws for the pendant and white and gold-accented choker on his neck, Shaggy has on a black vest, white long-sleeved dress shirt, black pants, knee-high black boots, and long black coat with stars, darkness, dark fire, dark lightning, dark magic, black magic, Satanic Magic, black dragons, phoenixes, and angels on the coattails and on the back is a dark dragon with dark fire, darkness, and dark lightning surrounding it. Suddenly, Shaggy felt a sharp pain on his now wider and more muscular back, and then, his massive midnight black angel wings with green tips on the midnight black feathers grew much bigger for his new body and he now has eleven massive and long dark brown wolf tails with green tips and green markings, he has on a Ring of The Phoenix with green gem and heart-shaped gem embedded in it on his right ring finger and Yellow Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Shaggy's massive Erebus' Eternal Night Dragon Greatsword of Dark Dragon Justice and all of the greatswords and swords he'd gotten began merging together, and they're surrounded by a kaleidoscope of black and green energy, stars, darkness, dark fire, dark lightning, dark magic, black magic, Satanic Magic, black dragons, phoenixes, and angels, and when it finally emerged, it was transformed into Shaggy Rogers' Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Greatsword of Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Justice, it's a brand-new massive greatsword with embedded green gems and Erebus, the primordial Greek God of Darkness and black dragon etched on the 7'9" massive, wide, double-edged midnight black blade, large midnight black dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large green gem embedded in the foreheads, longer midnight black handle, four large midnight black dragon heads with green gems for eyes and in the open mouths and on the bottom of the midnight black dragon heads is a large midnight black dragon head with green gems for eyes and large green gem in its mouth for the pommel, he has on his new large gold Bracers of the Champions of The Universe with green gems on his wrists and Dragon Ball Bracelet on his left gold Bracer, his new large gold Belt of Elemental Bravery with large gold dragon head with green gems for eyes and large green gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony and BlazeBlue holstered on his right hip and Eater of Sins revolver holstered on his left hip. We were amazed by Shaggy's Super Angel-Dark Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Crystal saw him, she had an atomic red blush on her face, hearts in her eyes, steam whistling out of her ears, and her nose was bleeding. But when The Ghost of Chef Pierre Goulash clone saw it, he roared with rage and went at Shaggy, but Shaggy fired a massive barrage of black and green energy, stars, darkness, dark fire, dark lightning, dark magic, black magic, Satanic Magic, black dragons, phoenixes, and angels which hit The Ghost of Chef Pierre Goulash clone and he crashed into a wall that shattered and it revealed all the furniture that was stolen from Daphne's room.

Shaggy: (Divine Echoing Godly Voice of The Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear) Aha, so that's where you hid Daphne's furniture.

Lincoln snapped his fingers and got the furniture back in Daphne's room, and tighter security was put in place.

Penny Pizza: How sad, you lost the furniture you stole. But, either way, we're going to get rid of you once and for all.

Nico: And if we find so much as one stain on the furniture, you're really going to get it.

Sakura Knudson: That's for sure.

Suddenly, Penny Pizza's red eyes turned neon red and she was surrounded by a yellow and red energy aura with stars, fire, flames, pizza, phoenixes, and angels, and as she approached The Ghost of Chef Pierre Goulash clone, she left yellow and red energy, stars, fire, flames, pizza, phoenixes, and angels with every step.

Penny Pizza: Even if you're just a clone of The Ghost of Chef Pierre Goulash, you're still just as bad as the real one, but what makes you even more bad is that you're just a construct created by the mastermind of this whole thing, and when we find out who it was, he'll pay with his life.

Suddenly, Penny Pizza was surrounded by a massive vortex of yellow and red energy with stars, fire, and flames surrounding the vortex, there are pizzas, phoenixes, and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at The Ghost of Chef Pierre Goulash Clone: the red eyes of eternal death.

Me: WHOA!

Nico: So incredible!

Lincoln: (Beastly Voice) That really is so awesome!

But, The Ghost of Chef Pierre Goulash Clone went completely mad with rage and charged at the vortex and us as well, but he got hit hard by blasts of yellow and red energy. Then, as the vortex faded, Penny Pizza emerged, but she was changed forever.

We were amazed by Penny Pizza's Super Angel-Pizza Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when The Ghost of Chef Pierre Goulash Clone saw it, he went mad and ran at her to kill her, but Penny Pizza fired a massive barrage of yellow and red energy, stars, fire, flames, pizza, phoenixes, and angels which hits The Ghost of Chef Pierre Goulash Clone and sent him flying into another wall, he got back out, but now, he was enraged.

Penny Pizza: (Divine Echoing Godly Voice of The Inferno Firestorm Pizza Dopant Embodiment Phoenix God Angel and Divine Cosmic Eternal Inferno Firestorm Pizza Dopant Embodiment Phoenix God Angel Love) Alright, you no good chef, hope you're ready for a well-deserved beating.

Suddenly, The Ghost of Chef Pierre Goulash clone got hit hard by blasts of steam.

Lincoln: (Beastly Voice) J.D., did you…?

Me: Nope, that wasn't you, nor me. (Smirks) But, I know only one person who did that.

Suddenly, we saw a very beautiful and super sexy girl with long red hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a red sleeveless crop top, necklace with pearls and purple gem for the pendant, red skirt, white bridal gloves, red knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive golden greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well as the sword pendants on his white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust) Even though we know you're not one of Universe 666 Sebastian's creations born from his residual darkness, you're still getting your butt kicked.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And when we find out who the mastermind behind this is, he's also getting his ass kicked big time!

Lincoln, Penny Pizza, Shaggy, and I went after The Ghost of Chef Pierre Goulash clone, and we fired extremely powerful blasts of rainbow energy, yellow and red energy, black and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Ghost of Chef Pierre Goulash Clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive

greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Penny Pizza, Shaggy, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Ghost of Chef Pierre Goulash Clone even more insane and straight to the brink of insanity.

Ghost of Chef Pierre Goulash Clone: YOU! YOU! (ENRANGED GROWL)

The Ghost of Chef Pierre Goulash Clone charged right at us completely blind with homicidal rage and fury, but Nico, May, and Qin kicked him hard in the stomach, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Shaggy and Rachel blasted him with darkness and steam, then, Lincoln in his wolf form charged at him and really smashed him hard into the ground with his massive excessive brute superhuman strength and he also used his eleven massive and long white wolf tails to smash The Ghost of Chef Pierre Goulash clone into the ground, and he was really getting messed up, and then, Lincoln grabbed him by the neck and threw him into a nearby wall, and Lincoln slashed at him with his gold-plated sharp claws.

Then, Lincoln changed back.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one

by one, he stabbed them into The Ghost of Chef Pierre Goulash Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Ghost of Chef Pierre Goulash Clone, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Penny Pizza's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large orange and yellow orbs orbiting around her legs, and massive orange angel wings are permanent, and Shaggy's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, large gold halo with four orbiting gold rings on each corner behind his head, twelve large black and green orbs orbiting around his legs, and massive black angel wings are permanent.

Penny Pizza: Now, that was so awesome!

Lincoln: That's another clone of Mystery Inc's enemies down and more to go.

Suddenly, Penny Pizza wrapped her arms around my waist, as her chest pressed against my massive pecs and her stomach pressed against my eight-pack abs, which'd brought an atomic red blush to my face, and I wrapped my abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as I leaned down to Penny Pizza's face, we kissed passionately as she moved her hands onto my massive pecs, and behind us was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Pizza flying in the air, and a herd of Buffalo and many animals were all running across the field and elemental forces and flames behind us and everyone cheered wildly. Then, Penny Pizza and I sucked in and absorbed the elemental forces and flames and we came back to us as the display vanished.

Shaggy: Like, that was a rush, and we got Daphne's furniture back.

Crystal then ran up and kissed Shaggy on the lips and he returned it as well as he hugged Crystal.

Lincoln: (Snickers) Looks like I can tell you two are going to take your relationship another step further in the future, and that's another clone of Mystery Inc's enemies absorbed. (To Rachel Knudson) And it's so good to see you again, Rachel.

Rachel Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Rachel Knudson and he hugged her, and Rachel Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Rachel Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Rachel Knudson, God Sibling of Steam, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful steam powers and immense control over steam, and she and I love to go to saunas. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, Carly, Beth, Natalie, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, Carly, Beth, Natalie, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Steam, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR YOU'RE GOING TO FACE THE WRATH OF THE GOD SIBLING OF STEAM!

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, She'll boil you alive like a lobster. And now that you're here, Rachel.

Lincoln went up to and hugged Rachel Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Rachel Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Rachel Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Rachel Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Rachel Knudson.

Rachel Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: And Michael? You and Flurry Heart did good yesterday.

Michael: Thanks Nico.

Flurry Heart: That was fun.

Lola: Yep.

Me: And Shaggy and Penny did good too.

Penny Pizza: We sure did and here is this for us.

Shaggy: Like oh boy!

Scooby Doo: Roh boy!

They ate the pizza and man were they full

Nico: You should transform more often.

Shaggy: (BELCH) Excuse me. I'll only transform when needed.

Qin: Okay.

Me: And for the grand finale.

I pulled out a jar of Moonscar Island peppers and they were in Grim Reapepper Sauce and I gave one to Shaggy.

Me: Ready for some spicy pain Norville?

Shaggy: Like you bet!

Nico: Oh boy.

Me: Ready?

Shaggy: Ignition!

I ate my peppers and Shaggy ate his and we swallowed!

MY FIRE AURA EXPLODED OUT AND SHAGGY SCREAMED AS A JET OF FIRE EXPLODED OUT OF HIS MOUTH!

Shaggy ran around like a chicken with his head cut off!

Maria fired a jet of water and steam shot out of his mouth!

Shaggy: Delicious!

Sakura Knudson: (LAUGHS) Still can't take the pain but he loves the heat!

Poromon was about to taste one.

Nico: Poromon don't even think about it.

Echo Phantom: Awesome to see you again J.D.

Me: You too. Echo is the Embodiment of the Phantom Dopant and she is a master of Ghosts, spirits, darkness and even the forces of the undead.

Shaggy: ZOINKS! Like I hope she doesn't kill us!

Me: No she won't. She's a good girl and kills the bad. Also she is a powerful master of the weather and can make any kind of scary environment.

Echo Phantom: It's true.

Tempest: Wow! That is cool! Just like me.

Me: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Echo Phantom: No he didn't. I fired a wave of ball lightning and electrocuted him and turned into a ghost and got out of there.

Me: Clever.

Qin: Yeah.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

Lincoln did so.

Nico: Awesome!

Echo Phantom: Lets do it!

She fired waves of darkness and smashed the Another!

Nico: (Gets out Tempest's Ridewatch) Time to bring the storm!

May: (Gets out Universe 666 Master Org's Ridewatch) I will Unleash the fury of the Orgs!

Maria: (Gets out Dark Simorgh's Ridewatch) Feel the dark of the wind!

Galatea Ghidorah: (Gets out Killer Crab Xenomorph's Ridewatch) Taste this!

They used the powers of Tempest, Killer Crab Xenomorph, Universe 666 Master Org, Gorgo, Dark Simorgh, Humanoid Shin Godzilla!

They fired waves of energy and blasted and smashed the Another!

Then Animal Path, Slapper 2001, Gas Skunk (RID 2001), Delta (Boruto), Family Guy Freddy Krueger and Dr. Brewer Plant Clone came!

Qin: Whoa!

Nico: Awesome Team Animal Path!

Animal Path: Thanks Nico!

Me: That is an awesome team Ajisai!

Animal Path: Thanks J.D.!

Laney: Right! I keep forgetting that she was originally Ajisai.

Me: Yep.

Sweet Leaf: So it's my turn next! All right!

Me: Yep.

?: That is cool!

A figure flew in and it was STORM EAGLE!

Me: WHOA! Storm Eagle!

Xenia: Awesome!

Storm Eagle: (In a girls voice) I'm ready for this too!

Nico: Sarah Storm!? Whoa!

Sarah Storm: Awesome to see you again Nico. And you too Qin. I got this!

She fired a wave of lightning and a tornado and blasted the Another and I caught the ridewatch and purified it!

Me: YEAH!

Nico: I also keep forgetting Animal Path is a girl.

Me: Well in 150,000 years there was 1 before her. It was a member of the Fuma Clan.

Nico: Whoa!

Animal Path: That's right.

Nico: Oh. That helps out.

Me: And lets just say that this was one that I left my mark on. I left a slash mark on his forehead. It's how I was able to tell who was who.

Nico: Really?

Me: Yeah.

Animal Path: It's true.

Me: Yep.

Sarah Storm: That is crazy but interesting

Nico: Do you have a picture of him?

Me: I sure do.

I showed a picture of the shinobi that became the first animal path. He was a Fuma Clan Shinobi that had spring green hair and black eyes.

Nico: Hmm! Interesting.

Me: Yeah I never got his name though.

Qin: Oh.

Sarah Storm: That is crazy though. But cool.

Nico: Yep. And you're naked aren't you?

Sarah Storm: That's right. I take it you know about all the Reploid Gene-slammers being in their birthday suits.

Nico: Yeah.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Sarah Storm: I know.

Me: Okay.

I snapped my fingers and she doubled over in pain and then she threw up and fired a tornado and it blew May around in a massive vortex of wind and she screamed and got SUPER SUPER DIZZY!

Sarah reverted back and she was a girl with purple hair and had purple eyes and purple angel wings and she had a symbol of an Eagle in a storm in the middle of her forehead.

Sarah Storm: (Groans) That hurt. (GASP) WHOA! Sorry May!

May was really dizzy. Then she went to a trash can and hurled her guts out!

May: (VOMITS)

Nico pat her on her back.

May: This one wasn't too bad. (VOMITS!)

Sarah Storm: Geez! I made her really dizzy. (Sees herself) WHOA! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling. We can fix this.

The fashion brigade gave her awesome blue and purple clothes and she had an awesome storm sword in her hands.

Sarah Storm: Awesome outfit!

Eli: Yeah!

Maria: It sure is.

May Puked on Manaphy!

Manaphy: HEY! Mama!

May: Sorry Manaphy.

Sarah Storm: Ooh sorry about that.

Galatea Ghidorah: Do you have a favorite memory of Nico?

Sarah Storm: I sure do. When me and Nico raided a counterfeiting operation and I used my powers over the weather to blow them into prison and destroy all their fake money.

Nico: Yep the FBI gave us a certifcate of merit and the mayor of Trenton gave us the key to the city.

Me: Wow! That is awesome.

Sarah Storm: It sure was.

Nico and Sarah hugged.

Nico: I've missed you.

Sarah Storm: Same here Nico.

We later went back home.

But that is only the beginning, once we've freed the ghosts, we are then going after the powerful and malevolent werewolf Nicholas Remy from the 1987 TV series, Werewolf, and we're going to destroy him forever.

Lincoln: We've arrived here in the world Don't Forget Me from The Nightmare Room, and I know what we're going to do here, not only am I going to rescue the eight girls here, but for the first day, we're going to free the ghosts of children who have been forgotten by their friends and families trapped in a house for over a century.

Adrienne Midnight: That's correct, Lincoln. In the book Don't Forget Me, this house has a basement, but the basement's haunted by the ghosts of children who have been forgotten by their friends and families, and they lure living children in by making their friends and families forget about them.

Nico: So, because of it, their misery has made them despise the warmth and comfort of friends and families. That's really a cruel fate, so we're going to free them.

Lincoln: Yep, but that is only the beginning, once we've freed the ghosts, we're then going after the powerful and malevolent werewolf, Nicholas Remy, from the 1987 TV series, Werewolf, and we're going to destroy him forever.

Me: Dad saw that series long ago, and Nicholas Remy is one malevolent werewolf no one has dared to cross, he's even more powerful and malevolent than the evil Janos Skorzeny, who got turned by Remy over a century ago.

Trixie: So, we're going to destroy that malevolent werewolf after we free the spirits.

Lincoln: Right.

We headed inside and we met with the family living in there, and Danielle Warner told us that her little brother, Peter, had stumbled into the basement and was dragged into the dimension where the ghosts are in. We immediately headed for the basement, and as soon as the cracks started glowing yellow, we saw her brother, Peter, come out. Then, Danielle held up the picture of her, Peter, and the family.

Danielle Warner: They remember!

Danielle Warner repeated that phrase, and the basement started reacting, and then, Peter came out all covered in slime, and then, Lincoln chanted an incantation and fired a beam of light which freed all of the lost souls of the children from a century ago, and they all crossed over to the other side. Due to what happened, Danielle Warner and her family decided to move to another place in Gotham Royal York.

Naruto: Now, that was quite a haunting rescue, but Danielle did it, she saved her brother and guided all the lost souls of the children to the other side.

Me: And we also ended the curse that haunted this house.

Lincoln: Now, it's high time to hunt down Nicholas Remy and end him.

Suddenly, we saw three very beautiful and super sexy girls with long pink, orange, and black hair and black hairbands, red eyes, they were tall at 7'0" in height, they had the bodies of goddesses and large breasts, fair skin, they have massive and beautiful black angel wings, they're dressed in black frilly shirts, necklaces with black gem for the pendant, black skirt, white bridal gloves, black Gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoats with stars, darkness, dark magic, black magic, Satanic Magic, zombies, phoenixes, and angels on the coattails and on the back are Evilswarm Bahamut, Evilswarm

Ophion, and Evilswarm Ouroboros and holstered on their backs are massive black greatswords with runes etched on the 7'9" massive, wide, double-edged black blades, large white angel faces built into both sides of the hilts, longer midnight black handle, and black pointed tips for the pommels, and with them are the eight girls.

Lincoln: (GASPS) Elena Darkswarm, Gene-Slammer of Evilswarm Bahamut, Eliza Darkswarm, Gene-Slammer of Evilswarm Ophion, and Erica Darkswarm, Gene-Slammer of Evilswarm Ouroboros.

Elena Darkswarm: That's right, and we got the girls away from Nicholas Remy, but he transformed into his werewolf form, and he's out for blood.

Suddenly, we heard a loud roar, and we saw the beast: Nicholas Remy in his werewolf form.

Sylvester: So, now all we got to do is destroy him.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Nicholas Remy's chest, and then, Lincoln began absorbing Nicholas Remy into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Nicholas Remy, and he banished Nicholas Remy to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Good riddance forever, Nicholas Remy. (To Elena

Darkswarm, Eliza Darkswarm, and Erica Darkswarm) And it's so good to see you again, Elena, Eliza, and Erica.

Elena Darkswarm: You too, Lincoln.

Eliza Darkswarm: Yeah, it's been seven years since we last met.

Suddenly, Lincoln was pounced on by Elena Darkswarm, Eliza Darkswarm, and Erica Darkswarm who proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When they were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he got up.

Erica Darkswarm: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Elena Darkswarm, Eliza Darkswarm, and Erica Darkswarm and he hugged them, and Elena Darkswarm, Eliza Darkswarm, and Erica Darkswarm are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on their faces soon became even deeper when they saw his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Elena Darkswarm: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Eliza Darkswarm: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Erica Darkswarm: Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know these three girls?

Lincoln: Indeed I do, Eli, these three girls are Elena Darkswarm, Gene-Slammer of Evilswarm Bahamut, Eliza Darkswarm, Gene-

Slammer of Evilswarm Ophion, and Erica Darkswarm, Gene-Slammer of Evilswarm Ouroboros, they're my Guardian Angels from England and classmates in Science, and shockingly, they're the sisters of Rottytops, and they're also hot and deadly zombies. Elena has pink hair, Eliza has orange hair, and Erica has black hair. They and I also love to design costumes for Halloween, especially for when I would have kids in the future. I made The Darkswarm Triplets beautiful black necklaces with their favorite jewels, and to show thanks, they each kissed me on the lips. As a result, I promised that when I came of age, I will marry Rottytops and her sisters along with the rest of my harem, and they hate Lewis Travolta with a blazing passion, the reason why is because that bloated glutton tried to steal from candy factories, but thankfully, we slipped an extreme amount of powdered laxatives in the candy that Lewis attempted to steal while they got the rest out of his hands, and when he ate the candy, he ended up crapping all over his car.

Nico: (Snickers) You four really played a trick on him.

Lincoln: Yep, that's what he gets for trying to steal from candy factories, and now that you three are here.

Lincoln went up to and hugged Elena Darkswarm in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Eliza Darkswarm in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

And finally, Lincoln went up to and hugged Erica Darkswarm in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Erica Darkswarm: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Elena Darkswarm, Eliza Darkswarm, and Erica Darkswarm with black gems on the gold lightning bolts and rainbow crystal links from their merged Crystal Necklaces of The Buddha along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Elena Darkswarm, Eliza Darkswarm, and Erica Darkswarm: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Elena Darkswarm, Eliza Darkswarm, and Erica Darkswarm, and of course, for that little pouncing.

Lincoln made two clones of himself and they had their massive arms wrapped around the waists of Elena Darkswarm, Eliza Darkswarm, and Erica Darkswarm, and he leaned down to their faces and kissed them on the lips, but when they wrapped their arms around their necks, Lincoln deepened the kiss and we all cheered for them. When Lincoln and his clones separated, my sisters had atomic red blushes on their faces, hearts in their eyes, and their hearts were beating like mad. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Iroha Sakuragi, Midori Kuroku, Seika Morinaga, Touko Kibi, and Hasumi Musha from Erovoice! Sexy Voices Lead to a Successful Love Life and Mitsuha Yamano, Colette, and Sabine from Saving 80,000 Gold in Another World for My Retirement.

Lincoln: Oh wow, it's Iroha Sakuragi, Midori Kuroku, Seika Morinaga, Touko Kibi, and Hasumi Musha from Erovoice! Sexy Voices Lead to a Successful Love Life and Mitsuha Yamano, Colette, and Sabine from Saving 80,000 Gold in Another World for My Retirement.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Iroha Sakuragi: Yes, we're okay, thanks to you.

Iroha Sakuragi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Iroha Sakuragi: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Iroha Sakuragi, Midori Kuroku, Seika Morinaga, Touko Kibi, Hasumi Musha, Mitsuha Yamano, Colette, and Sabine with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate as a door appeared and we went through it and came back home and we told everyone what happened, and they were really glad that

Danielle Warner rescued her brother and she and her family moved. But, they were shocked to find out the villain we went after was the powerful and malevolent werewolf Nicholas Remy from the 1987 TV series, Werewolf.

But, when Lincoln showed what we did in viciously beating him up and Lincoln absorbing him and sending him to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and The Darkswarm Triplets have a lot of catching up to do, now that they're back in town.

Maria: Whoa, that must've been one haunting rescue.

Lincoln: It sure was.

Me: But, there's plenty more to go.

Nico: Yep, so our journey through The Nightmare Room has only just begun.

After we rescued Danielle Warner's little brother, sent the lost souls of the children from a century ago to the other side, and took down Nicholas Remy and Lincoln absorbed him and sent him to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Elena Darkswarm, Eliza Darkswarm, and Erica Darkswarm saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Elena Darkswarm: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Eliza Darkswarm: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Erica Darkswarm: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Erica Darkswarm: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Elena Darkswarm: I knew it was only a matter of time before he told everyone that story. Say, can we try something on the jerks.

Nico: Sure.

Elena Darkswarm, Eliza Darkswarm, and Erica Darkswarm fired black energy blasts that hit the jerks, and suddenly, their stomachs started rumbling, and then… !

THREE MASSIVE SUPER WET FARTS!

The jerks farted out ten massive tons of gold, jewels, gems, and other currencies like crazy, and we all saw it through a one-way viewing window Lincoln made, and we were stunned.

Me: WHAT THE HECK WAS THAT?!

Eliza Darkswarm: That was something we made just in case if the jerks were still alive. Those black energy blasts we fired at them caused them to have a mega case of diarrhea.

Nico: Oh, man now that was awesome!

The viewing window closed.

Lincoln: That was some awesome work, girls. Oh, and in December, we're getting rid of Flip and Icky Vicky for good.

Erica Darkswarm: Wait, are you serious?!

Nico: He is. We've had enough of that miserable shitstain mutant and that fire-breathing babysitting monster, so by December, they are out of here forever.

Rachel Knudson: Awesome.

Rachel Knudson came out and she was sweating.

Me: Sis, what were you doing?

Rachel Knudson: Oh, I was just busy installing a sauna to Lincoln's room, and while I was at, I also installed saunas in yours, Nico's, Clyde's, and Naruto's rooms, and they're also large to also fit your harem in.

Nico: Awesome!

Lincoln: That's really awesome, Rachel. Plus, we've got to bring our secret hot springs here as well. (PUTS DOWN MASSIVE BARBELLS AND SNAPS FINGERS)

Lincoln snapped his fingers, and he brought the secret hot springs he and his harem go to, and we all saw it through a one-way window Lincoln made: it was a beautiful and massive place with romantic grotto, massive and beautiful garden, and massive waterfall and lake, and the crown jewel: a really massive rock-cut pool filled with perpetually hot water.

Nico: WHOA!

Me: That's their secret hot springs, Nico. Only Lincoln and his Guardian Angels have access to it, now all of us can have access to it as well.

Lincoln: Yep, and the hot springs really do wonders for us: the hot springs help boosted our blood circulation as the hot spring waters flowing with calcium and sodium bicarbonate help boost overall oxygen flow and circulation once absorbed into the body, and a soothing soak aids in natural pain reduction and rehabilitation and the buoyant, warm, mineral-rich waters that allow ease of movement and slight resistance are a favorite therapeutic tool, and the waters also help increase flexibility and circulate lactic acid out of sore muscles.

Selene Arcangela: And the healing hot spring waters also improve skin irritations and conditions since the elevated levels of sulfur in hot spring waters offer antifungal and antibacterial properties that also soothe and even help heal the skin, and we also enjoy reduced stress levels as the many minerals in hot spring waters decrease daily stress.

Selene Emperyous: And it helps us detoxify naturally as the warm hot springs causes us to sweat and that also help to clear clogged pores and increase healthy circulation.

Me: That explains why we always saw Lincoln coming back in even more healthier conditions.

Nico: That's so awesome!

Lincoln: Yep, soaking in the hot springs has made me, my harem, and all of my Guardian Angels even stronger and healthier than ever.

Girl Jordan: It really helped us out greatly.

We got a shower afterwards, and then, Lincoln, Calliope, Clio, Melpomene, Terpsichore and Thalia are heading to Lake Hylia.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large

orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Calliope, Clio, Melpomene, Terpsichore and Thalia are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Calliope, Clio, Melpomene, Terpsichore and Thalia all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Calliope (Hercules) : Wow, so this is Lake Hylia. It sure is beautiful.

Lincoln: It sure is, Calliope, and it's perfect for our first date. Shall we?

Lincoln, Calliope, Clio, Melpomene, Terpsichore and Thalia dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Calliope, Clio, Melpomene, Terpsichore and Thalia got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Calliope, Clio, Melpomene, Terpsichore and Thalia and they hugged the girls in their abnormally massive and powerful muscular arms and Calliope, Clio, Melpomene, Terpsichore and Thalia placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Calliope, Clio, Melpomene, Terpsichore and Thalia as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Hylia, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Calliope, Clio, Melpomene, Terpsichore and Thalia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now The Muses are in your harem, Linky.

Calliope, Clio, Melpomene, Terpsichore and Thalia showed the marks Lincoln made on the right sides of their necks.

Eli: I had no idea The Muses had feelings for Lincoln, but that was quite a surprise.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Calliope, Clio, Melpomene, Terpsichore and Thalia, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy

McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Throwback Galaxy is next.

Me: Whoa! So we're going after The Whomp King next.

Nico: Yep.

Nicole: Coincidentally that one looks just like the 2nd world of Super Mario 64.

Me: Yeah. That was awesome.

Nico: Yep.

Kaz: Me and Kimiko will go next.

Nico: All right then.

They went into the simulator and it activated and they were at Throwback Galaxy!

Nico: Any tips Nicole?

Nicole: (On the radio) Well like with the Whomp King in Super Mario 64 you have to hit him on his back after he flops onto the ground. He's going to be pissed at you guys.

Nico: Bring it on.

Kaz: This will be awesome.

Nico: Should be easy.

?: Let us help too.

2 figures came. One was a girl with red hair and red eyes and had black and red clothes and she had red angel wings and a tiara with the symbol of the JAKQ Dopant on it and she had a poker sword.

The second girl had green hair, green eyes and green clothes and green angel wings and had a tiara with the symbol of Gyro Man on it.

Jackie Royal: Jackie Royal, Embodiment of JAKQ.

Golly Gyro: Golly Gyro, Embodiment of Gyro Man.

Kaz: Awesome!

Kimiko: Wow! Golly it's awesome to see you.

Golly Gyro: Wow! Kimiko and Kaz. Been a while. We can catch up later.

Nico: Lets get a move on.

They were off.

Nico: Be on your guard.

They got to the top and flew into the pyramid and flew in and there they faced THE WHOMP KING! AND HE WAS REALLY PISSED!

Whomp King: IT MAKES ME SO MAD! We build your houses, your castles, we pave your roads and still you walk all over us! Do you ever say thank you? NO! Well, you're not going to wipe your feet on me! I think I'll crush you just for fun!

Nico: Bring it on you walking slab of concrete!

Kaz: Um… thank you?

Nicole: Save your breath Kaz. He hates everything. You guys got to hit him on his beack three times and smash him.

Then they jumped away and dodged him and then Kaz and Kimiko fired a wave of fire and blasted his weak spot.

Nico: (Gets out Tempest and Dr. Starline's ridewatches) Time for a smart storm!

Nico activated them and teleported behind him and fired a blast of lightning and it hit the weak spot!

It knocked him down.

Then Golly and Jackie blasted his back with energy blasts and he shattered and the star came out!

Nico: All right!

They went and got it!

YOU GOT A STAR!

Nico: OH YEAH!

Kaz: YEAH! That was awesome!

Golly Gyro: YEAH!

They all high five!

Nico: How did you meet Kaz and Kimiko?

Golly Gyro: I'm sure you heard this one before. I met Kimiko when she was in training in the Xiaolin arts and I learned a lot from her in the arts and in the Shen Gong Wu. Also I helped Kimiko beat that mommas boy Jack Spicer's face in.

Jack Spicer whimpered.

Golly Gyro: Also I met Kaz when I was helping him beat up Krystella.

Nico: Nice.

Jackie Royal: Yep. It's awesome.

Nico: Nice. Would you 2 like to join the team?

Jackie Royal: We would be honored.

They left the simulator and we cheered for them and when Jack Spicer saw Golly he wet his pants.

In the city, the mascots were heading home.

The Mascots boarded a bus!

ZOOM!

Rainbow Dash: Hey guys!

Poromon: Oh hey Rainbow Dash!

Rainbow Dash: Me and Scootaloo are going to run alongside the bus to see how you do.

Scootaloo: Yeah.

Nico: I'm being serious!

Then I felt my stomach grumble!

I ran for the bathroom!

Later I came back.

Me: WHEW! That's better.

Nico: Good.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of The Ghost of the Hooded Heffer, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of The Ghost of the Hooded Heffer, and he's causing havoc.

We gasped.

Me: Now, we got a clone of The Ghost of the Hooded Heffer?! Oh boy.

Nico: We're so going to beat the shit out of that ghost!

Lincoln: But, not too much, I'm going to absorb him, and with every clone I absorb, I can uncover who it was that's been making clones of them to cause trouble.

Nico: With your absorption techniques along with information gathering skills, hopefully, we'll be able to find out who it was causing this. Alright, gang, let's get going and take down that clone of The Ghost of the Hooded Heffer.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

Me: Big time.

Camie: Who's the ghost of The Hooded Heffer?

Me: His real name was Herbert Blaum. He was upset that Carol Colossal bought the Coolsville Wrestling Federation before he could and he vowed to scare everyone away and buy the place cheap.

Nico: GEEZ!

Qin: Yeah!

Camie: Whoa!

Qin: And according to this he's still in prison.

Me: Yep. He got 35 to 60 years in prison for his crimes and it was upgraded to life without parole.

Juran: Is he some sort of cow?

Me: In a way. The Hooded Heffer was supposed the meanest wrestler of all! He would always fight dirty by any means to win a match! He would beat people up so badly that they would either be dead or put in the hospital in a full body cast!

Nico: YIKES!

Juran: JEEZ!

Me: Yeah! He was thrown out of the Coolsville Wrestling Federation. But he swore that he would one day return for revenge.

Gaon: He killed people?!

Me: Yeah he was that brutal! He was that hotheaded and didn't have a single shred of guilt.

Camie: GEEZ!

Sakura Knudson: It's true. I remember how dangerous this guy was! He was going to try and kill us if we didn't stop meddling. He was going to grind us into hamburger!

Nico: BRUTAL!

Camie: GEEZ!

Poromon: I hope he went to Death Row!

Me: Me too! But I don't know the full extent of the story from back then.

Lola: Yeah.

The previous group came

Ryugu Tamatebacco,: Can me, Gameface, Sportsmaster, New Wave, Electropede, Rowdyruff Boys, Dodgeball Wizard, Toad, Oculous and Manta Bayarsh go with you guys?

Nico: Yes you all can come with us.

Gameface: (Sniffs) WHEW! WHAT STINKS!

Me: Sorry!

Gameface: Chief Wiggum's chili?

Me: Yep.

Gameface: He accidentally put in some fart laxatives in it to make it stronger.

Me: WHOA! No wonder it was more gassy than usual.

RD Lana: Nico, which Gene Slammer do you think you'll meet next?

Nico: Chill Penguin next.

Me: Cool!

Qin: Literally.

Xenia: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Jedah Dohma, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Morrigan, you and the others aren't going to like this one bit: the figure that we saw is none other than your old enemy, Jedah Dohma, and he's coming here to destroy us.

Morrigan Aensland: (Scottish Accent) Jedah's come, has he?

Ursula Truaigheaingeal: (Scottish Accent) I can't believe that creepy demon's come out of his castle to cause havoc.

Rachel Truaigheaingeal: (Scottish Accent) He really doesn't know when to quit, does he?

Gwen Aensland: (Scottish Accent) We can't let him live any longer, Morrigan.

Joan Critias: That's right, Lincoln and I will take him down and Lincoln will absorb him and assimilate all of his powers, abilities, and strength.

Lincoln: That's right, Joan.

Nico: I hope you two tear him apart and Lincoln absorbs him too. Alright, gang, let's go, we're heading out to destroy that clone of The Ghost of the Hooded Heffer.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Jedah.

Joan Critias: Morrigan, her cousins, sisters, and the others had warned us about you, Jedah, and for everything that you've done, you will suffer the consequences for your crimes.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of The Ghost of The Hooded Heffer so that Lincoln can absorb him, and once we got done with him, Lincoln and Joan Critias are going to destroy Jedah Dohma.

We went over to the wrestling arrived.

Sportsmaster: Here we are!

Me: Awesome!

Nico: This is gonna be awesome.

We went in and it was deserted.

Me: Boy it's quiet.

Morton Koopa: I figured a stadium like this would be packed.

Me: Me too.

We heard 2 people groaning and they sound like they in pain.

Qin: Hear that?

We turned a corner and then we saw SHAGGY AND SCOOBY BRUTALLY MANGLED UP AND HURT! THEY LOOKED LIKE

SPONGEBOB AND PATRICK WHEN SQUIDWARD GOT THEM MANGLED UP!

WILHELM SCREAM!

Electropede: OH MY GOD!

We went over to them and helped them!

Me: HOLY SHIT!

Shaggy: (GROANS IN PAIN)

Scooby Doo: (GROANS IN PAIN)

We got them healed up.

Me: What happened!?

Shaggy: Like it was the Hooded Heffer! He jumped us!

Scooby Doo: Reah!

Suzumebachi: Where are the others?!

We saw them come out of the bathroom.

Fred: Thank goodness you came.

Velma: Jinkies! Yeah!

Daphne: Jeepers! That cow really thrashed Shaggy and Scooby.

Hunch: (holds up two fingers) How many fingers am I holding up?

Shaggy: Like 5?

Me: Concussion talking.

Qin: Geez.

Dodgeball Wizard: You're in no shape for this mystery.

Me: I agree.

Sakura Knudson: (GROWLS) That cow really pissed me off! I'm going to turn him into steaks for this and then eat him for dinner!

Xenia: WHOA!

Carrie Knudson: Sakura really means business!

King Dedede: You probably should've transformed so you wouldn't have gotten beaten up.

Me: They were ambushed by him.

Qin: Yeah no kidding!

Shaggy: Like that's right. We were ambushed.

Me: Geez.

Butch: You two are in no shape to help us fight him.

Oculous: As much as Erica likes forcing you into mysteries.

Erica Haddock: I agree. Besides you two… Huh?!

We saw them glow and they were instantly healed up.

Me: Whoa! That was unexpected!

Nico: What just happened?

Shaggy: Like we don't know but we are all fully better and man are we hungry.

Kumiko: How did this happen?!

Me: No idea! I think it might be Shaggy's new powers he got.

Kumiko: Oh right he got a new transformation! So that could be it.

Camie: Yep.

Varie: Yeah.

Manta Bayarsh: Still doesn't explain how Scooby got healed.

Boomer: No, it doesn't.

Me: Because they have been best pals for as long as they can remember.

Camie: That makes sense. Their bonds are strong.

Lola: Yeah.

Scooby: Yeah. That makes sense.

Camie: It sure does.

June: Is the Ghost a Swiss Cow?

Me: Actually come to think of it, I'm not very sure what kind of cow the Ghost of the Hooded Heffer was.

Lola: That stinks.

Qin: Yeah.

Me: He looked like a black and white dairy cow.

Varie: Hmm.

Toad: We should start looking for him.

Me: Good idea. To quote Basil, We Haven't a Moment to Lose!

Fred Jones: Lets Split up Gang!

Me: Freddy lets stick together for this one.

Fred Jones: Okay.

We got to work!

We went to find him and started the training room. We saw BARON

SCUZBALL BEATING UP A DUMMY!

Sakura Knudson: Baron Scuzball!

Sakura went up to him.

Mandarin: Who's he again?

Me: He's a really nasty wrestler that had a very unpleasant attitude.

Nico: Geez!

Baron Scuzball: Sakura Knudson!

Sakura Knudson: That's right you jerkball! You want a piece of me!?

Baron Scuzball: Oh I WANT MORE THAN A PIECE OF YOU!

He jumped at her and she grabbed him and then tied him up in the dreaded meatball knot restaint hold!

He was really tied up in knots!

Sakura: Like it guys? The Meatball Knot Restraint was something I made up.

Brick: That should hold him!

Me: Yep!

Sakura Knudson: Swartz loved pro wrestling and he would always get really excited like me. Me and Swartz also made up lots of great wrestling moves.

Nico: Boy Swartz had a lot of awesome tastes didn't he?

Sakura Knudson: Yep. I even know the lethal (ECHOING) Titanic Twist!

THUNDERCLAP! THUNDERCLAP!

New Wave: You guys hear that?

Sakura Knudson: That was to make it fun and dramatic.

Deadpool: (To the viewers) You know that gag right to make it scary?

Jamesdean5842: It's true guys. The echoing voice and thunderclap makes it scary and intimidating.

Me: Yep.

But then we heard a cow moo!

Nico: Uh oh.

We looked and saw THE HOODED HEFFER BEATING UP A WRESTLER MERCILESSLY!

Nico: There he is.

Fellbat: Entrance time!

We went at him and the Hooded Heffer mooed and then the spirits of the cows appeared and then they swirled around him and converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and then we came out.

Me: Okay you dumb cow! Time for you to be turned into steaks!

Hooded Heffer: I'll MURDER YOU!

Me: I'M GOING TO TURN YOU INTO STEAKS!

Qin: YEAH!

Sakura then grabbed the Hooded Heffer and smashed and punched and pulverized him all over!

SMASH SMASH SMASH SMASH SMASH!

Gameface: Game on dirtbag!

SMASH WHAM BLAM!

Sakura punched him in the face and Nico punched the Hooded Heffer in the stomach and smashed him all over his ugly cow face!

Hooded Heffer: I will rip you apart like I did your friends!

Me: Bite my big fat fucking ass!

Church and Julie charged at him and smashed his face in with a kick!

Church: Take that you mad cow!

Julie: YEAH!

Me: And this!

SUPER LONG LOUD FART!

I farted in his face and really made him cough, gag and vomit!

Ben turned into Rath!

Rath: RATH!

He went over to him!

Rath: LEMME TELL YA SOMETHIN HOODED HEFFER! YOU MESS WITH OUR FRIENDS AND RATH IS GONNA KICK YOUR BIG FAT COW ASS!

He went at Hooded Heffer and bashed and pulverized him and smashed him.

Rath grabbed him and smashed him into the floor ferociously!

WHAM WHAM WHAM WHAM WHAM WHAM!

He was really smashed all over!

I then pulled out a super red hot branding iron!

Nico: What are you gonna do with that?

Rath punched the Heffer in the face and spun him and when his back was turned…

SIZZZZLEE!

I branded HIM!

THE COW SCREAMED LIKE TOM!

The Hooded Heffer had a brand on him that said "This Ass is Property of J.D. Knudson"

Nico: Nice!

Qin: (LAUGHS) That never got old!

Xenia: YEAH!

Nico: Iceage, White Lightning, Killer Croc, Juggernaut, Titania, Grodd, Scorpion, Doctor Octopus, Count Vertigo and BlackWarGreymon.

Shaggy: Like, we're fine.

White Lightning: That's good.

Me: Oh he will!

Killer Croc: (to Nico) We heard you fought a clone of Ghost of Chef Pierre Goulash.

Nico: Yep we sure did.

Titania (to Fabia): Will Aranaut and Cresselia play nice with each other?

Fabia: Yes they will.

?: Good.

A figure came out and it was WAMEIKLE from episode 41 of Go-Ongers and HE SURE WAS UG-LY!

Ending up in the Human World due to the Gaiark's influence, a Wameikle egg is found by Hiroto, with the hatched creature seeing him as a parent. However, the Ugatz are sent after Wameikle to force grow it into a berserker adult and utilize its kind's high-pitch sonic crying to tear down the dimensional barrier that separates the Human World from the Stormy World. Its name is from the Japanese word for "to cry" (喚く, wameku).

Eli: WHOA! Wameikle! I remember you! You were found by Hiroto as an egg and you were sent to force grow its young into a berserk to bring down a dimensional barrier.

Wameikle: That's right! Good memory.

Eli: Thanks.

Wameikle: A shame I didn't get to be in America.

Ziggy: I know. I would've loved to see you adapted!

Lincoln: Take this!

Lincoln punched the clone of The Ghost of The Hooded Heffer super hard in the stomach and sent him flying into a wall that cracked and fell apart and he fell flat on his back. Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Ghost of The Hooded Heffer clone's chest, and then, Lincoln began absorbing The Ghost of The Hooded Heffer clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Ghost of The Hooded Heffer clone, and he banished The Ghost of The Hooded Heffer clone to The Black Gates.

Nico: Looks like that's another of the clones of Mystery Inc's enemies taken down, but this is only the beginning.

Lincoln: You got that right, there's a lot of them we're gonna be facing. Now, there's one last thing to do and one last loose end to tie up: Jedah Dohma.

?: (Demonic Voice) Soon, my ideal realm will finally be realized and Makai's influence shall spread throughout all the realms.

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from massive blasts of dangerous blood that came from nowhere and hit the barrier, but it stood strong and absorbed the blood blasts and it flowed into us making us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Jedah, or we will force you out.

A very tall figure came out, and it was none other than Jedah Dohma.

Lincoln: Jedah Dohma, Master of the Dohma family, one of the three ruling families of Makai.

Jedah Dohma: (Demonic Voice) So, you're the one who destroyed Pyron. I must thank you for getting rid of him, Lincoln Loud. But, that would be a lie though.

Joan Critias: Clearly. You're only here for one reason: to destroy us. Not happening, Jedah.

Suddenly, Joan Critias' dark blue eyes turned neon dark blue and she was surrounded by a dark blue energy aura with stars, water, ocean waves, dragons, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Jedah Dohma, she left dark blue energy, stars, water, ocean waves, dragons, phoenixes, and angels with every step.

Joan Critias: We were warned about you from Morrigan and the others, Jedah. You really are nothing more than a powerhungry supernatural being with the desire for a utopia to assimilate everyone into one being, and all for your desire of creating your ideal realm. This is exactly why Morrigan's father could never understand any of your plans, and now, The Demon Realm is about to lose one of its high nobles.

Suddenly, Joan Critias was surrounded by a massive vortex of dark blue energy with stars, water, and ocean waves surrounding the vortex, there are dragons, phoenixes, angels, and The Legendary Dragon Critias and The Legendary Knight Critias flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Jedah Dohma: the red eyes of eternal death.

Me: WHOA!

Nico: Oh man!

Lincoln: This is it. The wrath of The Legendary Dragon and Legendary Knight Critias is about to be unleashed.

Then, as the vortex faded, Joan Critias emerged, but she was changed forever and the wrath of The Legendary Dragon Timaeus and The Legendary Knight Critias is about to be unleashed on

Jedah Dohma!

Joan Critias grew from 6'5" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large dark blue orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long dark blue hair and blue hairband and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon dark blue eyes and a dark blue energy aura with stars, water, ocean waves, dragons, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has The Legendary Dragon Critias and The Legendary Knight Critias emblazoned on her forehead and Third Eye with dark blue blue iris, she has on dragon earrings with dark blue gems for eyes and holding the Star, Water, and Eternity Kanjis in its claws, she also has The Legendary Dragon Critias and The Legendary Knight Critias with dark blue gems for eyes and holding the Star, Water, and Eternity Kanjis in its hands and claws for the second pendant on the bottom of her dark blue dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems embedded on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Joan Critias' massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of dark blue energy, stars, water, ocean waves, dragons, phoenixes, and angels, and when it emerged, it was transformed into Joan Critias' Cosmic Eternal Oceanic Maelstrom Water Legendary Dragon and Knight Critias Phoenix Angel Greatsword of Cosmic Eternal Oceanic Maelstrom Water Legendary Dragon and Knight Critias Phoenix Angel Justice, it's a brand-new massive greatsword with embedded dark blue gems and The Legendary Dragon Critias and The Legendary Knight Critias etched on the 7'9" massive, wide, double-edged gold blade, large gold dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large dark blue gems embedded in their foreheads, longer midnight black handle, four large gold dragon heads with dark blue gems for eyes and on the bottom of the large gold dragon heads is a large gold dragon head with dark blue gems for eyes and dark blue gem in its mouth for the pommel, Joan Critias has on her brand-new large gold Bracers of The Champions of The Universe with large dark blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Legendary Dragon Critias' head with dark blue gems for eyes and large dark blue gem in her mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. JUSTICE AND DIVINE COSMIC ETERNAL COSMIC OCEANIC WATER MAELSTROM LEGENDARY KNIGHT CRITIAS DRAGON PHOENIX GOD ANGEL LOVE!

We were amazed by Joan Critias' Super Angel-Legendary Knight Critias-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Jedah Dohma saw it, he fired blasts of his dangerous blood at her to kill her, but Lincoln absorbed the blood blasts and she fired a massive barrage of dark blue energy, stars, water, ocean waves, dragons, phoenixes, and angels which hit Jedah Dohma and sent him flying into a tree, he got back up and made a full recovery.

Selene Arcangela: Oh man, Joan Critias has transformed, and now, the fury of Critias is about to be unleashed.

Lincoln: Joan has done a lot for me and my sisters and took on the wrath of Lola when that monster was still inside her. Now, Joan Critias is going to put an end to Jedah and end his delusional ambitions for good.

Joan Critias: (Divine Echoing Godly Voice of The Cosmic Oceanic Water Maelstrom Legendary Knight Critias Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Oceanic Water Maelstrom Legendary Knight Critias Dragon Phoenix God Angel Love) You said it. Now, let's get him, Lincoln.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords

were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Joan Critias.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything that you've done over 6000 years ago, there is absolutely no way we're forgiving you, Jedah. Now, you're going to pay for every last one of your crimes.

Joan Critias and Lincoln went after Jedah Dohma, who continued firing his dangerous blood at them, but Lincoln kept devouring it, and they fired extremely powerful blasts of rainbow energy, dark blue energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Jedah Dohma, and they exploded with incredible power as they hit him.

Then, Lincoln and Joan Critias attacked him with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Joan Critias also did the same by firing dark blue energy slashes from her massive greatsword, and he and Joan Critias attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and Jedah Dohma continued recovering from every last one of them.

Jedah Dohma went after Lincoln and Hailey Timaeus, but Lincoln and Joan Critias fired rainbow and dark blue energy blasts at Jedah Dohma and they summoned water dragons to attack Jedah Dohma and he was really scarred by their furious attack. Suddenly, Jedah Dohma summoned his scythe and sent waves of blood at them, but Joan Critias and Lincoln dodged all of his attacks, and they brutally attacked him, and Lincoln punched him hard in the face as he crashed back first into a wall and landed on the ground on his back.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Boros' chest, and then, Lincoln began absorbing Jedah Dohma into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Jedah Dohma, and he banished Jedah Dohma to The Black Gates. We cheered wildly for what Joan Critias and Lincoln did as they holstered their massive greatswords on their backs and powered down and Joan Critias' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark blue blue wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, large twelve dark blue orbs orbiting around her legs, and massive dark blue angel wings are permanent.

Joan Critias: Your days of causing destruction throughout the realms are over. Thanks for helping me destroy Jedah Dohma for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Joan.

Suddenly, Joan Critias wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Joan Critias' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Legendary Dragon Critias and Legendary Knight Critias flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and water and ocean waves behind them and we cheered wildly. Then, Lincoln and Joan Critias sucked in and absorbed the elemental forces and water and ocean waves and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage to Jedah Dohma.

Lincoln: He was one tough opponent, just as Morrigan and the others have said.

Nico: He sure was, but you did it, you and Joan both defeated him and you absorbed him, Lincoln, and you and all of us assimilated his powers, strength, and abilities.

Me: You got that right. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the three we're going to meet: Bella Infernosnake, Gene-Slammer of Infernoid Onuncu, Iris Infernosnake, Gene-Slammer of Infernoid Devyaty, and Lilith Infernosnake, Gene-Slammer of Infernoid Tierra.

Selene Arcangela: (GASPS) Three more Halloween Gene-Slammers?! Awesome, and you guys are going to love them, Bella Infernosnake, Gene-Slammer of Infernoid Onuncu, Iris Infernosnake, Gene-Slammer of Infernoid Devyaty, and Lilith Infernosnake, Gene-Slammer of Infernoid Tierra are Lincoln's Guardian Angels from Romania and classmates in Gym, but they are also beautiful and deadly masters of magic like their cousin, Sypha Belnages. They even have a snake ranch, where they keep even the most deadly of serpents, but thanks to Lincoln's kind and gentle demeanor, the serpents would never ever harm him. The Infernosnake Sisters' magic was said to impress even the goths of darkness, and they can even summon various creatures of darkness as well. Bella has red hair, Iris has blue hair, and Lilith has pink hair. Lincoln made the Infernosnake Sisters beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips, and Lincoln promised that when he comes of age, he will marry Sypha Belnades and her cousins along with the rest of his harem. Plus, they hate Lila Rossi with a blazing passion, the reason why is because she once tried to unleash a giant python on Marinette and her friends as revenge, but thankfully, Lincoln and the Infernosnake Sisters stopped the python and beat the crap out of Lila Rossi and threw her back in jail with only her undergarments.

Marinette: I remembered that little incident, and they calmed that giant python and got him back to his natural habitat in the wild.

Nico: I can't believe that bitch would do something like this, she really is that fucked-up and insane.

Lincoln: Which is why we're glad that she is gone forever and never ever coming back.

Me: Serves her right.

Grodd: There. Now, no one else will get hurt by him.

Scorpion: No, they won't.

Doctor Octopus: We should tell everyone the danger has passed.

Count Vertigo: We probably should

BlackWarGreymon: Let's celebrate here!

Nico: Good idea! Great job today everyone!

Qin: Yeah!

Rainbow Dash: (To the viewers) You mess with one of us and you mess with ALL of us.

Me: You said it R.D.

We had a great meal and then went back home and enjoyed the rest of the day and went to sleep.

They even have a snake ranch, where they keep even the most deadly of serpents, but thanks to Lincoln's kind and gentle demeanor, the serpents would never ever harm him. The Infernosnake Sisters' magic was said to impress even the goths of darkness, and they can even summon various creatures of darkness as well. Bella has red hair, Iris has blue hair, and Lilith has pink hair. Lincoln made the Infernosnake Sisters beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips, and Lincoln promised that when he comes of age, he will marry Sypha Belnades and her cousins along with the rest of his harem. Plus, they hate Lila Rossi with a blazing passion, the reason why is because she once tried to unleash a giant python on Marinette and her friends as revenge, but thankfully, Lincoln and the Infernosnake Sisters stopped the python and beat the crap out of Lila Rossi and threw her back in jail with only her undergarments.

The next mystery is where we battle a clone of The Burger Monster who is terrorizing O'Greasy's Bucket-O-Fun Restaurant and we're going to make that monster pay. But also Shaggy and Scooby are going to be SUPER MAD AT EACH OTHER

See you next time.

Me: Boy the Trinidad Tar Pits. This is gross.

Qin: Yeah!

Camie: Sticky too.

Lola: It sure is.

Jenna: I think it's awesome seeing this.

Lina: I agree too.

Kia: Me too.

Nico: This is a bubbling place huh?

We heard the tar gurgle and bubbly.

Lola: Boy it sure is gross.

Aylene Carter: Reminds me of those tar pits in the world of The Land Before Time.

Fu: That was scary.

Lincoln: It sure was.

Sweet Leaf: It's going to be fun and awesome.

Nico: Sweet Leaf, I want to thank you, Animal Path, and your teams for coming.

Sweet Leaf: No problem Nico. This is gonna be awesome and fun.

Faye Runnington: I'm so excited for this too.

Qin: Same here.

Lola: Yeah.

Nico: Faye, Remember when you and I met?

Faye Runnington: I sure do. That was so much fun. We met at my family's garden shop and greenhouse and it was where we learned all about flowers and plants.

Qin: That was so fun and those were beautiful flowers.

Faye Runnington: I agree. Awesome flowers.

Nico: And now, you're part of my harem.

Faye Runnington: Yep and it's fun.

Qin: Yeah.

Lola: It sure is awesome.

Me: No kidding.

Varie: Yep.

Camie: That is for sure.

Nico: Yeah.

Me: Man yesterday's mission was brutal!

Nico: No kidding!

Shaggy: Like yeah! Me and Scooby were brutally thrashed!

Lana: No kidding there!

Nico: Are you two okay now?

Shaggy: Like yeah we sure are.

Qin: Good. I'm glad.

Me: Me too.

Shaggy: And that pizza Penny made was absolutely delicious.

Nico: She sure made an awesome pizza.

Me: But man that Hooded Heffer was horrible. He REALLY DID live up to his reputation as the meanest wrestler of all.

Camie: Yeah.

Sakura Knudson: No kidding.

Nico: We kicked his ass!

Me: Yep and I branded him.

Nico: (LAUGHS)

We all laughed!

Me: (LAUGHS) That was funny!

Varie: It sure was.

Nico: Yeah. That was awesome.

Juran: We could've eaten him.

Me: True but I would not want to. He was a human that was a wrestler.

Juran: I see what you mean.

Lola: Yeah.

We continued walking on.

Me: Boy this place is amazing.

Lana: I'll say!

SPLORF!

May got her foot stuck in tar!

May: EW!

May pulled her foot out and it was covered in tar.

Maria: Who put that here?

Me: Maria this is the Trinidad Tar Pits. There's tar all over the place.

Qin: Yeah.

Maria: Oh right.

May: Still gross though.

Camie: Yeah but it's part of the place.

Maria: No telling what might be here.

Qin: I know.

Lola: Crazy though.

Camie: Yeah.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of The Tar Monster has been sighted.

We gasped.

Me: Oh man, a clone of The Tar Monster?! Not good.

Qin: I checked with the prison, and Mr. Stoner is still in prison.

Sakura Knudson: I remember that case, that greedy jerk wanted to get his hands on the treasure of Byzantius that Professor Brixton and his workers were excavating at.

Shaggy: And we've gotten covered in tar a lot of times back then, yuck!

Then, Lincoln called the rest of the team and told them of what happened.

Lori: I literally hadn't forgotten about that time we fought him, it was disgusting.

Lincoln: The only thing that washes tar off is hot water, so I'll put up the indestructible diamond barrier but for this one, I'll infuse it with hot water to melt any incoming tar.

Nico: Good thinking, Lincoln. We don't want to get covered in tar, that's just gross.

Lincoln spotted tar tracks.

Lincoln: Hey, look, he's leaving trails of tar behind.

Nico: The idiot, he's already leading us to him. Let's hunt him down.

Me: Yeah!

Camie: Boy Stoner was really greedy back then huh?

Me: Yeah he was. And he was sentenced to spend the rest of his life in prison.

Camie: Good riddance.

Me: Yeah.

Jessie Knudson: The city of Byzantius in Turkey was buried underground for thousands of years and it was really amazing to see.

Qin: Yep.

Thetis heard a Pokemon cry.

Thetis: Hey look!

We saw a Solgaleo!

Me: Whoa a Solgaleo. And the poor thing hurt its leg.

Solgaleo: Ouch. Because the Tar Monster drenched me in tar and I pulled it off and it ripped my skin.

Lori: I feel your pain.

Thetis: We'll heal you.

We got him healed up.

Nico: Feel better?

Solgaleo: Yes much better. Thanks to all of you.

Qin: Good.

Lola: Awesome.

Nico: Good.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for The Tar Monster Clone) AHA! Gotcha! I just spotted The Tar Monster clone, he's 20 yards away, and he's already chasing after the rest of the gang.

Shaggy: What?!

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: (Beastly Voice) He's gonna end up as a stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange

tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Tar Monster clone.

We were walking around and we're looking around for The Tar Monster clone.

We heard bubbling.

Nico: What was that?

Suddenly, we saw the rest of the gang running towards us, and then, we saw The Tar Monster clone head for us, but before he could attack, Lincoln created a massive indestructible diamond barrier with hot water surrounding it that protected all of us, and he banged his fists hard at it, but the barrier was still standing and his fists were all bruised as he screamed and howled in pain, and the hot water was really hurting him bad.

Eli: Jeez!

Nico: Man, that's painful, and the hot water really hurt him bad.

Tar Monster Clone: GET OUT HERE RIGHT NOW! I MUST KILL YOU ALL FOR THE MASTER!

Qin: As if, you're not one of Universe 666 Sebastian's creations!

Lincoln: Don't waste your breath on him, Qin, he's still getting his tar-covered butt kicked.

Lincoln fired a massive diamond ball with moonlight surrounding it, and it hit The Tar Monster clone and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront The Tar Monster clone, who went charging at us.

Shaggy: Like, you know what, forget about transforming whenever needed.

Shaggy unholstered his massive Shaggy Rogers' Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Greatsword of Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Justice and transformed into Super Angel-Dark Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel of Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear.

I'm gonna transform just like the rest of the team and I'm gonna enjoy splattering you all over the place, ugly.

Me: Save some for the rest of us, Shaggy.

Shayla Arashi: Same with me.

The Tar Monster threw globs of tar at us and some tar got on May and Maria's faces.

May: YUCK!

Maria: Gross!

Solgaleo charged at him and fired a blast of fire and burned him!

Qin: Take that!

Aylene Carter: This guy may be a clone of my archenemy but he is disgusting!

She fired a wave of fire and blasted him.

Keiichiro: Awesome!

Me: Thanks!

We fired waves of energy and elements and blasted the Tar Monster!

Lola: Take that! And this!

She fired a wave of fire and blasted the Tar Monster all over.

Maria fired water and blasted the Tar Monster.

Qin: Nice!

Lola: Yeah!

Varie: Take that!

Lola fired fireballs and blasted the Tar Monster all over.

Nico: Yeah!

I teleported and blasted him from behind.

Suddenly, Shayla Arashi's blue eyes turned neon blue and she was surrounded by a blue and yellow energy aura with stars, water, ocean waves, lightning, phoenixes, and angels, and as she approached The Tar Monster clone, she left blue and yellow energy, stars, water, ocean waves, lightning, phoenixes, and angels with every step.

Shayla Arashi: Even if you're just a clone of The Tar Monster, you're still just as bad as the real one, but what makes you even more bad is that you're just a construct created by the mastermind of this whole thing, and when we find out who it was, he'll pay with his life.

Suddenly, Shayla Arashi was surrounded by a massive vortex of blue and yellow energy with stars, water, ocean waves, and lightning surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a neon blue phoenix with red eyes glaring at The Tar Monster clone: the red eyes of eternal death, and we also saw a massive storm forming.

Me: WHOA!

Nico: So awesome!

Lincoln: And she's also summoned a storm?!

Caitlin MacKenzie: She really is the Embodiment of The Storm Dopant, and Lincoln's seen me create and summon many storms before, along with summoning oceans and winds especially when Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies came after him.

Luna: I hadn't forgotten about that, that was so awesome.

Leni: And Caitlin's storm powers also sent Lori flying away when she tried to hurt Lincoln at the mall again. Honestly, I wanted to call Mom and Dad to pick her up or call the cops on her.

Fiona: If Lori found out, she would've killed you.

Me: Yeah, that's why you should leave this kind of stuff to Lincoln's Guardian Angels, they've handled this sort of thing before with those kinds of individuals.

Nico: I've got to hear more tales about how you all really kicked their asses.

But, The Tar Monster Clone went completely mad with rage and charged at the vortex and us as well, but he got hit hard by blasts of blue and yellow energy. Then, as the vortex faded, Shayla Arashi emerged, but she was changed forever.

Shayla Arashi grew to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large blue and yellow orbs orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long dark blue hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a dark blue and yellow energy aura with stars, water, ocean waves, winds, lightning, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has a tornado with her tiara emblazoned on her forehead and Third Eye with dark blue iris, she has on phoenix earrings with dark blue gems for eyes and holding the Star, Storm, and Eternity Kanjis in its claws, she also has a phoenix with dark blue gems for eyes and holding the Star, Storm, and Eternity Kanjis in its claws for the second pendant on the bottom of her dark blue phoenix-shaped Element of Harmony, along with the gold Phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Phoenix Choker Necklace of Eternal Love. Suddenly, Shayla Arashi's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of blue and yellow energy, stars, water, ocean waves, winds, lightning, phoenixes, and angels, and when it emerged, it was transformed into Shayla Arashi's Cosmic Eternal Furious Storm Dopant Phoenix Angel Greatsword of Cosmic Eternal Furious Storm Dopant Phoenix Angel Justice, it's a brand-new massive greatsword with embedded dark blue gems and the Storm Dopant symbol etched on the 7'9" massive, wide, double-edged gold blade, large gold phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large dark blue gems embedded in their foreheads, longer midnight black handle, four large gold phoenix heads with dark blue gems for eyes and on the bottom of the large gold phoenix heads is a large gold phoenix head with dark blue gems for eyes and dark blue gem in its mouth for the pommel, Shayla Arashi has on her large gold Bracers of The Champions of The Universe with large dark blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold phoenix head with dark blue gems for eyes and large dark blue gem in her mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Shayla Arashi's Super Angel-Storm Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when The Tar Monster Clone saw it, he went mad and threw globs of tar at her, but Shayla Arashi fired a massive barrage of blue and yellow energy, stars, water, ocean waves, winds, lightning, phoenixes, and angels which hits The Tar Monster Clone and sent him flying into another wall, he got back out, but now, he was enraged.

Shayla Arashi: (Divine Echoing Godly Voice of The Furious Storm Dopant Embodiment Phoenix God Angel and Divine Cosmic Eternal Furious Storm Dopant Embodiment Phoenix God Angel Love) Now, you just crossed the line with that stunt, I hope you're ready for a well-deserved beating.

Suddenly, The Tar Monster clone got hit hard by blasts of nebulae and Nebulonic Gas.

Lincoln: J.D., did you…?

Me: Nope, that wasn't you, nor me. (Smirks) But, I know only one person who did that.

Suddenly, we saw a very beautiful and super sexy girl with long dark purple hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a dark purple frilly short-sleeved shirt, necklace with pearls and purple gem for the pendant, dark purple skirt, white bridal gloves, dark purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive golden greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Carrie Knudson, God Sibling of Nebulas and Nebulonic Gas.

Me: Aw yeah, I knew it was her alright!

Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sophia Knudson, Morgana Knudson, Emily Knudson, Abigail Knudson, Avery Knudson, Grace Knudson, Maria Knudson, Selena Knudson, Caitlin Knudson, Lunaria Knudson, Evelyn Knudson, Valerie Knudson, Arlene Knudson, Melanie Knudson, Celine Knudson, Clara Knudson, Megan Knudson, Carly Knudson, Beth Knudson, Natalie Knudson, Rachel Knudson, Sumner, and Patti: Carrie?!

Carrie Knudson: Yep, Carrie Knudson, God Sibling of Nebulas and Nebulonic Gas, reporting for duty.

Sakura Knudson: It's so good to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well as the sword pendants on his white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing.

And I unholstered my massive J.D. Knudson's Universal True Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Angel Greatsword of Universal True Eternal Cosmic Elemental Wolf Moon Phoenix Angel Justice from my back and transformed into Super Angel-Ebonwu-January Wolf Moon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel of Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Justice and Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Hope, and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental

Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Even though we know you're not one of Universe 666 Sebastian's creations born from his residual darkness, you're still getting your butt kicked.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And when we find out who the mastermind behind this is, he's also getting his ass kicked big time!

Lincoln, Shayla Arashi, Shaggy, Carrie Knudson, and I went after The Tar Monster Clone, and we fired extremely powerful blasts of rainbow energy, blue and yellow energy, black and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Tar Monster Clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Shayla Arashi, Carrie Knudson, Shaggy, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Tar Monster Clone even more insane and straight to the brink of insanity.

Tar Monster Clone: YOU! YOU! (ENRANGED GROWL)

The Tar Monster Clone charged right at us completely blind with homicidal rage and fury, but Nico fired waves of scalding hot water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Shaggy and Carrie blasted him with darkness and nebulae, then, Lincoln fired massive blasts of scalding hot water at The Tar Monster clone, and he was really getting messed up, and Lincoln fired a ball of water which hit The Tar Monster clone and he got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The Tar Monster Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his

abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Tar Monster Clone, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Shayla Arashi's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large dark blue yellow orbs orbiting around her legs, and massive dark blue angel wings are permanent.

Shayla Arashi: Now, that was so awesome!

Lincoln: That's another clone of Mystery Inc's enemies down and more to go.

Suddenly, Shayla Arashi wrapped her arms around my waist, as her chest pressed against my massive pecs and her stomach pressed against my eight-pack abs, which'd brought an atomic red blush to my face, and I wrapped my abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as I leaned down to Shayla Arashi's face, we kissed passionately as she moved her hands onto my massive pecs, and behind us was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Windigo flying in the air, and a herd of Buffalo and many animals were all running across the field and elemental forces and water, wind, and lightning behind us and everyone cheered wildly. Then, Shayla Arashi and I sucked in and absorbed the elemental forces and water, wind, and lightning and we came back to us as the display vanished.

Eli: And look, we didn't get any tar on any of us.

Nico: How was that possible?

Lincoln: This is how.

Lincoln showed that he'd cast a spell and put water barriers around us.

Me: Whoa!

Nico: Water barriers?! Nice!

Then, the water barriers around us were absorbed by us.

Lincoln: It only lasted until I absorbed The Tar Monster Clone, gross. But, at least we took care of him for good. (To Carrie Knudson) And it's so good to see you again, Carrie.

Carrie Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Carrie Knudson and he hugged her, and Carrie Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Carrie Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Carrie Knudson, God Sibling of Nebulas and Nebulonic Gas, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful nebula powers and immense control over Nebulonic Gas, and she and I also love to go to saunas. Her favorite song is Nights in White Satin by The Moody Blues. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, Carly, Beth, Natalie, Rachel, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, Carly, Beth, Natalie, Rachel, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Steam, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR YOU'RE GOING TO FACE THE WRATH OF THE GOD SIBLING OF THE NEBULA!

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, and now that you're here, Carrie.

Lincoln went up to and hugged Carrie Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Carrie Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Carrie Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Carrie Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carrie Knudson.

Carrie Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: And Church? You and Julie did good yesterday.

Church: Thanks Nico.

Julie Carolina: That was fun.

Camie: It sure was.

Laney: Yeah!

Nico: Nice job Solgaleo.

Solgaleo: Thanks Nico.

Thetis: That was really fun.

Qin: Yep.

Poromon: Want some beer?

Solgaleo: No thanks. I don't drink. Root beer only for me.

Nico: Oh.

Poromon: Okay then.

Poliwag: (Does Puppy Eyes) Pwetty pwease?

Solgaleo: Nice try.

Nico: Poliwag that's enough.

Poromon: Thetis has control over water. So, I guess you'll like root beer all the same.

Thetis: That's right. Root Beer is made of carbonated water.

Me: Yep.

Poromon: Awesome.

Nico: Nice.

Horsea: But are you sure you're okay now?

Solgaleo: Thanks to you guys. I'm perfectly fine.

Me: Good.

I pulled out my cooler and gave him some root beer.

Solgaleo: Oh boy! Thanks J.D.

Me: Anytime.

Solgaleo drank it and then…

LOUD BELCH!

Solgaleo: Pardon. Ahh. I needed that.

Poromon: Fair Warning: Thetis' past was rough.

Solgaleo: Really?

Me: Yeah ugly story. She'll tell you when she feels like it.

Nico: Yep.

Me: Now for the fun part. The Anothers.

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Nico: And now we wait.

Me: We don't have to wait long!

We saw ANOTHER ANIMAL PATH!

Me: Ida Ignition!

Ida Ignition: Awesome to see you again J.D.

Me: Same here. Ida is the embodiment of the Ignition Dopant and she is a masterful mechanic and has great talents in repairing vehicles. Also she has all of the powers of the Animal Path and she can summon any animal from anywhere.

Me: A Chill Penguin Gene-slammer.

I put on my blind man glasses.

Me: And If I had to guess you are in your birthday suit right?

Amanda Chill: Yeah I sure am.

The boys covered their eyes.

Me: It's gonna hurt.

Amanda Chill: I know.

Me: Here we go.

I snapped my fingers and then she doubled over in pain and threw up all over May and it was a ROTTEN AND DISGUSTING AND HORRIBLE SMELLING MIXTURE OF CHUM, FISH AND SQUID! YUCK!

She reverted back and was a girl with blue hair and blue eyes and had blue angel wings and she had a Penguin in a snowflake in the middle of her forehead.

Amanda Chill: (GROANS) That hurt) (GASP) Oh my god! Sorry May! As a Chill Penguin and Gannetwhale gene-slammer I eat chum, fish and squid.

Nico: (DISGUSTED GROAN) OH GOOD GOD! THAT SMELLS HORRIBLE!

Me: OH SICK! I know how that feels because we showed everyone what that's like.

Amanda Chill: (Sees herself) GAH! Sorry guys!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome blue clothes.

Amanda Chill: Awesome outfit!

Sakura Knudson: Welcome to the Chum Eating party.

May was quivering in disgust and she had a look on her face where she looked like she could throw up!

May puked on Manaphy!

Manaphy: HEY! MAMA!

May: Sorry Manaphy!

Me: OH GOOD GOD! May you're going to need like 40 showers!

Nico: GEEZ!

Amanda Chill: Sorry about that!

Faye Runnington: Do you have any favorite memories of Nico?

Amanda Chill: I have a lot of them. But my favorite is where I showed Nico where I was born. I was born in Lake Vostok Station in Antarctica.

Kate Lloyd: Wow! That is awesome.

Me: Bonechilling cold. You practically love the cold.

Amanda Chill: (LAUGHS) Yeah I sure do. And no thankfully I didn't encounter the Thing there.

Me: Well that's a relief.

Nico: No kidding.

Nico and Amanda hugged.

Nico: I've missed you.

Amanda Chill: Same here.

We went home and got May cleaned up.

Lincoln: We've arrived here in the world Locker 13 from The

Nightmare Room, and I know what we're going to do here, not only am I going to rescue the four girls, but we're going to help superstitious Luke Green see that his superstitions are only holding him back and we're also going to destroy the cursed good-luck charm he has and perform an exorcism on his Locker 13.

Adrienne Midnight: That's correct, Lincoln. In the book, Locker 13, Luke Green is a superstitious and paranoid kid who like Lynn before her Dark Side was removed believes in good luck and bad luck, but not as bad as her, and he found that cursed good-luck charm in Locker 13. But, The Fatemaster said that he must repay the luck with his own life.

Nico: So, we're going to help him see his superstitions are only holding him back and we're also going to destroy the cursed good-luck charm he has.

Lincoln: And perform an exorcism on Locker 13, that locker has some serious black magic radiating off it.

Me: That's not good.

Sweet Leaf: Especially since we're dealing with black magic.

We headed inside and we met with Luke Green, and we explained to him that his superstitions were only holding him back, but then, he remembered the warning from The Fatemaster that he must pay that good luck he's been getting with his own life and he got out the charm.

Luke Green: Take it away from me!

Eli grabbed it. Then, we rushed to Locker 13, and Lincoln proceeded to do an exorcism and that had caused the good luck charm to be destroyed and The Fatemaster's spirit was removed and sent to The Black Gates.

Lynn: That was way too close.

Lincoln: You said it, that thing almost cost Luke his life. Alright, now onto our next part: we're going to confront the clones of God of Time, Dominator, El Kite, The One, Rampageman, Bicorn, The

Natural, Caucasusman, Ideaman, The Notorious, The Executioner, Leviathan, Onyxman, The Berserker, Magnificent, The Man, Silverman, Mirageman, Abyssman, Painman, Justiceman, Ganman, Thingman, Crowman, Psychoman, Nemesis, Peek-a-Boo, Polarman, Marlinman, Marvellous, Crushman, Turboman, Dalmatiman, Jak Chi, Max Radial, Neptune King, Neptuneman, Kendaman, Screw Kid, Graveyard Demons, Satan, Akuma Shogun, Ashuraman, Sunshine, The Ninja, Junkman, Planetman, Sneagator, Buffaloman, Springman, Mister Khamen, The Mountain, Atlantis, Black Hole, Stereo-Cassette King, Omegaman Aristera, Hailman, Pirateman, Gear Master, Mariquitaman, Lunaight, God of Intelligence, God of Brutality, God of Technique, God of Strength, God of Flight, Kinnikuman Super Phoenix, Mammothman, Satan Cross, Prisman, Omegaman Dexia, Kinnikuman Zebra, Parthenon, The Manriki, Motorman, Bikeman, Kinnikuman Mariposa, The Hawkman, Mister VTR, King the 100-Ton, Mixer Taitei, Kinnikuman Big Body, Leopardon, Cannonballer, Golemman, Pinchman, Kinnikuman Soldier, Heavy Metal, The God Shark, Woolman, Bulldozerman, Ramenman, Warsman, Robin Mask, Brockenman, Curry Cook, Bockman, Booton, Mikhailman, Kommandas, Buki Boy, Black Ship, Higanteman, Cambridgeman, Rollerman, Tyrant, Doguman, Hammerhead, Alien Sheik, Skull Bozu, Devil Magician, Kinkotsuman, Iwao, King Ton, Franky, Abdullah, Brutal Alien, Daibutsura, Dai King, Tigerian, Sprinter Sword, Bottomless Alien, Tendon,Nagaashigon, Bazoogara, Octopus Dragon, Black Shadow, Bullgoras, Monster Turkey, Rugged Brothers, Monster Master/ Student Combo Blood Illusions Diabolos, Stray Devil Chojin Combo, Killer Game Combo, Hell Missionaries, Last Intelligence, John Does, Omega Glorious, The Mighty Hercules, Modesties, El Dominoes, Bermuda III, SKGB (Kowalski), and Saizou from Kinnikuman.

Nico: WHAT THE?! That's a massive army of clones, and I heard Vypra recruited them to The Masters of Evil.

Me: She did, so Lincoln's going to take the clones down and absorb them. Hope you're ready for this one, Lincoln.

Lincoln: You bet I am.

We headed outside of the school to confront the clones of God of Time, Dominator, El Kite, The One, Rampageman, Bicorn, The

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the chests of the clones, and then, Lincoln began absorbing them all into his body as he and all of us assimilated all of their powers, immense strength, Perfect Chojin, Chosin, and Chojin Physiologies, wrestling techniques, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them except their clothes, and he banished them all to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Oh man, now that was quite a feast, and in the process, we acquired all of their powers, immense strength, Perfect Chojin, Chosin, and Chojin Physiologies, wrestling techniques, and abilities. (To Bella Infernosnake, Iris Infernosnake, and Lilith Infernosnake) And it's so good to see you three again, Bella, Iris, and Lilith.

Bella Infernosnake: (Romanian Accent) You too, Lincoln.

Iris Infernosnake: (Romanian Accent) It's been seven years since we last met.

Lilith Infernosnake: (Romanian Accent) And it's also good to see you again, Sypha.

Sypha Belnades: It is good to see you and your sister too, Lilith.

Suddenly, Lincoln was pounced on by Bella Infernosnake, Iris Infernosnake, and Lilith Infernosnake who proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When they were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he got up.

Erica Darkswarm: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Bella Infernosnake, Iris Infernosnake, and Lilith Infernosnake and he hugged them, and Bella Infernosnake, Iris Infernosnake, and Lilith Infernosnake are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on their faces soon became even deeper when they saw his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Bella Infernosnake: (Romanian Accent) Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Iris Infernosnake: (Romanian Accent) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Lilith Infernosnake: (Romanian Accent) Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know these three girls?

Lincoln: Indeed I do, Eli, these three girls are Bella Infernosnake, Gene-Slammer of Infernoid Onuncu, Iris Infernosnake, Gene-Slammer of Infernoid Devyaty, and Lilith Infernosnake, Gene-Slammer of Infernoid Tierra, The Infernosnake Sisters, they're my

Guardian Angels from Romania and classmates in Gym, but they are also beautiful and deadly masters of magic like their cousin, Sypha Belnades. They even have a snake ranch, where they keep even the most deadly of serpents, but thanks to my kind and gentle demeanor, the serpents would never ever harm me. The Infernosnake Sisters' magic was said to impress even The Goths of Darkness, and they can even summon various creatures of darkness as well. Bella has red hair, Iris has blue hair, and Lilith has pink hair.

Michelle Emperyous: Lincoln made the Infernosnake Sisters beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips, and Lincoln promised that when he comes of age, he will marry Sypha Belnades and her cousins along with the rest of his harem. Plus, they hate Lila Rossi with a blazing passion, the reason why is because she once tried to unleash a giant python on Marinette and her friends as revenge, but thankfully, Lincoln and the Infernosnake Sisters stopped the python and beat the crap out of Lila Rossi and threw her back in jail with only her undergarments.

Marinette: Their expertise in handling snakes stopped that giant python and they sent it back into the wild and they beat Lila to a bloody pulp and threw her back in prison with only her undergarments, it was hilarious, and they even took a pic of it and sent it on social media. Everyone also humiliated Lila even more and bashed her on the web and it drove her even more nuts.

Lincoln: She deserved it, and it's also where I also gained my Zyuoh White Snake Ranger form.

Nico: Wow, that's really awesome.

Me: You said it.

Lincoln: My kind and gentle demeanor made some of the gentler animals calm around me and it also soothed even the most dangerous animals and they didn't see me as a threat, but around Lori, Lynn, Lola, Lisa, and Luan, that's a different story, and now that you three are here.

Lincoln went up to and hugged Bella Infernosnake in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Bella Infernosnake: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bella Infernosnake, Iris Infernosnake, and Lilith Infernosnake with red, blue, and pink gems on the gold lightning bolts and red, blue, and pink crystal links from their merged Crystal Necklaces of The Buddha along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Bella Infernosnake, Iris Infernosnake, and Lilith Infernosnake: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Bella Infernosnake, Iris Infernosnake, and Lilith Infernosnake, and of course, for that little pouncing.

Lincoln made two clones of himself and they had their massive arms wrapped around the waists of Bella Infernosnake, Iris Infernosnake, and Lilith Infernosnake, and he leaned down to their faces and kissed them on the lips, but when they wrapped their arms around their necks, Lincoln deepened the kiss and we all cheered for them. When Lincoln and his clones separated, my sisters had atomic red blushes on their faces, hearts in their eyes, and their hearts were beating like mad. Then, we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Akie Yotsuya, Fumi Ooki, Madoka Tatsumi, and Reiko Hayasaka from MILF Museum The Immoral Residence

Lincoln: Oh wow, it's Akie Yotsuya, Fumi Ooki, Madoka Tatsumi, and Reiko Hayasaka from MILF Museum The Immoral Residence

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Akie Yotsuya: Yes, we're okay, thanks to you.

Akie Yotsuya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akie Yotsuya: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akie Yotsuya, Fumi Ooki, Madoka Tatsumi, and Reiko Hayasaka with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate as a door appeared and we went through it and came back home and we told everyone what happened, and they were really glad we got through to Luke Green and Lincoln did the exorcism on Locker 13 and destroyed the cursed good luck charm and sent The Fatemaster's spirit to The Black Gates. But, they were shocked to find out the villains we went after were clones of the Kinnikuman villains Vypra recruited.

But, when Lincoln showed what we did in viciously beating them all up and Lincoln absorbing them all and sending them to The Black

Gates, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and The Infernosnake Sisters have a lot of catching up to do, now that they're back in town.

Maria: Whoa, that must've been one pretty scary exorcism.

Lincoln: It sure was.

Me: But, there's plenty more to go.

Nico: Yep, so our journey through The Nightmare Room has only just begun.

---

After we helped Luke Green realize not to rely on superstitions and good luck charms along with doing the exorcism that destroyed the cursed good luck charm and sent The Fatemaster's spirit to The Black Gates, and took down the clones of the Kinnikuman villains Vypra recruited and Lincoln absorbed them all and sent them to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Bella Infernosnake, Iris Infernosnake, and Lilith Infernosnake saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Bella Infernosnake: (Romanian Accent) My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Iris Infernosnake: (Romanian Accent) He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Lilith Infernosnake: (Romanian Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Bella Infernosnake: (Romanian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the

really big, really strong, and really powerful man we know today.

Iris Infernosnake: (Romanian Accent) I knew it was only a matter of time before he told everyone that story.

Suddenly, the alarm sounded, and Lincoln checked the computer, and when he saw who it was that triggered it, Sylvia and Lindsey were shocked. It was a male with black hair, black eyes, extremely muscular, and dressed in a red prison jumpsuit.

Sylvia Exetor: (GASPS) Oh shit, I didn't expect to run into him again!

Me: You know this guy?

Lindsey Exetor: Unfortunately, we do. This thug's name is Ethan Maverick, he's a local thug from our town and he was a jerk and bully times the infinite-power, he terrorized and pummeled everyone he saw and he caused tons of damage by lifting up cars with his mammoth-sized superhuman strength and tossing them into buildings on his rampage.

Sylvia Exetor: And he's also among the clique of that shitstain ex-brother of ours, Billy Exetor.

Nico: I remember this overgrown meathead all too well. I defeated him and got him sent to prison, but it looks like he broke out using that mammoth-sized superhuman strength of his.

Me: And from what Lindsey said, it sounds like he's way too dangerous.

Lincoln: He sure is. I swear, if we find out Billy Exetor hired him to kill us, that dirty little nuisance is going to be in for something far worse than Hell.

We flew out of The World Tree Estate and Lincoln fired rainbow energy blasts that hit Ethan Maverick in the face, and we landed. This really made Ethan Maverick super angry as he ripped the top part of his red prison jumpsuit and roared like an animal and beat his chest like a gorilla.

Lincoln: Figures, he's just a wild beast out on another rampage.

Ethan Maverick ran at us on all fours like an animal, but Lincoln reared his fist back and punched him hard in the face and sent him flying into a wall of diamond he made and Ethan Maverick hit the wall back first. Then, his wrists and ankles were secured by metal cuffs, he struggled to get free, but he couldn't.

Suddenly, Lincoln sprouted tentacles with suctions from his chest and latched themselves onto the massive pecs, necks, arms, and legs of Ethan Maverick, and the tentacles began sucking him dry of his massive muscle mass, virility, and massive mammoth-sized physical strength and he was really groaning in pain as he began shrinking in muscle mass and size.

Then, all of the massive muscle mass, virility, and massive mammoth-sized physical strength of Ethan Maverick began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

Lincoln: (Growls) Oh man, this gorilla is seriously that strong.

Then, when Lincoln was done, the tentacles had detached themselves from the pecs, arms, legs, and necks of Ethan Maverick and they went back into him, and we saw Ethan Maverick was now literally thin as a rake and sucked bone dry of his massive muscle mass, virility, and massive mammoth-sized physical strength. Then, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and his large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light forming a viewing window and we saw that Ethan Maverick did break out by prying the bars of his cell open with his gorilla-sized physical strength, and we saw it.

Lindsey Exetor: Figures, that gorilla broke out by using his strength again.

Sylvia Exetor: Wait, look.

We also saw a camera that was being broadcasted to The Uranus

Prison and straight to Billy Exetor's cell as he was laughing maniacally and he blurted out that everything was going according to plan. We were super pissed off.

Nico: That little shithead!

Lincoln: Billy's going to keep at it until he's gotten rid of us and his sisters, he's just a sociopathic jerk.

Lincoln fired a beam of energy that hit the drained Ethan Maverick and destroyed him and sent him to The Black Gates, and we headed back inside and continued working out. We also heard Billy Exetor scream and curse at us.

Nico: (Smirks) Yeah, up yours, you shithead.

We got a shower afterwards, and then, Lincoln, Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma are heading to Whimsical Waters.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Catzi: Wow, so this is Whimsical Waters. It sure is beautiful.

Lincoln: It sure is, Catzi, and it's perfect for our first date. Shall we?

Lincoln, Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma and they hugged the girls in their abnormally massive and powerful muscular arms and Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Whimsical Waters, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma are in your harem, Linky.

Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma showed the marks Lincoln made on the right sides of their necks.

Eli: I had no idea Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma had feelings for Lincoln, but that was quite a surprise.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Cream the Rabbit, Scatterspike, Filch, Zizza, Avery, Bertie, Catzi, and Prizma, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta

appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing

900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

The mascots came in and they had an awesome pink ray gun.

Pepperdance: (Cajun Accent) Ooowee! What do you guys got there?

Maria: I'm gonna be outside if you need me.

Me: Okay.

Maria left.

Poromon: This is our awesome Smoking Hot Bikini Gun. We made it.

Me: What does it do?

Poromon: Turns anyone into a smoking hot Bikini Girl. Watch.

Poromon fired a blast and it May was in a smoking hot red bikini swimsuit!

May: WHOA! (Seductive pose) Like what you see Nico?

Nico: (NOSEBLEED LAUNCH)

He crashed into the wall!

CRASH!

Naruto: Whoa! That ray is full of Va Va Voom!

Qin: Nice!

Bonnie Burger: It works!

Me: Wow! It sure does!

Poromon: Now watch this!

He fired and it hit Lori, Leni, Sam S.L., Carol, Twilight and Friends, and Ruby Rose and Friends and they were all in smoking hot bikinis! Lori's was aqua blue, Leni's was sea foam green, Sam's was teal blue, Carol's was purple and Twilight and Friends and Ruby Rose and friend all were in smoking hot bikinis!

Lori: (Seductive Pose) Hey boo boo bear. Look at me.

Carol: (Seductive Pose) Do I Look awesome Vince?

Twilight and Friends and Ruby and friends did seductive Poses.

Me: Cue nosebleed launches in 3… 2… 1…

Ed, Luna, Bobby, Vince and Lincoln got launched and crashed onto Nico!

KRASMASH!

Octopunch: Maria's outside because she doesn't like to be in a bikini.

Me: I had a feeling she would sit that one out.

Nicole: Well at least it's not a completely naked ray. Or there would be bones and body parts missing courtesy of me.

Me: Yeah that's true.

Nicole: Yep.

Camie then came in and she was excited.

Me: Camie you're in a happy mood.

Camie: I have some awesome news.

Me: What is… (GASP) Camie are you!?

Camie: I sure am! (OVERJOYED!) I'M PREGNANT!

WE GASPED!

Me: OH CAMIE!

Me and Camie hugged and I everyone cheered wildly for me and Camie!

Nico: Maria, come back inside. We have news.

Maria: Okay.

She did so.

I was holding Camie bridal style.

Camie: I'm pregnant Maria!

Maria: OH WOW! Congratulations Camie!

Himiko: Awesome!

Tsuyu: Yeah!

Me: We definitely know what the next rescue is going to be tomorrow.

Nico: Yep. A Baby shower at U.A. Academy!

Nanette: All right!

Izuku: This will be awesome.

?: I'm looking forward to that one.

A girl came and she had orange hair and brown eyes and had orange clothes and had brown angel wings and had a tiara with the symbol of Stone Man on it.

Sierra Stone: Sierra Stone, Embodiment of Stone Man.

Qin: Cool! Sierra!

Sheila: Wow! Awesome to see you again.

Sierra Stone: Awesome to see you again too Qin and Sheila. Its been a while.

Seaspray: How do you know Qin and Sheila?

Sierra Stone: I went to the police academy with Sheila and we trained together.

Irma Lair: You would be a perfect partner with Sheila.

Sheila: I was just about to suggest that.

Sierra Stone: Yep. And Sheila sorry I wasn't there for your wedding last year but congratulations.

Sheila: Thanks Sierra.

Sierra Stone: And I met Qin when she was in school with Nico.

Nico: I remember that! Awesome to see you again Sierra.

Sierra Stone: Same here Nico. Sorry we haven't talked much.

Nico: No worries.

Sierra Stone: Good. Also May, girls you all look amazing in those swimsuits.

May: Thank the mascots for that.

Sierra Stone: (LAUGHS) Yeah.

Nico: Would you like to join the team?

Sierra Stone: I would be honored.

RD Sam Sharp: Nico, who gets to shine today?

Nico: Shoichi and Kadma.

Me: Awesome!

Qin: Cool!

Suddenly Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of The Haunted Hamburger, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of The Haunted Hamburger, and he's causing havoc.

We gasped.

Me: Now, we got a clone of The Haunted Hamburger?! Oh boy.

Nico: Oh, we're so going to enjoy eating him.

Lincoln: Save some for me since I'm going to absorb him, and with every clone I absorb, I'll be able to uncover who it was that's been making clones of them to cause trouble.

Nico: With your absorption techniques along with information gathering skills, hopefully, we'll be able to find out who it was causing this. Alright, gang, let's get going and take down that clone of The Haunted Hamburger.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

Me: Darn tootin!

Zocks: Haunted… Hamburger?

Nico: He's a living burger. He has a nasty tempur and has 6 legs.

I showed a picture of him.

Zocks: WHOA!

Sakura Knudson: I remember the Haunted Hamburger. Boy he was a REALLY NASTY burger monster. He was really Skippy Johnson, A former employee of my favorite restaurant O-Greazy's Bucket O' Fun restaurant and he worked there for almost 40 years.

Qin: Wow! That is a long time.

Sakura Knudson: I know. But he was pissed because Mr. O-Greazy didn't give him a raise.

Nico: Geez!

Me: Yeah he only got community service because of his advanced age.

Qin: Yeah.

The previous group came.

Juggernaut: Can me, Iceage, White Lightning, Killer Croc, Titania, Grodd, Scorpion, Doctor Octopus, Count Vertigo and BlackWarGreymon go with you guys?

Nico: Yes you all can come with us.

Qin: We're going to have a Haunted Hamburger for dinner.

Lola: Yeah!

Camie: This is gonna be fun!

Disk Wars Mandarin: Nico, which Gene-slammer do you think you'll meet next?

Nico: Spark Mandarin next.

Me: Electrifying.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow

fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Mannoroth The Destructor, the vicious leader of the Pit Lords and the right hand of Archimonde, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is one person we aren't going to like this one bit: the figure that we saw is none other than Mannoroth The Destructor, the vicious leader of the Pit Lords and the right hand of Archimonde, and he's coming here to destroy us.

We gasped.

Lola: That's not good. Mannoroth is one of the most dangerous beings in Azeroth and he's definitely no pushover.

Gina Hermos: We already know, and Lincoln and I will take him down and Lincoln will absorb him and assimilate all of his powers, abilities, and strength.

Lincoln: That's right, Gina.

Nico: I hope you two tear him apart and Lincoln absorbs him too. Alright, gang, let's go, we're heading out to destroy that clone of The Haunted Hamburger.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Mannoroth.

Gina Hermos: The suffering you've caused throughout Azeroth can never be forgiven, Mannoroth, and for everything that you've done, you will suffer the consequences for your crimes.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of The Haunted

Hamburger so that Lincoln can absorb him, and once we got done with him, Lincoln and Gina Hermos are going to destroy Mannoroth The Destructor.

We were off to Shaggy's house.

---

We arrived at Shaggy's house.

Me: I hope Shaggy and Scooby are doing good.

Nico: Me too.

Qin: Yeah.

We opened his door.

Me: Shaggy? Scooby?

But then..

POW!

We ducked and Shaggy hit right into the wall!

CRASH!

Me: Uh oh! Not again!

White Lightning: What is it!?

We saw Fred, Daphne and Velma ducking behind the sofa.

Nico: What the fuck is going on!?

Me: Looks like Shaggy and Scooby are having a disagreement!

Scooby Doo: You had this coming cat poop eater!

Shaggy: YOU TAKE THAT BACK YOU MUTT!

He jumped Scooby Doo and they got into a massive fight cloud!

Eli: OH MAN! Stop now!

Eli used the force and stopped them!

Me: Okay what the fuck is going on with you two!?

Shaggy: Like it was all his fault! He started it!

Scooby Doo: Uh uh! HE Started it!

Me: It doesn't matter who started it! Now what the fuck are you two fighting about this time!?

Sakura Knudson: Boy I remember them being mad the first time the Burger Monster appeared but it was never this bad.

Shaggy and Scooby: STAY OUT OF THIS!

Chaor: Harsh!

Me: Not this time!

I grabbed them both.

Me: I have to discipline the Nannygoats!

BLANG!

I bashed their heads together!

BLANG BLANG BLANG!

Me: Do you give up!? (BLANG!) DO YOU GIVE!? (BLANG)

Erica grabbed them and restrained them.

Titania: At least tell us what's wrong!

Me: If this is about what happened when you two got throttled by the Hooded Heffer, GET OVER IT!

Scooby Doo: Shaggy said something insulting to me!

Me: What did he say?

Scooby Doo: Uhh. (Whispers in my ear)

Me: (GASP) NORVILLE SHAGGY ROGERS! WHY I OUGHTA MAKE YOU PAINT MR. LYNN'S RESTAURANT FOR SAYING SOMETHING SO DISGUSTING TO SCOOBY!

Mr. Krabs: WHOA! He's starting to sound like me.

Qin: Yeah!

Nico: What did he say?

Me: He called Shaggy a Chum Eating sack of garbage!

WHOA THAT IS CRUEL!

RD Carol: Why did he call you that?!

Shaggy: I don't know!

Scooby Doo: I don't know either!

Shaggy: YOU TAKE BACK WHAT YOU SAID!

Scooby Doo: YOU TAKE BACK WHAT YOU SAID!

Erica bashed their heads together!

Erica Haddock: SHUT UP YOU TWO!

Scorpion: Eli, can you sense the reason for this?!

Eli: I'll try.

Eli did so and found out that it was because Shaggy was jealous.

Eli: Shaggy is jealous.

Me: Jealous? Over what?

Eli: That.

We saw a massive pile of chicken wing bones and Scooby Doo ate MORE WINGS than Shaggy did.

Me: WHOA! That's a lot of chicken wings!

Nico: Wow! I'm impressed. But still Scooby ate more chicken wings than Shaggy?

Shaggy: Like yeah and I hold the record for the most chicken wings ever eaten and Scooby ate more than me and I snapped.

Me: What was your record?

Shaggy: 18,212 wings. Scooby won with 23,533 wings.

Nico: WOW! That is amazing!

Lola: Yeah!

Nico: At least we know the reason now.

Me: Yeah. Nico you hold a record like that?

Nico: Actually yes I do. I ate 62,323 wings.

Shaggy: Like wow! That is amazing.

Scooby: I'll say!

Nico: I know. Now Shaggy, Scooby, I believe you two owe each other an apology!

Hinata: I don't think you can eat that many chicken wings in your entire life.

Me: I was about to say the exact same thing Hinata. But for Shaggy and Scooby they can do that easily with no problem.

Shaggy: That's right. Like Scooby I'm sorry I said that.

SLURP.

He licked Shaggy.

Scooby Doo: It's all right Shaggy.

Me: Good.

Shaggy: Whatever mystery we're going on, I'm not going if he's going!

Scooby Doo: I won't go either.

Me: You never even heard what it was.

Shaggy: Oh.

Me: You remember that Burger Monster at O-Greazy's?

Scooby Doo: Yeah?

Me: Well a clone of it is there.

Shaggy: ZOINKS!

Sakura Knudson: I haven't been to O-Greazy's in forever. I can't wait to see it again.

Arixam: Now, we're going on ahead. When you two are ready to get over yourselves, feel free to join us.

Erica Haddock: Oh they will be going with us whether they are in a bad mood or not.

Nico: Okay. Lets go guys.

We went to O-Greazy's Bucket O Fun Restaurant.

We arrived at the restaurant.

Nico: Here we are.

Sakura Knudson: Yep.

We went in and it was a nice place.

Me: Wow! Just like old times.

Sakura Knudson: Yep. There's my photo.

We saw a picture of Sakura Knudson back when she was 11 and she had a massive stack of buckets by her that were licked clean and she had a number of 1,000 under her and 2 candles were by the photo.

Me: I will never forget that photo.

Sakura Knudson: Me neither. That was awesome.

Laney: Wow! Sakura you have an amazing appetite.

Sakura Knudson: I know.

BlackWarGreymon: Can we still have some?

Me: Sure.

We got to ordering. I had a huge BUCKET O BURGERS.

Nico had a Bucket O Pizzas.

Shaggy and Scooby were eating.

Me: Feel better guys?

Shaggy: Like yeah we sure are.

Me: It's all dellicious. Man I missed this place.

Family Guy Penelope: I believe apologies are in order?

Me: They already did Penelope.

Shaggy: Like yeah we're cool now.

Camie: Besides it's still fun and awesome eating here.

Sunset Shimmer: It sure is awesome.

We were eating.

Count Vertigo: I'll have 2 cheeseburgers.

Me: Count EVERYTHING here comes in buckets. You get everything here in bulk.

Count Vertigo: Wow. Okay then.

He got a bucket of burgers and it was awesome.

Red Herring then came.

Red Herring: Well if it isn't the weenies!

Me: Red Herring! (WHISTLES) Nice shiner.

He had a really nasty purple and swollen eye.

Sakura Knudson: Nice to know that I left my mark on you.

Qin: You sure love this restaurant huh?

Red Herring: I sure do. I come here all the time. O-Greazy's got some of the best grub in town.

Sakura Knudson: Ain't that the truth.

Red Herring: Remind me why those 2 were fighting again?

Smithers: Because one ate more then the other.

Me: Yeah.

Nico: It's true.

Red Herring: At least you stopped them from saying anything they would've regreted

Lois Griffin: That's a good thing

Me: Yeah.

Red Herring: It sure is. Hey Jones, you missed this place?

Fred Jones: Not as much as I missed accusing you of stuff Red.

Doctor Octopus: You might as well help us since you're here.

Red Herring: Good idea.

Qin: Awesome.

Camie: Awesome.

Qin: Cool.

We then finished up and then we went to go talk to Arnie Barney. He was the archrival of O-Greazy.

We arrived.

Alucard: Hi there?

Me: Arnie Barney. Been a long time.

Arnie Barney: J.D. Knudson and Sakura Knudson. Been a while. You come here to help me take down that monster?

Me: Actually I have a proposition for you. How would you like to make good money in our frenemies of the Masters of Evil?

Doctor Octopus: It's good money.

Grodd: But yes. We're here to help you.

Arnie Barney: I'll gladly help you guys.

Me: Awesome. First we got a burger monster to face.

But then…

?: (ROAR)

We heard a roar and that meant that the monster was close!

Me: He's close!

Eli: I sense him! In there!

He pointed to a clearing in the park.

St. Patricia: Entrance time!

We went at the clearing.

The burger monster roared!

Then the spirits of burgers came and swirled around him and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a phoenix cry was heard and then we came out.

Me: Hello burger freak!

Xenia: Yeah!

Killer Croc: Feeding time!

Qin: Yeah!

Burger Monster: I WILL MAKE YOU PAY!

Me: You are the one that will pay!

Qin: YEAH!

Nico: I want the cheese!

Qin: Yeah!

Burger Monster: I WILL MAKE YOU INTO BURGER MEAT!

Camie: Come and try it you rotten sack of cheese and beef!

Nico ate some of his cheese parts.

Nico: YUMMY!

Qin: Nice!

Me: Yeah!

Shoichi: HENSHIN!

He turned into Kamen Rider AGITO!

He and Kadma charged at the burger monster and bashed him down.

Shoichi and Kadma charged at him again!

They smashed him down.

Nico: Go for it!

He took a bite out of the Burger Monster and the monster screamed in pain.

Lincoln: Take this!

Lincoln punched the clone of The Haunted Hamburger super hard in the stomach and sent him flying into a wall that cracked and fell apart and he fell flat on his back. Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Haunted Hamburger clone, and then, Lincoln began absorbing The Haunted Hamburger clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Haunted Hamburger clone, and he banished The Ghost of The Hooded Heffer clone to The Black Gates.

Nico: Looks like that's another of the clones of Mystery Inc's enemies taken down, but this is only the beginning.

Lincoln: You got that right, there's a lot of them we're gonna be facing. Now, there's one last thing to do and one last loose end to tie up: Mannoroth The Destructor.

?: You fools will fall to the might of The Burning Legion!

Suddenly, the twelve large planets and stars orbing around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from massive blasts of Fel Magic that came from nowhere and hit the barrier, but it stood strong and absorbed the Fel Magic blasts and it flowed into us making us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Mannoroth, or we will force you out.

A massive centaur-like beast came out, and it was none other than Mannoroth The Destructor.

Lincoln: Mannoroth.

Gina Hermos: I should've known you'd show up here, you bastard. Perfect timing.

Suddenly, Gina Hermos' red eyes turned neon red and she was surrounded by a red energy aura with stars, water, ocean waves, dragons, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Mannoroth, she left red energy, stars, water, ocean waves, dragons, phoenixes, and angels with every step.

Gina Hermos: You've got some nerve coming here, Mannoroth, all you ever desired was to slaughter all those who get in your way and lead The Burning Legion to victory. Well, that ends here and now, The Burning Legion dies here with you, you barbaric demon.

Suddenly, Gina Hermos was surrounded by a massive vortex of red energy with stars, water, and ocean waves surrounding the vortex, there are dragons, phoenixes, angels, and The Legendary Dragon Hermos and The Legendary Knight Hermos flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Mannoroth: the red eyes of eternal death.

Me: WHOA!

Nico: Oh man!

Lincoln: This is it. The wrath of The Legendary Dragon Hermos and

Legendary Knight Hermos is about to be unleashed.

Then, as the vortex faded, Gina Hermos emerged, but she was changed forever and the wrath of The Legendary Dragon Hermos and The Legendary Knight Hermos is about to be unleashed on Mannoroth!

We were amazed by Gina Hermos' Super Angel-Legendary Knight Hermos-Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Mannoroth saw it, he fired blasts of Fel Magic at her to kill her, but Lincoln absorbed the Fel Magic blasts and she fired a massive barrage of dark red energy, stars, water, ocean waves, dragons, phoenixes, and angels which hit Mannoroth and sent him flying into a tree, he got back up and he was now enraged.

Selene Arcangela: Oh man, Gina Hermos has transformed, and now, the fury of Hermos is about to be unleashed.

Lincoln: Gina has done a lot for me and my sisters and took on the wrath of Lynn when that monster was still inside her. Now, Gina Hermos is going to put an end to Mannoroth and end his destructive ambitions for good.

Gina Hermos: (Divine Echoing Godly Voice of The Cosmic Oceanic Water Maelstrom Legendary Knight Hermos Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Oceanic Water Maelstrom Legendary Knight Hermos Dragon Phoenix God Angel Love) You said it. Now, let's get him, Lincoln.

Gina Hermos and Lincoln went after Jedah Dohma, who continued firing Fel Magic at them, but Lincoln kept absorbing them, and they fired extremely powerful blasts of rainbow energy, dark red energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Mannoroth, and they exploded with incredible power as they hit him.

Then, Lincoln and Gina Hermos attacked him with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Gina Hermos also did the same by firing dark red energy slashes from her massive greatsword, and he and Gina Hermos attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this was making Mannoroth even more angrier than ever.

Mannoroth: YOU! YOU! (ROARS)

Mannoroth went after Lincoln and Gina Hermos, but Lincoln and Gina Hermos fired rainbow and dark red energy blasts at Jedah Dohma and they summoned water dragons to attack Mannoroth and he was really scarred by their furious attack. Then, Lincoln summoned Elemental HERO Sparkman and merged him with The Claw of Hermos and he got an awesome greatsword called THE SHOCKING GREATSWORD OF ELEMENTAL HERO SPARKMAN and Gina Hermos summoned Red Eyes Black Dragon and merged him with The Claw of Hermos and she got an awesome greatsword called THE DARK DRAGON GREATSWORD OF RED EYES BLACK DRAGON, and they brutally attacked him, and Lincoln punched him hard in the face as he crashed back first into a wall and landed on the ground on his back.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Mannoroth's chest, and then, Lincoln began absorbing Mannoroth into his body as he and all of us assimilated all of his powers, Fel Magic, superhuman strength, and abilities and his abnormally massive and powerful upper and lower body muscles

grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Mannoroth except for his armor and weapons, and he banished Mannoroth to The Black Gates. We cheered wildly for what Gina Hermos and Lincoln did as they holstered their massive greatswords on their backs and powered down and Gina Hermos' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, large twelve dark red orbs orbiting around her legs, and massive dark red angel wings are permanent.

Gina Hermos: Your days of causing destruction throughout Azeroth are over. Thanks for helping me destroy Mannoroth for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Gina.

Suddenly, Gina Hermos wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gina Hermos' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Legendary Dragon Hermos and Legendary Knight Hermos flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and water and ocean waves behind them and we cheered wildly. Then, Lincoln and Gina Hermos sucked in and absorbed the elemental forces and water and ocean waves and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage to Mannoroth.

Lincoln: He was one tough opponent, just as we saw.

Nico: He sure was, but you did it, you and Gina both defeated him and even used some Duel Monster Weapon Fusions which we hadn't seen in a long while and you absorbed him, Lincoln, and you and all of us assimilated his powers, Fel Magic, superhuman strength, and abilities.

Me: You got that right. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the three we're going to meet: Sara Dollshadow, Gene-Slammer of El Shaddoll Construct, Sasha Dollshadow, Gene-Slammer of El Shaddoll Shekhinaga, and Sonnya Dollshadow, Gene-Slammer of El Shaddoll Anoyatyllis.

Selene Arcangela: The last of The Halloween Gene-Slammers?! Awesome, and you guys are going to love them, Sara Dollshadow, Gene-Slammer of El Shaddoll Construct, Sasha Dollshadow, Gene-Slammer of El Shaddoll Shekhinaga, and Sonnya Dollshadow, Gene-Slammer of El Shaddoll Anoyatyllis are Lincoln's Guardian Angels from France and classmates in Cooking, and they're masters of cooking, but shockingly, they are also beautiful and deadly ninjas like their sister, Taki from Soul Calibur, and Sara has a blue ninja outfit, Sasha has a green ninja outfit, and Sonnya has a yellow ninja outfit. They also took down those that would harm Lincoln without noticing them at all, and to show thanks for protecting him, Lincoln made the Dollshadow Sisters beautiful necklaces, and as a result, they kissed Lincoln on the lips, and as a result, Lincoln promised that he would marry Taki and her sisters along with the rest of his harem when he comes of age.

Nico: Wow, masters of cooking and deadly ninjas?! No one would ever suspect them at all.

Selene Emperyous: You said it. Plus, they hate Hawk and Hank with a blazing passion, the reason why is because those two buttfaces tried to harm with Lincoln with weapons, but the Dollshadow Sisters beat the crap out of Hawk and Hank and wedgied them onto a flagpole.

Me: Oh, I remembered that one all too well, those buttfaces deserved it for trying to harm Lincoln with weapons.

Luna: What a bunch of losers.

Laney: So glad those losers along with Abigail Sanchez and Ophelia Shroud are finally gone forever.

Deadwood: I'm glad you and Scooby settled things, Shaggy.

Black Lance: You two are friends.

Marionette Shadow: And fighting with each other isn't who you are.

Count Nocturne: Now, let's get eating!

Kerbero Gangan: Me and Nico want our Patties with just cheese!

Nico: I agree there! Great job everyone.

Applejack: (To the viewers) Hope y'all liked this one.

They also took down those that would harm Lincoln without noticing them at all, and to show thanks for protecting him, Lincoln made the Dollshadow Sisters beautiful necklaces, and as a result, they kissed Lincoln on the lips, and as a result, Lincoln promised that he would marry Taki and her sisters along with the rest of his harem when he comes of age. Plus, they hate Hawk and Hank with a blazing passion, the reason why is because those two buttfaces tried to harm with Lincoln with weapons, but the Dollshadow Sisters beat the crap out of Hawk and Hank and wedgied them onto a flagpole.

The next chapter is going to be in for an adventure that ruffles our feathers as we battle a clone of Chickenstein and stop him

We had everything all set up for it. The doctor said that Camie was due for nonuplets or 9 babies! WHOA! And they were all girls. It was going to be a huge birth. Pickle and Barley Barrel were with Camie in the hover wheelchair.

Me: Boy this is the first time we ever had a baby shower here.

Himiko: I know! This is gonna be so awesome.

Sirius: It sure will be awesome.

Tsuyu: I know! First of many for us in either J.D. or Lincoln's harems.

Ochaco: I agree too.

Izuku: You got that right. I'm excited for this.

Qin: I am too.

Camie: Same here.

Pepperdance: (Cajun Accent) Ooowee! I'm really excited for this.

Nico: Me too! Pepperdance, I want to thank you, Cajun Fox, and your teams for coming.

Pepperdance: No problem Nico. This will be fun and amazing.

Qin: Yeah it sure will be.

Cayenne Cajun Pepper: You got that right.

Nico: Cayenne what do you like to do in your free time?

Cayenne Cajun Pepper: I work at my own restaurant. It's partnered up with Lynn's table.

Lincoln: It's true Nico. Cayenne has an awesome Cajun and Spicy food restaurant next door to Lynn's Table. It's called The Cayenne Creole Pit.

Nico: Wow! That sounds tasty.

Me: Oh it is tasty. And the spice is awesome too.

Varie: Yeah.

Lynn Sr.: And she and I are awesome partners everyone.

Nico: That is awesome and fun.

Poromon: I eat there as well.

Nico: Cool cool.

May: That is awesome

Camie: I'll say.

Shaggy: Like yeah it sure is. Guys I'm sorry you had to see us fighting like that.

Me: Ah no worries Shaggy. Believe it or not Nico, Shaggy and Scooby were mad at each other when the Burger Monster made its first appearance back then too.

Nico: Really? Wow.

Sakura Knudson: Yeah but it wasn't that bad back then.

Nico: Still Shaggy and Scooby I'm impressed that you were able to eat that many chicken wings.

Velma: Jinkies. That was a lot of them.

Nico: Just don't fight like that again okay?

Shaggy: Like we won't.

Nico: What were they arguing about the first time?

Me: Hmm. I don't really remember that one.

Camie: Darn.

Varie: Yeah.

Shaggy: But like that was a great battle with the burger monster!

Nico: I ate the cheese!

Me: You sure did!

Camie: No kidding!

Me: Nico likes only cheese on his burgers. No lettuce, tomatoes, onions, ketchup, mustard or pickles, just cheese.

Lola: Boy he likes it plain.

Varie: Yeah.

Nico: Yeah I'm always specific on that.

Maria: (To Shaggy and Scooby) Honestly you two fighting isn't like you both at all.

Shaggy: It's like really rare of us to be fighting Maria.

Scooby Doo: Yeah.

Me: They RARELY fight and it usually doesn't end up violent. It usually is more like a sibling sort of thing.

Nico: Wow.

Me: Yeah.

Shaggy: Sorry you had to see us go at each other like that.

Me: No worries. Shaggy between you and me, do you really eat chum?

Shaggy: Ew! Like no way!

Me: Good.

Bakugo: Sorry, Camie. But you can't get on missions while pregnant.

Camie: I know.

Me: The main mission isn't till later today so she has some time off till then.

Nico: Yeah.

Bakugo: I know. But we're just worried.

Laney: We know.

Himiko: But this is amazing. 9 girls. WOW!

Sirius: That is a lot!

Nico: No kidding!

Bakugo: Look on the bright side. At least you have the new mascots to keep you company

Cresselia: That's true.

Beautifly: I agree there too.

Me: Yep.

Pickle Barrel: I agree too. Captain Rainbow Dash put us in charge of protecting Camie.

Barley Barrel: She sure did.

Varie: Awesome.

We then saw a line of all the other mascots lining up to bounce on Camie's stomach. Mevya was in the front of the line.

Mevya: How much do I have to pay to bounce on Camie's stomach?

Me: Mascots don't do that.

Nico: Camie is in a fragile state like this.

Nicole: Yeah you can't bounce on her stomach.

Qin: You'll hurt the babies if you do that.

Poromon: Oh right.

Horsea: I want my money back!

Nico: Horsea you didn't spend any morning.

Xenia: Instead of pregnant girls just use that on girls ready to fart when they have too much gas.

Poromon: Oh. That works even better.

Horsea: Okay I'll save it for that.

Me: Good.

All Might: Camie, I think you're going to be a great mother.

Camie: Oh thank you All Might.

Qin: It'll be awesome for her.

Momo: It sure will be.

Vinyl Scratch: I agree there too.

Varie: Yeah.

Ed put a pacifier on Poromon.

Poromon sucked on it and it was satisfying for him.

Poromon: (Happy) Mmm.

Lynn: If Harold saw that you know what he would do?

Me: Make fun of Poromon.

Lynn: Yep.

Ed put pacificers on Poliwag, manaphy and Horsea.

They sucked on those.

Harold: LOOK! IT'S THE MASCOTS THE BABIES! (LAUGHS)

Me: Go suck a doorknob Bedwetter!

I fired a wave of water and it wet his pants!

Syd Chang: LOOK! HAROLD WET HIS PANTS!

EVERYONE LAUGHED!

Harold: AAAAAHHH! MOMMY! (CRYING!)

He ran like a Baby!

Horsea looked at Maria.

Maria: Aww you look so cute Horsea.

Horsea sucked the pacifier.

Maria: Also J.D. fired that water.

Horsea nodded.

May: Harold had that coming for what he said.

Manaphy nodded.

Nico: Man what a nimrod.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of The Baseball Specter has been sighted.

We gasped.

Shaggy: ZOINKS! Like not him!

Me: Oh man, a clone of The Baseball Specter?! Not good.

Qin: I checked with the prison, and Bob Taylor is still in prison.

Sakura Knudson: I remember that case, that jerk tried to scare Luis Santiago so he wouldn't pass Cab's homerun record.

Shaggy: Like, he couldn't let go of that, so he tried to scare Luis away.

Nico: Talk about a sore loser.

Then, Lincoln called the rest of the team and told them of what happened.

Lynn: Lincoln told us the situation, and we're so ready for that baseball ghost.

Me: Without a doubt, we're going to knock this guy out of the park.

Qin: No kidding!

Poromon head a Pokemon cry.

Poromon: Huh? Look!

We saw a Hoppip.

Me: Oh it's a Hoppip.

May: Wow one of the lightest Pokemon that is as light as air.

Nico: Oh and the poor thing hurt its head.

We went over.

Me: Ash, you and Misty and Brock met a trainer for Hoppip right?

Ash: Yeah her name is Mariah and she trained Mariah to detect the weather.

Me: That is cool.

Poromon: Are you okay?

Hoppip: I hit my head on the wall.

Me: Oh poor thing.

We got to healing it.

Maria: A mascot having a mascot Pokemon?

Poromon: Hey, I can have one too!

Me: He is one of the core 310 after all.

Camie: That does make sense.

Xenia: Yep.

Hoppip was healed up.

Hoppip: Thanks.

Poliwag: Yay! We have another sibling!

Poromon: We sure do!

Nico: Awesome!

Poromon: I'm gonna teach you all there is to know to being a mascots.

Hoppip: Awesome and I do love beer!

Poliwag: YAY! Awesome!

Nico: (LAUGHS)

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower

body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for The Baseball Specter clone) AHA! Gotcha! I just spotted The Baseball Specter clone, he's 20 yards away, and he's already chasing after the rest of the gang.

Shaggy: What?!

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: (Beastly Voice) He's gonna end up as a stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Baseball Specter clone.

Me: Now we can get ready. Please excuse me.

I went to the bathroom and changed into my attire for this.

I came out.

Me: Much better. Now this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: YEAH!

We searched for him and we're looking around for The Baseball Specter clone.

Lincoln: Alright, now if I'm not mistaken, The Baseball Specter Clone should definitely be coming right now!

Suddenly, we saw the rest of the gang running towards us, and then, we saw The Baseball Specter clone head for us, and as he threw tons of baseballs at us, Lincoln created a massive indestructible diamond barrier with fire surrounding it that protected all of us, and they burned the baseballs, and it got him so riled up, he banged his fists hard at it, but the barrier was still standing and his fists were all bruised as he screamed and howled in pain, and the fire was really hurting him bad.

Eli: Jeez!

Nico: Man, that's painful, and the fire really hurt him bad.

Baseball Specter Clone: GET OUT HERE RIGHT NOW! I MUST

KILL YOU ALL FOR THE MASTER!

Qin: As if, you're not one of Universe 666 Sebastian's creations!

Lincoln: Don't waste your breath on him, Qin, he's still getting his butt kicked.

Lincoln fired a massive diamond ball with fire surrounding it, and it hit The Baseball Specter clone and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront The Baseball Specter clone, who went charging at us.

Shaggy: Like, you know what, you can consider this your final game.

Shaggy unholstered his massive Shaggy Rogers' Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Greatsword of Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Justice and transformed into Super Angel-Dark Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel of Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear.

Shaggy: (Divine Echoing Godly Voice of The Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear) Now, we're gonna force you into retirement for good.

Me: Save some for the rest of us, Shaggy.

Bonnie Burger, Tiana Twinkie, Cayenne Cajun Pepper, and Bianka Bierwurst: And us as well.

Suddenly, the eyes of Bonnie Burger, Tiana Twinkie, Cayenne Cajun Pepper, and Bianka Bierwurst turned neon and they were surrounded by colored energy auras with stars, elemental forces, burgers, Twinkies, chili peppers, hot dogs, phoenixes, and angels, and as they approached The Baseball Specter clone, they left colored energy, stars, elemental forces, burgers, Twinkies, chili peppers, hot dogs, phoenixes, and angels with every step.

Bonnie Burger: Even if you're just a clone of The Baseball Specter, you're still just as bad as the real one.

Tiana Twinkie: But, what makes you even more bad is that you're just a construct created by the mastermind of this whole thing.

Cayenne Cajun Pepper: And when we find out who it was that did this.

Bianka Bierwurst: We're going to end his life once and for all. Now, prepare to say goodbye to your baseball career, you insane phantom.

Me: This is gonna be good! U.A. Heroes lets bring the pain!

Izuku: YEAH!

Hoppip charged at him and fired a solar beam!

She fired a blast of fire, water, wind, earth, lightning, darkness and light and blasted the Baseball Specter down.

Qin: WHOA!

Ochaco: GO HIMIKO!

Sakura Knudson: WOW! What is all that you're doing?

Me: The powers of the Tai Chi characters. Ever saw these before sis?

Sakura Knudson: Come to think of it. No I haven't.

Me: It's a really amazing and powerful art. Watch. ECLIPSE! 蝕

I fired a wave of sunlight and moonlight and it formed into a Solar Eclipse Sun and it blasted the Baseball Specter down!

Sakura Knudson: WHOA! That was powerful!

Me: You can do it too sis. We'll show you.

Manaphy ran to him and blasted him all over with energy waves.

Horsea ran to him and fired a wave of energy and blasted the specter with a Hyper Beam blast and smashed him all over.

Camie: YEAH! And this! AURORA! 極光

She fired a blast of aurora energy and blasted the Specter down.

Qin: Take that!

Pickle and Barley Barrel: RAINBOW! 虹

They fired a prismatic rainbow blast and the blasts all hit the specter and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Poliwag ran over to him and slapped his face all over with his tail.

Lola: YEAH!

Shaggy: Like take that!

Me: What's wrong Specter? No snappy comeback? No witty banter?

Baseball Specter Clone: I'm striking you out!

He threw flaming baseballs and I punched them and kicked them back at him like Popeye did to Bluto with horseshoes and they exploded all over!

MASSIVE NUMBERS OF FIERY EXPLOSIONS!

Qin: WHOA!

Camie: Take that!

Poromon got on a slingshot and blasted at the specter and smashed him in his face!

Me: WHOA!

Nico: Oh man, we've got ourselves a smorgasbord of a battle coming our way.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Bonnie Burger, Tiana Twinkie, Cayenne Cajun Pepper, Bianka Bierwurst, Alicia Knudson, Shaggy, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Baseball Specter Clone even more insane and straight to the brink of insanity.

Baseball Specter Clone: YOU! YOU! (ENRANGED GROWL)

The Baseball Specter Clone charged right at us completely blind with homicidal rage and fury, but Nico fired waves of scalding hot water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Alicia and Lincoln fired suns at him and he got burned badly, then, Lincoln fired massive blasts of rainbow fire at The Baseball Specter clone, and he was really getting messed up, and Lincoln fired a ball of rainbow fire which hit The Baseball Specter clone and he got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The Baseball Specter Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Baseball Specter Clone except for his uniform, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails, large gold halos with four orbiting gold rings on each corner, twelve large colored orbs orbiting around the legs, and massive colored angel wings of Bonnie Burger, Tiana Twinkie, Cayenne Cajun Pepper, and Bianka Bierwurst are permanent.

Shayla Arashi: Now, that was so awesome!

Lincoln: That's another clone of Mystery Inc's enemies down and more to go.

Suddenly, I got jumped on by Bonnie Burger, Tiana Twinkie, Cayenne Cajun Pepper, and Bianka Bierwurst and they kissed me all over the place, and when they were done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes, and an In Heaven look on my face.

Me: (In Heaven) So… awesome.

I got back up.

Nico: That was one awesome battle.

Lincoln: We took down The Baseball Specter clone and I absorbed him, and we also got tons of hot dogs, burgers, Twinkies, and hot peppers from the attack as well, so we've got a full course meal for tonight. (To Alicia Knudson) And it's so good to see you again, Alicia.

Alicia Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Alicia Knudson and he hugged her, and Alicia Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Alicia Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Alicia Knudson, God Sibling of The Sun, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful sun powers and immense control over sunlight along with light, energy, and life nourishment. Plus, she also has the power to bring the dead back to life and bring new life to newly formed planets and restore dead planets back to life. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, Carly, Beth, Natalie, Rachel, Carrie, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, Carly, Beth, Natalie, Carrie, Rachel, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just The Suns, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Nebulonic Gas, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR YOU'RE GOING TO FACE THE WRATH OF THE GOD SIBLING OF THE SUN!

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, and now that you're here, Alicia.

Lincoln went up to and hugged Alicia Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Alicia Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Alicia Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Alicia Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Alicia Knudson.

Alicia Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: And Shoichi? You and Kadma did good yesterday.

Shoichi: Thanks Nico. It was awesome!

Kadma: It was awesome.

Nico: Yep.

Hoppip: That was awesome and fun!

Nico: Nice job Hoppip.

Hoppip: Thanks. It was fun.

Poromon gave him a beer.

Hoppip: Ahh comfort food.

He drank it.

Hoppip: (Gulping) Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the beer drinking club. (BELCH)

Hoppip got drunk. But he quickly got over it.

Hoppip: I have a powerful liver.

Nico: Awesome.

Camie: I'm just so happy.

Me: Me too.

Me and Camie kissed.

The scene cuts as Mr. Krabs' eyes well up with tears, and he begins to cry.

Mr. Krabs: [sobbing and flops to the ground] It's just so happy and I will never have that much love! [whips his eyes against the floor] Never, never, never, never, never!

SpongeBob: I've never seen Mr. Krabs so broken up. [Mr. Krabs is literally in pieces, crying]

Squidward: Oh, puh-lease, he's such a drama queen.

Mr. Krabs is crying while sucking his feet. Mr. Krabs continues weeping as he pours tears into his mouth! Mr. Krabs' eyes inflate then squirt out tears. He is wailing like a fountain and also sobbing like a faucet.

WHAT A BABY!

Nico: Give him a few minutes.

Mr. Krabs sucks on Hans' thumb.

Me: Mr. Krabs?

Mr. Krabs: (Gets better) Okay I'm done. Sorry you had to see that. I was just so happy for ye J.D.

Me: Thanks Mr. Krabs.

Mr. Krabs: Anytime lad. Also what ye said to Shaggy and Scooby was like what I said to SpongeBob and Patrick when they said Bad Word #11.

Me: Really?

Nico: Really?

Mr. Krabs: Aye lad.

Nico: Wow.

Lily: Spongebob found Bad Word #11 on a dumpster.

Me: what was the word?

Lily: It said Krabs is A Bastard on it. Sorry.

Rita: No worries sweetie.

Bakugo: I think there are plenty of bad words than that number!

Me: I agree!

Lily: Mr. Krabs said there are 13 bad words.

Me: Unlucky 13. Superstitious and rotten-mouthed.

Nico: Yeah. By the way J.D. were you going to really have Shaggy paint the entirety of Lynn's Table from top to bottom?

Me: Well, Yeah I was.

Tayuya: I can show you all the bad words in existence.

Me: That's okay Tayuya. We believe you. Also we got to focus.

Samantha Spark: I sure am.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Samantha Spark: I'm ready.

Me: Here we go.

I snapped my fingers and she doubled over in pain and threw up and fired a blast of lightning and it hit May and electrocuted her.

She reverted back and was a girl with blond hair and purple eyes and had purple angel wings and she had a symbol of a lightning bolt with a Mandrill Monkey in front of it in the middle of her forehead.

Samantha Spark: (GROANS) Oh man. That hurt. (GASP) oh man! Sorry May!

Cayenne Cajun Pepper: Do you have any favorite memories of Nico?

Samantha Spark: When me and Nico found a bunch of thugs and we blasted them with electricity and destroyed them.

Nico: That was fun

Me: Nice.

Nico and Samantha hugged.

Nico: I've missed you.

Samantha Sparks: Same here.

We later went back home

And once that's done, we're going after our next target: Mutilor, a dangerous alien pirate and one of the Swat Kats' enemies.

Lincoln: We've arrived here in the world Full Moon Halloween from The Nightmare Room, and I know what we're going to do here, not only am I going to rescue the four girls, but we're going to help Janet, Todd, Freddy, Dex, and Alexis find out who among them is a werewolf.

Adrienne Midnight: That's correct, Lincoln, and in the episode Full Moon Halloween, it was revealed that Alexis was the werewolf, and she has to be back home before the moon rises or she will turn into her werewolf form and kill someone. But, in this one, Janet, Todd, and Dex were the only ones who left that night, but Freddy Goal, once he saw that Alexis was the werewolf, he was so frightened and shocked in total fear, he was unable to get away and Alexis tore him apart.

Nico: Oh man.

Me: Not good. We got to free Alexis from the werewolf.

Pepperdance: And how do we do that?

Brandon Skellington took out a black bottle and inside it was a midnight blue liquid.

Brandon Skellington: This is concentrated Werewolf Essence, this stuff once poured onto the werewolf in question will cause them to transform. I always have a bottle of this ready in case there's any sort of werewolf trouble.

We headed inside Freddy Goal's house and met up with Janet, Todd, Freddy, Dex, and Alexis and they told us of the situation that one of them is a werewolf who's been attacking people in town in the past few days. Brandon Skellington used his Pumpkin Scepter of Halloween Town Justice, and with one blast of orange and black energy, he gathered the werewolf-catching creatures that were running loose in the house. Then, Brandon Skellington took out the bottle of Werewolf Essence and he sent drops of it onto Janet, Todd, Freddy, and Dex, and they were clear, but when it hit Alexis, she growls and her eyes turn yellow.

Freddy Goal: What the?! Alexis is the werewolf?!

Then, we saw Alexis transform into her werewolf form and she was now out for blood.

Lincoln: Gotcha. (Chanted an incantation) Nukroni Myrontika Fesmona!

Lincoln fired silver lightning that hit Alexis and separated her from her werewolf self, then, Lincoln put Werewolf Alexis into a brutal bearhug and he absorbed her into his body via her skin and assimilated her werewolf powers and strength, and he banished her to The Black Gates.

Me: Nice one, Brandon, that Werewolf Essence really is some powerful stuff.

Lincoln: It sure is, that's some powerful stuff. Now, onto our next target, I got word from The Swat Kats that Mutilor, a dangerous alien pirate and one of their enemies is here.

Lola: Oh man, he tried to steal Megakat City's water and sell it to the highest bidder. We've got to stop him at once.

Lincoln: Yep.

We walked out of the house to confront Mutilor. Suddenly, we saw three very beautiful and super sexy girls with long blue, green, and yellow hair and black hairbands, red eyes, they were tall at 7'0" in height, they had the bodies of goddesses and large breasts, fair skin, they have massive and beautiful black angel wings, they're dressed in black short-sleeved frilly shirts, necklaces with black gem for the pendant, black skirt, white bridal gloves, black Gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoats with stars, fire, darkness, dark magic, black magic, Satanic Magic, ninjas, phoenixes, and angels on the coattails and on the back are El Shaddoll Construct, El Shaddoll Shekhinaga, and El Shaddoll Anoyatyllis and holstered on their backs are massive black greatswords with runes etched on the 7'9" massive, wide, double-edged black blades, large white angel faces built into both sides of the hilts, longer midnight black handle, and black pointed tips for the pommels, and with them are the four girls.

Sara Dollshadow: (French Accent) That's right, and we got the girls away from Mutilor.

?: Where are they?! WHERE ARE THE SWAT KATS?! THEY WILL PAY FOR RUINING MY PLANS!

Suddenly, we saw our target, Mutilor, and he was really mad.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into Mutilor's chest, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, immense strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Mutilor and he banished him to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Oh man, now that was quite a feast, and in the process, we acquired all of Mutilor's powers, immense superhuman strength, and abilities. (To Sara Dollshadow, Sasha Dollshadow, and Sonnya Dollshadow) And it's so good to see you three again, Sara, Sasha, and Sonnya.

Sara Dollshadow: (French Accent) You too, Lincoln.

Sasha Dollshadow: (French Accent) It's been seven years since we last met.

Sonnya Dollshadow: (French Accent) And it's also good to see you again, Taki.

Taki: It is good to see you and your sisters again, Sonnya.

Suddenly, Lincoln was pounced on by Sara Dollshadow, Sasha Dollshadow, and Sonnya Dollshadow who proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When they were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he got up.

Sonnya Dollshadow: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Sara Dollshadow, Sasha Dollshadow, and Sonnya Dollshadow and he hugged them, and Sara Dollshadow, Sasha Dollshadow, and Sonnya Dollshadow are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on their faces soon became even deeper when they saw his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Sara Dollshadow: (French Accent) Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Sasha Dollshadow: (French Accent) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Sonnya Dollshadow: (French Accent) Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know these three girls?

Lincoln: Indeed I do, Eli, these three girls are Sara Dollshadow, Gene-Slammer of El Shaddoll Construct, Sasha Dollshadow, Gene-Slammer of El Shaddoll Shekhinaga, and Sonnya Dollshadow, Gene-Slammer of El Shaddoll Anoyatyllis, The Dollshadow Sisters, these three girls are my Guardian Angels from France and classmates in Cooking, and they're masters of cooking, but shockingly, they are also beautiful and deadly ninjas like their sister, Taki from Soul Calibur, and Sara has a blue ninja outfit, Sasha has a green ninja outfit, and Sonnya has a yellow ninja outfit. They also took down those that would harm me without noticing them at all, and to show thanks for protecting me, I made the Dollshadow Sisters beautiful necklaces, and as a result, they kissed me on the lips, and as a result, I promised that I would marry Taki and her sisters along with the rest of my harem when I come of age. Plus, they hate Hawk and Hank with a blazing passion, the reason why is because those two buttfaces tried to harm me with weapons, but the Dollshadow Sisters beat the crap out of Hawk and Hank and wedgied them onto a flagpole.

Me: Yeah, I remember that all too well. Those stupid buttfaces!

Nico: Sheesh, those buttfaces sure are a bunch of jerks.

Lincoln: You got that right, and now that you three are here.

Lincoln went up to and hugged Sara Dollshadow in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Sasha Dollshadow in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. And finally, Lincoln went up to and hugged Sara Dollshadow in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. Sara Dollshadow: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sara Dollshadow, Sasha Dollshadow, and Sonnya Dollshadow with blue, green, and yellow gems on the gold lightning bolts and blue, green, and yellow crystal links from their merged Crystal Necklaces of The Buddha along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Sara Dollshadow, Sasha Dollshadow, and Sonnya Dollshadow: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sara Dollshadow, Sasha Dollshadow, and Sonnya Dollshadow, and of course, for that little pouncing.

Lincoln made two clones of himself and they had their massive arms wrapped around the waists of Sara Dollshadow, Sasha Dollshadow, and Sonnya Dollshadow, and he leaned down to their faces and kissed them on the lips, but when they wrapped their arms around their necks, Lincoln deepened the kiss and we all cheered for them. When Lincoln and his clones separated, my sisters had atomic red blushes on their faces, hearts in their eyes, and their hearts were beating like mad. Then, we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Beatrice Tsubame Kazamino, Ageha Shinomiya, and Hotaru Masunaya from Secretary x Secretary and Reika Nozaki from Manager's Secretary - Reika Nozaki.

Lincoln: Oh wow, it's Beatrice Tsubame Kazamino, Ageha Shinomiya, and Hotaru Masunaya from Secretary x Secretary and Reika Nozaki from Manager's Secretary - Reika Nozaki.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Beatrice Tsubame Kazamino: Yes, we're okay, thanks to you.

Then, when Beatrice Tsubame Kazamino and the other three girls saw who it was that saved them from Mutilor, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero and God, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Beatrice Tsubame Kazamino: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Beatrice Tsubame Kazamino: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Beatrice Tsubame Kazamino, Ageha Shinomiya, Hotaru Masunaya, and Reika Nozaki with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate as a door appeared and we went through it and came back home and we told everyone what happened, and they were surprised Brandon used concentrated Werewolf Essence to expose Alexis as the werewolf and Lincoln removed her werewolf self and he absorbed her and sent Werewolf Alexis to The Black Gates. But, they were shocked to find out the villain we went after was Mutilor, a dangerous alien pirate and one of the Swat Kats' enemies.

But, when Lincoln showed what we did in viciously beating him up and Lincoln absorbing him and sending them to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and The Dollshadow Sisters have a lot of catching up to do, now that they're back in town.

Maria: Whoa, you guys were prepared for this.

Lincoln: We sure were.

Me: Brandon's Werewolf Essence helped expose Alexis as the werewolf and Lincoln absorbed her werewolf self and Mutilor. But, there's plenty more to go.

Nico: Yep, so our journey through The Nightmare Room has only just begun.

---

After we helped Janet, Todd, Freddy, Dex, and Alexis expose Alexis as the werewolf and Lincoln had separated Alexis from her werewolf form and absorbed her, and took down Mutilor and Lincoln absorbed him and sent him to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sara Dollshadow, Sasha Dollshadow, and Sonnya Dollshadow saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Sara Dollshadow: (French Accent) My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Sasha Dollshadow: (French Accent) He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Sara Dollshadow: (French Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Sara Dollshadow: (French Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Sasha Dollshadow: (French Accent) I knew it was only a matter of time before he told everyone that story.

Suddenly, the alarm sounded, and Lincoln checked the computer, and when he saw who it was that triggered it, we were shocked. It was a girl with black hair, black eyes filled with hatred, and dressed in tattered clothes, it was none other than BLAIR SANCHEZ, GOTHAM ROYAL YORK'S CLASS TRIPLE S-INSUFFERABLE BULLY AND WORLD CLASS MONSTER JERK!

Lincoln: Oh no, I didn't expect to see her again!

Nico: Who the Hell is that?!

Me: That is our old enemy, Blair Sanchez, Gotham Royal York's Class Triple S-Insufferable Bully and World Class Monster Jerk. She's absolutely the worst kind of Queen Bee you can think of.

Helena Knudson: Her parents were decent hard-working people, but she's always been nothing more than a monstrous, spoiled rotten, evil, conniving bitch, a heartless jerk, and a mega bully who hurt and tortured tons of kids and adults for her own sick amusement.

Melanie Knudson: And she hates all of Team Loud Phoenix Storm with a blazing passion because we are leading happy and heroic lives and she couldn't stand seeing us happy, and she's always plotted to destroy us at every turn, but we always foiled her.

Sophia Knudson: Yeah. But, her constant plans to destroy us and our lives ended when we collected a ton of evidence on her: all her plans to destroy us and even conspiring with the jerks and the villains running loose to destroy us as well, along with snatching her diary. We then presented it to both her parents and relatives who were here for a family reunion five years ago, and when we presented all of the evidence of Blair's heartless mega jerk behavior and being a monstrous sadistic bully to every last person in her path, they tore her apart verbally, and they disowned Blair and kicked her out of the house.

Valerie Knudson: She went absolutely ballistic to the infinite power and charged at us to kill us, but we pulverized that goddamn monster hard into the ground and we threw her to the cops and thanks to the evidence, Blair got convicted, and because she was eighteen: the legal age of being an adult, she was sentenced to Life In Prison with no chance for parole ever and she was also banned from Gotham Royal York forever.

Beth Knudson: I thought we were finally rid of her, but it looks like that bitch broke out and has been living on the streets since then.

Luna: I've had it up to hear with her, she's gone and shot herself in the butt by coming after us!

We flew out of The World Tree Estate and Lincoln fired rainbow energy blasts that hit Blair Sanchez in the face, and once we landed, that bitch shrieked and screeched like a chimpanzee.

Lori: What the fuck are you literally doing here, Blair? I thought we made it clear we never want to see your ugly face again.

Blair Sanchez: FUCK YOU! FUCK YOU! FUCK YOU ALL! I DESPISE ALL OF YOU! I LOATHE YOU WITH EVERY SINGLE FIBER OF MY BEING! I CAN'T STAND THE FACT THAT ALL OF YOU ARE LEADING HAPPY AND PRODUCTIVE LIVES AND LIVING IN MY NEIGHBORHOOD! I WOULD'VE FINALLY BEEN RID OF ALL OF YOU IF YOU HADN'T RUINED EVERY LAST ONE OF MY SCHEMES! (SCREAMS AT THE TOP OF HER LUNGS) AND ON TOP OF THAT, THOSE STUPID PARENTS AND RELATIVES ALL CUT THEIR TIES WITH ME! NOW I HAVE NOTHING!

Lincoln: You did this to yourself, Blair. You have always been a super mega jerk and a monstrous and out-of-control bully. No one was able to do anything to you because of how insane you are, but we were the only ones who stood up to you and ended your monstrous rampage, and we warned you if we ever saw you running loose again, we were going to take more drastic measures to make sure you stay out of Gotham Royal York forever.

Blair Sanchez: (COMPLETELY INSANE AND OUT OF CONTROL) DDDDDDDIIIIIIIIIIIIIEEEEEEEEEE!

Blair Sanchez absolutely lost it and got out a club and went charging at us, but Lincoln reared his left fist back and punched Blair Sanchez hard in the face and he fired elemental blasts at Blair Sanchez and they knocked her down and out. Then, he tied her up in a rainbow energy straitjacket and sent her to a special wing in The Xaikora Prison: this wing is reserved for Class Triple S-Insufferable Bullies and World Class Monster Jerks like her and was chained to the wall of her cell that has an Anti-Dark Orb, Anti-Aparoid, and Anti-Dark Magic Barrier with Neutronium Chains lined with rainbow energy, and she was never ever going to be free again.

We headed back inside and continued working out.

Nico: That Blair really was everything you guys said about her.

Me: Yep.

Lincoln: Now, she's in The Xaikora Prison forever and she's never ever breaking out and coming here again.

We got a shower afterwards, and then, Lincoln, Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel are heading to Blooper Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Elise Presser: Wow, so this is Whimsical Waters. It sure is beautiful.

Lincoln: It sure is, Elise, and it's perfect for our first date. Shall we?

Lincoln, Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel and they hugged the girls in their abnormally massive and powerful muscular arms and Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Blooper Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel are in your harem, Linky.

Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel showed the marks Lincoln made on the right sides of their necks.

Eli: I had no idea Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel had feelings for Lincoln, but that was quite a surprise.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Elise Presser, Cinderella (Queen's Blade: Grimoire), Despina, Goldie, and Gretel, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-

bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 Adventure.

Nico: Battle Belt Galaxy is next.

Qin: WHOA!

Me: Flaming Gobblegut next am I right?

Nico: Yep and it's Fiery Gobblegut.

Xenia: WHOA!

Ed Grant: Me and Hulk will go with then.

Hulk: Hulk ready to smash!

Hikaru: Ed, me and Thor are going with you.

Thor: Have at thee!

Nico: All right lets go.

They went into the simulator and it activated and they were at BATTLE BELT GALAXY!

Nico: Any Tips Nicole?

Nicole: Well this one is a huge chain of planets. You got to battle all the enemies on each one and then get to Fiery Gobblegut at the end. Like how you guys deal with Gobblegut before, but this one will be a hot one.

Nico: (GULPS) Oh boy.

Ed Grant: I'm ready for him!

Hulk: Hulk ready to smash!

Thor: Thou is ready!

Nico: Okay. First we're dealing with Goombas. Shouldn't be a problem.

?: Let us help you guys.

2 figures came. One was a girl with red hair and red eyes and she had red clothes and red angel wings and a red staff and had the symbol of forever red in the middle of her forehead and on her skirt. And the 2nd was a girl with blue hair and blue eyes and had red and purple clothes and she had red angel wings and a tiara with the symbol of gravity on it.

Aki Takahara: I am Aki Takahara, Embodiment of the Forever Red.

Gira Gravity: And I'm Gira Gravity, Embodiment of Gravity Man.

Nico: WHOA! The embodiment of the Red Rangers over the last 47+ Years.

Aki Takahara: That's right. From Gorenger to King Ohgers and ongoing.

Nico: WOW!

Ed Grant: Gira awesome to see you again!

Hulk: Hulk happy to see Gravity girl.

Gira Gravity: Ed Grant and Hulk. Its been a while.

Nico: We can talk more later. Lets get a move on.

They were off.

The Goombas charged at them.

Aki Takahara: Watch this one!

She fired a massive red energy blast and it hit all the goombas and obliterated them!

ME: WHOA!

Troy Burrows: WOW! Her power is amazing!

Me: Awesome!

Thor and Hikaru fired blasts of lightning.

They flew to the next planet.

Nico: Maybe this won't be too hard.

They blasted and smashed the enemies on each planet and then they got to the end and out came FIERY GOBBLEGUT!

Nico: WHOA!

Ed Grant: Maybe it will!

Hulk: HULK SMASH!

Hulk Punched it in the face.

Nico: Take out the orbs on its body!

They blasted them.

Gira Gravity fired gravity blasts and they hit the orbs.

Hulk punched it and Ed Grant fired energy blasts and blasted the orbs and he tooted like a steam horn!

Me: OH MAN! Now he is mad!

Nico: (Gets out Cajun Fox and Animal Path's Ridewatches) The animal I'm summoning should be hot!

He activated them and then he summoned a SANGURAHUA LAVA DRAGON!

It was a dragon made of pure lava!

J.D. 2: (THROUGH MY CREST) WHOA! A Sangurahuan Lava Dragon! Awesome choice!

Me: WHOA! That is a dangerous one.

Xenia: No kidding!

The dragon blasted the Fiery Gobblegut and it hit it and it exploded! The star came out!

They went and got it!

YOU GOT A STAR!

Nico: YEAH!

Aki Takahara: That was awesome!

Nico: YEAH!

They all high five

Gira Gravity: That was awesome!

Nico: How did you meet Ed and Hulk?

Gira Gravity: I met Ed when I helped him against Disk Wars Loki. I am the only one that hadthe same level of power that can match his. I also helped him capture him.

She showed the Disk containing him. He gave this to me for safe keeping

Nico: Nice!

Ed Grant: Yep.

Gira Gravity: Yep and I met Hulk when he was battling David Banner. I helped him kill his so called father the first time.

Nico: WHOA!

Me: That freak of nature motherfucker! He gives all fathers everywhere a bad name.

Aki Takahara: I agree J.D.! And the Morphin Masters told me all about you.

Nico: Wow! Tell us more about yourself?

Aki Takahara: Certainly. I am the embodiment of the Red Rangers, All of them. Also I was trained for eons by the Morphin Masters. Master Red is my mentor.

Nico: wow!

Aki Takahara: Yep. Me and my sisters the Takahara Sisters are the Embodiments of all the Colors of the Rangers from over the course of 47+ Years.

Nico: COOL!

Qin: Wow!

Nico: Would you two like to join the team? We're going after Lord

Zedd and Rita Repulsa and we're going to kill them both for causing over 30 years of pain.

Aki Takahara: We would be honored.

They left the simulator and we cheered wildly for them.

---

Later we were watching TV. Camie was big and she was due anytime now.

Me: How are you feeling Camie?

Camie: Heavy. But I'll be okay.

I put my hand on her belly.

Me: Our babies are going to be so awesome.

Camie: They sure are.

Wednesday Addams: Dare I ask where Poromon is?

Nico: Out on a drive in his car.

Qin: Oh boy. I hope he hasn't gotten into trouble.

Me: Me too.

But then…

Camie: (SCREAMS)

Me: (GASP)

She dropped her glass and it shattered on the floor and there was a puddle of water on the floor and that can mean only one thing!

Me: OH MAN! IS IT TIME!?

Camie: (In pain) I think so!

Nico: Oh man! Lets get her to the hospital!

Me: Lets go! Lets go! DOUBLE TIME! LETS GO!

We got her loaded into Ratchet and drove to the hospital!

---

Poromon was out for a drive.

Poromon: (Singing) LALALALA LA LA LA!

He came to a traffic light and then a badass car came up to him.

Street Racer: Hey what's up pipsqueak!?

Poromon: Oh hey! Just out for a drive.

Street Racer: Ah one of the Team Loud Phoenix Storm Mascots.

Poromon: Yep.

Sam Harold: Nice to meet you. Sam Harold! Street Racer and survivor of Dead Man's Curve. Want to go for an awesome race down DEAD GOTHAM BLUFF!?

THUNDERCLAP!

THE CITIZEN'S GASPED!

Poromon: You're on!

Sam Harold: Sweet!

The scene transits to A SCARY AND DANGEROUSLY DEADLY HILL! IT WAS FULL OF RAZOR SHARP SPIKES, LAVA PITS, QUICKSAND, EXPLOSIVES AND MANY MORE DEADLY OBSTACLES THAT SEND EVEN THE STRONGEST WILLED OF STREET RACERS RUNNING HOME TO THEIR MOMMIES!

LIGHTNING STRIKES AND STORM CLOUDS MADE IT MORE SCARY!

At the hospital, we rushed Camie into the Delivery Room and I was in there with her.

Nico and everyone was waiting.

Elsa Frankenstein: Poromon's taking his sweet time.

Nico: I know. But he'll be all right.

Camie: (SCREAMING) J.D. THIS IS ALL YOUR FAULT! I WILL DISEMBOWEL YOU AND EAT YOUR INTESTINES AND SHOVE THE REMAINS SO FAR UP YOUR BUTT THAT YOU WILL BE SHITTING YOURSELF ON THE INSIDE AND THEN I WILL RIP YOUR BRAINS OUT AND SHOVE THEM SO FAR DOWN NICO'S THROAT THAT HE WILL EXPLODE!

EVERYONE GASPED!

Nico: (GULPS) I Think I just wet myself!

---

Back on Dead Gotham Bluff Poromon and Sam Harold were ready!

Poromon: Victory thy name is Poromon!

Sam Harold: Bring it on!

Poromon: Ready when you are!

Then a girl came and she had a racing flag!

She then waved it and then… ZOOM!

THEY WERE OFF!

(DEAD MAN'S CURVE BY JAN AND DEAN PLAYS)

THEY RACED FAST AND DODGED LOTS OF THE OBSTACLES!

They went over loops and jumped over lava pits and even dodged ferocious monsters! Then Poromon and Sam came to a mine field!

Poromon: HEH!

They jumped over it and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded! They got out of the smoke and got to a pit of quicksand and a girl with green hair and green clothes and blue eyes was sinking!

Girl: HELP ME!

Poromon saw the girl.

Poromon: OH NO!

Sam Harold: I'll save you!

Poromon: No, I WILL!

He floored it and dust kicked into Sam's eyes and Poromon jumped the ramp and did a spin and then the girl grabbed his wing and then she got pulled out and into his car. Poromon landed safely on the other side and then Sam Harold screamed and then…

KRASMASH!

He crashed into a rock wall and his car exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He got out with a bunch of scrapes and bruises. But he was lucky.

Sam Harold: Wow! That is one brave mascot!

Poromon crashed the finish line and won! HE WAS THE FIRST EVER TO GET ALL THE WAY DOWN DEAD GOTHAM BLUFF!

EVERYONE CHEERED WILDLY FOR POROMON!

Poromon: You okay?

Girl: Thanks to you. My hero!

Poromon: Wait a sec. Lola Verdes?

Lola Verdes: Poromon? Wow! Awesome to see you. Where's Nico?

Poromon: He's back at the estate. I think.

Poromon pulled out his phone and looked at the texts and it saw that we were at the hospital!

Poromon: (GASP) Oh my god! Camie's in labor!

Lola Verdes: We better get there.

* * *

At the hospital, everyone was waiting.

Nico: I'm worried about Poromon.

Eli: He'll be all right.

Then a news report came on.

Katherine Mulligan: This is Katherine Mulligan reporting to you live from Dead Gotham Bluff where Poromon of the Team Loud Phoenix Storm Mascots has become the first ever to make it successfully down Dead Gotham Bluff.

EVERYONE GASPED IN UTTER DISBELIEF AND SHOCK! YET THEY WERE IN AWE!

They saw Poromon drive to the finish line and in his car was a girl that Nico Recognized.

Nico: Wait that's Lola Verdes! She's the gene-slammer of A Falconfly!

Eli: Wow that is amazing!

Laney: The Hypothetical evolved Sand Wasps in 100,000,000 years Hence. That is amazing!

Varie: Wait a second. Dead Gotham Bluff!? That's the most dangerous mountain race track in the city! What the fuck was Poromon thinking!?

Nico: No idea!

Eli: But that is amazing! Poromon did all that!? Wow!

Nico: Yeah. Hey the screaming stopped.

Qin: Good.

Poromon later came in with Lola.

Armada Cyclonus: Hey, Poromon. Do anything good lately?

Poromon: Well I think you guys saw it already.

Lola Verde: Nico!

Nico: Hey Lola!

They hugged.

Varie: Oh man you're covered in mud. Are you okay?

Lola Verde: Long story.

Nico: We'll have to hear it later.

Then me and Camie came out and she was weak and tired and i had my octopus tentacles out and in seven of them were 7 babies. In my arms was one baby and in Camie's arms was another. They all had birthmarks in the middle of their foreheads for each of the Astrological Symbols of the 9 planets. They also all had blond hair like Camie's and had eyes for each color of the rainbow.

Nico: Oh J.D., Camie they are so adorable.

Lola: Wow they are so cute.

Xenia: Oh they sure are.

Eli: Oh they have birthmarks for each of the 9 planets.

Me: Yep.

Powerglide: What should we call them?

Me: We decided on names already. These 7 here in order are Amy Mercury, Mina Venus. Molly Earth, Rei Mars, Lida Jupiter, Hotaru Saturn and Amara Uranus. This one in my hands in Michelle Neptune.

Camie: (Weakly) And this one is Trista Pluto.

Me: We named them after the Sailor Soldiers.

Amy Mercury: We are truly honored.

Mina Venus: We sure are. It's awesome.

Poromon: Oh they are adorable. Congratulations to you guys.

Me: Thanks Poromon.

Nico: They sure are adorable. You should be very proud.

Me: We are.

Linka: Lets get a photo with them.

Me: Good idea.

Lusamine: Nico, who gets to shine today?

Nico: Apple White and Amore.

Qin: Awesome!

Poromon: I'm sorry guys. I was out on a drive and then Sam Harold challenged me.

Nico: Sam Harold!? You mean the notorious death-defying street racer Sam Harold?

Poromon: Yeah that's him.

Nico: Oh man! That's amazing you won against him. He survived a terrible accident 4 years ago.

Me: I've heard of Sam Harold.

Sam Harold then came in.

Sam Harold: Hey guys.

Me: Whoa! Sam are you okay?

Sam Harold: I'll be fine.

Varie: Let me look you over.

She did so.

Me: What did I miss?

Nico: Oh right.

They told us what happened and man was it epic!

Me: Dead Gotham Bluff!? Oh man! But that is amazing that Poromon won that!

Sam Harold: Yep and he forgot this.

He gave Poromon a great trophy.

Poromon: Oh thank you!

Sam Harold: Poromon, that was a good race. We'll have to do it again sometime.

Nico: Oh no. See if you two ever race each other again under my watch!

Me: Boy that reminds me of one of my dads favorite songs. Dead Man's Curve by Jan and Dean.

Nico: Yep.

Poromon: I'm sorry okay! I was just out on a drive and then he challenged me.

Manaphy: You could've died!

Me: Guys before we escalate this lets head back to the estate and get Camie rested up.

Nico: Oh right.

We went back to the estate.

We had Sam with us and we then got home and I took Camie to the nursery and she was put in a rocking chair.

Lori made shadow clones to help her.

Me: Now if you need anything let us know okay?

Camie: I will.

We left her to rest.

Me: Okay now where were we?

Poromon: You were telling me I could have died.

Manaphy: Thanks.

Poromon: You're welcome. Now I'm sorry guys. I got carried away on that one.

Lola Verdes: Besides he saved me from a pit of quicksand there. It was cool.

Maria: That explains why you were covered in mud.

Juran: Isn't street racing illegal?

Me: Yes it is.

Juran: I thought so.

Me: But they didn't race on a street in the city.

Sam Harold: I know. And I'm sorry. Like you guys once were I get really carried away with my racing. I pick some of the most dangerous places in the world for it. I act REALLY Reckless and always thing irrationally before doing it. It's a curse.

Me: Welcome to our world. We had the same problem caused by Dark Orb Contamination.

Nico: At least Hoppip wasn't involved.

Hoppip: No kidding.

Sam Harold: Yes and I'm ready to face the consequences of my actions.

He held out his arms and Sheila slapped the cuffs on him.

Sheila: At least no one got hurt but you so we'll give you a good regiment of community service.

Izuzu: And you did it while Camie was giving birth.

Sam Harold: I know. I can tell. Sorry about that. But congratulations to her and you J.D.

Me: Thanks.

Sam Harold: You're welcome. Okay Officers take me away.

They did so.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Poromon: At least I'm starting to use my car often.

Me: True.

Xenia: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of Chickenstein, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of Chickenstein, and he's causing havoc.

We gasped.

Me: Now, we got a clone of Chickenstein?! Oh boy.

Nico: (DROOLS) OH, I'M GONNA ENJOY TURNING HIM INTO A ROAST CHICKEN DINNER!

Lincoln: Hey, we still got the hot dogs, burgers, hot peppers, and Twinkies, we can't let those go to waste.

Me: That's true. We'll have those along with Roasted Chickenstein as well.

Lincoln: Perfect, and with my absorption techniques along with information gathering skills, hopefully, we'll be able to find out who it was causing this.

Nico: Yeah. Alright, gang, let's get going and take down that clone of Chickenstein.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

Qin: Yeah!

Ed: CHICKEN?!

Sakura Knudson: (LAUGHS) Yeah he's a Chicken version of Frankenstein. Also his real name is Casmer Codwaller. He did an elaborate business of selling stolen merchandise. He turned into Chickenstein after the National Exaggerator was getting suspicious of his activities in the Coolsville Cemetery and he was going to close down the Exaggerator.

Me: Yep. He got 25 to 50 years in prison. Later life without parole.

Xenia: Wow.

The previous group came.

Whirlin: Can me, Ice Demon, Fireor, Chillyfish, Zavok, Deadwood, Black Lance, Marionette Shadow, Count Nocturne and Kerbero Gangan go with you guys?

Nico: Yes you all can come with.

Fireor: Cool. And Poromon we saw that street race. Awesome job!

Poromon: Thanks and guys I'm sorry.

Nico: Oh it's all right. At least you made it out okay.

Me: Yeah.

Nico: Just don't do it again!

Poromon: I won't.

Thetis: Nico which gene-slammer do you think we'll meet next?

Nico: Sting Chameleon next.

Me: Ooh! Invisible.

Lola: Yep. Outta sight.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than King Hyperion, a psychotic monster, the main antagonist of the first story arc of the Exiles series, and an insane alternate version of Hyperion, who unlike the mainstream Hyperion who is a hero, King Hyperion was a man determined to wreck havoc across time and space in order to rule over the cosmos as a mad god, and he's come here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is one person we aren't going to like this one bit: the figure that we saw is none other than King Hyperion, and he's come here to destroy us.

We gasped.

Me: Oh man, I've heard of him, he's a psychotic monster and an insane alternate version of Hyperion, who unlike the mainstream Hyperion who is a hero, King Hyperion was a man determined to wreck havoc across time and space in order to rule over the cosmos as a mad god.

Nico: Just what we need: a mad god wannabe.

Lola Geh: Leave him to me and Lincoln, we'll take him down and Lincoln will absorb him and assimilate all of his powers, abilities, and strength.

Lincoln: That's right, Lola.

Nico: I hope you two tear him apart and Lincoln absorbs him too. Alright, gang, let's go, we're heading out to destroy that clone of Chickenstein.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, King Hyperion.

Lola Geh: The suffering and havoc you've caused throughout time and space can never be forgiven, King Hyperion, and for everything that you've done, you will suffer the consequences for your crimes.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of Chickenstein so that Lincoln can absorb him, and once we got done with him, Lincoln and Lola Geh are going to destroy King Hyperion.

We were off. Pickle and Barley Barrel were going to help Camie get back on her feet and help her with her needs.

---

We arrived at the building of the National Exaggerator.

Ice Demon: Here we are.

Me: Been years since we were here.

We went in.

Me: Wow. This is just as busy as ever.

Fred Jones: Awesome to see this place again.

Me: Hey guys.

Skarr: Isn't this your favorite newspaper?

Fred Jones: It sure is.

Me: I thought this was cool coming here.

Sakura Knudson: Me too. All the stories may have been hard to believe but they are actually completely believable.

Ice Demon: She's right. Some of these monsters are real and they are in the M.O.E.

Nico: Yep. As we have seen.

Zavok: They're even Core Members.

Me: And Non-Core Members.

Zavok: Yep.

Me: That is cool.

Rothar: Now, to look for clues.

Me: Okay and like before we'll go to the Coolsville Cemetery.

Shaggy: (Cowardly whimpering) The Coolsville Cemetery!? Like that's a major heebie-jeebie zone!

Scooby Doo: I hate Heebie-Jeebie Zones!

Black Lance: Well, at least they're no longer fighting each other

Me: Yep.

Nico: Lets go guys.

Shaggy: Like go there!? (Cowardly whimpering) Like not on your life! We're not leaving this office! No way, no how, no chance!

Scooby Doo: We're staying right here!

Later we were pulling Shaggy and Scooby who were dragging a desk with them!

Shaggy: Like I hate this job!

Scooby Doo: Me too!

Daphne: SHA-GGY! SCOOBY!

Commando Man: Can you please let go of that poor desk?

Shaggy: Like we told you. We are never setting foot into that frightzone again.

Laney: You two are such a pair of chickens.

Shaggy: Like you said it.

They then started clucking like chickens.

Ed: CHICKENS!

Ed hugged them both!

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Count Nocturne: You realize this is a chicken monster we're facing, right?

Ed: But I love chickens!

Eddy: (LAUGHS) Shaggy and Scooby clucking got Lumpy going.

Count Nocturne: But still.

Ed: I know. But it'll be funny to hug him. (FARTS)

Shaggy: Like yuck!

Erica Haddock: I'll take it from here Ed.

Erica grabbed Shaggy and Scooby.

Erica: You guys are going with us whether you like it or not.

Shaggy: (Whimpering)

We went to the house of Granny Sweetwater.

Me: This is where we found out about what Chickenstein was doing.

We then saw a feather.

Jean Bison: Is that a feather?

I picked it up.

Me: Yep it sure is.

Lola: Big one.

Me: He's a seven foot tall Frankenstein Chicken.

Kerbero Gangan: Is he a silkie chicken?

Me: Not really sure.

We got to searching more.

Marionette Shadow: I found something!

We looked and saw chicken footprints

Ground Man: Chickenprints!

Qin: Yep

Lola: Lets see where they lead.

We got to following them.

Deadwood: Okay so far they're not leading to a dead end.

We saw them lead to a mausoleum.

Me: Into a mausoleum.

Shaggy: Like no way are me and Scooby going in there!

Scooby Doo: Reah! And you can't make us!

BAKAWK!

Overbite: Wait did you guys hear that?

We saw Chickenstein!

Me: There he is!

Nico: Whoa he sure is ugly.

Chillyfish: What's it doing?

Me: Lets find out.

We went and followed him.

We saw him heading for the Exaggerator.

Tornado Man: Entrance time!

We went at him.

Chickenstein was clucking.

Chickenstein: I must destroy the Eggs-aggerator!

Then the spirits of chickens appeared and swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

A massive fiery explosion blasted out above him and then a massive shower of eggs rained down and splattered all over him and then a phoenix cry was heard!

We landed.

Me: Now that was an Eggs-ceptional entrance!

Ice Demon: Ha! Egg puns!

Chickenstein was mad!

Chickenstein: I will make you all Eggs-tinct!

Me: Bring it on you rotten egg!

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

He hugged him.

Chickenstein: Huh?

Eddy: (laughs) I knew Lumpy would react like this!

But then…

KRASMASH!

Ed got smashed into the ground with a huge fist to his head and he was flat as a pancake.

Ed: (Stupid and dazed) What a chicken wing.

Leni: Ed! Are you ok?!

Ed: (SPITS OUT FEATHERS) I'm fine!

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from massive blasts of laser beams that came from nowhere and hit the barrier, but it stood strong and absorbed the laser beams and it flowed into us making us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, King Hyperion, or we will force you out.

A figure came out, and it was none other than King Hyperion, the psychotic monster and the insane alternate version of Hyperion, who unlike the mainstream Hyperion who is a hero, and a man who's determined to wreck havoc across time and space in order to rule over the cosmos as a mad god.

Lincoln: King Hyperion.

Lola Geh: I should've known you'd show up here, you bastard. Perfect timing.

Suddenly, Lola Geh's red eyes turned neon red and she was surrounded by a green energy aura with stars, water, ocean waves, darkness, snakes, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached King Hyperion, she left green energy, stars, water, ocean waves, darkness, snakes, phoenixes, and angels with every step.

Lola Geh: You've got some nerve coming here, you madman. After everything that you did causing havoc throughout time and space so you can rule over the cosmos as a mad god, you're even worse than all the other mad god wannabes. I will never ever forgive you for everything that you've done, you will pay for every last one of your crimes with your own life.

Suddenly, Lola Geh was surrounded by a massive vortex of green energy with stars, water, ocean waves, and darkness surrounding the vortex, there are snakes, phoenixes, angels, and Divine Serpent Geh flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at King Hyperion: the red eyes of eternal death.

Me: WHOA!

Nico: Oh man!

Lincoln: This is it.

Then, as the vortex faded, Lola Geh emerged, but she was changed forever and the wrath of Divine Serpent Geh is about to be unleashed on King Hyperion!

Lola Geh grew from 6'5" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large green orbs orbiting around her legs, she has the body of a goddess, she has red highlights in the bangs of her short chin-length green hair and flower clip and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon red eyes and a green energy aura with stars, water, ocean waves, darkness, snakes, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Divine Serpent Geh emblazoned on her forehead and Third Eye with red iris, she has on snake earrings with red gems for eyes and holding the Star, Water, Dark, and Eternity Kanjis in its tails, she also has Divine Serpent Geh with red gems for eyes and holding the Star, Water, Dark, and Eternity Kanjis in its tail for the second pendant on the bottom of her green snake-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems embedded on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Lola Geh has on a sleeveless green top, sleeveless green blouse, green skirt, green pants, green bridal gloves, green sneakers, and long sleeveless white trenchcoat with stars, water, ocean waves, darkness, snakes, phoenixes, and angels on the coattails, and on the back is Divine Serpent Geh surrounded by water, darkness, and stars and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes, snakes, and angels surrounding a green gem with neon glowing green lights equipped with recognition of her and fits an infinite number of items and component for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Lola Geh felt a sharp pain on her back, and then, massive green angel wings with red tips on the large green feathers grew and sprouted out of her back and she also now has eleven massive and long green wolf tails with red tips and red markings, Lola Geh has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Lola Geh's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of green energy, stars, water, ocean waves, darkness, snakes, phoenixes, and angels, and when it emerged, it was transformed into Lola Geh's Cosmic Eternal Oceanic Maelstrom Water Darkness Divine Serpent Geh Phoenix Angel Greatsword of Cosmic Eternal Oceanic Maelstrom Water Darkness Divine Serpent Geh Phoenix Angel Phoenix Angel Justice, it's a brand-new massive greatsword with embedded green gems and Divine Serpent Geh etched on the 7'9" massive, wide, double-edged gold blade, large gold snake heads for the crossguard, large white angel faces built into both sides of the hilt and large green gems embedded in their foreheads, longer midnight black handle, four large gold snake heads with green gems for eyes and on the bottom of the large gold snake heads is a large gold snake head with green gems for eyes and green gem in its mouth for the pommel, Lola Geh has on her brand-new large gold Bracers of The Champions of The Universe with large green gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Divine Serpent Geh's head with green gems for eyes and large green gem in her mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Lola Geh's Super Angel-Divine Serpent Geh-Snake-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when King Hyperion saw it, he fired blasts of laser beams at her to kill her, but Lincoln deflected the laser beams and she fired a massive barrage of green energy, stars, water, ocean waves, darkness, snakes, phoenixes, and angels which hit King Hyperion and sent him flying into a tree, he got back up and he was now really enraged.

Selene Arcangela: Oh shit, Lola Geh has transformed, and we already knew just how strong and powerful she was before, and now. Oh, this is going to end badly.

Lincoln: Lola has done a lot for me and my sisters and took on the wrath of Chandler when that stupid monster was still inside him. Now, Lola Geh is going to put an end to King Hyperion and end his madness for good.

Lola Geh: (Divine Echoing Godly Voice of The Cosmic Oceanic Water Dark Maelstrom Divine Serpent Geh Snake Phoenix God Angel and Divine Cosmic Eternal Oceanic Water Dark Maelstrom Divine Serpent Geh Snake Phoenix God Angell Love) You said it. Now, let's get him, Lincoln.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf

Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Lola Geh.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything that you've done in causing havoc throughout time and space to rule the cosmos as a mad god, you knew that death was coming for you, and now, we'll make sure your madness dies here along with you.

Lola Geh and Lincoln went after King Hyperion, who continued firing laser beams at them, but Lincoln kept deflecting them, and they fired extremely powerful blasts of rainbow energy, green energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and

Mythological Animals at King Hyperion, and they exploded with incredible power as they hit him.

Then, Lincoln and Lola Geh attacked him with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Lola Geh also did the same by firing dark red energy slashes from her massive greatsword, and he and Lola Geh attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this was making King Hyperion even more angrier than ever.

King Hyperion: YOU! YOU! (ROARS)

King Hyperion went after Lincoln and Lola Geh in a fit of insane rage, but Lincoln and Lola Geh fired rainbow and green energy blasts at King Hyperion and they summoned water dragons and snakes to attack King Hyperion and he was really scarred by their furious attack. Then, Lincoln punched him hard in the face as he crashed back first into a wall and landed on the ground on his back.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into King Hyperion's chest, and then, Lincoln began absorbing King Hyperion into his body as he and all of us assimilated all of his powers, superhuman strength, and superhuman abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of King Hyperion except for his clothes, and he banished King Hyperion to The Black Gates. We cheered wildly for what Lola Geh and Lincoln did as they holstered their massive greatswords on their backs and powered down and Lola Geh's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, large twelve green orbs orbiting around her legs, and massive green angel wings are permanent.

Lola Geh: Your days of causing havoc across time and space and your delusional ambitions to rule the cosmos are over. Thanks for helping me destroy King Hyperion for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Lola.

Suddenly, Lola Geh wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lola Geh's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Divine Serpent Geh flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and water and ocean waves and darkness behind them and we cheered wildly. Then, Lincoln and Lola Geh sucked in and absorbed the elemental forces and water and ocean waves and darkness and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage to King Hyperion.

Lincoln: He was one tough opponent alright.

Nico: He sure was, but you did it, you and Lola both defeated him and you absorbed him, Lincoln, and you and all of us assimilated his powers, superhuman strength, and superhuman abilities.

Me: You got that right. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person and perfect for Halloween: Winona Adolpha.

Selene Arcangela: (GASPS) The Werewolf Queen of Colorado?! Oh man, that is so awesome and very perfect since she's one of the Legendary Halloween Monster Monarchs.

Me: I've heard about them, and I remember seeing Winona, and you guys are going to love meeting her, Winona Adolpha is Lincoln's Guardian Angel from Colorado and she's an extremely powerful werewolf and queen of a massive werewolf clan living in Gunnison National Forest right near our home. She's also feared by rival werewolf clans because she'd destroyed them long ago on the night of a full moon seven years ago. Unlike regular werewolves, Winona was born with incredible powers over moonlight, superhuman abilities, superhuman senses, and superhuman strength along with the powers, abilities, and superhuman strength of the werewolves, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first werewolf queen of her massive werewolf clan, and she'd destroyed the werewolf clans who menaced her clan. Then, she'd moved to Royal Woods and it's where she met Lincoln, and she'd discovered his secret: that he was a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with him, and she was also reunited with her childhood best friend, Rudina Adalwulf. She also fiercely defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as Lincoln and Winona were out at Lake Huron on a moonlit night and in their werewolf forms on a date to show his thanks to Winona for always defending him from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Lori, Lynn, Lola, Lisa, and Luan tried to kill them, but those five were no match for them because the full moon's infinite energy made Lincoln and Winona infinite-times stronger than ever and they pulverized those five and wedgied them by their panties on a tree branch in front of the house, and after that, Lincoln and Winona shared a deep romantic kiss underneath the full moon, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem.

Nico: WHOA!

Lincoln: Yep, she's an awesome force of moonlight werewolf justice and hope.

Luna: Plus, there are also other Legendary Halloween Monster Monarchs for Vampires, Mummies, Demons, Ghosts, Zombies, Goblins, Trolls, and Frankenstein.

Nico: Way awesome.

Stonedozer: This chicken was definitely chicken!

Pied Piper (laughs): That was a good one!

Vortex: What do we do with the remains?

Biowulf: What else? We eat them!

Gator Ghoul: I call first dibs!

Nico: I want the most!

Me: Alright, everyone. DIG IN!

We dug into the roasted Chickenstein dinner and we also had the burgers, hot dogs, chili peppers, and Twinkies from the fight with the Baseball Specter clone. We finished them off and then… !

EXTREMELY MASSIVE MEGA MONSTROUS AND EXTREMELY MASSIVE MEGA MONSTROUS LOUD BELCHES!

We let out a massive series of extremely massive and mega monstrous loud belches that forced the Chickenstein clone's spirit out and banished him to The Black Gates.

Lincoln: Now, that was quite a buffet.

Nico: (BELCHES) You got that right. Man, that was good, and that's it for the Chickenstein clone.

He was reduced to nothing but bones.

Nico: (BURPS) Ahh! That was good!

Gator Ghoul: Ahh! Yeah!

Nico: Great job everyone.

Starlight Glimmer: (To the viewers) This was a really Eggs-ceptionally fun adventure!

We laughed!

Luan: (Laughs) Good one Starlight!

We later went back home and enjoyed the rest of the day and went to sleep.

# THE CASE OF THE ICE DEMON

This chapter is based on the episode of A Pup named Scooby Doo called Snow Place Like Home

---

In the early morning hours at 1:14 A.M. I was asleep in bed with my harem and I was having an interesting dream.

In my dream I was over Opaline's castle and then I saw that Opaline had taken Argyle Starshine, Sunny Starscout's father prisoner and locked him in a block of ice for all eternity in the dungeons. She was trying to prevent him from making sure she never gets Twilight Sparkle's Legacy back no matter what.

Me: Opaline you heartless fiend!

I then woke up.

Me: (In my head) Oh man! Now I know what happened with Sunny's dad. I got to bring him back!

I got up and got on my cloak and left an note for Nico.

I was about to head out when Misty Tredwell saw me.

Misty Tredwell: J.D.? What are you doing up so early?

Me: Oh I had a dream. I know what happened to Sunny's dad.

Misty Tredwell: (GASP) But he died didn't he?

Me: No he's being held prisoner in Opaline's castle ruins. I saw him frozen in a block of ice in the dungeons.

Misty Tredwell: We better get over there and free him.

We were off to the Kamchatka Peninsula.

In the ruins of Opaline's castle in the Kamchatka Peninsula, me and Misty were looking around.

Me: Lets see here.

I then saw something under a rug.

Me: Wait look.

I lifted it and it was a staircase.

Me: A Staircase.

Misty Tredwell: Lets go.

We went down it and it was a creepy place.

Me: Wow.

We got to a door and I opened it and it was a dungeon.

WE GASPED!

Me: WHOA!

Misty Tredwell: It's a dungeon.

Me: Wow.

Misty Tredwell: Wait look!

We saw STONE STATUES OF TWILIGHT SPARKLE AND FRIENDS! THEY WERE FROZEN AS STONE STATUES FOR ALL ETERNITY!

Me: Twilight and friends! Oh no!

Misty Tredwell: So this is how Opaline trapped them during the November 20th battle. She froze them in stone and trapped their spirits in a mirror for all eternity.

Me: Opaline you evil monster!

Misty Tredwell: I'm glad we killed her.

Me: We'll bring these back to the estate.

We sealed the statues in a scroll.

Then we saw a block of ice!

Me: Look! That's him. I saw him frozen in a block of ice like that.

We looked and saw that it was indeed Argyle Starshine! He was frozen in ice!

Misty Tredwell: We got to get him out of there.

Me: We'll have to thaw him out at the estate.

Misty Tredwell: Okay.

We lifted the ice and put it in a scroll and then we teleported back with it.

---

Later everyone was having breakfast.

Then we teleported in.

Nico: Hey guys. WHOA! That is a big block of ice.

Me: We got to act fast.

Nico: What's up?

Me: Nico, Misty, hit it with your fire. Hurry!

Nico: Why?

Me: Just do it!

Nico: Okay!

We fired blasts of fire and it hit the ice and it was melting! The ice was melting fast and then out of the ice came ARGYLE STARSHINE! He was alive and well!

Sunny Starscout: (GASP) Dad?

Daylight Starscout: Argyle?

Nico: Argyle Starshine!? He's alive!? Whoa!

Argyle Starshine: (GROANS) What happened?

Sunny went over to him.

Sunny Starscout: Dad? Is that you?

Argyle saw his daughter for the first time in a long time.

Argyle Starshine: (GASP) Sunny Bunny?

Sunny Starscout: DAD!

She hugged her father for the first time in years!

Sunny was crying.

Sunny Starscout: (Crying) Oh dad! I missed you so much!

Argyle Starshine: Sunny. Wow. My gosh look at you. You grew into a beautiful mare.

Sunny Starscout: (Sniffles) I sure did. I have so much to tell you.

We later had breakfast and we were telling him everything.

Argyle Starshine: So Opaline was responsible for tearing apart the Magic of Friendship and ruining all of Twilight's hard work.

Me: That's right. Opaline was a powerhungry monster and she was not going to stop until she had all the magic in Equestria all for herself.

Twilight Sparkle: That's right. Because of her she tarnished my entire legacy and ruined all my hard work.

Nico: But thanks to Sunny and her friends Izzy Moonbow, Zipp Storm, Pipp Petals, Hitch Trailblazer and Misty Brightdawn here they brought all of the magic of Friendship back and we helped them destroy Opaline once and for all. She was pure evil incarnate and was responsible for everything that has happened over the last 2,000 years.

Me: All of Equestria's major enemies and all of Twilight Sparkle, Princess Celestia and our major battles were all because of her.

Argyle Starshine: Wow! And Sunny became an Alicorn?

Me: She sure did. She is now the Alicorn Princess of Peace.

Nico: First ever Earth Pony in Equestria's history in her world to ever achieve Alicorn Status.

Argyle Starshine: That is amazing.

Sunny Starscout: It sure is dad.

Me: Yeah. And also Sunny and friends have been a massively and powerfully tremendous help to all of us ever since they all joined us last year.

Sunny Starscout: It's true dad.

Me: Yep.

Argyle Starshine: Wow. Sunny (Sniffles) I'm so proud of you.

Sunny Starscout: I know dad. I know.

Sunny had a lot of catching up to do with her dad. And reveal how she and her friends did so much not just in Maretime Bay, Zephyr Heights and Bridlewood and more and it was awesome.

Lola: But Camie had 9 babies yesterday too! Wow!

Camie: I know! That was the most ever for one pregnancy.

Rainbow Dash: It sure was!

Nico: Where is Dead Gotham Bluff anyway?

Me: Oh it's a very treacherous mountain located in the northeastern side of the city near the forest. Can't miss it. It's a pointy and scary looking volcanic mountain. It's got a scary looking storm cloud above it with scary red lightning coming out of it and it has all kinds of terrifying and deadly obstacles on it.

Nico: WHOA! That is crazy!

Me: I know! You would have to be out of your fucking mind to go down a mountain like that.

Xenia: YIKES!

Nico burped.

Nico: Oh pardon me. But it was a really awesome.

Qin: I'll say!

Camie: Yeah!

Me: All in all it was so fun.

Ed: I hugged the clone!

Eddy: (LAUGHS) You sure did Lumpy.

Qin: Yeah no kidding!

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of The Snow Ghost has been sighted.

We gasped.

Me: Oh man, a clone of The Snow Ghost?! Not good.

Qin: I checked with the prison, and Mr. Greenway and his partner, Mr. Leech, are still in prison.

Sakura Knudson: I remember that case, those two were jewel smugglers who used the legend of The Snow Ghost to scare people and he even violently assaulted the gang as well.

Shaggy: Like, I still remembered all those things he did in assaulting us.

Nico: What a monster.

Then, Lincoln called the rest of the team and told them of what happened.

Lori: Lincoln told us of the situation, and we're ready for him.

Me: Without a doubt.

Nico: Lets keep our eyes peeled.

Me: Right.

Eli: Okay.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak

were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and

sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for The Snow Ghost clone) AHA! Gotcha! I just spotted The Snow Ghost clone, he's 20 yards away, and he's already chasing after the rest of the gang.

Shaggy: What?!

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: He's gonna end up as a stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility,

blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Snow Ghost clone.

Me: Lets go get him.

Nico: Right.

Marinette heard a Pokemon cry and she saw that it was a Ladyba. It was freezing in the cold.

Marinette: Oh a Ledyba.

Nico: The poor thing is freezing.

We warmed it up.

Ledyba: Thank you.

Marinette: You're welcome.

Ledyba: Awesome.

Marinette: Wanna stay with me?

Ledyba: Sure.

We got to searching for the Snow Ghost.

We were flying in the air and landed and we're looking around for The Snow Ghost clone.

Lincoln: Alright, now if I'm not mistaken, The Snow Ghost Clone should definitely be coming right now!

Suddenly, we saw the rest of the gang running towards us, and then, we saw The Snow Ghost clone head for us, and as he threw tons of dynamite filled snowballs at us, Lincoln created a massive indestructible diamond barrier with fire surrounding it that protected all of us, and they burned the snowballs and the dynamite exploded, and it got him so riled up, he banged his fists hard at it, but the barrier was still standing and his fists were all bruised as he screamed and howled in pain, and the fire was really hurting him bad.

Eli: Jeez!

Nico: Man, that's painful, and the fire really hurt him bad.

Me: Bring it on you walking fur-monstrosity!

Marinette: Tikki, Spots On! HA!

She turned into Ladybug!

Me: YEAH! Better get my game face on for Alaska! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: YEAH!

The Snow Ghost Roared!

I fired a blast of blue fire and burned him all over!

Me: You're not going to kill us for your master!

Qin: As if, you're not one of Universe 666 Sebastian's creations!

Lincoln: Don't waste your breath on him, Qin, he's still getting his butt kicked.

Lincoln fired a massive diamond ball with fire surrounding it, and it hit The Snow Ghost clone and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront The Snow Ghost clone, who went charging at us.

Shaggy: Like, you know what, you can consider this your final resting place.

Shaggy unholstered his massive Shaggy Rogers' Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Greatsword of Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Justice and transformed into Super Angel-Dark Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel of Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear.

Me: Save some for the rest of us, Shaggy.

January Moonwolf: And me as well.

Me: Lets dance!

I fired waves of energy and blue fire and blasted the Snow Ghost all over.

Me: Had enough?

The Snow Ghost roared!

Me: Oh roar yourself!

Ledyba charged at him and blasted the Snow Ghost.

Qin: Yeah!

Suddenly, January Moonwolf's yellow eyes turned neon yellow and she was surrounded by a dark blue energy aura with stars, moonlight, darkness, wolves, phoenixes, and angels, and as she approached the Snow Ghost clone, she left dark blue energy, stars, moonlight, darkness, wolves, phoenixes, and angels with every step.

January Moonwolf: Even if you're just a clone of The Snow Ghost, you're still just as bad as the real one, but, what makes you even more bad is that you're just a construct created by the mastermind of this whole thing, and when we find out who it was that did this, we're going to end his life once and for all. Now, prepare to say goodbye to your miserable life.

Suddenly, January Moonwolf was surrounded by a massive vortex of dark blue energy with stars, moonlight, and darkness surrounding the vortex, there are wolves, phoenixes, and angels running and flying around the vortex, and in the vortex is a moonlight yellow phoenix with red eyes glaring at the Snow Ghost clone: the red eyes of death.

Me: WHOA!

Nico: So awesome!

Lincoln: The fury of the wolf is about to be unleashed on the Snow Ghost clone, this is going to be so awesome.

But, The Snow Ghost Clone went completely mad with rage and charged at the vortex and us as well, but he got hit hard by blasts of dark blue energy. Then, as the vortex faded, January Moonwolf emerged, but she was changed forever.

Selflessness, Courage, and Trust) And when we find out who the mastermind behind this is, he's also getting his ass kicked big time!

Lincoln, January Moonwolf, Aurora Knudson, Shaggy, and I went after The Snow Ghost Clone, and we fired extremely powerful blasts of rainbow energy, dark blue energy, black and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Baseball Specter Clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, January Moonwolf, Aurora Knudson, Shaggy, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Snow Ghost Clone even more insane and straight to the brink of insanity.

Snow Ghost Clone: (ENRANGED GROWL)

The Snow Ghost Clone charged right at us completely blind with homicidal rage and fury, but Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Alicia and Lincoln fired suns at him and he got burned badly, then, Lincoln fired massive blasts of dark blue wolf fire at The Snow Ghost clone, and he was really getting messed up, and Lincoln howled and summoned wolves which brutally attacked the Snow Ghost clone and he got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The Snow Ghost Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Snow Ghost Clone, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and January Moonwolf's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark blue wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large dark blue orbs orbiting around her legs, and massive dark blue angel wings are permanent.

January Moonwolf: Now, that was so awesome!

Lincoln: That's another clone of Mystery Inc's enemies down and more to go.

Suddenly, I got jumped on by January Moonwolf and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes, and an In Heaven look on my face.

Me: (In Heaven) So… awesome.

I got back up.

Nico: That was one awesome battle.

Lincoln: We took down The Snow Ghost clone and I absorbed him, and we also used tons of wolf-themed attacks on him. (To Aurora Knudson) And it's so good to see you again, Alicia.

Aurora Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Aurora Knudson and he hugged her, and Aurora Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Aurora Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Aurora Knudson, God Sibling of The Aurora Borealis, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful aurora powers and immense control over The Aurora Borealis along with light, energy, and life nourishment. Plus, she also has the power to bring the dead back to life and bring new life to newly formed planets and restore dead planets back to life. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, Carly, Beth, Natalie, Rachel, Carrie, Alicia, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, Carly, Beth, Natalie, Carrie, Alicia, Rachel, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Aurora, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Nebulonic Gas, Suns, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR YOU'RE GOING TO FACE THE WRATH OF THE GOD SIBLING OF THE AURORA BOREALIS!

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, and now that you're here, Aurora.

Lincoln went up to and hugged Aurora Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Aurora Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Alicia Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Aurora Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Aurora Knudson.

Aurora Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: And Apple White? You and Amore did good yesterday.

Apple White: Thanks Nico.

Me: That was awesome.

Camie: Yep.

Nico: Nice job, Ledyba.

Ledyba: Thanks Nico. Got any apple cider?

Applejack: You drink cider?

Ledyba: Yep. No beer. Just cider for me.

Qin: Nice.

Poromon: That's okay.

Poliwag: (Does Puppy eyes) Pwetty pwease?

Ledyba: Nice try.

Nico: Poliwag that's enough.

Xenia: Besides it's too cold here for beer.

Me: We better get into the lodge and warm up. I'm freezing!

Nico: Me too!

We went into the lodge and warmed up.

Me: Ahh much better.

Lola: No kidding.

Poromon: They're right. Beer is still liquid after all.

Me: Yep.

We were sitting by the fireplace and warming up.

Me: Boy that feels great.

Velma: Jinkies it sure does.

Ledyba was on Marinette's head.

Marinette: Now I have a perfect mascot for me.

Me: And a fitting one too.

Qin: Yep.

Me: Yeah.

Penny Pizza: But that was fun though.

Xenia: I agree.

Eli: (Senses something) WHOA! I sense the Anothers. We have Another Bradford Buzzard, Nightmare Pizza, Larry the Snail, SpongeBob and Squidward now snails, Holly Phantom Tone Holly, Zokurangers and Red Death.

Qin: WHOA!

Lily: Wait a second! You mean Larry the snail? That rotten tempered snail that SpongeBob thought would replace Gary? That snail was horrible.

SpongeBob: No kidding.

Nico: No kidding!

Lily: Yeah and SpongeBob and Squidward as snails!? Just like what happened when they were injected with snail plasma.

Lola: Yeah!

Lily: That was creepy!

Me: And the Holly Phantom? That sounds like a Christmas themed monster.

Bradford Buzzard: It is.

Me: Nice. And you guys have the Zokurangers in the group now. That is cool!

Qin: Yeah!

Me: And wait the Red Death Dragon!? That was the very dragon that burned off Hiccup's foot when he exploded!

Nico: Yeah that was horrible!

Hiccup: That's right.

Astrid: I remember that. That was awful.

Me: Yeah Hiccup that must've really hurt when that happened to you.

Hiccup: It did but Toothless saved my life back then.

Eli: Wow! Whoa! (SENSES SOMETHING) I sense more of them. We have Cad Bane, Zavok, El Jefe, Bug Eaten, Professor Brainstorm and Toneri. We also have Another Drimogemon, Snimon, Sagittarimon, Scorpiomon and Awesome Android.

Me: WHOA! Awesome.

Qin: Yeah.

Hiccup: Here's what happened.

He showed his prosthetic foot that was made for him.

Nico: I don't think we noticed that.

Triple Berry: Boy this will be fun.

Then Triple Berry's cutie mark started to glow.

Me: Your cutie mark is glowing Triple Berry.

Triple Berry: It sure is! Wow.

Nico: There they are!

She also had Triple Berry's tail and had a Banana Peel Magisword.

Triple Berry: Wow! Awesome to meet you.

Tiana Triple Berry: Same here. And I am a fruit maker and make juices and desserts and it's awesome fun.

Me: Wow! That is cool.

Qin: It sure is.

Me: By the way is the Another Bradford Buzzard friendly or hostile?

Tiana Triple Berry: Friendly but you may want to watch out for her. She is one that is a prankster.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Awesome!

But then…

KRASMASH!

Nico got smashed with a huge piano!

Me: OOOHH! Ouch!

Nico came out with piano keys for teeth.

Nico: (Dazed) I'm okay.

We helped Nico out.

Me: Geez where did that come from?

Nico: (Blubbers) No idea.

Maria: Better call in backup. (TURNS DIAL) SPICY CAJUN 6!

She summoned Cajun Fox, Human Sunset Shimmer, Fruity Peppers, The Hungry Burger Brigade, Dark AkaNinger And Malevolent Diablo Pepper.

Nico: And now, we wait.

Me: Yep.

But then…

KRASMASH!

A piano smashed right on top of May!

Me: OUCH!

May popped out.

May: I'm okay!

Nico: Geez! Daffy!

Daffy: Hey it wasn't me!

Me: Here he comes!

Out came ANOTHER BRADFORD BUZZARD!

Me: Another Bradford Buzzard.

Lola: Wow!

Another Bradford Buzzard: (In a girls voice) Sorry guys!

Me: (GASP) That voice!

She reverted back with black hair and purple eyes and had black clothes and she had black angel wings and had a tiara with the symbol of the Piano Dopant on it and she had the same symbol on her skirt and she had an Anvil Magisword in her hand.

Me: Pam Piano! Whoa!

Pam Piano: Awesome to see you again J.D.

Me: Same here. Pam is the Embodiment of the Piano Dopant and she has the powers of pianos. Including using them to smash people into pulp like you see in cartoons. Also she is a filthy rich and amazingly wealthy one like Bradford Buzzard.

Bradford Buzzard: That's interesting. I am one of the wealthiest ever in Duckberg.

Laney: Wow!

Pam Piano: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Pam Piano: No he didn't because I smashed him flat under 20 pianos.

Sakura Knudson: That explains why I found him crushed under all those pianos.

Me: Okay that's funny.

Nico: Yep.

Lincoln: Lets separate you first.

Lincoln separated her from the Another.

Me: Awesome.

KRASMASH!

A piano smashed onto the Another.

Nico: (Gets out Bradford Buzzard's Ridewatch) Time for Buzzard Power!

May: (Gets out Larry the Snail, SpongeBob and Squidward now snails Ridewatch) This will be slow.

Lola: Yeah!

Then Star Creature, K-9 (Looney Tunes), Gus Gorilla, Pizza Delivery Monster, Superfriends Grodd and Evil Jarrod (Jungle Fury) came.

Nico: Whoa! Sweet team Star Creature!

Star Creature: Thanks Nico!

Me: Whoa! K-9 from Looney Tunes! That briings back memories. And wait! Jarrod!? You're in the M.O.E. Too!?

Evil Jarrod: Actually I'm the evil version of him.

Me: Oh right! I remember that!

Qin: That is awesome!

Nico: It sure is!

Evil Jarrod: Rest assured. There's no trace of Dai Shi in me at all.

Me: There wouldn't be anyway because we gave him the Black Gates.

Lincoln: That's for sure.

Me: Wait look!

We saw an invisible figure making footprints and then it went over and smashed the Another all over and smashed him all over and I caught the ridewatch and purified it.

Me: WHOA!

Nico: What in the world was doing that!?

Me: Hmm.

I turned on my infrared vision and I saw Sting Chameleon!

Me: WHOA! Sting Chameleon!

Nico: Wait it's invisible!? Wow!

Sting Chameleon revealed itself!

Me: WHOA!

Nico: Amazing camouflage!

Qin: Yeah!

Sting Chameleon: (In a girls voice) That was so awesome.

Nico: Sina Sting!? Whoa!

Sina Sting: Awesome to see you again Nico. And you too Qin.

Qin: Wow! Swift Sting Sina. Awesome to see you.

Me: How come she's called that?

Nico: She has a powerful speed that makes her float like a butterfly and sting like a bee.

Me: Wow! That is cool!

Horsea: Nice!

Qin: Yeah.

Sina Sting: How were you able to see me?

Me: I used my infrared vision. A Chameleon may be camouflaged but its heat signal isn't.

Nico: Yep.

Sina Sting: And yes I am naked.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Nicole: Cover your eyes or else!

Me: It's going to hurt.

Sina Sting: I know. I'm ready.

Me: Here we go.

I snapped my fingers and she doubled over in pain and was reverting back. She then threw up and was reverting back. She had green hair and green eyes and had orange butterfly wings and she had a leaf with a chameleon on it in the middle of her forehead.

Sina Sting: (Groans) That hurt. (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome green clothes and a sword of leaves.

Sina Sting: Wow! I look awesome!

May: You sure do and I didn't get hit!

Nico: Nope.

May: HA! In your face!

Me: May! Don't gloat like Lynn.

Lynn: Yeah! That's my department!

May: Sorry.

Sina Sting: That was cool though.

Me: Yep.

Cathleen Chickenwing: Do you have a favorite memory of Nico?

Sina Sting: I sure do. When there was a bunch of bullies mangling up some nerds I used my invisibility and snuck up to them and beat them up.

Me: Whoa! What a sneak attack!

Sina Sting: I know.

Nico: Yep.

Nico and Sina hugged.

Nico: I've missed you.

Sina Sting: Same here.

We later went back home.

Lincoln: We've arrived here in the world My Name is Evil from The Nightmare Room, and I know what we're going to do here, not only am I going to rescue the four girls, but we're going to help the good-natured Morgan Gray get rid of the evil that lurks inside him, and then, we're going to take down local bully Kristin and send her to The Xaikora Prison for the rest of her life after we force her to confess her crimes.

Adrienne Midnight: That's correct, Lincoln, and in the episode My Name is Evil, Morgan Gray is a good-natured person, but Kristin is a heartless conniving spoiled brat who enjoys torturing Morgan and everyone who crosses her.

Nico: What a scumbag.

Adrienne Midnight: And a fortune teller said that Morgan will become evil, and Kristin got in huge trouble, and the fortune teller's prediction had come true in the end as the evil inside Morgan was finally let out, and once that happened, Morgan Gray found himself trapped forever in The Nightmare Room.

Me: Oh man.

Ms. Cheerilee: We need to save Morgan from the evil inside him, and then, we make Kristin answer for her crimes.

Mathias Ravenclaw: Leave that part to me.

We headed inside the school and we met up with Morgan Gray and his friends, and Lincoln sensed the evil inside him wanting to come out. Then, he chanted an incantation and Morgan Gray was surrounded by rainbow energy, and a black mist was forced out of him, and then, it took on the form of Morgan Gray, but he had red eyes.

Evil Morgan Gray: Finally, I'm FREE!

Lincoln: Not for long.

Lincoln fired blasts of light which destroyed Evil Morgan and sent him to The Black Gates.

Morgan Gray: Was that…?

Nico: That was the evil within you. Now, you're freed from him, and now, to expose Kristin.

Suddenly, we saw a very beautiful and super sexy girl with long brown hair and dark blue flower clip and brown wolf ears and brown wolf tail, yellow eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a dark blue sleeveless crop top, necklace with dark blue gem for the pendant, thigh high dark blue shorts, dark blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, moonlight, darkness, dark magic, black magic, Satanic Magic, werewolves, phoenixes, and angels on the coattails and on the back is a werewolf and above it is The Full Moon and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tips for the pommel, and with her are the four girls.

Lincoln: (GASPS) Winona Adolpha, Werewolf Queen of Colorado and one of The Legendary Monster Monarchs.

Winona Adolpha: That's right, and I got the girls away from that monstrous bitch, Kristin.

Mathias Ravenclaw: It's showtime.

Kristin was already enraged that the four girls got away thanks to Winona attacking her and it got her pissed off. Mathias fired a blast of sapphire blue magic from his Mathias Ravenclaw's Cosmic Eternal Ravenclaw Defender Celestial Magic Heavenly Raven Phoenix Angel Mage's Staff of Cosmic Eternal Ravenclaw Defender Celestial Magic Heavenly Raven Phoenix Angel Justice, and then, illusions of the students who fell victim to Kristin's cruelty and bullying formed and they screamed angrily at her ordering her to confess her sins. Then, Lincoln tied her up in a rainbow straitjacket and beamed her to The Xaikora Prison where she will stay there forever. We cheered as we holstered our weapons and powered down.

Lincoln: And that's another rotten queen bee monster and bully looking at spending life at Xaikora for good. (To Winona Adolpha) And it's so good to see you again, Winona.

Winona Adolpha: You too, Lincoln, it's been seven years since we last met, and it's also good to see you, your sisters, your parents, and Rudina again, J.D.

Me: You too, Winona.

Suddenly, Lincoln was pounced on by Winona Adolpha who proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Winona Adolpha was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he got up.

Winona Adolpha: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Winona Adolpha and he hugged her, and Winona Adolpha is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Winona Adolpha: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know this werewolf?

Lincoln: Indeed I do, Eli, this is Winona Adolpha, Werewolf Queen of Colorado and one of the Legendary Monster Monarchs, she's my Guardian Angel from Colorado and she's an extremely powerful werewolf and queen of a massive werewolf clan living in Gunnison National Forest right near J.D.'s old home. She's also feared by rival werewolf clans because she'd destroyed them long ago on the night of a full moon seven years ago. Unlike regular werewolves, Winona was born with incredible powers over moonlight, superhuman abilities, superhuman senses, and superhuman strength along with the powers, abilities, and superhuman strength of the werewolves, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first werewolf queen of her massive werewolf clan, and she'd destroyed the werewolf clans who menaced her clan. Then, she'd moved to Royal Woods and it's where she met me, and she discovered my secret: that I'm a vampire-werewolf hybrid and an extremely powerful Alpha, and then, almost immediately, she fell in love with me, and she was also reunited with her childhood best friend, Rudina Adalwulf. She also fiercely defended me from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, and this one time, as Winona and I were out at Lake Huron on a moonlit night and in our werewolf forms on a date to show my thanks to Winona for always defending me from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Lori, Lynn, Lola, Lisa, and Luan tried to kill them, but those five were no match for us because the full moon's infinite energy made us infinite-times stronger than ever and they pulverized those five and wedgied them by their panties on a tree branch in front of the house, and after that, we shared a deep romantic kiss underneath the full moon, and as a result, I promised that when I come of age, I will marry her along with the rest of my harem.

Me: Whoa, so that was you two who did that to Lori, Lynn, Lola, Lisa, and Luan. Man, did they make the huge mistake messing with you two.

Nico: Damn, this is the second time those five messed with you two and in werewolf form.

Winona Adolpha: You spoke of the incident where Rudina turned Lincoln into a werewolf and beat the daylights out of them, I remember that all too well.

Lincoln: We still remember that day all too well, and now that you're here, Winona.

Lincoln went up to and hugged Winona Adolpha in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Winona Adolpha: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Winona Adolpha with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Winona Adolpha: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Winona Adolpha, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Winona Adolpha's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Winona Adolpha had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Byakko, Tamamo Osaki, Sayuki, and Suzaku from Kyonyuu Kunoichi Suzaku ~Shokushu Shiofuki Seme~

Lincoln: Oh wow, it's Byakko, Tamamo Osaki, Sayuki, and Suzaku from Kyonyuu Kunoichi Suzaku ~Shokushu Shiofuki Seme~

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Byakko: Yes, we're okay, thanks to you.

Then, when Byakko and the other three girls saw who it was that saved them from Kristin, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving

Byakko: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Byakko: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Byakko, Tamamo Osaki, Sayuki, and Suzaku with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate as a door appeared and we went through it and came back home and we told everyone what happened, and they were glad Lincoln freed Morgan Gray from the evil in him. But, they were also shocked that the villain we went after was his bully, Kristin.

But, when Lincoln showed what happened such as Mathias Ravenclaw casting illusions of the students who fell victim to that spoiled brat's pranks and wrath and forced her to confess and it resulted in her getting expelled, beaten up by us, and sent to The Xaikora Prison forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Winona Adolpha have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that heartless brat.

Lincoln: She went way too far and she almost caused Morgan to be trapped forever in darkness as his evil side took over.

Me: What a jerk.

Nico: Now, she's in The Xaikora Prison for the rest of her life. Good riddance.

---

After we helped Morgan Gray get rid of the evil in him and expose Kristin for the bully that she is and got her expelled for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Winona Adolpha saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Winona Adolpha: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Winona, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Winona Adolpha: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Winona Adolpha: I knew it was only a matter of time before he told everyone that story.

Just then, The Mascots came in with an awesome blue ray gun.

May: What's that you got there?

Poromon: Remember that Smoking Hot Bikini Gun we made? Well, we also made the counterpart for males called The Smoking Hot Speedo Gun.

Sebastian Mendez: Put that thing down right now, Poromon.

Nicole: Uh oh.

Manaphy: Uh, how about… NO!

Manaphy fired the ray gun and Sebastian dodged it, but the rays hit Lincoln, me, and Nico, and we were in smoking hot white speedos.

Me: WHOA! (Flexes my muscles and did bodybuilding poses)

Lincoln: That's awesome. (Flexes his muscles and did bodybuilding poses) Like what you see, ladies?

Lincoln's harem's noses were bleeding like crazy, and the same thing went with my harem and Nico's harem as we too flexed their muscles and did some awesome bodybuilding poses. Then, the rays hit William and he was in a smoking hot dark blue speedo.

Maria: (WOLF WHISTLES) Hello, tall, hot, beefy, and sexy!

Sebastian Mendez: Okay, I've had enough of this!

Sebastian conjured demonic hands that were about to grab The Smoking Hot Speedo Gun, but the gun activated a security protocol that stuffed a nuclear hot pepper in Sebastian's mouth.

Sebastian Mendez: What the Hell?! (FACE TURNING RED)

Poromon: We knew you'd do something like that, so we had a security protocol activated meant for someone like you: stuffing a hot pepper in your mouth.

Poliwag: And it also gave you a nasty case of fire breath!

Sebastian Mendez: (SCREAMS DEMONICALLY) WATER! WATER!

Sebastian grabbed a jug of water, but instead, it was actually gasoline.

Manaphy: (LAUGHING)

Nicole: Oh… shit!

Sebastian Mendez: (BREATHES FIRE AND CHASES THE MASCOTS WHO DODGE IT) Why… ! (FIRES ANOTHER FIRE BREATH AS THEY DODGE IT) You… ! (FIRES ANOTHER FIRE BREATH BLAST AS THE MASCOTS DODGE IT) LITTLE… ! (FIRES ANOTHER FIRE BREATH BLAST AS THE MASCOTS DODGED IT)

Drakus: I can't believe you guys tricked him into drinking gasoline!

Sebastian Mendez: I'll get you for this.

Sebastian ran to the bathroom and had to get the gasoline out of his mouth.

Luan: Yeesh, first, you stuff a hot pepper in his mouth and trick him into drinking gasoline?! Why do I sense he's gonna do something that only Eustace is capable of doing?

Francesca: I got that feeling too, and just in case, I got a rolling pin with his name on it.

Eli: Good idea.

Me: (LAUGHS) You know that was funny! Homer ate a fire stick and Bart made him drink lighter fluid and it turned his mouth into a flamethrower too. (SEASON 20 EPISODE 18)

We got a shower afterwards, and then, Lincoln, Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary Secrets, Grace Dance, Bianca Pearl, Brush Burberry, Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia are heading to Dire Dire Docks.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary Secrets, Grace Dance, Bianca Pearl, Brush Burberry, Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary Secrets, Grace Dance, Bianca Pearl, Brush Burberry, Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Ciela Heaven: Wow, so this is Dire Dire Docks. It sure is beautiful.

Lincoln: It sure is, Ciela, and it's perfect for our first date. Shall we?

Lincoln, Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary Secrets, Grace Dance, Bianca Pearl, Brush Burberry, Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary Secrets, Grace Dance, Bianca Pearl, Brush Burberry, Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary Secrets, Grace Dance, Bianca Pearl, Brush Burberry, Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia and they hugged the girls in their abnormally massive and powerful muscular arms and Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary Secrets, Grace Dance, Bianca Pearl, Brush Burberry, Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary Secrets, Grace Dance, Bianca Pearl, Brush Burberry, Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dire Dire Docks, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary Secrets, Grace Dance, Bianca Pearl, Brush Burberry, Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary Secrets, Grace Dance, Bianca Pearl, Brush Burberry, Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia are in your harem, Linky.

Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary Secrets, Grace Dance, Bianca Pearl, Brush Burberry, Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia showed the marks Lincoln made on the right sides of their necks.

Twilight Sparkle: That's so amazing that Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary

Secrets, Grace Dance, Bianca Pearl, and Brush Burberry have now joined Lincoln's harem.

Eli Same with Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Ciela Heaven, SunFun, Pratica Wiz, Birthstone Brooks, Straight Shot, Diamond Enruff, Diary Secrets, Grace Dance, Bianca Pearl, Brush Burberry, Simulator Sergeant Calhoun, Simulator Haineko, and Simulator Captain Amelia, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Later we were seeing Lazlo, Sailor Moon and the mascots up to something.

Me: What are you guys up to now?

Lazlo: Wanna know what we're setting up?

Me: Sure.

Lazlo: Me and Sailor Moon are going to challenge the mascots to a baked bean eating contest.

Me: WHOA!

Eli: Uh oh!

Nico: Plug your noses guys!

Qin: We thought you guys were going to stack them.

Lazlo: (LAUGHS) That was option b.

Me: Oh.

They got the contest underway!

Sailor Moon: Ready?

Poromon: Set…

Lana: GO!

They got to eating!

This was going to be awesome!

In 20 minutes Sailor Moon and Lazlo already ate 30 bowls of beans!

The mascots all had 25 bowls!

Sideways: Look at them go!

FART!

Poliwag fell into his bowl of beans!

Manaphy: I'm not going to make it!

FART!

Horsea: Tell Maria I love her!

Manaphy: Keep it together Horsea!

Horsea: Mama I'm coming…

Manaphy: STAY AWAY FROM THE LIGHT HORSEA!

But then…

FART FART!

They fainted.

Sailor Moon was still eating a lot!

Then…

FART FART!

Poromon and Lazlo Fainted! SAILOR MOON WON!

Nico: WOOHOO!

Me: Way to go Sailor Moon!

Sailor Moon: (BELCHES) Pardon.

?: That was awesome!

Then a girl with orange hair and red eyes and red clothes and orange angel wings and a tiara with the symbol of Proto Man on it came.

Penelope Proto: Penelope Proto, Embodiment of Proto Man.

Samus: Wow! Awesome to see you again Penelope!

Black Widow: Same here.

Penelope Proto: You too Samus and Natasha. Its been a while.

Beachcomber: How did you meet Samus and Black Widow?

Penelope Proto: I helped Samus on the Bottle Ship and helped her destroy lots of enemies in the Pyrosphere.

Me: That was awesome.

Penelope Proto: Yep. And I met Black Widow and helped her take down Loki.

Me: Wow!

Nico: Nice. Would you like to join the team?

Penelope Proto: I would be honored.

Scavenger: Boss, who shines today?

Nico: Jim and Yan Lin.

Me: Awesome!

Hay Lin: Way to go grandma!

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of the Ice Demon, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of the Ice Demon, and he's causing havoc.

We gasped.

Me: Now, we got a clone of The Ice Demon?! Oh boy.

Suddenly, the gems on our 28th Century Futuristic Miracle Box Backpacks glowed and we were now in 28th Century futuristic silver thermo-EX Environment suits equipped with fire weapons and wrist-mounted flamethrowers.

Eli: Wow!

Lincoln: This is so awesome, now we can easily be protected from the Ice Demon clone's ice attacks.

Me: That's really awesome.

Nico: It sure is. Alright, gang, let's get going and take down that clone of The Ice Demon.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

Me: Big time.

The previous group came.

Seadramon: Can me, Thundermon, SkullMeramon, Dumbbelltron, Black Knight Ghost, Stonedozer, Gator Ghoul, Pied Piper, Biowulf and Vortex go with you guys?

Nico: Yes you all can go with us.

LOUD FART!

Nico: Uch! J.D.!?

Me: It wasn't me!

LOUD FART!

We saw Sailor Moon blushing and Sailor Mars coughing and gagging.

Batch: Nico, which gene-slammer do you think you'll meet next?

Nico: Launch Octopus next.

Me: Ooh one that's all wet.

Qin: Yep.

Varie: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Hades, the overarching antagonist of the Kid Icarus series, and he's come for revenge against Pit and Lady Palutena for ruining his plans to rule the world. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Pit, you and Lady Palutena aren't going to like this one bit: the figure that we saw is none other than your old enemy, Hades, he's returned to get revenge on you two for ruining his plans to rule the world.

Pit and Lady Palutena gasped.

Pit: I can't believe it. Hades really is a sore loser.

Lady Palutena: He just never gives up.

Emily Shunoros: Leave him to me and Lincoln, we'll take him down and Lincoln will absorb him and assimilate all of his powers, abilities, and strength.

Lincoln: That's right, Emily.

Nico: I hope you two tear him apart and Lincoln absorbs him too. Alright, gang, let's go, we're heading out to destroy that clone of The Ice Demon.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Hades.

Emily Shunoros: The suffering and havoc you've caused throughout can never be forgiven, Hades, and for everything that you've done, you will suffer the consequences for your crimes.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of The Ice Demon so that Lincoln can absorb him, and once we got done with him, Lincoln and Emily Shunoros are going to destroy Hades.

We were off to Snowy Mountain Lodge in the Idaho Mountains and it was going to be really cold up there.

---

We arrived at Snowy Mountain Lodge. We had our warmest fur coats on.

Me: We're here guys.

Xenia: Wow!

Ice Demon came.

SkullMeramon: Ice Demon? You're helping too.

Ice Demon: Of course. I'm not gonna let a clone of me run loose.

Me: I agree there. That clone will get thawed out big time.

Chillyfish came too.

Proto Man: Chillyfish? You're helping too?

Chillyfish: Of course. Ice Demon's my buddy.

Me: Okay then.

Gi: This will be awesome.

Camie: It sure will.

LOUD FART!

Sailor Moon farted.

We saw the lodge and it was much bigger and more amazing than ever! It was as big as a castle!

Me: Whoa! Those diamonds really helped out the Morganson's big time.

Qin: Wow!

Sakura Knudson: Yeah!

We went up to the door and I rang the doorbell.

FUNERAL MARCH DOORBELL

Black Knight Ghost: Nice doorbell.

Lucy Loud: I would love to have a doorbell like that.

Brittney: Me too.

Me: When we first heard that we were scared shitless.

Sakura Knudson: Just like old times.

The door opened and out came the Morgansons.

Mr. Morganson: Ah J.D. and Team Loud Phoenix Storm. What an honor. And it's good to see you again Fred Jone and you too J.D. and Sakura.

Me: Been a long time Mr. And Mrs. Morganson.

Sakura Knudson: Love what you did with the place.

Mrs. Morganson: Thank you.

Me: We heard you're having problems with a clone of the Ice Demon.

Charmcaster:This version of Ice Demon's with us.

Me: Long story on that.

Mr. Morganson: Oh thank goodness. But come on in.

We saw the lodge and it was beautiful and cozy.

Me: Wow this is amazing.

Shaggy: Like it sure is amazing here.

Me: When we first came here Mr. and Mrs. Morganson scared Shaggy away by saying they wanted to eat us for dinner. But I think they were just getting carried away.

Mrs. Morganson: Yes sorry about that.

Pied Piper: Little too much, don't you think?

Mr. Morganson: Yes that's right.

Me: But Shaggy and Scooby came back when they heard about all the food they made. You should have seen all the food they made for us.

Sakura Knudson: Boy no kidding. We were so full and stuffed like a Thanksgiving Turkey.

Xenia: Boy that must've been a good meal.

Sakura Knudson: It was.

Me: Yep.

Mr. Morganson: And we made more for you just now.

We saw an ALL YOU CAN EAT DINNER FOR US LIKE BEFORE!

Shaggy and Scooby were drooling!

Retrax: Damn!

Shaggy: Like lets eat!

We got to eating.

Me: (Eating) Mmm! Delicious.

Nico: (Slurping Spaghetti) Mmm!

Laney: So when you first came here the Ice Demon was causing problems?

Me: Yep. Not just for the lodge but for the Morganson's too. He was scaring away the people to make sure no one stays at the lodge. Because he wanted diamonds in the mine not far from here all for himself.

Nico: Whoa.

Vortex: That explains it.

Me: Yep. And the Morgansons were in danger of the bank foreclosing on them. They were going to lose their home.

Nico: Geez!

Me: I know.

Sakura Knudson: Yeah. But thanks to the diamonds that we helped find in the mine for them money is now no longer an issue.

Mr. Morganson: That's right. We were able to make numerous upgrades.

Me: That is awesome.

Nico: Remind me again who the ice demon was?

Me: A forest ranger. His name was Mr. Forester. He wanted all those diamonds from the mine all for himself.

Qin: Yep.

Tayuya: Rest assured, that the dumbass is still locked up.

Me: Not anymore. He was found beatened to death by fellow inmates a few years ago.

Tayuya: Oh. That serves that fucking asshole right.

Me: Yeah his greed did him in.

Nico: Yep.

Me: He was originally sentenced to 35 years in prison. He was found dead in his cell later on. Beaten to death just about 3 months into his sentence.

Nico: GEEZ! Didn't last long.

Qin: Nope he sure didn't.

Biowulf: If that didn't happen, he still would stay locked up

Mr. Morganson: I'm glad he got what he deserved.

Xenia: So is the world.

Mrs. Morganson: Indeed. Is Fred still accusing Red Herring of crimes he didn't do?

Sakura Knudson: He sure is. Before I was kidnapped by Swartz, I counted that Fred accused him of crimes he didn't commit for 12,323,954 times.

We were flabbergasted!

Me: Whoa! You've been keeping track?

Sakura Knudson: Yep.

She pulled out a log book.

Sakura Knudson: September 21st, 2012 - Accused Red of being the Sludge Monster from the Earth's Core. September 22nd, 2012 - Accused red over 423 times for numerous crimes when we didn't have a mystery.

Nico: Whoa!

Qin: That's impressive.

Chow: You know, some days, Red Herring is minding hsi own business.

Mr. Morganson: That is rough.

Me: Red Herring has been a nasty bully to many of us for years. But he is an archenemy for us in the M.O.E.

Xenia: Yep.

LOUD FART! WHOOSH!

Sailor Moon farted and the fire in the fireplace blasted up from the gas!

Nico: WHOA!

Gator Ghoul: You're still farting?!

Sailor Moon: Sorry!

Me: Sailor Moon, Lazlo and the mascots had a baked bean eating contest.

Mr. Morganson: That's okay.

Me: Good.

LOUD FART!

Sailor Moon: Sorry!

Qin: No worries.

Poromon: I'm not farting!

Pinkie Pie: Why not!? Farting is fun!

FART! CONFETTI BLAST!

Pinkie Pie farted and out came confetti!

Maria: And Horsea? I love you too. (Kisses Horsea on the forehead)

Horsea: Aww. Thanks Maria. I love you too.

LOUD FART!

Sailor Moon farted big.

Me: Geez!

Sailor Mars coughed and gagged.

Shred Naught: Someone pat their stomaches!

Poliwag: I'm on it!

Me: Hold on a sec.

Sailor Moon laid down on the sofa and tbe mascots lined up. The light and small mascots. Not the giant heavy ones.

They paided to bounce on Sailor Moon's belly.

Poromon bounced on her belly.

BOING BOING BOING BOING!

LOUD FARTS!

We had the window opened!

LOUD FARTS!

Poliwag used his tail on her belly.

LOUD FARTS!

Poliwag: (LAUGHS)

Sailor Moon was laughing!

Xenia: (LAUGHS) That's funny.

Stonedozer: Farts have left the building!

Me: Thank goodness!

Nico: Funny.

Lola: Yep.

Nico: Now for finding the Ice Demon Clone.

Krankenstein: Monster gonna smash clone!

Eli: He's right outside hiding.

Qin: Wow.

Dumbbelltron: Lets go find him.

Eli: He's right there! Look.

We saw the clone of the monster hiding behind a tree laughing.

Me: Convenient.

Cybertron Menasor: (Irish Accent) Entrance time, Laddies!

Nico: Lets go!

We got on our coats and went to face him.

The clone laughed. But then the spirits of fire appeared and swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

A massive fiery explosion went off above him and fireballs rained down and hit him all over and then a phoenix cry was heard and then we came out.

Me: Time to put you on ice!

Thundermon: Seriously? By now, everyone he is familiar with how you fight!

The Ice Demon roared and fired ice blasts and I fired fire blasts and they collided and massive clouds of steam came out.

Me: Fire VS Ice. Awesome.

I fired a wave of fire and it hit him and he screamed.

Nico: Someone hit him with a burning heat blast!

Lola: You got it!

She fired a burning heat blast!

Lola: Yeah!

Qin: Nice one Lola!

Nico got out dynamite.

Nico threw it and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

It hit the Ice Demon and exploded!

Xenia: Nice one!

Poromon: Lets cause an avalanche!

Nico: Lets not!

Poromon fired a blast of lightning and electrocuted the demon.

Xenia: Yeah!

Jim: Lets do it! BY THE GLORY OF MERLIN DAYLIGHT IS MINE TO COMMAND!

He transformed!

Yan Lin: POWER OF THE AIR!

She was ready too!

Jim: It's Buttkicking time!

Yan Lin and Jim charged at him and blasted him all over with wind and energy and blasted the clone of the ice demon!

I fired more fire blasts.

Qin fired more fire blasts.

Thetis charged at him and so did Gi!

Thetis: No one messes with my archenemy!

She fired waves of water and blasted him!

Gi: Yeah! WATER!

She fired a beam of energy and water blasted him.

Then Steam Smythe, Eccentro, Beautiful Gorgeous, Atomic Skull, Griffin, Hydrax, Black Manta, Absorbing Man, Tri-Klops and Kangor came.

Nico: Steam Smythe, Eccentro, Beautiful Gorgeous, Atomic Skull, Griffin, Hydrax, Black Manta, Absorbing Man, Tri-Klops and Kangor.

Steam Smythe: Good thing you guys didn't cause an avalanche.

Poromon: It would've damaged the clone!

Eccentro: And several people in the process.

Beautiful Gorgeous: He has a point.

Atomic Skull: (to Nico) We heard you face a Snow Ghost clone.

Nico: Yep.

Absorbing Man: (to Marinette) Ledyba is pre evolved. You should take good care of him

Marinette: I will.

Then Yelizor came.

Me: Yelizor! Been a while since we faced you.

Yelizor: I know! Since 2020.

Me: Wow! It has been a while.

Yelizor: And this time, Prime Morbucks isn't here to hog the fun.

Me: Nope. Thank goodness.

Qin: Yeah!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!

We got the battles underway!

Lincoln: Take this!

Lincoln punched the clone of The Ice Demon super hard in the stomach and sent him flying into a wall that cracked and fell apart and he fell flat on his back. Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Ice Demon Clone's chest, and then, Lincoln began absorbing The Ice Demon clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Ice Demon clone, and he banished The Ice Demon clone to The Black Gates.

Nico: Good riddance to that ice monster.

Lincoln: His ice powers stood no chance. Now, there's one last thing to do and one last loose end to tie up: Hades.

?: PIT, PALUTENA, I WILL DESTROY YOU!

Lincoln formed a massive indestructible diamond barrier with absorption energy surrounding the barrier that protected all of us from massive blasts of darkness blasts that came from nowhere and hit the barrier, but it stood strong and absorbed the darkness blasts and it flowed into us making us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Hades, or we will force you out.

A figure came out, and it was none other than Hades, the overarching antagonist of the Kid Icarus series.

Pit: Hades.

Hades (Kid Icarus): You both have ruined all of my plans to rule the world and murdered Medusa, I will never stop until all of you are dead!

Emily Shunoros: Get over it. Beside, you've brought this on yourself for your crimes.

Suddenly, Emily Shunoros' green eyes turned neon green and she was surrounded by a green energy aura with stars, water, ocean waves, darkness, dogu, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Hades, she left green energy, stars, water, ocean waves, darkness, dogu, phoenixes, and angels with every step.

Emily Shunoros: You've got some nerve coming here, Hades. After everything that you did causing havoc with your cohorts so you can rule the world, you're even worse than all the other villains we've killed. I will never ever forgive you for everything that you've done, you will pay for every last one of your crimes with your own life.

Suddenly, Emily Shunoros was surrounded by a massive vortex of green energy with stars, water, ocean waves, and darkness surrounding the vortex, there are dogu dolls, phoenixes, angels, and Orichalcos Shunoros flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Hades: the red eyes of eternal death.

Me: WHOA!

Nico: Oh man!

Suddenly, Emily Shunoros felt a sharp pain on her back, and then, massive green angel wings with red tips on the large green feathers grew and sprouted out of her back and she also now has eleven massive and long green wolf tails with red tips and red markings, Emily Shunoros has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

We were amazed by Emily Shunoros' Super Angel-Orichalcos Shunoros-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Hades saw it, he fell into a rage and fired blasts of darkness at her to kill her, but Lincoln deflected the darkness blasts and she fired a massive barrage of green energy, stars, water, ocean waves, darkness, dogu dolls, phoenixes, and angels which hit Hades and sent him flying into a tree, he got back up and he was now really enraged.

Selene Arcangela: Oh shit, Emily Shunoros has transformed, and we already knew just how strong and powerful she was before, and now. Oh, this is going to end badly.

Lincoln: Emily has done a lot for me and my sisters and took on the wrath of my mean sisters when those stupid monsters were still inside them. Now, Emily Shunoros is going to put an end to Hades and end his dark ambitions for good.

Emily Shunoros and Lincoln went after Hades, who continued firing darkness blasts at them, but Lincoln kept deflecting them, and they fired extremely powerful blasts of rainbow energy, green energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Hades, and they exploded with incredible power as they hit him.

Hades went after Lincoln and Emily Shunoros in a fit of insane rage, but Lincoln and Emily Shunoros fired rainbow and green energy blasts at Hades and they summoned water dragons and dogu dolls to attack Hades and he was really scarred by their furious attack. Then, Lincoln punched him hard in the face as he crashed back first into a wall and landed on the ground on his back.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Hades' chest, and then, Lincoln began absorbing Hades into his body as he and all of us assimilated all of his godly powers, superhuman strength, and superhuman abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Hades except for his clothes, and he banished Hades to The Black Gates. We cheered wildly for what Emily Shunoros and Lincoln did as they holstered their massive greatswords on their backs and powered down and Emily Shunoros' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, large twelve green orbs orbiting around her legs, and massive green angel wings are permanent.

Emily Shunoros: Your days of causing havoc on the human world are over. Thanks for helping me destroy Hades for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Emily.

Suddenly, Emily Shunoros wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emily Shunoros' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Orichalcos Shunoros flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and water and ocean waves and darkness behind them and we cheered wildly. Then, Lincoln and Emily Shunoros sucked in and absorbed the elemental forces and water and ocean waves and darkness and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage to Hades.

Lincoln: He was one tough opponent alright.

Nico: He sure was, but you did it, you and Emily both defeated him and you absorbed him, Lincoln, and you and all of us assimilated his godly powers, superhuman strength, and superhuman abilities.

Me: You got that right. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person and perfect for Halloween: Veronica Vampirica.

Selene Arcangela: (GASPS) The Vampire Queen of Colorado?! Oh man, that is so awesome and very perfect.

Me: And I remember seeing Veronica, and you guys are going to love meeting her, Veronica Vampirica is Lincoln's Guardian Angel from Colorado and she's an extremely powerful vampire dark angel and queen of a massive vampire clan from Denver, Colorado. She's also feared by rival vampire clans because she'd destroyed them long ago seven years ago. Unlike regular vampires, Veronica was born with incredible powers over darkness, superhuman abilities, superhuman senses, and superhuman strength along with the powers, abilities, and superhuman strength of the vampires, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first vampire queen of her massive vampire clan, and she'd destroyed the vampire clans who menaced her clan. Then, she'd moved to Royal Woods and it's where she met Lincoln, and she'd discovered his secret: that he was a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with him, and she was also reunited with her childhood best friends, Adriana Ardelean Dracula and Ramona Alucard, along with the other vampire Guardian Angels. She also fiercely defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as Lincoln and Veronica were out at Lake Huron on a moonlit night on a date to show his thanks to Veronica for always defending him from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Lori, Lynn, Lola, Lisa, and Luan tried to kill them, but those five were no match for them and they pulverized those five and wedgied them by their panties on a tree branch in front of the house, and after that, Lincoln and Veronica shared a deep romantic kiss underneath a red moon, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem.

Nico: WHOA!

Lincoln: Yep, she's an awesome force of vampiric justice and hope.

Luna: Plus, there are also other Legendary Halloween Monster Monarchs for Vampires, Mummies, Demons, Ghosts, Zombies, Goblins, Trolls, and Frankenstein.

Nico: Way awesome.

Griffin: Who did that clone think he was?!

Me: Don't know don't care.

Hydrax: There's only room for one Ice Demon.

Black Manta: And that's ours.

Tri-Klops: No substitutions!

Qin: You got that right!

Kangor: Now, how should we celebrate, mon?

Qin: Good idea!

Nico: Yeah! Great job today everyone.

Sunset Shimmer: (To the viewers) This was a cold yet fun adventure.

Me: It sure was.

Nico: Yep.

We had a great time at the lodge and then we later went back home and went to sleep after enjoying the rest of the day.

It was the Annual Gotham Royal York Pizza Festival. Pizza makers and chefs from all over the country and the world attend this and they have people try their amazing pizzas. Billions of varieties of pizzas and more. Shaggy was also in this event too and so was Nico's friend Francesca Giordano.

Nico: Wow! This is my kind of event! The Gotham Royal York Pizza Festival.

Eli: Oh boy! Look at all the pizzas here!

Xenia: This is so cool!

Camie: Oh wow! Everything looks so good!

Varie: It sure is! I could eat everything here.

Me: Me too! This is one of my favorite festivals and I love pizza!

Lincoln: Me too! And I'm amazed that Shaggy is here as one of the chefs here.

Me: Me too.

Sakura Knudson: Shaggy learned how to make NUMEROUS kinds of pizzas from cook books and more.

Camie: That is cool!

Me: And they have more than just pizzas to eat. They have furniture and rugs that look like pizzas and foods.

Nico: That is clever and funny.

Firecracker Burst: Boy it sure is!

Nico: Firecracker, I want to thank you, Star Creature, and your teams for coming.

Firecracker Burst: It's no problem at all Nico. This is gonna be so fun and cool!

Scrappy: It sure will be! As long as we get to splat some monsters! Yeah!

Nico: (LAUGHS) Yeah you get them Scrappy!

Eli: Yeah!

Nico: Scrappy, I didn't like that other version of you.

Scrappy: I know Nico! That was awful that I would become like that!

Me: I know. But thank goodness we made sure you wouldn't become that.

Scrappy: I know. Thank goodness and I will always be grateful for that.

Nico: Yeah. You did help out in numerous great mysterious with Scooby and the gang and that is awesome.

Lola: It sure is.

Nico: Okay, so maybe most people aren't fond of you. But we are!

Me: I agree there.

Scrappy: Thanks guys. That means a lot to me.

Me: No problem Scrappy.

Xenia: Yeah.

Me: Boy yesterday was cold and fun.

Laney: It sure was. And we had a great time at the Snowy Mountain

Lodge.

Lola: We sure did and we battled the Ice Demon there.

Camie: That was a cold one.

Nico: It sure was.

Maria: You mean the clone.

Lola: Yeah. That was still a fun battle.

Maria: Yeah. But that was fun.

Laney: And Sailor Moon had REALLY AWFUL Gas there.

Xenia: No kidding! WHEW! But that was funny how she farted in Rei's face. (LAUGHS) She had it coming for getting into fights with Sailor Moon.

We laughed!

Qin: (LAUGHS) Yeah.

Nico: Poromon wanted to cause an avalanche.

Me: Yeah and there were no nearby hills on the mountain the lodge was at thank goodness.

Xenia: That was a relief.

Camie: Yeah.

Varie: But at least that clone is gone.

Nico: I'm having the magic users look into who's making these clones.

Twilight Sparkle: Good idea Nico. It'll be awesome.

Sunny Starscout: It sure will. I'm glad we're looking into that.

Me: Me too Sunny. Are you fully caught up with your dad on everything that happened?

Sunny Starscout: I sure am J.D. and he is so proud of me for everything that happened.

Me: We are too Sunny.

Xenia: Yeah.

Shaggy: Hey guys! Like wow!

We saw Shaggy.

Me: Hey Shaggy! Wow!

We went over.

Shaggy: Like isn't this cool guys?

Me: Boy it sure is awesome! I love this festival as much as you do.

Scrappy: I agree there Shaggy and Uncle Scooby it's so cool that you are a pizza chef too.

Scooby Doo: Reah! It sure is! (LAUGHS)

Shaggy: Like would you like to try some of my pizzas?

Me: Sure.

Nico: I'd like one.

Shaggy: Lana you will love this one. Try my Limburger Cheese, Fish Taco and Onion pizza.

He pulled out a pizza made with that.

Me: Whoa!

Lana: Awesome!

Lana ate it.

Lana: MMM! (Eating) So good!

Me: (LAUGHS) Lana sure likes it.

Shaggy: (LAUGHS) Like she sure does.

Me: That's Lana for you Shaggy.

Shaggy made awesome pizzas. We had Funky Fritter Pizza, Ghost Pepper Creole Shrimp and Pepperjack Pizzas and even Awesome dessert pizzas.

Me: (Eating the Funky Fritter Pizza) MMM! Wow!

Red Smoke and fire came out of my ears!

Sakura Knudson: (Eating Ghost Pepper Creole Shrimp and Pepperjack Cheese Pizza) Delicious!

Lola: Boy I'll say! (Eating dessert pizzas) Mmm! I love the Dessert Pizzas.

Nico: Boy Shaggy you and Scooby make amazing pizzas!

Maria had some. She had a chicken Parmasan and Garlic Bread pizza.

Maria: (Eating) Mmm! Wow!

We were really having a great pizza feast with Shaggy's pizza.

Lucille Loud: (Sniffs) (Scottish Accent) I smell something familiar laddies.

?: (Scottish Accent) Well here's a treat now!

Lincoln: Angus!? Wow!

Lana: You're a pizza chef too!? Awesome!

Duke Angus: Aye it's a hidden talent. I am also a great pizza chef as well as the Duke of Castle McLoud now.

Me: That is so cool Angus.

Duke Angus: It sure is now. Try my haggis pizza.

Lana: Awesome!

Lucille Loud: This is gonna be good now.

Lana and Lucille tried it.

Lana: (EATING) Mmm! Delicious!

Nico ate the pepperoni pizza.

Nico: Mmm! Good pepperoni Shaggy.

Shaggy: Like thanks Nico. Boy lots of awesome pizza vendors here huh?

May: Boy I'll say. And you make lots of flavors of pizza.

Sakura Knudson: And that's why they don't call you the king of pizza flavors for nothing.

Shaggy: Like that is for sure.

After we had a great meal of pizzas and bought awesome stuff, we regrouped.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of Mirror Shaggy, that scary monster version of Shaggy, has been sighted.

We gasped.

Shaggy: ZOINKS! Not him!

Me: Oh man, a clone of Mirror Shaggy?! Oh, that is not good.

Shaggy: Like, I still remembered him all too well.

Sakura Knudson: I remember that freak all too well when we went after that witch, Revolta.

Nico: She was such a monster. Glad she and The Grim Creeper are literally gone for good.

Me: Me too! That was awful!

Then, Lincoln called the rest of the team and told them of what happened.

Lori: Lincoln told us of the situation, and we're ready to take that monster down.

Me: Without a doubt.

Nico: Yep.

Lori: Wow! The pizza festival. This is literally amazing.

Lynn: Boy I'll say! I think this is amazing that you guys are here.

Shaggy: It sure is.

Lana: I'll say!

Jen heard a Pokemon cry.

Jen Walters: Hey look!

It was a Mega Hitmonchan!

Me: Whoa! A Mega Hitmonchan.

Xenia: That one is perfect for you Jen.

Me: Oh and it hurt its arm.

Mega Hitmonchan: Yeah I did.

Me: Oh we'll heal you up.

We got it healed up.

Mega Hitmonchan: Thank you.

Jen: Wanna stay with me?

Mega Hitmonchan: I would be honored.

Me: Awesome. Looks like you're going to have an awesome sparring partner Jen.

Jen Walters: I sure am.

Me: Yep.

Sakura Knudson: That monster version of Shaggy was awful.

Camie: What did he look like?

I showed what he looked like. He looked like a demonic version off Shaggy but with pointy ears, red and green eyes and had ferocious looking teeth and was a bloodthirsty monster.

Camie: GEEZ! Scary!

Nico: You're telling me!

Me: Yeah! And he wanted to kill me and Scooby Doo.

Scrappy: No one threatens my uncle Scooby! I'm going to splat him!

Me: Save seconds for me!

Nico: Shaggy doesn't even wear that shirt anymore.

Shaggy: Like no I sure don't. Red wasn't even my color. Green is.

Me: That's true. At least we'll be able to tell who is who in this one.

Camie: Yeah.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for The Mirror Shaggy clone) AHA! Gotcha! I just spotted The Mirror Shaggy clone, he's 20 yards away, and he's already chasing after the rest of the gang.

Shaggy: What?!

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: He's gonna end up as a stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs

arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a

blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Mirror Shaggy clone.

We were walking around.

Nico: Shaggy, stay close to us!

Shaggy: Like you don'r have to tell me twice.

Lincoln: Alright, now if I'm not mistaken, The Mirror Shaggy Clone should definitely be coming right now!

Suddenly, we saw the rest of the gang running towards us, and then, we saw The Mirror Shaggy clone head for us, and Lincoln created a massive indestructible diamond barrier with fire surrounding it that protected all of us, and it got him so riled up, he banged his fists hard at it, but the barrier was still standing and his fists were all bruised as he screamed and howled in pain, and the fire was really hurting him bad.

Eli: Jeez!

Nico: Man, that's painful, and the fire really hurt him bad.

Mirror Shaggy Clone: (ROARS) GET OUT HERE RIGHT NOW! I MUST KILL YOU ALL FOR THE MASTER!

Qin: As if, you're not one of Universe 666 Sebastian's creations!

Lincoln: Don't waste your breath on him, Qin, he's still getting his butt kicked.

Lincoln fired a massive diamond ball with fire surrounding it, and it hit The Mirror Shaggy clone and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront The Mirror Shaggy clone, who went charging at us.

Shaggy: Like, you know what, you can consider this your final resting place.

Shaggy unholstered his massive Shaggy Rogers' Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel

Greatsword of Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Justice and transformed into Super Angel-Dark Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel of Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear.

Shaggy: (Divine Echoing Godly Voice of The Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear) And we're also getting some serious payback for almost trying to kill us when we went after Revolta.

Me: Save some for the rest of us, Shaggy.

Elandra Explosion: And me as well.

Me: Lets get him!

I punched down the mirror Shaggy!

Me: That shirt looks ugly on you!

Mirror Shaggy Clone: I will rip your heart out and eat it!

Elandra Explosion: Now it's my turn to kick some butt!

Qin: Yeah!

Suddenly, Elandra Explosion's red eyes turned neon red and she was surrounded by a red energy aura with stars, fire, flames, explosions, phoenixes, and angels, and as she approached the Mirror Shaggy clone, she left red energy, stars, fire, flames, explosions, phoenixes, and angels with every step.

Elandra Explosion: Even if you're just a clone of Mirror Shaggy, you're still just as bad as the real one, but, what makes you even more bad is that you're just a construct created by the mastermind of this whole thing, and when we find out who it was that did this, we're going to end his life once and for all. Now, prepare to say goodbye to your miserable life.

Suddenly, Elandra Explosion was surrounded by a massive vortex of red energy with stars, fire, flames, and explosions surrounding the vortex, there are phoenixes and angels running and flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at the Mirror Shaggy clone: the red eyes of death.

Me: WHOA!

Nico: So awesome!

Lincoln: This is gonna get really messy big time, I just know it!

But, The Mirror Shaggy Clone went completely mad with rage and charged at the vortex and us as well, but he got hit hard by blasts of red energy and dynamite that exploded and sent him flying into a wall. Then, as the vortex faded, Elandra Explosion emerged, but she was changed forever.

Suddenly, Elandra Explosion's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of red energy, stars, fire, flames, explosions, phoenixes, and angels, and when it emerged, it was transformed into Elandra Explosion's Cosmic Eternal Inferno Firestorm Explosion Dopant Phoenix Angel

We were amazed by Elandra Explosion's Super Angel-Explosion Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when The Mirror Shaggy Clone saw it, he went mad and ran at her to kill her, but Elandra Explosion fired a massive barrage of red energy, stars, fire, flames, explosions, phoenixes, and angels which hits The Mirror Shaggy clone and sent him flying into another wall, he got back out, but now, he was enraged.

Elandra Explosion: (Divine Echoing Godly Voice of The Inferno Firestorm Explosion Dopant Embodiment Phoenix God Angel and Divine Cosmic Eternal Inferno Firestorm Explosion Dopant Embodiment Phoenix God Angel Love) Alright, you mirror monster, you better be ready to get blown into a million pieces.

Suddenly, The Mirror Shaggy clone got hit hard by energy blasts and light magic blasts.

Lincoln: J.D., did you…?

Me: Nope, that wasn't me or you. (Smirks) But, I know only one person who did that.

Suddenly, we saw a very beautiful and super sexy girl with long neon brown hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in an white frilly short-sleeved shirt, necklace with pearls and pink gem for the pendant, white skirt, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive golden greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Even though we know you're not one of Universe 666 Sebastian's creations born from his residual darkness, you're still getting your butt kicked.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And when we find out who the mastermind behind this is, he's also getting his ass kicked big time!

Lincoln, Elandra Explosion, Colleen Knudson, Shaggy, and I went after The Mirror Shaggy Clone, and we fired extremely powerful blasts of rainbow energy, red energy, black and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Mirror Shaggy Clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Elandra Explosion, Colleen Knudson, Shaggy, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Mirror Shaggy Clone even more insane and straight to the brink of insanity.

Mirror Shaggy Clone: (ENRANGED GROWL)

The Mirror Shaggy Clone charged right at us completely blind with homicidal rage and fury, but Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Colleen and Lincoln fired light magic at him and he got burned badly, then, Lincoln fired massive blasts of rainbow fire at The Mirror Shaggy clone, and he was really getting messed up, and Lincoln howled and summoned wolves which brutally attacked the Mirror Shaggy clone and he got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The Mirror Shaggy Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Mirror Shaggy Clone, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Elandra Explosion's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large red orbs orbiting around her legs, and massive red angel wings are permanent.

Elandra Explosion: Now, that was so awesome!

Lincoln: That's another clone of Mystery Inc's enemies down and more to go.

Suddenly, I got jumped on by Elandra Explosion and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes, and an In Heaven look on my face.

Me: (In Heaven) So… awesome.

I got back up.

Nico: That was one awesome battle.

Lincoln: We took down The Mirror Shaggy clone and I absorbed him, and we also used tons of wolf-themed attacks on him. (To Colleen Knudson) And it's so good to see you again, Colleen.

Colleen Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Colleen Knudson and he hugged her, and Colleen Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Colleen Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Colleen Knudson, God Sibling of Light Magic, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful light and holy magic powers and immense control over the forces of Light and Holy Magic and she knows all sorts of Holy and Light Magic spells. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, Carly, Beth, Natalie, Rachel, Carrie, Alicia, Aurora, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, Carly, Beth, Natalie, Carrie, Alicia, Rachel, Aurora, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Aurora, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Nebulonic Gas, Suns, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like us and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR YOU'RE GOING TO FACE THE WRATH OF THE GOD SIBLING OF LIGHT AND HOLY MAGIC!

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss her off, and now that you're here, Colleen.

Lincoln went up to and hugged Colleen Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Colleen Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Colleen Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Colleen Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Colleen Knudson.

Colleen Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: And Jim? You and Yan Lin did good yesterday.

Jim Lake: We sure did.

Me: That was awesome and cool.

Qin: Yeah.

Nico: Nice job Hitmonchan.

Hitmonchan: Thanks Nico.

Me: That was awesome.

Poromon: Want some beer?

Hitmonchan: No thanks. I only drink raw eggs.

Lynn: Welcome to the protein club.

Hitmonchan: And Poliwag those puppy eyes won't work on me.

Poliwag: Aw crud.

She-Hulk concentrated and groaned and she reverted back.

Xenia: Yeah!

Jen Walters: That was awesome.

She flexed her body to check if she was human again.

Jen Walters: Thank goodness. But that was awesome.

Xenia: It sure is.

Qin: Yeah.

POINK!

Jen Walters: OUCH!

Nico poked Jen's Shoulder to test if she was okay.

Nico: Sorry Jen. Just making sure you're okay.

Jen Walters: Oh. No worries.

She looked down at her leotard and it was on.

Jen Walters: Oh I need new clothes.

Maria: I got this.

She went and got her new black clothes.

Jen Walters: Thanks Maria.

Maria: Anytime.

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Awesome!

Nico: And now we wait.

Me: Yep.

Cozy Glow: This will be awesome.

Then Cozy Glow's cutie mark was glowing!

Qin: Whoa! Cozy Glow's Cutie Mark is glowing now.

Camie: Yeah!

Nico: I know what that means!

Me: Yep. Look!

We saw ANOTHER STAR CREATURE!

Me: Another Star Creature!

Scrappy: Lemme at em! Lemme at em! I'm gonna splat em!

Another Star Creature: (In a girls voice) (LAUGHS) Yeah you tell them!

Then she reverted back and it was a girl with aqua blue hair and she had orange eyes and pink clothes and had pink angel wings and and had a tiara with the symbol of Cozy Glow's cutie mark on it and the same symbol on her skirt and she had Cozy Glow's Tail and she had a pink sword.

Celine Cozy Glow: Celine Cozy Glow, Embodiment and Gene-slammer of Cozy Glow and her legacy.

WE GASPED!

Cozy Glow: Oh wow! You didn't do the horrible things I did right?

Celine Cozy Glow: Oh goodness! No way! I know all about what you did Cozy but I have too much heart. I know you lost your mom before and that lead you into madness. But I have too much heart.

Cozy Glow: That's a relief.

Qin: Yeah.

Me: Cozy went through hell because of the death of her mother. She died of cancer right on her birthday and it devastated her and she snapped.

Celine Cozy Glow: I know. That was awful.

Nico: Tell us more about yourself.

Celine Cozy Glow: Sure. I am a master of magic and I also am a mage of redemption. I can see good inside people's hearts overflowing with evil and I can pierce through their darkness and help them get back into the light.

Maria: Wow! That is cool! You would be perfect for helping out the Redemption Squad.

Celine Cozy Glow: I sure would.

Me: Did you see inside Swartz's heart to see if there were any redeeming qualities with him?

Celine Cozy Glow: No his light was gone. He was pure evil.

Me: Well it's good we gave him the black gates then.

Qin: Yep.

Nico: Anything else we should know about you?

Celine Cozy Glow: Well I play chess really well. Especially Wizards Chess.

Me: Cool! Wizards Chess is awesome.

Harry Potter: (British Accent) It sure is fun.

Xenia: Yep.

Nico: Anything similar to Star Creature.

Celine Cozy Glow: Oh and also I'm an astronomer and I love looking at the stars. They are awesome.

Nicole: The stars are always beautiful.

Star Creature: And I am a creature from the stars. That is awesome.

Celine Cozy Glow: It sure is.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Celine Cozy Glow: No he didn't because I teleported away.

Me: Nice.

Camie: Well Swartz is gone for good.

Qin: Yep.

Nico: Yep,

Celine Cozy Glow: I know.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Lincoln: Lets separate you first.

Lincoln did so.

Me: Awesome!

Nico: (Gets out Star Creature's ridewatch) This'll leave you seeing stars!

May: (Gets out Gus Gorilla's ridewatch) Time for the jungle power!

Maria: (Gets out Superfriends Grodd's Ridewatch) I can see into your mind!

Scrappy: (Gets out K-9's Ridewatch) This is from Mars!

They used the powers of Star Creature, K-9 (Looney Tunes), Gus Gorilla, Pizza Delivery Monster, Superfriends Grodd and Evil Jarrod (Jungle Fury) and blasted blasted the Another.!

Then Techno Pirate, Chaos Cozy Glow, Black Rainbow, Fortuneteller (Kingdom Hearts), Sköll and Universe 666 Cozy Glow came.

Nico: Nice team Techno Pirate!

Techno Pirate: Thanks Nico!

Nico: 2 Versions of Cozy Glow too!

Me: No kidding! 3 versions actually. The Prime universe with us and 2 on the M.O.E.

Qin: Yep.

Lola: Awesome huh.

Me: Yep.

Then a wave of water flew in and smashed the another down and I caught the ridewatch and purified it.

Me: WHOA! Awesome Maria!

Maria: Uh that wasn't me!

Luna: Wasn't me either!

Girl Jordan: Or me!

?: That was me!

Out came Launch Octopus!

Me: Whoa Launch Octopus!

Qin: Cool!

Launch Octopus: (In a girls voice) That was fun.

Nico: Lunch Octopus!? Whoa!

Qin: Sushi Master and Seafood Goddess Lunch! Awesome to see you.

Lunch Octopus: No kidding. Oh and I'm naked.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Lunch Octopus: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and she threw up and reverted back and was a girl with pink hair and pink eyes and had blue angel wings and had an ocean wave with an octopus on it.

Lunch Octopus: (Groans) That hurt. (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

They gave her awesome clothes and they were blue and pink clothes and she had a sword of sushi.

Lunch Octopus: Awesome clothes!

May: And I didn't get hit!

Manaphy: YAY!

Me: Yep. Wait your name is similar to Lunch. One of Master Goku's friends. She has a split personality that comes out when she sneezes.

Lunch Octopus: (LAUGHS) Yeah I know. And no I don't have a Split Personality

Goku: (LAUGHS) Well that is a relief. But that was a good adventure back then.

Nico: I heard all about that Kakarot. That's really cool.

Qin: Yeah.

Scrappy: Do you have any favorite memories of Nico?

Lunch Octopus: I sure do. One time I made this awesome sushi buffet for Nico and he ate it all and didn't leave me any.

Nico: (LAUGHS) Sorry about that. I just loved it all.

Lunch Octopus: That's okay.

Nico and Lunch hugged.

Nico: I've missed you.

Lunch Octopus: Same here.

We later went back home.

The emergency is at Himuro Mansion: we got word that Miu Hinasaki's mother, Miku Hinasaki, is heading back to the very place where she lost her only family, her older brother, Mafuyu Hinasaki. We also found out that the mastermind who was responsible for creating the clones of Mystery Inc's enemies has also broken The Holy Mirror, and The Calamity occurred once more as The Malice was let loose, and Kirie Himuro and Mafuyu Hinasaki escaped before they were affected by The Malice, and it also brought back the ghosts that Miku had sealed into her family's Camera Obscura. So, we're going to get The Holy Mirror back and use it to seal The Hell Gate and keep The Malice contained forever.

Nico: Hey, we're here in The Mutsu Region of Japan. Why are we here?

Lincoln: There's a reason why, Nico, we've got a huge emergency, and the source of the emergency is right here.

We then saw the very place the emergency is at: Himuro Mansion.

Me: (GASPS) Himuro Mansion from the first Fatal Frame?!

Lincoln: Yep, and I know what we're going to do here, not only am I going to rescue the five girls here, but the emergency is we got word that Miu Hinasaki's mother, Miku Hinasaki, is heading back to the very place where she lost her only family, her older brother, Mafuyu Hinasaki. We also found out that the mastermind who was responsible for creating the clones of Mystery Inc's enemies has also broken The Holy Mirror, and The Calamity occurred once more as The Malice was let loose, and Kirie Himuro and Mafuyu Hinasaki escaped before they were affected by The Malice, and it also brought back the ghosts that Miku had sealed into her family's Camera Obscura. So, we're going to get The Holy Mirror back and use it to seal The Hell Gate and keep The Malice contained forever.

Sunset Shimmer: So, we've got ourselves a huge task. Plus, I remembered from playing the first game that Miku had a really tragic life, her mother committed suicide due to the overexposure to The Camera Obscura, and her only family was her older brother, Mafuyu, and he was the only one whom Miku could open up to about her power to see the spirits of the dead. But, the story behind Himuro Mansion is very scary: for generations, The Himuro Family, the powerful landowning family who lived here for centuries performed a forbidden dark Shinto ritual every December 13th to seal The Hell Gate underneath the mansion using girls known as Rope Shrine Maidens picked out in another ritual called Demon Tag. Then, the girls, once they reach seventeen after being sealed off from the world for ten years, are then sacrificed in The Strangling Ritual, and their sacred spiritual blood is then used to drench the ropes used to tear her apart in and tied to secure the Gate.

Nico: (GULPS) Okay, now that's just dark.

Sunset Shimmer: Yep, but the ritual has gone uninterrupted for centuries. But, it wouldn't last for long, the last Rope Shrine Maiden, Kirie Himuro, fell in love with a man who was visiting the mansion. Fearing this tie to Earth would taint her blood and spirit, the Himuro Family Master ordered the man to be killed and they said to Kirie that he had to go home. But, one night, Kirie had a dream and saw the man again, but he had a sad look on his face and Kirie found out the priests lied to her, and stricken by guilt and regret, Kirie began to question her own ability to serve as the Rope Shrine Maiden. But, then, as the day of the ritual approached, all the members of the family gathered at the mansion, and even in her isolation, Kirie noticed the busy, lively atmosphere. On December 13th, 1837, Kirie purified herself in the Moon Well and was escorted by The Himuro Family Member and the other priests to the Rope Altar. Kirie was tied down by her hands, neck, and feet, and each of the priests turned the gears connected to the corresponding rope, strangling Kirie to death. Her blood soaked ropes were then taken and bound in front of the Hell Gate.

Nicole: But, due to her doubts, guilt, and wish to live, Kirie's ropes failed to bind the Hell Gate, and it swung open, shattering the Holy Mirror and releasing the Malice, which spread throughout the entire mansion causing The Calamity, and 1,347 people lost their lives, The Himuro Family Master went insane and killed those who survived and killed himself. Then, The Malice possessed Kirie's spirit, and she turned into a vengeful spirit who desired to make others suffer as she had: the pain of being torn apart while her child form that remained untainted tried to find a way to free the mansion of its curse and fulfill her duty.

Me: Damn.

Firecracker Burst: So, we're facing a repeat of what Miku went through.

Lincoln: Yep.

Suddenly, we saw a young girl walking to the entrance of the mansion: it was Miku Hinasaki, Miu's mother, but she was back to her seventeen-year-old self and wearing the outfit that she had when she first headed for the mansion: a long white shirt reaching the hem of her skirt and large buttoned cuffs on the sleeves with signature red ribbon and the back of the jacket is split and stitched together with thread, black choker on her neck, red sleeveless shirt, black skirt, black boots, and her grandmother's comb tying back her long hair.

Miu Hinasaki: M-Mother?

Miku Hinasaki: Miu.

Yuri Kozukata: Mrs. Hinasaki. But, what happened?

Lincoln: I know Miu told me all about her, but we didn't personally meet yet.

Me: Somehow, she's back to what she was when she went to the mansion the first time. Now, let's get going.

We went inside Himuro Mansion, and we were ready for a descent into darkness.

As soon as we got inside the mansion, it was literally dark and the air was thick with evil and darkness.

Lincoln: The air here is thick with evil.

Our 28th Century backpacks activated their flashlights and illuminated the dark confines of Himuro Mansion, and we walked through the mansion. Then, we headed into the Fireplace, and then, we felt a presence, and our flashlights shined on a young woman in a white kimono: that young girl was none other than Kirie Himuro who walked to us, and she had in her hands the Camera Obscura belonging to the Hinasaki family along with a piece of The Holy Mirror.

Miku Hinasaki: Kirie?

Kirie gave Miku her family's Camera Obscura.

Kirie Himuro: You must hurry and stop The Calamity.

Then, Kirie faded away.

Miu Hinasaki: Our family's Camera Obscura. But, how?

Sunset Shimmer: Your family's camera was destroyed when your mom confronted Kirie when she was possessed by The Malice, and inside it was the last piece of The Holy Mirror, which held the power to capture and purify the ghosts.

Lincoln: That's really incredible, and now that we have our own Camera Obscuras, we can take on more of the ghosts and seal them away.

We continued on through the mansion and we found out from Miku that during her time at the mansion, she'd uncovered its gruesome history with her family's camera and with it, she also uncovered its many secrets along with finding the notes belonging to her brother and the group of horror novelist Junsei Takamine who were killed by the curse of Kirie when she was possessed by The Malice. Suddenly, we encountered the ghosts of Koji Ogata, Takamine's editor, Tomoe Hirasaka, Takamine's assistant, and Junsei Takamine and one of the modern day victims of The Rope Curse, we used our Camera Obscuras on him and sealed their spirits away. Then, we continued onwards and confronted more of the ghosts that fell victim to The Malice and we sealed them away with our Camera Obscuras, and along the way, we found the remaining four pieces of The Holy Mirror and made it whole once more, and we uncovered Himuro Mansion's gruesome history and it was everything we were told about by Miku and Sunset Shimmer.

Lincoln: Now, we need to go after the very heart of The Calamity.

Miku Hinasaki: The Moon Shrine. We need to go there.

We headed outside to the Cherry Atrium, and then, we headed into the Moon Shrine and we went down a ladder that led to the Moon Well, and using Kirie's hairpin, we unlocked the door that led to the Hell Bridge, and then, we went in to The Rope Altar and through that, we went through The Baptism Path, and finally, we arrived at The Hell Gate.

Lincoln: There it is.

Suddenly, we saw a very beautiful and super sexy girl with long black hair and red headband, red eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a red frilly short-sleeved shirt, white cravat, necklace with red gem for the pendant, red skirt, black lace stockings, black coat, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, moonlight, darkness, dark magic, black magic, Satanic Magic, vampires, phoenixes, and angels on the coattails and on the back is the Castle of The Vampires and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tips for the pommel, and with her are the five girls.

Lincoln: (GASPS) Veronica Vampirica, Vampire Queen of Denver, Colorado.

Veronica Vampirica: That's right, and I got the girls away from the heart of The Calamity.

Suddenly, we saw Miku's brother, Mafuyu Hinasaki and Kirie Himuro.

Miku Hinasaki: Mafuyu.

But, then, we felt a very dark presence, and we turned around to see a young man dressed in the same clothes as Mathias Ravenclaw and wielding the same staff as him: but his clothes and staff had a Slytherin theme to them.

Mathias Ravenclaw: Alecto Slytherin.

Lincoln: You know him?

Renee Ravenclaw: We do and so does Selene, that's her older brother, although, she and Alecto have a falling out. While Selene isn't like Salazar Slytherin, her brother unfortunately is.

Me: So, he's also like Salazar Slytherin, Voldemort, and The Death Eaters in every way, what scum.

Suddenly, we saw a dark presence around Alecto Slytherin: it was The Malice, appearing as a throng of ghostly bodies congealed into one.

Alecto Slytherin: I'll make you feel the pain of being torn apart.

We got out our Camera Obscuras and we proceeded to fire Fatal Frame Shots with the unlimited numbers of Type-90 and Type-ZERO Film and they badly damaged the Malice-Possessed Alecto

Slytherin, and then, we used The Holy Mirror and placed it back into the rock near the Hell Gate, and then, The Holy Mirror shined and fired a purifying light that hit The Malice-Possessed Alecto Slytherin and freed him of The Malice, but it also brought Mafuyu Hinasaki back to life and separated Kirie's lover from him, and it turns out he was possessing Mafuyu the whole time.

Miku Hinasaki: Mafuyu.

Mafuyu Hinasaki: I'm so sorry for leaving you alone, Miku. But, now I know why: I was possessed by Kirie's Lover, he was the one who wanted to stay with Kirie, not me.

Miku hugged Mafuyu and cried.

Miu Hinasaki: Mother…

Then, Kirie walked up to the gate and closed it for good.

Kirie Himuro: It was thanks to you all that I can finally seal The Gate once more and keep it closed for good.

Then, Kirie bound the ropes to her arms and hoisted herself up. Suddenly, we felt the ground quaking and The Gate tried to swing open, but Kirie was holding it back.

Kirie Himuro: Leave this gate to me. The rest of you, hurry and escape.

Miu Hinasaki: But, what about you?

Kirie Himuro: Just as I told your mother, I have to stop The Calamity, or else it will happen again. Don't worry about me, you must go.

Suddenly, we felt the place shaking like crazy.

Miku Hinasaki: We must hurry and leave here.

Kirie's Lover now separated from Mafuyu decided to stay with Kirie to remain by her side.

Mathias Ravenclaw: You're right. (Grabs Alecto Slytherin by his collar) Come on, you, we're not done with you yet!

Lincoln teleported all of us out of here leaving Kirie Himuro and her lover at The Hell Gate as the place caved in. Then, we were outside of Himuro Mansion and Mathias Ravenclaw tossed Alecto Slytherin onto the ground, as he got back up and now was enraged.

Alecto Slytherin: You damn fools! I will never ever forgive you for what you all did to my ancestor, Salazar Slytherin! If those stupid clones hadn't failed, I would've finally gotten my revenge!

We gasped.

Sylvester: So, you were the one who sent those clones at us! You know what, your ancestor along with those Death Eaters got what they deserved.

Veronica Vampirica: You too, Lincoln, it's been seven years since we last met, and it's also good to see you, your sisters, and your parents again, J.D.

Me: You too, Veronica.

Suddenly, Lincoln was pounced on by Veronica Vampirica who proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Veronica Vampirica was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he got up.

Veronica Vampirica: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Veronica Vampirica and he hugged her, and Veronica Vampirica is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit

Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Veronica Vampirica: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know this vampire?

Lincoln: Indeed I do, Eli, this is Veronica Vampirica, Vampire Queen of Denver, Colorado and one of the Legendary Monster Monarchs, she's my Guardian Angel from Colorado and she's an extremely powerful vampire dark angel and queen of a massive vampire clan from Denver, Colorado. She's also feared by rival vampire clans because she'd destroyed them long ago seven years ago. Unlike regular vampires, Veronica was born with incredible powers over darkness, superhuman abilities, superhuman senses, and superhuman strength along with the powers, abilities, and superhuman strength of the vampires, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first vampire queen of her massive vampire clan, and she'd destroyed the vampire clans who menaced her clan. Then, she'd moved to Royal Woods and it's where she met me, and she'd discovered my secret: that I'm a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with me, and she was also reunited with her childhood best friends, Adriana Ardelean Dracula and Ramona Alucard, along with the other vampire Guardian Angels. She also fiercely defended me from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as we were out at Lake Huron on a moonlit night on a date to show my thanks to Veronica for always defending me from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, Lori, Lynn, Lola, Lisa, and Luan tried to kill them, but those five were no match for us and we pulverized those five and wedgied them by their panties on a tree branch in front of the house, and after that, we shared a deep romantic kiss underneath a red moon, and as a result, I promised that when I come of age, I will marry her along with the rest of my harem.

Me: Whoa, so that was you two who did that to Lori, Lynn, Lola, Lisa, and Luan. Man, did they make the huge mistake messing with you two.

Nico: Damn, messing with two powerful vampires like you guys, that's basically like toying with death.

Veronica Vampirica: As brutal as you say it is, I believe you're right about that.

Lincoln: He's right though, messing with powerful vampires like us is basically warranting a death sentence, and now that you're here, Veronica.

Lincoln went up to and hugged Veronica Vampirica in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Veronica Vampirica: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Veronica Vampirica with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Veronica Vampirica: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Veronica Vampirica, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Veronica Vampirica's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Veronica Vampirica had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Asuna Mukouzaka, Hitomi Izumiya, Minori Shinguuji, Miyane Hiiragi, and Momiji Yuuki from Henshin a la Maid.

Lincoln: Oh wow, it's Asuna Mukouzaka, Hitomi Izumiya, Minori Shinguuji, Miyane Hiiragi, and Momiji Yuuki from Henshin a la Maid.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Asuna Mukouzaka: Yes, we're okay, thanks to you.

Then, when Asuna Mukouzaka and the other four girls saw who it was that saved them from Alecto Slytherin, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty

Asuna Mukouzaka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Asuna Mukouzaka: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Asuna Mukouzaka, Hitomi Izumiya, Minori Shinguuji, Miyane Hiiragi, and Momiji Yuuki with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate as a door appeared and we went through it and came back home and we told everyone what happened, and they were horrified about our battle at Himuro Mansion. But, they were also shocked that the villain we went after was Alecto Slytherin, Selene Slytherin's former older brother who was just like his hated ancestor, Salazar Slytherin, Voldemort and The Death Eaters in every way, and that he's also the very person responsible for creating the clones of Mystery Inc's enemies and causing the emergency at Himuro Mansion, because he wanted revenge against us for sending his hated ancestor, Salazar Slytherin, along with Voldemort and The Death Eaters and those who conspired to weaken Hogwarts to The Black Gates.

But, when Lincoln showed what happened with us breaking the curse and us beating down Alecto Slytherin and Mathias Ravenclaw freezing him and Lincoln destroying him and that sent him to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Veronica Vampirica have a lot of catching up to do, now that she's back in town. Plus, Miku Hinasaki has been reunited with her now alive brother, Mafuyu Hinasaki, and we'll be giving her the much needed therapy she needs after what she'd been through.

Maria: Oh shit, I can't believe it! So, it was Selene's ex-older brother who made those clones of Mystery Inc's enemies and caused that whole emergency at Himuro Mansion.

Lincoln: Yep.

Me: That guy was such a monster.

Nico: Now, we know why Selene hated him as much as her ancestor and those who followed his racist ideology, but we're rid of him forever.

---

After we helped Miku Hinasaki at Himuro Mansion and ended Alecto Slytherin for what he did in creating the clones of Mystery Inc's enemies and causing the emergency at Himuro Mansion, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Veronica Vampirica saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Veronica Vampirica: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Veronica, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Veronica Vampirica: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Veronica Vampirica: I knew it was only a matter of time before he told everyone that story.

Winona Adolpha: I was also stunned at how much Lincoln evolved and changed in only seven years thanks to the constant bodybuilding and working out along with the combination of the diet plan we gave him, along with his own hyperpuberty and genes, now he's become the kind of man any woman would marry.

Me: I was really proud of him and so were the rest of us.

Veronica Vampirica: And our clans are still here in the forests in the city, but they've kept an eye on many of the criminals to make sure they're not causing any trouble.

Nico: We've been dealing with Flip's musclebound thugs, and Lincoln and the rest of the male members of the team have been draining them dry of their muscle mass, virility, strength, and blood.

Winona Adolpha: And Lincoln put the Min's Virility Drain Curse on those two meatheads, Stan and Steak Stankco, and that's been his most potent of curses.

Lincoln: Yeah, and like I said, it'll be on them for eternity. All the broccoli they've been eating and hard labor they're forced to do builds them back up in muscle mass, virility, and upper body strength, and then, the curse sucks all that away from them and gives it to me and the rest of the male members of the team.

Veronica Vampirica: Whoa.

Winona Adolpha: I was stunned myself that Lincoln created a potent curse like that, but that still is incredible.

Lincoln: And I've come up with tons of other curses on my spare time as well, and they are just as powerful as the others. Watch this.

Lincoln fired rainbow energy blasts that hit the jerks at Lynn's Table and tons of gold, jewels, gems, and other currencies exploded out of them.

Veronica Vampirica: Whoa, what was that?!

Veronica Kieron: That's Lincoln's Gessius Flores' Vengeance Curse, this curse once inflicted on the jerks will cause tons of gold, jewels, gems, and other currencies to explode out of them. We do this whenever we have our humiliation sessions on them.

Lincoln: Which we should do for Halloween that's coming up, along with Thanksgiving, and the Winter Solstice.

Me: Yep, you got that right.

Lincoln then lifted a massive twenty-five ton anvil and threw it through a portal and it landed on Flip's head and squashed him like a pancake and tons of gold, jewels, gems, and other currencies exploded out of him as he cursed and ranted like crazy, and we laughed our heads off.

Nico: That should serve him right!

Veronica Vampirica: That was really awesome and hilarious!

We got a shower afterwards, and then, Lincoln, Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A. Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015) are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories,

and he had his weapons holstered in case of trouble.

And Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A. Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015) are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A. Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Brunnya: Wow, so this is Sirena Beach. It sure is beautiful.

Lincoln: It sure is, Brunnya, and it's perfect for our first date. Shall we?

Lincoln, Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A. Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015) dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A. Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A. Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015) and they hugged the girls in their abnormally massive and powerful muscular arms and Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A. Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015) placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A. Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015) as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A. Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015) with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A. Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015) are in your harem, Linky.

Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A. Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015) showed the marks Lincoln made on the right sides of their necks.

Celica: That's so amazing, now Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A.

Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015) have joined Lincoln's harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Brunnya, Ishtar, Clarisse, Universe 666 Ursula (Fire Emblem), Selena, Universe 666 Carol Ferris A.K.A. Star Sapphire (Super Hero Girls 2019), Wendy O. Koopa, Energon Arcee, Jinx, and Mari McCabe (DC Super Hero Girls 2015), now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Flash Back Galaxy is next.

Me: Whoa! That one is going to be dark!

Nicole: Yeah! You may need someone that knows all about light to go with you.

Luan: I'll go with just in case.

Nico: Okay.

Jessica Shannon: Me and Ant Man will go with.

Nico: Okay.

They went into the simulator and it activated it and they were at FLASH BACK GALAXY! It was pitch black darkness and they couldn't see ANYTHING in front of them.

Nico: Whoa!

Jessica Shannon: GEEZ! I can't see a thing!

Ant Man: It sure is dark!

Nico: Any tips Nicole?

Nicole: (On the radio) Well there is a light source there but it goes off every 5 seconds. Watch.

For a fraction of a second the galaxy lit up.

Then it vanished.

Nico: Oh I see!

Nicole: Yep and it does that every 5 seconds. You got to get to the star at the end in the maze.

They saw the star in the maze.

Nico: Oh I see it there.

Luan: This is gonna be a challenge. But this will be illuminating.

Nico: Yep.

Luan: I'll make a light.

She formed a ball of light and threw it and then it illuminated the entire galaxy.

Nico: WHOA! Nice!

Me: That's one way to LIGHT UP the skies! (LAUGHS)

We all laughed!

Nico: (LAUGHS) That was funny!

Luan: Everyone, stay close to me!

Nico: Right?

?: We'll help out!

2 figures came! 1 was a girl with blue hair, blue eyes, blue clothes and blue angel wings and she had the symbol of the blue power rangers lightning bolt in the middle of her forehead and she had a blue sword in her hands. The second figure had red hair, red eyes, orange clothes and had fire angel wings and a tiara with the symbol of Flame Man on it.

Aoi Takahara: Aoi Takahara, Embodiment of Forever Blue and all of the Blue Rangers over the last 47+ Years.

Fira Flame: Fira Flame, Embodiment of Flame Man.

Ant Man: Wow! Fira! Awesome to see you again!

Jessica Shannon: Same here!

Fira Flame: Awesome to see you again Scott and you too Jessica. Its been a while.

Nico: We can talk more later. Lets get the star.

Jessica Shannon: Wasp, D SMASH!

She summoned DISK WARS WASP!

Disk Wars Wasp: I'm ready for the sting!

Nico: Lets go!

They were off!

Nico: Remember everyone, stay close.

They did so. They got to the maze and then goombas came!

Luan: Goombas!

Luan fired waves of light and blasted the Goombas.

Nico: Yeah!

Jessica and Wasp blasted them.

Nico: (gets out Star Creature and Bradford Buzzard's Ridewatches) Time for stars and feathers!

Nico activated them and fired waves of stars and feathers and smashed the goombas.

They flew up the maze and then Aoi and Fira fired waves of fire and energy and blasted the Goombas. Then Ant Man blasted Goombas all over.

Then they got the star!

YOU GOT A STAR!

Nico: YEAH!

Luan: That was awesome!

Aoi Takahara: Yeah!

They all high five!

Nico: How did you meet Jessica and Ant Man?

Fira Flame: I met Jessica when I was working on new fashions. I'm a fashion designer.

Jessica Shannon: That's right.

Fira Flame: Yep and I met Ant Man when I was helping him take down Yellowjacket.

Nico: Nice!

Ant Man: That was awesome!

Nico: Nice.

Aoi Takahara: It sure is and as you know I am the embodiment of Forever Blue. Long story.

Nico: I see. Would you two like to join the team?

Aoi Takahara: We would be honored.

They left the simulator and we cheered wildly for them.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Pipp Petals: What are the mascots doing?

Me: Oh they are practicing acting.

Poromon was dressed in an awesome Hamlet costume.

Poromon: (British Accent) Too be, or not to be? That is the Question.

Rarity: Oh, that's a nice costume. But what about the others?

Poromon: Oh thanks Rarity. Got to look good for the character.

Manaphy: That's right.

Manaphy was dressed up like Juliet from Romeo and Juliet.

Manaphy: Romeo, Romeo, where for are thou Romeo?

Poliwag: (Dressed up like Romeo) Here my love. At the bottom in the bushes.

Me: Wow.

Poliwag: My bounty is as boundless as the sea, My love as deep; the more I give to thee, The more I have, for both are infinite. Don't waste your love on somebody, who doesn't value it.

Qin: Wow.

Scootaloo: That was cool.

Media the Medusa: (BAWLING HYSTERICALLY) THAT IS SO BEAUTIFUL!

Mindwipe: Where's Horsea?

Horsea: I'm here.

She was dressed up like Richard III.

Me: Richard III. That was a good one.

Horsea: My conscience hath a thousand several tongues, And every tongue brings in a several tale, And every tale condemns me for a villain.

Me: Wow.

Camie: It sure is cool.

Cosmos: Wait. Who's giving them these lessons?

Nico: Me.

Me: That is awesome.

Lincoln: I was helping them too.

Laney: Same with me. Shakespeare's plays are my specialty.

Nico: Yep.

Grim: (Jamaican Accent) Oh and I'm the skull mon. I did this before with Mandy's costume as Hamlet.

Mandy: It's true.

Qin: Very clever.

Camie: That is cool.

Poromon: We also did Wizard of Oz.

Manaphy: Yeah that was awesome.

They showed us a video and we saw the mascots melting a clone of the Witch.

Nico: That is awesome!

Camie: Cool!

Varie: Yeah!

Power Girl: Nico, who gets to shine today?

Nico: You'll like the answer. Nerissa and Legion Superman.

Power Girl: Awesome!

Xenia: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of Bigwig, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of Bigwig, and he's causing havoc.

We gasped.

Me: Now, we got a clone of Bigwig?! Oh boy.

Nico: We're gonna need shears for this monster.

Suddenly, the gems on our 28th Century Futuristic Miracle Box Backpacks glowed and we also have 28th Century razor sharp swords and shears.

Eli: Alright.

Lincoln: Looks like our 28th Century Futuristic Miracle Box Backpacks are also capable of creating 28th Century weapons and adding them to our arsenal, this is awesome.

Me: Just like what we saw with our new 28th Century futuristic silver thermo-EX Environment suits equipped with fire weapons and wrist-mounted flamethrowers.

Nico: That really is awesome, our 28th Century Futuristic Miracle Box Backpacks are also capable of creating suits and weapons in response to the situation at hand. Alright, gang, let's get going and take down that clone of Bigwig.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

Me: That is for sure!

The previous group came

Absorbing Man: Can me, Steam Smythe, Eccentro, Beautiful Gorgeous, Atomic Skull, Griffin, Hydrax, Black Manta, Tri-Klops and Kangor go with you guys?

Nico: Yes you guys can come with.

Camie: Awesome!

Sunstorm: Nico, which Gene Slammer do you think you'll meet next?

Nico: Armord Armadillo next.

Qin: Ooh! Tough and powerful.

Xenia: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Karasu, who's come back from the dead to get revenge on us for destroying him. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure that we saw is none other than our old enemy, Karasu, who's come back from the dead to get revenge on us for destroying him.

We gasped.

Nico: Oh shit, we hadn't seen Karasu ever since we destroyed him at the Tournament in The Demon World years ago.

Kurama: So, Karasu's come back, has he? I knew that not even death can stop him.

Maria Tredwell: Leave him to me and Lincoln, Kurama. We'll make sure Karasu dies here and now.

Lincoln: That we will, Maria.

Nico: Karasu has some nerve coming back, but we'll make sure he never returns.. Alright, gang, let's go, we're heading out to destroy that clone of Bigwig.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Karasu.

Maria Tredwell: The suffering and havoc you've caused throughout can never be forgiven, Karasu, and for everything that you've done, you will suffer the consequences for your crimes.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of Bigwig so that Lincoln can absorb him, and once we got done with him, Lincoln and Maria Tredwell are going to destroy Karasu.

We were off to Daphne's arcade in the middle of town.

* * *

We were walking and then we arrived.

Eccentro: This is the place, right?

Me: Yep.

We arrived at Daphne's arcade and it was also Gus's Games N Grub and Crusty's Restaurant together!

Qin: Wow!

Lincoln: Awesome! It's Gus's Games N Grub and Crusty's Restaurant together!

Sakura Knudson: Boy that is awesome!

We went in and saw Scooby Doo playing TONS of games!

Princess Rose: However did it get like this?!

Clyde: Oh Gus and Daphne's dad decided to partner up and make the Arcade and restaurants and awesome place for everyone.

Princess Rose: That is amazing y'all.

Qin: It sure is.

Nicole: Look at Scooby Doo.

We saw him playing 3 games at once and he beat them all and it was awesome!

Me: Wow! Way to go Scooby!

Scooby Doo: Aw it was nothing.

Atomic Skull: How did you play 3 games at once?

Scooby Doo: I've been doing that for years. I use my hands and tail.

Nicole: Scooby did the same method I did that got me my title as goddess of video games.

Nico: Wow!

Xenia: That is cool!

Me: It sure is.

Nico: Yeah.

?: AHA!

We saw Chrissy!

Chrissy: I had a feeling you would be here J.D. Knudson and Sakura!

Me: Chrissy! Its been a while.

Sakura Knudson: Haven't seen you in a long time.

Chrissy: I know! And I quit coming in here because of that cheating puppy!

Shaggy: Like Scooby doesn't cheat Chrissy!

Me: You're still steamed at Scooby for beating you? Jeez!

Nico: You know her?

Me: Chrissy was a regular here at the arcade. But Scooby was really dominaing the place and Chrissy hates it now because Scooby is better at video games than her. She hates it with a vengeance.

Nico: Geez! What a sore loser.

Qin: Yeah.

Daphne: She's just mad because Scooby beats her.

Me: Yeah.

Chomp Chest:… you want me to chomp your ass?

Me: Chomp Chest no. Besides you'll see why she hates it.

Chrissy: That's right. Watch this.

She went to a game and played it and destroyed the machine by getting the top score.

Chrissy: Scooby's history!

Shaggy: (LAUGHS) Like I don't think so. Look.

Scooby was playing a game with his tail while sitting in a lounge chair with sunglasses and drinking punch. He got the Triple Top Score and the game melted into nothing.

Scooby Doo: How's that? (LAUGHS)

Nicole: Watch this though.

Nicole, Lily and Nicole's students were playing all sorts of games and they got the 10 times top scores and the games were vaporized into dust Thanos Style.

Nicole: Ha! How's that for some fun.

Chrissy was REALLY PISSED!

Chrissy: (ENRAGED SCREAMING) OOH! I HATE EVERYTHING ABOUT THIS PLACE!

Hydrax punched the wall.

Hydrax: See the crack in that? It's gonna be your skull if you don't back the fuck off!

Me: Hydrax stand down! She's just a kid. She's not worth it.

Chrissy left.

Me: Good.

Fred Jones: Man when it comes to playing video games we got a bunch of unstoppable champions.

Me: You got that right.

Scooby Doo: That's right. No game can beat me.

Nicole: Never underestimate the Goddess of Video Gaming.

Daphne Blake: That is for sure.

Me: We got big problems guys. A Clone of Bigwig is here.

Shaggy: ZOINKS! NOT BIGWIG!

Brawlrus: We'll need a razor claw to trim it.

Me: Yep.

Camie: Who is Bigwig really?

Me: He was really Crusty Baker. He was the owner of Crusty's restaurant. But he made REALLY LOUSY food. He made breadsticks from REAL sticks.

Lola: Yuck!

Me: Yeah and he served uncooked Spaghetti.

Nico: That is gross.

Me: Yep. He dressed up as Bigwig to close down the arcade because he thought everyone and everything here made too much noise.

Toad Man: He's probably locked up for good.

Me: Yep he is. He was sentenced to 25 years in prison. But He actually liked prison so much that he didn't want to leave because he feared he would do this again. So he completely institutionalized himself permanently.

Nico: Boy I don't blame him.

Tri-Klops: Is he behaving himself?

Me: Yeah he is.

Qin: Wow.

Camie: Yeah.

Disk Wars Deadpool: We should probably look for any signs of Wigboy

Me: One sign that he does leave behind is a trail of yellow hair.

Nico: Like that?

We saw a trail of hair.

Camie: Boy he is a nasty shedding monster.

Qin: Yeah.

Black Manta: Talk about a bad hair day.

Shaggy: Like you want to follow it and see if we can face the monster.

Me: That's right!

Nico: Lets go!

Scooby Doo: Blabbermouth!

Erica grabbed Scooby and Shaggy and lifted them and we followed the hair.

Inque: It's like the opposite of Rapunzel.

Rapunzel: That is for sure there.

Qin: Yep.

Griffin: I'll follow from the air.

Nico: Okay.

We followed the hair.

Stranglehold: Everyone stay close.

We were looking around as we followed the hair.

Beautiful Gorgeous: He shouldn't be too far now.

We heard a scream and a roar!

Daphne: That sounded like Derwood O'McDigitson.

Me: Oh boy not him.

Nico: Who is he?

Me: A nerdy kid that made extremely boring video games. He wanted Daphne to buy them but she always turned him down.

Juran: Do you recommend we buy them?

Daphne: I wouldn't. His games are really pathetic.

Sakura Knudson: It's true.

Me: Yeah. But lets go see what that roar is about.

We arrived at the park and saw BIGWIG CHASING DERWOOD!

Kevin Levin: Entrance time!

Nico: Lets go!

We went at him!

Derwood screamed and then the spirits of barbershops came and swirled around him and then converged and then numerous barbershop zombies came out and they were really ready to snip him down to size! Then they merged and turned into a barber pole and then it popped open and out came us!

Me: OH SOLE MIO!

Nico: Nice!

Me: Time to snip you up!

Bigwig Clone: (Laughs) You'll never cut me down to size!

Me: Oh yeah? (SPINS MAGISWORD BRACELET)

ELECTRIC RAZOR MAGISWORD!

Me: Been a long time Derwood.

Derwood: It has been a while J.D.

Me: Yep.

Derwood: After this, wanna buy my video games?

Steam Smythe: When this is over, we need to discuss how you can make better ones.

Me: I agree Derwood. You need to make your games exciting.

Poromon: You can start by including more weapons and beer. And maybe a few sexual content.

Nico: Yeah!

Derwood: Lets talk about that later after you defeat Bigwood!

Camie: Right!

Bigwig Clone: Bring it on!

Heckyl: I got a new trick I want to try. UNLEASH THE POWER!

He turned into his DARK SPINOSAURUS RANGER FORM!

Qin: Awesome!

Heckyl: Yep.

Me: I remember that form! Awesome!

Qin: Yeah!

Nico: It's actually called the Talon Ranger. That is cool.

Nerissa and Legion Superman charged at him and bashed him down.

Nerissa fired a wave of lightning and Legion Superman fired laser vision blasts and they hit the clone and blasted him.

Camie: And take this!

She fired a wave of Aurora energy and blasted hum.

Varie: Yeah!

Poromon shook a bottle of beer!

Then…

POP!

He fired beer and drenched the clone!

Camie: YEAH!

Varie: Take that!

Manaphy got on a slingshot.

She fired a blasted the clone all over.

Qin: YEAH!

Then Saix, Swordsman, Red X, Johnny 13, Trumbipular, Vanitas, Samon, Shade, Ebon and Loki came.

Nico: Saix, Swordsman, Red X, Johnny 13, Trumbipular, Vanitas, Samon, Shade, Ebon and Loki.

Saix: Geez. That's a lot of hair.

Swordsman: I could probably trim all that.

Red X: You probably could.

Me: I agree.

Johnny 13: (to Nico) We heard you fought a clone of Mirror Shaggy.

Nico: We sure did.

Trumbipular: (to She Hulk) You should take care of Mega Hitmonchan.

She-Hulk: I will.

Thieftron came.

Me: Up for another round Thieftron?

Thieftron: I sure am.

Me: Nice.

Thieftron: Nice job with those video games, Scooby.

Scooby Doo: Aww it was nothing.

Me: That was awesome.

Nico: It sure was! Lets get it on!

Me: COME ON YOU APES! YOU WANT TO LIVE FOREVER!

We got the battles underway

They laughed!

Suzie Remmington: But ALL those pizzas were good! And we were surprised ourselves to learn that Duke Angus is a pizza chef too. He made Haggis Pizza. It might have been gross but Lucille and Lana loved it.

Lincoln: Take this!

Lincoln punched the clone of Bigwig super hard in the stomach and sent him flying into a wall that cracked and fell apart and he fell flat on his back. Then, Lincoln got out his 28th Century shears and he shredded the Bigwig Clone as hair was falling off the Bigwig clone like crazy.

BUZZSAW NOISES!

Then, when Lincoln was done, the Bigwig Clone was absolutely hairless and he let out a shriek of horror and we were laughing hysterically.

Nicole: Sheesh, you rendered him completely bald, Lincoln! Those 28th Century shears are powerful and fast!

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Bigwig clone's chest, and then, Lincoln began absorbing The Bigwig clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of the Bigwig clone, and he banished The Bigwig clone to The Black Gates.

Nico: Good riddance to that walking bad hair day.

Lincoln: Yeah, he deserves it big time. Now, there's one last thing to do and one last loose end to tie up: Karasu.

Lincoln formed a massive indestructible diamond barrier that protected all of us from bombs that came from nowhere and hit the barrier, but it stood strong as the bombs hit and exploded.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Karasu, or we will force you out.

A figure came out and it was our old enemy, Karasu.

Me and Nico: Karasu.

Maria Tredwell: Should've known you'd show up, and now, it's time for you to die.

Lincoln: Without a doubt, we all know and saw what happens to those who cross The Good Avatars of The Earthbound Immortals, it never ends well, and now, Karasu is about to learn that lesson the hard way.

Then, Lincoln and Maria Tredwell attacked him with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Maria Tredwell also did the same by firing black and green energy slashes from her massive greatsword, and he and Maria Tredwell attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this was making Karasu even more angrier than ever.

Karasu: YOU! YOU! (ROARS)

Karasu went after Lincoln and Maria Tredwell in a fit of insane rage, but Lincoln and Maria Tredwell fired rainbow and black and green energy blasts at Karasu and they summoned dark dragons and lizards to attack Karasu and he was really scarred by their furious attack. Then, Lincoln punched him hard in the face as he crashed back first into a wall and landed on the ground on his back.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Karasu's chest, and then, Lincoln began absorbing Karasu into his body as he and all of us assimilated all of his powers, strength, and superhuman abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Karasu except for his clothes, and he banished Karasu to The Black Gates. We cheered wildly for what Maria Tredwell and Lincoln did as they holstered their massive greatswords on their backs and powered down and Maria Tredwell's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, large twelve black and green orbs orbiting around her legs, and massive black and green angel wings are permanent.

Maria Tredwell: Your days of causing havoc on humans and demons are over. Thanks for helping me destroy Karasu for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Maria.

Suddenly, Maria Tredwell wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Maria Tredwell's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Earthbound Immortal Ccarayhua and the Reptilianne Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and green fire behind them and we cheered wildly. Then, Lincoln and Maria Tredwell sucked in and absorbed the elemental forces and water and darkness and green fire and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage on that asshole.

Lincoln: Karasu hasn't changed any of his tactics from long ago.

Nico: He sure hasn't, but you did it, you and Maria both defeated him and you absorbed him, Lincoln, and you and all of us assimilated his powers, strength, and abilities.

Me: You got that right. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person and perfect for Halloween: Sara Bastet.

Selene Arcangela: (GASPS) The Mummy Queen of Colorado?! Oh man, that is so awesome and very perfect.

Me: And I remember seeing Veronica, and you guys are going to love meeting her, Sara Bastet is Lincoln's Guardian Angel from Colorado and she's an extremely powerful mummy dark angel and queen of a massive vampire clan from Denver, Colorado. She's also feared for destroying a massive army of undead mummies brought to life by a necromancer in Egypt seven years ago. Unlike regular mummies, Sara was born with incredible powers over darkness, superhuman abilities, superhuman senses, and superhuman strength along with the powers, abilities, and superhuman strength of the mummies, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first mummy queen of her massive mummy clan, and she destroyed the necromancers who menaced her clan. Then, she'd moved to Royal Woods and it's where she met Lincoln, and she'd discovered his secret: that he was a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with him, and she was also reunited with her childhood best friends, Dina Mabrouk. She also fiercely defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as Lincoln and Sara were out at Lake Huron on a moonlit night on a date to show his thanks to Sara for always defending him from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Chandler showed up along with Artie and Trent and tried to kill them, but those three were no match for them and they pulverized those three and wedgied them by their underwear on a tree branch in front of the police station, and after that, Lincoln and Sara shared a deep romantic kiss underneath the full moon, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem.

Nico: WHOA!

Lincoln: Yep, she's an awesome force of mummy justice and hope.

Luna: Plus, there are also other Legendary Halloween Monster Monarchs for Vampires, Mummies, Demons, Ghosts, Zombies, Goblins, Trolls, and Frankenstein.

Nico: Way awesome.

Vanitas: This was one hairy adventure.

Samon: At least none of it got on us.

Me: Yeah.

Shade: You're right about that.

Ebon: (to Derwood) Now, let's start helping you make better video games.

Loki: Starting by adding by more weapons.

Poromon: And beer!

Nico: And all that. But great job today everyone.

Luan: What a HAIR-RAISING battle! (LAUGHS) Get it?

We laughed!

Eddy: (LAUGHS) Good one Luan!

Nico: Yeah!

Rainbow Dash: (To the viewers) That was so awesome.

Me: It sure was.

We later went back home and enjoyed the rest of the day and went to sleep. Derwood made his games better than ever.

THE END

Me: This will be awesome to see what the Xaikora prison is like.

Orla Orthros: You guys are in for a really amazing treat when you see it.

Xenia: We can't wait.

Camie: Yeah this is gonna be so fun and cool.

Nico: Yep.

Cozy Glow: And I'm excited to see this prison.

Diamond Tiara: Me too. Boy it's good that I redeemed myself otherwise I would have wound up there myself.

Silver Spoon: Me too! That was nuts.

Orla Orthros: It's good you girls did. We're proud of you.

Nico: Yep. Cozy Glow, I want to thank you, Techno Pirate, and your teams for coming.

Cozy Glow: It's no problem Nico. I'm really excited for this.

Qin: We're glad you are.

Nico: Anita, what do you like to do in your free time?

Princess Anita: I like to be a kindergarten teacher and I help Ms. Shrinivas show the kids what my home kingdom is like.

Lisa Loud: Her lessons on her home kingdom are quite interesting and me and Darcy find all of them amazing.

Nico: Wow. That is really interesting.

Sakura Knudson: That is so cool Anita. I'm glad you are willing to teach the kids about what your people are like and more.

Princess Anita: I am too Sakura.

Me: That is really cool.

Qin: I'll say.

Nico: Do the mascots attend your classes?

Princess Anita: Yes they do.

Poromon: It's so fun. And don't worry we learned our lessons before.

Me: Good.

Xenia: We're glad.

Varie: Yeah.

Me: Man that clone of Bigwig was a really HAIRY one.

Nico: No kidding! (SCRATCHING BACK) Oooh! I think I have some hair on my back.

May lifted up his shirt and used a lint roller on him and got it off.

May: There.

Nico: Thanks May.

May: No problem. Anyone else?

Me: Nope I'm good.

Camie: Me too.

Eli: Same here.

Nunnally: Me too.

Me: I guess some of Bigwig's hair got on us as we were fighting him.

Varie: Yeah.

Nico: Yeah. But it was still a fun battle.

Me: I was amazed how Daphne's awesome arcade, Crusty's restaurant and Gus's Games and Grub was now merged into one.

Nico: Me too! That was so cool!

Lola: It sure was.

Maria: I hope Crissy doesn't show up again.

Me: Me neither. Man that girl has a ton of problems.

Lynn: No kidding! And I thought I was a terrible sport.

Nico: I know.

Nicole: She completely underestimated the powers of Scooby the Video Game champion and me the Goddess of video gaming.

Lily: And her awesome students too.

Me: (LAUGHS) That is for sure.

Sakura Knudson: Maybe she can find a better arcade where she can be happy and content with her own games.

Shaggy: Like that's a good idea Sakura.

Nico: How are things with Derwood's games?

Nicole: We made them better than ever. Lincoln is playing one now. It's called The HARDAC Blasters. It's based on our battle with HARDAC that got us really hurt.

Lincoln was really raking in the points on it!

Wreck It Ralph: Wow! Go Lincoln!

Lincoln was really doing great and he battled Robot versions of Jim Gordan, Mayor Hamilton, Harvey Bullock, Carl Rosem and the Loud Kids, Edzilla, Batman and HARDAC!

Level 50 was HARDAC Himself and the graphics were awesome. Lincoln won and he got the top score!

Me: WAY TO GO LINCOLN!

Nico: That is cool!

Nicole: We're helping him make games based on some of our awesome adventures and as it turns out they are already becoming an amazing hit.

Eli: It sure is.

Daphne Blake: And the games are becoming a big hit and I put them in our arcade and my arcade too.

Nico: That's awesome Daphne.

Eli: Boy it sure is.

Nico: What about the suggested sexual content?

Nicole: (Sternly) Nico don't make me throttle you!

Poromon: There's your answer. And I said MAYBE on that part.

Nicole: Good. Sorry I must not have heard you because we were busy.

Poromon: Oh no worries.

Nico: Sorry. But that is cool that you are doing video games based on our adventures.

Nicole: Thanks. It's awesome for kids to have fun on them.

Camie: It sure is.

Lisa Loud: I find some of them fun myself.

Varie: Me too.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet Xaikora!

Me: WHOA!

Nico: Here we are!

Me: So THIS is the planet Xaikora! I remember seeing the lightning sprites here but never seeing the planet from this angle.

Xenia: This is scary seeing it.

Orla Orthros: Yep.

We went down above the clouds and saw that the planet's clouds were REALLY Electrically supercharged!

Me: Whoa! Look at the clouds!

Camie: That is scary!

Varie: Yeah.

Nico: Wow! And there's the Xaikoran Lightning Wisps just like we saw in Treasure Planet.

We saw that they were glowing purple lightning balls.

Me: Wow!

I scanned them with my omnitrix and so did Bella, Ben and Nico and Eli.

All the Omnitrix users did.

Nico: Where's the prison?

Orla Orthros: Right there.

We saw the Xaikora prison. It was a massive Ship! It was based on the Alien City ship from the 2014 movie The Signal!

Nico: WHOA!

Me: So that's the Xaikora Prison! It's amazing!

We docked and got off and it was a massive and amazing prison.

Orla Orthros: Here we are guys. Welcome to the Xaikora Gulag.

Qin: Wow! It's huge!

Camie: It sure is!

Orla Orthros: We'll show you around.

We went in.

We saw that it was a really scary place. We saw ALL THE QUEEN BEE GIRLS that we hate there and they were being thrashed by all the kids that they tormented and hurt over the years. They were being beaten up all over the place!

Qin: WHOA! This is brutal!

Me: This place is really like Hell.

Nico: For them.

Orla Orthros: Yep. A fitting punishment for them is for the Queen Bee bitches to get pulverized and mangled by the kids that they hurt over the years.

Nico: Nice.

Orla Orthros: Yep. We do it all. Humiliation sessions, torture sessions, payback sessions practically of every kind here.

Nico: Nice.

Anko Mitarashi: That is really awesome there.

Samara Slaughter: That sure is.

Orla Orthros: Yep and thanks to Lincoln's magic with the Gessius Flores Curse, it provides more than enough money and funds to run the prison.

Me: That's awesome girls.

Ophelia Orichalcum: It sure is.

We walked around and saw kids throwing all kinds of pranks at them too.

Nico: Nice one!

Carrie White: Wow! Too bad Chris Hargensen couldn't be here. That would be fitting for her.

Orla Orthros: I know. Jo, Heather, Anna Maria and all the Total Drama Sore Losers would fit right in here.

Nico: As for as I'm concerned, Anna Maria is the only one left.

Orla Orthros: Yep. And she was just transferred here.

We were shown a cell with her inside it.

Orla Orthros: All the cells in this very prison are Dark Magic and Dark Orb proof so there is no way in hell they are ever getting out.

Me: That's a relief.

Anna Maria saw us.

Me: Well look what the cat dragged in. How the mighty have fallen.

Anna Maria: When I get out of here-

Taro: You're going to suffer the same fate as your friends.

Me: Ha! Good luck with that you bitch.

Nico: You brought all this on yourself.

Eli: And didn't you hear? Jo, Heather, Alejandro and all your fellow sore losers minus yourself are dead.

Amy: Except for me.

Anna Maria: Amy!? What are you doing here!? And why are you with them!? They are your enemies!

Amy: Not anymore. I was separated from my dark side and freed of the horrible evil in me.

Poromon: Thanks to the Happy Helmet we made!

Poliwag used his tail to throw a paint can at Anna Maria.

WHAP!

SMASH SPLAT!

She was covered in Purple Paint!

Nico: Nice shot Poliwag!

Poliwag: Thanks!

Me: (LAUGHS) That was funny!

Taro: You're not worth our time at the moment.

Me: Yeah we got much better fish to fry than waste our time with a snobby washed up loser bitch like you.

We left and she was screaming.

Nico: Up yours nutloaf!

Anna Maria: GET BACK HERE COWARDS!

Me: Bite my big fat ugly ass!

Duncan threw one last paint can at her.

SMASH!

It hit her on her head and covered her in orange paint.

Duncan: You don't know HOW LONG I've been wanting to do that to her.

Xenia: That is for sure!

Nico: Anyway, lets keep exploring.

Orla Orthros: Okay.

We were in the triple Max section.

Orla Orthros: This is our Triple Max Security Section. This is for inmates here that are too dangerous to be let out amongst the population here.

Me: Geez!

Nico: Lets see em.

We looked in the cells and saw that they lived in total isolation and not allowed any visitors. The doors and cells are soundproof. But we also saw a timer on their cells.

Me: What are the timers for?

Orla Orthros: Oh that's to show how long they have before they die and get sent to the black gates. Lincoln put a terrible curse on them before they were sent here.

Nico: Whoa!

Lincoln: It's called the Stellar Queen's Vengeance Curse. It is only reserved for Queen Bee Mean Girls. It kills them 1 year after they get sent here. They have a tattoo in the shape of a warrior girl with a star sword on their back and when it goes up to their neck it'll decapitate them and banish them to the Black Gates.

Me: WHOA! Brutal

Nico:… Think anyone will notice if we kill them now?

Lincoln: No like the Curse of the Cobra it will keep them alive and that will be the only thing that kills them. Believe me. I tried that.

Nico: Whoa.

Camie: They deserve to die that way.

Nico: Yep.

Lincoln: But when they have only 15 days left they will suffer the most excruciatingly painful forms of torture and pain ever that will make the tortures of hell seem like child's play.

WE GASPED!

Xenia: (GULPS)

Nico: Oh boy.

Poromon: Can we speed up the process?

Lincoln: I'm afraid it doesn't work that way. Sorry.

Nico: Oh.

Qin: Yeah. It's best to let nature take its course.

Nico: Yep.

Orla Orthros: Let me show you something awesome.

We went to a special wing in the prison.

Me: What's this wing?

Orla Orthros: This is our Insanity Ward. It's for those that are Queen Bee Girls but their power destroyed their minds completely.

Nico: Whoa.

We heard the girls laughing like fucked up lunatics to the Nth Degree.

Nico: Jesus!

Me: I know. Scary!

We looked inside a cell and saw a girl that was wrapped in a straitjacket. She had black hair and blue eyes and was babbling like a maniac and she yelling I Will Kill All People That are Below Me!

She was really screwed up!

Me: WHOA!

Nico: She is really deranged!

Eli: Her mind is completely destroyed.

Orla Orthros: I know. These are people that are deemed to be completely tragically incurable.

Brittney: I sense that something is coming soon guys. So I have something planned for these monsters.

Nico: What is it?

Brittney: Watch.

Brittney used a dark magic spell.

Brittney: (CHANTING AN INCANTATION)

(MORDRED'S LULLABY BY HEATHER DALE PLAYS)

Brittney: (SINGING DIVINELY AS DARKNESS AND BATS OF THE DEVIL SWIRLED AROUND HER)

Hush, child, the darkness will rise from the deep

And carry you down into sleep

Child, the darkness will rise from the deep

And carry you down into sleep

Guileless Son, I'll shape your belief

And you'll always know that your father's a thief

And you won't understand the cause of your grief

But you'll always follow the voices beneath

---

Loyalty Loyalty Loyalty only to me

Guileless Son, your spirit will hate her

The flower who married my brother the traitor

And you will expose his puppet behaviour

For you are the proof of how he betrayed her loyalty

---

Loyalty Loyalty Loyalty only to me

Hush, child, the darkness will rise from the deep

And carry you down into sleep

Child, the darkness will rise from the deep

And carry you down into sleep

---

Loyalty Loyalty Loyalty only to me

Guileless Son, each day you grow older

Each moment I'm watching my vengeance unfold

For the child of my body, the flesh of my soul

Will die in returning the birthright he stole

Loyalty Loyalty Loyalty only to me

Hush, child, the darkness will rise from the deep

And carry you down into sleep

Child, the darkness will rise from the deep

And carry you down into sleep

Loyalty Loyalty Loyalty only to me

Brittney chanted a dark magic spell that had bats fly out and they went and landed on the girls in the insanity ward of the prison and then they turned into stars of Satan and robbed them of their minds and banished their souls to the black gates. Now they were Brittney's most obedient slaves. They were soulless husks and slaves obedient only to her!

Me: WHOA!

Girl 1: How may we serve thee mistress?

Brittney: My servants, a great evil is coming soon. Prepare thyselves for a great battle.

They were beamed to the estate.

Nico: WOW! That was cool!

Eli: That was awesome dark magic!

Camie: Wow!

Brittney: That was Eternity of Servitude to The Dark Witch spell. The spell makes insanity people the caster used it on their most obedient and loyal servants. The price of the spell is the Insanity people's souls.

Nico: Wow! That is awesome and cool. They can be our soldiers and servants.

Camie: Yep.

Nico: Great Evil?

Brittney: Lord Zedd. We're going to need all the help we can get if we want to bring him down.

Nico: I see.

Maria: They won't do shit to him.

Brittney: Not with the kind of training I have in store. You'll see soon in the next few days.

Nico: Looking forward to it.

Lincoln: That was awesome Brittney.

Brittney: Thanks. This spell is a really powerful one. Lord Zedd will never turn these girls against us. They obey only me. You'll see soon.

Nico: Okay.

Qin: Yep.

We got to exploring more. Then in the main courtyard of the prison we were seeing more and it was awesome.

Poromon: Is there food here?

Orla Orthros: Plenty but it's not the kind you would like.

We saw the inmates Brussel Sprouts and Cauliflower and fried liver.

Me: EW!

Nico: Brussels Sprouts, Cauliflower and liver?

Orla Orthros: Yeah we have a very strict schedule.

She showed the schedule.

It was Fried Liver Sundays, Meatball Mondays, Turkey Loaf Tuesdays, Wienerschnitzel Wednesdays, Borscht Thursdays, Fish Fry Fridays, and Chum Saturdays.

Me: Whoa!

Nico: That is very monotonous.

Lincoln: Very much like how dad did all that years ago. Except we had Salisbury Steak Sundays, Meatball Mondays, Turkey Loaf Tuesdays, Wienerschnitzel Wednesdays, Goulash Thursdays, Fish Fry Fridays, and Succotash Saturdays.

Laney: That is coincidentally repetitive.

Nico: Yeah.

Me: Yeah. When I saw how tight their budget was I was stunned.

Nico: Really?

Me: Yep.

Orla Orthros: Yeah I'm trying to add more to the menu but I don't have that many ideas.

Rita: No sweat there Orla. Lynn can help you.

Orla Orthros: Thanks Rita.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of the 10,000 Volt Ghost has been sighted.

We gasped.

Me: Oh man, a clone of the 10,000 Volt Ghost?! Oh, that is not good.

Shaggy: Like, I still remembered him all too well.

Sakura Knudson: I remember that case all too well.

Qin: I checked with the warden and Mr. Voltner is still in prison.

Nico: Good, and since he's got Life without parole, he's never getting out.

Lori: Lincoln told us of the situation, and we're ready to take that monster down.

Me: Without a doubt.

Qin: Yep.

Me: I got to admit though girls your prison is really amazing.

Camie: It sure is.

Ophelia Orichalcum: I'm glad you guys like it.

Xenia: We sure do.

Me: You're all doing a great job so far.

Nico: Yep.

Orla Orthros: Will do.

Me: Good.

Allie Wilde: I just can't believe that there are so many girls that let their power consume them.

Tanya Anyanova: I know. I was a monster.

Camie: Boy no kidding.

Diamond Tiara: I'm glad I am no longer like that.

Ink Rose: Thank goodness.

Ink Rose then heard a Pokemon crying.

Ink Rose: Hey look.

She saw a Zubat.

Me: Hey a Zubat. That's perfect for you Ink Rose.

Qin: What a cutie.

Ink Rose: Oh are you okay?

Zubat had its wing hurt.

Me: Oh it's hurt its wing.

Zubat: I'll be okay.

We healed it up.

Zubat: Thank you.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak

were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and

sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for The 10,000 Volt Ghost clone) AHA! Gotcha! I just spotted The 10,000 Volt Ghost clone, he's 20 yards away, and he's already chasing after the rest of the gang.

Shaggy: What?!

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: He's gonna end up as a stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility,

blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The 10,000 Volt Ghost clone.

Nico: Lets look for it.

Qin: Right.

We got to searching.

Lincoln: Alright, now if I'm not mistaken, The 10,000 Volt Ghost Clone should definitely be coming right now!

Suddenly, we saw the rest of the gang running towards us, and then, we saw The 10,000 Volt Ghost clone head for us, and Lincoln created a massive indestructible diamond barrier with absorption energy that protected all of us and the clone fired blasts of lightning at it, but the blasts of lightning were absorbed by the barrier and it flowed into Lincoln and all lightning users and it made them even stronger than ever, and it got the 10,000 Volt Ghost clone so riled up, he banged his fists hard at it, but the barrier was still standing and his fists were all bruised as he screamed and howled in pain, and the absorption energy was sucking out his lightning with every hit.

Eli: Jeez!

Nico: Man, that's painful, and the absorption energy really hurt him bad.

10,000 Volt Ghost Clone: (ROARS) GET OUT HERE RIGHT NOW! I MUST KILL YOU ALL FOR THE MASTER!

Qin: As if, you're not one of Universe 666 Sebastian's creations!

Lincoln: Don't waste your breath on him, Qin, he's still getting his butt kicked.

Lincoln fired a massive diamond ball with water surrounding it, and it hit The 10,000 Volt Ghost clone and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront The 10,000 Volt Ghost clone, who went charging at us.

Shaggy: Like, you know what, you can consider this your final resting place.

Shaggy unholstered his massive Shaggy Rogers' Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Greatsword of Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Justice and transformed into Super

Angel-Dark Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel of Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear.

Shaggy: (Divine Echoing Godly Voice of The Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear) And we're also getting some serious payback for almost trying to kill us at Winterhaven.

Me: Save some for the rest of us, Shaggy.

Talia Thunder: And me as well.

Qin: Yeah!

I fired waves of lightning and electrocuted the monster!

10,000 Volt Ghost Clone: That is strong lightning!

Me: My lightning is stronger than yours.

Lincoln: So is mine!

Lincoln and me fired waves of lightning and electrocuted him all over!

Xenia: Take that!

Suddenly, Talia Thunder's neon purple eyes turned neon purple and she was surrounded by a neon purple energy aura with stars, lightning, phoenixes, and angels, and as she approached the 10,000 Volt Ghost clone, she left neon purple energy, stars, lightning, phoenixes, and angels with every step.

Talia Thunder: Even if you're just a clone of The 10,000 Volt Ghost, you're still just as bad as the real one, but, what makes you even more bad is that you're just a construct created by Alecto Slytherin, and he already paid the price for his crimes, and now, prepare to say goodbye to your miserable life.

Suddenly, Talia Thunder was surrounded by a massive vortex of neon purple energy with stars and lightning surrounding the vortex, there are phoenixes and angels running and flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at the 10,000 Volt Ghost clone: the red eyes of death.

Me: WHOA!

Nico: So awesome!

Lincoln: This is gonna get really messy big time, I just know it!

But, The 10,000 Volt Ghost Clone went completely mad with rage and charged at the vortex and us as well, but he got hit hard by blasts of neon purple energy and 500,000,000,000,000,000,000,000 bolts of lightning that exploded and sent him flying into a wall. Then, as the vortex faded, Talia Thunder emerged, but she was changed forever.

We were amazed by Talia Thunder's Super Angel-Thunder Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when The 10,000 Volt Ghost Clone saw it, he went mad and ran at her to kill her, but Talia Thunder fired a massive barrage of neon purple energy, stars, lightning, phoenixes, and angels which hits The 10,000 Volt Ghost clone and sent him flying into another wall, he got back out, but now, he was enraged.

Lincoln, Talia Thunder, Valencia Knudson, Natalie Knudson, Hayley Knudson, Shaggy, and I went after The 10,000 Volt Ghost Clone, and we fired extremely powerful blasts of rainbow energy, neon purple energy, black and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The 10,000 Volt Ghost Clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Talia Thunder, Valencia Knudson, Natalie Knudson, Hayley Knudson, Shaggy, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The 10,000 Volt Ghost Clone even more insane and straight to the brink of insanity.

10,000 Volt Ghost Clone: (ENRANGED GROWL)

The 10,000 Volt Ghost Clone charged right at us completely blind with homicidal rage and fury, but Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Talia Thunder, Valencia Knudson, Natalie Knudson, Hayley Knudson, and Lincoln fired dark magic, black magic, and Satanic Magic at him and he got burned badly, then, Lincoln fired massive blasts of rainbow fire at The 10,000 Volt Ghost clone, and he was really getting messed up, and Lincoln let out a thunderous Thunderbird screech and summoned the Thunderbirds which brutally attacked the 10,000 Volt Ghost clone and he got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The 10,000 Volt Ghost Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The 10,000 Volt Ghost Clone, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Talia Thunder's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large purple orbs orbiting around her legs, and massive purple angel wings are permanent.

Talia Thunder: Now, that was so awesome!

Lincoln: That's another clone of Mystery Inc's enemies down and more to go.

Suddenly, I got jumped on by Talia Thunder and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes, and an In Heaven look on my face.

Me: (In Heaven) So… awesome.

I got back up.

Nico: That was one awesome battle.

Lincoln: We took down The 10,000 Volt Ghost clone and I absorbed him, and we also used tons of lightning attacks on him. (To Valencia Knudson, Natalie Knudson, and Hayley Knudson) And it's so good to see you again, Valencia, Natalie, and Hayley.

Valencia Knudson: You too, Lincoln, it's been seven years since we last met.

Natalie Knudson: You got that right.

Hayley Knudson: And it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Valencia Knudson, Natalie Knudson, and Hayley

Knudson and he hugged them, and Valencia Knudson, Natalie Knudson, and Hayley Knudson are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on her face, and the atomic red blush on their faces soon became even deeper when they saw his sharper vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing his now larger white wolf ears with rainbow markings on his head, eleven more massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Valencia Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know three?

Lincoln: Indeed, I do, Eli.

Me: And so do we. The first girl is Valencia Knudson, God Sibling of Dark Magic, she's Lincoln's Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful dark powers and immense control over all forms of dark magic and dark magic curses. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of me, Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, Carly, Beth, Natalie, Rachel, Carrie, Alicia, Aurora, Colleen, Natalie, Hayley, and Valerie, and just like me, Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, Carly, Beth, Natalie, Carrie, Rachel, Alicia, Colleen, Aurora, Natalie, Hayley, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Dark Magic, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Nebulonic Gas, Suns, Light Magic, Aurora, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all. She defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR THE WRATH OF THE DARK MAGIC GOD SIBLING WITH CURSE YOU FOR ALL ETERNITY!

Marlene Knudson: The second girl is Natalie Knudson, God Sibling of Black Magic, she's Lincoln's Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful dark powers and immense control over all forms of black magic and black magic curses. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of me, Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, Carly, Beth, Natalie, Rachel, Carrie, Alicia, Aurora, Colleen, Valencia, Hayley, and Valerie, and just like me, Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, Carly, Beth, Natalie, Carrie, Rachel, Alicia, Colleen, Aurora, Valencia, Hayley, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Black Magic, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Nebulonic Gas, Suns, Light Magic, Aurora, Dark Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all. Helena Knudson: And the third girl is Hayley Knudson, God Sibling of Satanic Magic, she's Lincoln's Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful dark powers and immense control over all forms of Satanic Magic and Satanic Magic curses. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of me, Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, Carly, Beth, Natalie, Rachel, Carrie, Alicia, Aurora, Colleen, Valencia, Hayley, and Valerie, and just like me, Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, Carly, Beth, Natalie, Carrie, Rachel, Alicia, Colleen, Aurora, Natalie, Valencia, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Satanic Magic, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Nebulonic Gas, Suns, Light Magic, Aurora, Dark Magic, Black Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

We gasped.

Nico: Oh… shit!

Lincoln: Yeah, it would be a huge mistake if anyone dared to piss them off, and now that you, Natalie, and Hayley are here, Valencia.

Lincoln went up to and hugged Valencia Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Hayley Knudson: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Valencia Knudson, Natalie Knudson, and Hayley Knudson with rainbow gems on the gold lightning bolts and rainbow crystal links from their merged Crystal Necklaces of The Buddha along with three white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks.

Natalie Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Valencia Knudson, Natalie Knudson, and Hayley Knudson.

Valencia Knudson, Natalie Knudson, and Hayley Knudson had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around each of them and he leaned down to their faces and kissed them on the lips and they also returned it, and we cheered for them.

Maria: I expected it to explode into nothing. At least it's still dead

Lincoln: Yeah. But I needed to suck it up with my tails.

Me: True. Lincoln has been doing the same thing to all of them.

Nico: Yep.

Valencia Knudson: That is for sure. But that was awesome.

Zubat: It sure was.

Rhonda Romulus: Sure. You think you can handle it?

Zubat: I'm immune to the toxicity,

Rhonda gave Romulan Ale to him and he drank it all and blue fire appeared around him.

Me: Whoa! Looks like Rhonda Romulus has an awesome drinking buddy.

Poromon: Yay!

Poliwag is unsure if he needed to do the puppy eyes.

Nico: Poliwag I know what you're thinking. But Romulan Ale is the Romulan version of beer. So it's still good enough.

Poliwag: Oh right.

Nico: Good.

Xenia: But this was awesome.

Poliwag: Do you also drink blood?

Zubat: EW! No.

Me: Good.

Poliwag: Whew!

Charlotte Pipsqueak: That's right.

Then a rolling ball rolled in and smashed the another down and I caught the ridewatch and purified it.

We saw that it was ARMORED ARMADILLO!

Me: WHOA! Nice entrance!

Xenia: Yeah!

Armored Armadillo: (in a girls voice) That was fun!

Nico: Mina Armor! Whoa!

Mina Armor: Awesome to see you Nico.

Nico: Same here.

Poromon: I like that you can turn into a ball.

Mina Armor: Armadillo's are tough and strong when they do that.

Xenia: That is true.

Me: I have a feeling I know what's coming.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Mina Armor: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and threw up and then she reverted back and was a girl with brown hair and blue eyes and had brown angel wings and she had an armadillo in front of a cave in the middle of her forehead.

Mina Armor: (Groans) That hurt. (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome brown clothes and she looked awesome.

Mina Armor: Wow awesome outfit.

Camie: It sure is.

May: YAY! I didn't get hit!

Me: Don't jinx it May.

Nico: I've missed you.

Mina Armor: Same here.

We later went back home. It was cool seeing the Xaikora prison.

Lincoln: Whoa, where are we?

Loona: This is a place I wanted to show you all, welcome to Zoo Phoenix Academy. This place is well-known even to us in Hell.

Me: Wow.

Nico: This place sure is awesome.

Lincoln: And I also know what we're going to do here, not only am I going to rescue the twelve girls here, but we're going to meet Jackson Wells and his friends and not only are we going to get rid of The Bad Luck Curse that came with his immortality, and after that, we're going to help Jeremy Clarke destroy Cindy who's the leader of the Aliens out to conquer Earth from The Nightmare Room episode Four Eyes.

Adrienne Midnight: Oh man. I remembered that Jeremy had on those special glasses that also let him see that everyone were aliens out to conquer Earth, and his friend, Cindy, was their leader. He learned that lesson, but just a little too late as he was dragged into The Nightmare Room.

Cozy Glow: We've got to get rid of Cindy and save Jeremy Clarke and fast. But, first, we'd better handle the Bad Luck Curse on Jackson Wells first.

Loona: This curse was actually put on Jackson thanks to a deal his smothering mom, Mindy, made with her sister, Narissa, who happens to be The Queen of Hell and her husband is none other than Lucifer. Jack was given immortality, but the Bad Luck Curse would also follow him.

We gasped.

Lynn: She knows nothing good ever comes from making deals with The Devil.

Loona: No shit, and Jack's family also have links to Hell itself. But, Jack getting roped into this by that deal her mom, he really didn't want anyone to suffer his curse.

Lincoln: Well, we're going to sever the curse that came with his immortality, and I've got just the spell for that.

We walked to the auditorium, and we saw the very group we're to meet: Jackson Wells, a 17-year-old male immortal yet cursed jackal who is the drummer of The Main Five, Zillion Martinez, an 18-year-old demon/Chimera hybrid who is the oldest member and one of the group's pianists and lead singers along with his girlfriend, Kayla Christling, a 17-year-old female kangaroo who is the unofficial leader of the group and one of it's pianists and lead singers along with her boyfriend, Zill, Spam O'Brien, a 17-year-old male red fox who writes the lyrics for their songs and is the group's guitarist, and Vanexa Pierce, a 16-year-old female purple cat who is the youngest member and the group's violinist.

Jackson Wells: (Gasps) Team Loud Phoenix Storm?

Lincoln: Yep, and we're here to help you out, Jack. We heard about your Bad Luck Curse that came with your immortality, and we're going to end the curse.

Zillion Martinez: Can you really do that?

Me: Yep.

Suddenly, Lincoln chanted an incantation and an angelic magic circle with crosses and runes formed below Jackson Wells' feet, and he was levitating off the ground. Then, we saw a black smoke leave Jack: it was a manifestation of his curse and it eventually was destroyed. Then, he landed on the ground.

Jackson Wells: The curse, it's gone?

Lincoln: Yep, and you still have your immortality with a few added surprises.

Suddenly, Jackson Wells was enveloped by light, and as the light faded, he emerged, but now, he was in a white sleeveless trenchcoat with an angel wing and devil wing on the back, black sleeveless tank top, black pants, black knee-length boots, he was also much stronger and he has massive white angel wings and a massive angelic greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, white angel faces built into both sides of the hilt and large blue gems embedded in the foreheads, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Zill, Kayla, Spam, and Vanexa were amazed.

Zillion Martinez: Whoa!

Kayla Christling: That's really awesome!

Jackson Wells: I… I'm finally free of the Bad Luck Curse. This really is a miracle.

Suddenly, Jackson Wells sensed a presence.

Jackson Wells: Reuben, you better not be trying anything stupid to me.

Jackson Wells fired gold heavenly chains that wrapped up his bully, Reuben.

Nicole: I've been looking for this dirtbag for a long time, there's also a huge bounty on his head for all the harm he's done to others.

We beamed Reuben to a special prison at The Uranus Prison where he would be in for Hell.

Lincoln: Okay. Now, we need to find Jeremy Clarke and destroy Cindy.

Suddenly, we saw a very beautiful and super sexy girl with long black hair and yellow headband, red eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful angel wings, she's dressed in a sleeveless yellow crop top, necklace with red gem for the pendant, yellow skirt with the Eye of Horus on it, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, moonlight, darkness, dark magic, black magic, Satanic Magic, mummies, phoenixes, and angels on the coattails and on the back is a sarcophagus and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and black pointed tips for the pommel, and with her are the twelve girls.

Lincoln: (GASPS) Sara Bastet, Mummy Queen of Colorado.

Sara Bastet: That's right, and I got the girls away from Cindy.

Suddenly, we saw Jeremy Clarke run to us, and we also saw Cindy in her true form running at Jeremy.

Sylvester: So, all we got to do is get rid of her.

Then, Lincoln fired gold chains at Cindy that destroyed her as she burst into ashes and she was sent to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: We did it, we met Jackson Wells and his friends, freed him from The Bad Luck Curse, and we destroyed Cindy and saved Jeremy Clarke from what could've been his fate: trapped forever in The Nightmare Room. (To Sara Bastet) And it's so good to see you again, Sara.

Sara Bastet: You too, Lincoln, it's been seven years since we last met, and it's also good to see you, your sisters, and your parents again, J.D.

Me: You too, Sara.

Suddenly, Lincoln was pounced on by Sara Bastet who proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Sara Bastet was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he got up.

Sara Bastet: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Sara Bastet and he hugged her, and Sara Bastet is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sara Bastet: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Sara Bastet, Mummy Queen of Colorado, she's my Guardian Angel from Colorado and she's an extremely powerful mummy dark angel and queen of a massive mummy clan from Denver, Colorado. She's also feared for destroying a massive army of undead mummies brought to life by a necromancer in Egypt seven years ago. Unlike regular mummies, Sara was born with incredible powers over darkness, superhuman abilities, superhuman senses, and superhuman strength along with the powers, abilities, and superhuman strength of the mummies, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first mummy queen of her massive mummy clan, and she destroyed the necromancers who menaced her clan. Then, she'd moved to Royal Woods and it's where she met me, and she'd discovered my secret: that I'm a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with me, and she was also reunited with her childhood best friends, Dina Mabrouk. She also fiercely defended me from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as we were out at Lake Huron on a moonlit night on a date to show my thanks to Sara for always defending me from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, Chandler showed up along with Artie and Trent and tried to kill them, but those three were no match for us and we pulverized those three and wedgied them by their underwear on a tree branch in front of the police station, and after that, we shared a deep romantic kiss underneath the full moon, and as a result, I promised that when I come of age, I will marry her along with the rest of my harem.

Me: Whoa, so that was you two who did that to Chandler and those two pricks?! Man, did they make the huge mistake messing with you two.

Nico: Damn. I was hoping that Sara would have those three mummified alive.

Lincoln: Oh, she was almost that close to having them mummified alive and thrown in sarcophagi for eternity and buried in a distant desert in Cairo.

Luna: But, Dina stopped her from doing so. Besides, Chandler's dad still had thugs running loose and if he heard of what happened, he'd go ballistic.

Lori: But, of course, that moron didn't know that Lincoln will drain those thugs of his dry of every last drop of blood and muscle mass.

Lincoln: Yeah, we all knew that Anthony McCann had a brain the size of a dried up soy nut and was a total idiot, and now that you're here, Sara.

Lincoln went up to and hugged Sara Bastet in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Sara Bastet: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Sara Bastet with yellow gems on the gold lightning bolts and yellow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Sara Bastet: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sara Bastet, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Sara Bastet's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Sara Bastet had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls are Alpha Lime, Edith Lemon, Gelsomina Piacentini, Hikari Amatsue, Iryuda Vaganova Ivanov, Isberga Murren, Mamika Shigure, Risuka Shigure, Reihou Shin, Roux Valenclaire, Sandy Nave, and Yukiko Kagura from Dyogrammaton.

Lincoln: Oh wow, it's Alpha Lime, Edith Lemon, Gelsomina Piacentini, Hikari Amatsue, Iryuda Vaganova Ivanov, Isberga Murren, Mamika Shigure, Risuka Shigure, Reihou Shin, Roux Valenclaire, Sandy Nave, and Yukiko Kagura from Dyogrammaton.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Alpha Lime: Yes, we're okay, thanks to you.

Then, when Alpha Lime and the other eleven girls saw who it was that saved them from Cindy, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero and God, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Alpha Lime: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Alpha Lime: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alpha Lime, Edith Lemon, Gelsomina Piacentini, Hikari Amatsue, Iryuda Vaganova Ivanov, Isberga Murren, Mamika Shigure, Risuka Shigure, Reihou Shin, Roux Valenclaire, Sandy Nave, and Yukiko Kagurawith colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and we told everyone what happened, and they also met Jackson Wells and his friends. But, they were also shocked that the villain we went after was Cindy, the alien from Four Eyes in The Nightmare Room.

But, when Lincoln showed what we did in beating her down and Lincoln destroying her by firing gold chains that pierced her and destroyed her and sent her to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Sara Bastet have a lot of catching up to do, now that she's back in town. Plus, Jackson Wells, Zillion Martinez, Kayla Christling, Spam O'Brien, and Vanexa Pierce are also made new members of the team.

Maria: Man, so Jackson's immortality also came with a Satanic Curse? Talk about good and bad.

Lincoln: Yep, but thanks to us, he's freed from that Satanic Curse and kept his immortality, but with a few of our additions to that.

Me: And we freed another victim from The Nightmare Room.

Nico: Yeah, but it's not over yet. We got more terrors in The Nightmare Room to deal with, so we need to be ready.

---

After we met and helped Jackson Wells end his Bad Luck Satanic Curse and saved Jeremy Clarke and ended Cindy and her Alien Army, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sara Bastet saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sara Bastet: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Sara, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Sara Bastet: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Sara Bastet: I knew it was only a matter of time before he told everyone that story.

Suddenly, Lincoln sensed a disturbance, and his large gold halo with gold angel wings on the bottom and four large gold orbiting rings behind his head glowed, and the four large gold orbiting rings fired beams of light and formed a viewing window, and we saw ten massive armies of musclebound thugs who were hired by that mutant cheapskate, Flip, and they were heading for us.

Me: FLIP, YOU GODDAMN STUPID MUTANT CHEAPSKATE! I'M GONNA RIP YOUR LUNGS RIGHT OUT OF YOUR CHEST!

Luan: Oh, now he's gonna get it! When Halloween comes, we'll scare him senseless. But, first, let's take care of those thugs.

We flew out of The World Tree Estate and went after the massive armies of Flip's musclebound thugs and Lincoln fired rainbow energy blasts and knocked them down.

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes.

Plus, Lori had a camera set up and filmed the action, and when Flip saw what we did, he turned beet red, and then… !

FLIP ABSOLUTELY FUCKING LOST IT BIG TIME AS HE STARTED ROARING AND BELLOWING WITH SO MUCH UNIMAGINABLE RAGE AND LET OUT A MASSIVE STORM OF CURSE WORDS, SWEARS, DEATH THREATS, AND SPOUTS OF HATRED AT US!

We heard the whole thing as the ground was shaking like crazy and our rainbow energy auras flared up extremely and we gained an astronomical power boost.

Nico: WHOA! Okay, now I can say it: Flip has absolutely gone Nth-Degree Fucked Up!

Me: He sure has. (FLIPS FLIP THE FINGER) AND FUCK YOU, YOU STUPID MUTANT!

Lincoln: He'll get his just desserts soon.

We flew back to The World Tree Estate and continued our workouts.

Laney: I certainly didn't expect that stupid mutant to try that!

Lana: But, he has always been nothing more than scum.

Lola: He's nothing but trash!

Lincoln: It won't be long now, soon, he and Icky Vicky are both getting The Black Gates along with Xehanort in December.

Me: When that comes, we'll definitely be throwing a huge celebration at Lynn's Table and the other jerks are really gonna lose their minds even more over that.

Nico: Maybe, they'll have psychotic breakdowns and go absolutely mad.

Eli: If that happens, they're heading for the nuthouse.

We got a shower afterwards, and then, Lincoln and the Simulator Versions of Catra, Princess Scorpia, and Any Malu are heading to Wave Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And the Simulator Versions of Catra, Princess Scorpia, and Any Malu are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out the Simulator Versions of Catra, Princess Scorpia, and Any Malu all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Icky Vicky hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that fire-breathing dragon go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that fire-breathing dragon has sent more muscle-bound thugs to kill them.

Simulator Catra: Wow, so this is Sirena Beach. It sure is beautiful.

Lincoln: It sure is, Catra, and it's perfect for our first date. Shall we?

Lincoln and the Simulator Versions of Catra, Princess Scorpia, and Any Malu dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and the Simulator Versions of Catra, Princess Scorpia, and Any Malu got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Icky Vicky hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Icky Vicky's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Icky Vicky's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, Icky with a V!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to the Simulator Versions of Catra, Princess Scorpia, and Any Malu and they hugged the girls in their abnormally massive and powerful muscular arms and the Simulator Versions of Catra, Princess Scorpia, and Any Malu placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked the Simulator Versions of Catra, Princess Scorpia, and Any Malu as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Wave Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Simulator Versions of Catra, Princess Scorpia, and Any Malu with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now the Simulator Versions of Catra, Princess Scorpia, and Any Malu are in your harem, Linky.

The Simulator Versions of Catra, Princess Scorpia, and Any Malu showed the marks Lincoln made on the right sides of their necks.

Jenna: And Icky Vicky had some nerve trying to kill them, that demonic so-called babysitter is just making things much worse for herself.

Serena Logan: I always knew that bitch was and always will be nothing but fucking trouble, and she's just making things worse for himself.

Rarity: And trying to kill the Simulator Versions of Catra, Princess Scorpia, and Any Malu, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-

bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that rampaging she-demon should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, she's officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you fire-breathing rampaging she-demon!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Flip, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Icky Vicky's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Icky Vicky's mouth and the funnel was removed. Then, Icky Vicky's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Icky Vicky farted and massive tons of gold, jewels, gems, and other currencies exploded out of her bubble butt like crazy!

Icky Vicky stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you rampaging she-demon!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Icky Vicky's really pissing me off now, if she does this again, I'm gonna shove a grenade down her throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill her, Flip, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later we were sitting in the park.

Yamato: What a nice day.

Me: You said it Captain Yamato.

But then we heard someone crying and we saw Lori sitting on the bench and she was screaming with intense wailing. She was really crying hard as jets of tears exploded out of her eyes.

Me: Lori!

We went over.

Bobby: Babe what's the matter?!

Nico: Lori are you okay?

Rin: Did someone make you cry?

Natilee: Actually she had a really horrible nightmare.

She showed a sketch of her nightmare. It was of Lori turning into a horrible monster like she was to Lincoln except she was a million times worse! She killed her brother, friends and family and even Bobby!

We saw blood and guts and everything splattered all over and fire burning everywhere and Lori had razor sharp teeth and had glowing red eyes!

WE WERE SHOCKED AND HORRIFIED!

Thunderblast: OH NO!

Qin: Poor Lori!

Bobby: Oh there there babe.

Leni: Lori it'll be okay.

Camie: That was horrible! Lori did you eat something before bed?

Varie: That's what I was wondering.

Lori: (Sniffles) I don't think so. (CRYING) THAT LITERALLY WAS HORRIBLE! (WAILING)

She then farted!

LOUD FART!

Lori was WAILING AND CRYING HARD TO EVEN NOTICE!

LOUD FARTS! LOUD FARTS! LOUD FART!

Me: Lori didn't eat bean chips did she?

Nico: I didn't see any bags.

Me: Hmm. Wait! I think I know! Lori's going to transform again!

Qin: Like when we had those dreams and it lead to us transforming!?

Me: Yeah!

Nico: You call farting part of it?!

Me: Well it must be a powerful one to have a nightmare that bad and farting that bad.

?: That is gonna be cool!

Out came a girl with green hair and green eyes and she had green clothes and green angel wings and had a tiara with the symbol of Wind Man on it.

Willow Wind: Willow Wind, Embodiment of Wind Man.

Lynn Sr.: Wow! Awesome to see you kiddo!

Rita: You are sure looking great.

Willow Wind: You to Mr. and Mrs. Loud. Its been a while.

Outback: How do you know Rita and Mr. Lynn?

Willow Wind: I would help Mr. Loud at his restaurant and even give him awesome recipes. Some of them are fun. And I met Rita at the dentist when she and the kids were laughing uncontrollably because of a laughing gas leak. I held by breath and fixed it and stopped them from laughing.

Xenia: Wow!

Rita: Yes she is really amazing with those wind powers of hers.

Nico: That is cool. Would you like to join the team?

Willow Wind: I would be honored.

---

We were busy watching TV, and many of us were doing work-outs

to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Exhaust: Nico, who shines today?

Nico: Kita and Ikki & Vice.

Kita: Awesome!

Ikki: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of The Ghost of Buster McMuttmauler, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of The Ghost of Buster McMuttmauler, and he's causing havoc.

We gasped.

Me: Now, we got a clone of The Ghost of Buster McMuttmauler?! Oh boy.

Nico: He's really gonna get it big time!

Me: After what he did in terrorizing Scooby's family and the gang, this guy is really going to get such a pounding!

Nico: Without a doubt. Alright, gang, let's get going and take down that clone of The Ghost of Buster McMuttmauler.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

Me: Big time!

The previous group came.

Red X: Can me, Saix, Swordsman, Johnny 13, Trumbipular, Vanitas, Samon, Shade, Ebon and Loki go with you guys?

Nico: Yes you all can come with us.

Varie: Awesome.

Camie: Cool.

Pounce: Boss, which Gene Slammer do you think you'll meet next?

Nico: Boomer Kuwanger next.

Me: Ooh that one is awesome.

Varie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Simon, a vampire wolf that appears in Zoophobia, and he's coming here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest: the figure that we saw is none other than a vampire wolf named Simon.

Jackson Wells, Zillion Martinez, Kayla Christling, Spam O'Brien, and Vanexa Pierce gasped in shock.

Jackson Wells: Oh no, not him. Simon is a vampire wolf and willing servant of Venganza, The Vampire Queen. He always broke into Safe Haven to cause trouble alongside his mistress and those vampires want to conquer Safe Haven and turn everyone into vampires.

We gasped.

Me: Just like with our hated enemy, Dracula.

Nico: Well, if she intends to cause havoc, she's got another thing coming.

Kiara Kessler: Leave that vampire wolf to me and Lincoln. We'll beat him to a pulp.

Lincoln: And I'll drain him dry of blood.

Nico: I hope you guys do just that. Alright, gang, let's go, we're heading out to destroy that clone of Bigwig.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Simon.

Kiara Kessler: There's absolutely no way we're letting you run free any longer, you vampire wolf, you will suffer the consequences for your crimes.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of The Ghost of Buster McMuttmauler so that Lincoln can absorb him, and once we got done with him, Lincoln and Kiara Kessler are going to destroy that rogue vampire wolf, Simon.

We were off to the Knittingham Puppy Farm which was located at the southern side of the city.

---

We arrived.

Saix: Here we are.

Me: Yep.

Nico: This is amazing.

Me: It sure is.

We saw Fred and the gang,

Strut: Hey guys!

Shaggy: Like hi guys!

Xenia: Awesome seeing you all here.

Me: Boy I remember this place. The Knittingham Puppy Farm is where we had Scooby's birthday party.

Sakura Knudson: Boy that was some event.

Me: And it's where Scooby inherited this.

I brought out a pink collar and it had emeralds and a big diamond on it.

Nico: Whoa that is a nice collar.

Me: It's the Doo Family Dog Collar. Scooby and his father hated it. It was ugly.

Trumbupular: Really? I don't see it that way?

Rarity: Yes that collar is absolutely breathtaking darlings.

Scooby Doo: Yuck!

Me: Well I don't know myself. But this collar is worth a forture. These are real jewels on it.

Nico: Wow!

Camie: That is amazing!

Me: Yeah and it's the reason why we're here too. A Clone of the

Ghost of Buster McMuttmauler is here.

Shaggy: ZOINKS! NOT THAT ONE!

Scooby Doo: RIKES!

Me: And the strange part was that he was never really dead in the first place. We learned that when we were racing on the planet Venus.

Nico: He's right.

Slugfest: Is it really a ghost if he was never dead?

Me: Not really sure if it works that way.

Qin: The real Buster is still in prison.

Nico: Good. But just in case, who is Buster McMuttmauler again?

Me: He is a dogcatcher gone bad!

I went over his history.

---

Buster once antagonized a small puppy, which invoked the wrath of Scooby's parents. They chased him into the back of his own truck thinking they can't get to him. Unfortunately, his boss confronted him for stealing expensive dog collars. Buster was then taken to prison, but not before he swore revenge, claiming he would come back for the Doos and their collar.

Season two

Mr. Trixenstuff, the dog trainer of the Knittingham Puppy Farm, decided to impersonate his ghost (even though he wasn't really dead) in an attempt to steal the Doo family collar for its jewels.

Season four

He tried to puppy-nap Scooby-Doo as an act of revenge. He tried to either catch or hurt him several times, but, they always backfire. But, he vows to get Scooby even if it takes him forever.

* * *

When I was finished EVERYONE WAS SHOCKED! But Fluttershy was pissed!

Fluttershy: That great big meany!

Qin: Yeah! What a jerk!

Samon Shakekisutanchin: His ghost isn't much better.

Me: Nope.

Sakura Knudson: That so-called ghost was a monster! Literally.

Nico: Yeah!

Lori was crying more.

Lori: (CRYING) Just like how I LITERALLY WAS! (WAILING)

Bobby: Oh Lori it'll be okay.

Scooby Doo: What's what with Lori?

Me: She had a really horrible nightmare.

Hard Man: Would you believe us if we said it was Freddy Krueger?

Nico: Not helping Hard Man.

Me: And no it's not Freddy Krueger. He was given the Black Gates.

Lori was crying hard and farting like crazy.

Shaggy: WHEW! Lori!

Me: Shh! Shaggy she's in a very fragile state right now.

Natilee: She did this in her dream.

She showed the sketch of it and it was horrible!

Ebon: We need to make her laugh.

Me: And I know how. Three Stooges!

The Three Stooges came.

Three Stooges: (In Acapella) Hello! Hello! Hello!

Moe: We're ready for action.

Stewie pulled Fred's pants down.

Stewie: Look, Lori!

Fred: HEY!

Lori was still crying.

Me: Try this one!

I slapped Moe.

SLAP!

Moe Howard: OUCH! WHY YOU!

I ducked and then…

BOP!

He punched Curly in the face.

Curly: Why you!

SLAP SLAP SLAP SLAP SLAP SLAP!

He slapped Moe 6 times!

Moe grabbed Larry and Curly and bashed their heads together.

Qin: (LAUGHS)

Poromon tickled Lori.

Lori was still crying.

Ronnie Anne then pulled down Bobby's pants!

Bobby: What!? HEY!

Me: I see London, I see France, I see Bobby's underpants!

Lori saw them and they were Lori Loud boxers!

Ronnie Anne: (LAUGHS) Looks like you got your girlfriend and wife on your boxers!

Lori laughed hysterically!

Nico: (LAUGHS) They make underwear like that?

Lola: I have no idea.

Me: Nice one R.A.!

Ronnie Anne: Thanks! That was awesome. You don't know how long I've been wanting to do that to Bobby.

Qin: (LAUGHS) Well now you finally did it.

Stewie: How come no one's laughing at Fred's undies?!

Me: I think it's because we've seen Fred's underwear before.

Fred: He's right.

Stewie: Oh. Right.

Lincoln: Yeah but that was awesome Ronnie Anne.

Ronnie Anne: Thanks Lincoln.

Moe Howard: (LAUGHS) That was awesome.

LOUD FARTS!

Lori farted!

Lori: IT WAS MY SHOE!

LOUD FARTS!

Lori was farting like crazy!

Nico: (COUGHS AND GAGS)

Luan: Boy Lori has been Crop Dusting everyone all day!

WE LAUGHED!

Eddy: (LAUGHS) That was funny!

Me: (LAUGHS) That was a good one!

Lori: Uch! IT WAS MY SHOE!

Nico: Not buying it.

Lori: Maybe the mascots can literally help me.

She laid down on a sofa.

Poliwag: YAY! BELLY BOUNCING!

Poliwag hopped on Lori's belly and was bouncing on it!

LOUD FARTING!

Me: JEEZ!

IT WAS FARTING RIGHT INTO NICO'S FACE!

Nico went and opened a window and was coughing, gagging and hurling.

Lori was laughing.

Loki: Feel better?

Lori: I sure do.

Loki: Good.

Lori: But I literally feel something growing in me. This power.

Me: I knew it! It is a transformation!

Xenia: Yeah!

Me: Awesome!

Lugnutz: Lets get a bulldog to help us here.

Me: Good idea.

I pulled out my dog whistle blew it and Then a bunch of Bulldogs came!

Me: Awesome!

Scooby was hanging on the curtains like a frightened cat!

Shade: These are your fellow dogs.

Me: Scooby has always hated the noise of Ultrasonic noises.

Nico: Yikes.

Lola: Yeah.

Camie: That is crazy.

Me: Yeah.

Vanitas: Can they sniff out the ghost?

Me: Not sure. But if they can't, I know who can. (WHISTLES) Here Cujo!

Cujo the Ghost Puppy came.

Me: Hey Cujo.

Nico: I forgot about Cujo.

Qin: Me too.

Me: I didn't.

Nico: Lets get to finding him.

We went out searching.

Konan: Follow Cujo and the Bulldogs.

We got to following.

Then we heard a familiar line.

?: THAT COLLAR IS MINE!

Nico: What was that!?

Me: That's him!

We saw him chasing a dog with a really expensive ruby covered collar!

It was THE GHOST OF BUSTER MCMUTTMAULER!

Johnny 13: After him!

Nico: Entrance time!

We went at him!

The ghost cornered the dog. But then the spirits of dogs came and they swirled around him and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a phoenix cry was heard!

Nico: YEAH!

Ghost of Buster McMuttmauler Clone: THAT COLLAR IS MINE!

Xenia: No it isn't!

Me: Sic him Cujo!

Cujo turned into his FEROCIOUS DOG FORM! The ghost screamed in fright and Cujo jumped him and mauled him.

Nelson: HA HA!

Me: HA! I remember that all too well Nelson.

Nelson: Haven't done that in a while though.

Xenia: Yeah but that is still funny though.

Lincoln: Take this!

Lincoln punched the clone of The Ghost of Buster McMuttmauler super hard in the stomach and sent him flying into a wall that cracked and fell apart and he fell flat on his back. Then, Lincoln swung his massive greatsword like crazy and shredded The Ghost of Buster McMuttmauler Clone like crazy.

BUZZSAW NOISES!

Then, when Lincoln was done, The Ghost of Buster McMuttmauler Clone was absolutely slashed and brutally beaten and we were laughing hysterically.

Nicole: Sheesh, you tore him apart, Lincoln!

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Bigwig clone's chest, and then, Lincoln began absorbing The Ghost of Buster McMuttmauler clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Ghost of Buster McMuttmauler clone, and he banished The Bigwig clone to The Black Gates.

Nico: Good riddance to that ruthless dog catcher ghost.

Lincoln: Yeah, he deserves it big time. Now, there's one last thing to do and one last loose end to tie up: that vampire wolf, Simon.

?: Too bad all of you are going to die now!

Lincoln formed a massive indestructible diamond barrier that protected all of us from darkness blasts that came from nowhere and hit the barrier, but it stood strong as the darkness blasts hit and exploded.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Simon, or we will force you out.

A white wolf with red eyes came out, it was Simon, the vampire wolf and servant of the Vampire Queen, Venganza.

Jackson Wells: Oh, great, I should've known you'd show up here, Simon. Which means Venganza's not close behind.

Simon (ZooPhobia): Laugh while you can, Cursed Jackal, soon, Queen Venganza will rule over all of mankind!

Kiara Kessler: Not in a million years.

Suddenly, Kiara Kessler's blue eyes turned neon blue and she was surrounded by a black and blue energy aura with stars, darkness, blue fire, fiends, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached the vampire wolf Simon, she left black and blue energy, stars, darkness, blue fire, fiends, phoenixes, and angels with every step.

Kiara Kessler: You've got some nerve coming here, Simon. I should've known Venganza's desire to conquer the world was still as strong as ever. Well, that's going to end here and now, once I send your corpse straight to her with your head cut off and a stake driven right through your heart!

Suddenly, Kiara Kessler was surrounded by a massive vortex of black and blue energy with stars, darkness, and blue fire surrounding the vortex, there are fiends, phoenixes, angels, Infernity Archer, Infernity Archfiend, Infernity Avenger, Infernity Beast, Infernity Beetle, Infernity Conjurer, Infernity Destroyer, Infernity Doom Archfiend, Infernity Doom Dragon, Infernity Dwarf, Infernity General, Infernity Guardian, Infernity Knight, Infernity Mirage, Infernity Necromancer, Infernity Patriarch, Infernity Pawn, Infernity Randomizer, Infernity Sage, Infernity Wildcat, Infernity Doom Slinger, Hundred Eyes Dragon, and Earthbound Immortal Ccapac Apu flying around the vortex, and in the vortex is a black phoenix with the Giant Nazca Line on its stomach and red eyes glaring at Simon: the red eyes of eternal death.

We were amazed by Kiara Kessler's Super Angel-Earthbound Immortal Ccapac Apu Avatar-Infernity Duel Monsters-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Simon saw it, he roared and ran at her to kill her and drain her of blood, but Kiara Kessler fired a massive barrage of black and blue energy, stars, darkness, blue fire, fiends, phoenixes, and angels which hit Simon and sent him flying into a tree, he got back up and he was now really enraged.

Misty Tredwell: Incredible, Kiara's transformed.

Selene Arcangela: Oh shit, Kiara Kessler's transformed?! This is going to end badly for that vampire wolf.

Lincoln: Without a doubt, we all know and saw what happens to those who cross The Good Avatars of The Earthbound Immortals, it never ends well, and now, he's about to learn that lesson the hard way.

Kiara Kessler: (Divine Echoing Godly Voice of The Infernal Blue Fire Darkness Earthbound Immortal Ccapac Apu Infernity Duel Monsters Goddess Phoenix God Angel and Divine Cosmic Eternal Infernal Blue Fire Darkness Earthbound Immortal Ccapac Apu Infernity Duel Monsters Goddess Phoenix God Angel Love) You said a mouthful. Kiara Kessler and Lincoln went after Simon the Vampire Wolf, and they fired extremely powerful blasts of rainbow energy, black and blue energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Simon the Vampire Wolf, and they exploded with incredible power as they hit him.

Then, Lincoln and Kiara Kessler attacked him with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Maria Tredwell also did the same by firing black and green energy slashes from her massive greatsword, and he and Kiara Kessler attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this was making Simon the Vampire Wolf even more angrier than ever.

Simon the Vampire Wolf: YOU! YOU! (ROARS)

Simon the Vampire Wolf went after Lincoln and Kiara Kessler in a fit of insane rage, but Lincoln and Kiara Kessler fired rainbow and black and blue energy blasts at Simon the Vampire Wolf and they summoned fiends and giants to attack Simon the Vampire Wolf and he was really scarred by their furious attack. Then, Lincoln punched him hard in the face as he crashed back first into a wall and landed on the ground on his back.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Simon the Vampire Wolf's chest, and then, Lincoln began absorbing Simon the Vampire Wolf into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Simon the Vampire Wolf, and he banished Simon the Vampire Wolf to The Black Gates. We cheered wildly for what Kiara Kessler and Lincoln did as they holstered their massive greatswords on their backs and powered down and Kiara Kessler's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, large twelve black and green orbs orbiting around her legs, and massive black and blue angel wings are permanent.

Kiara Kessler: Your days of causing havoc on Safe Haven are over. Thanks for helping me destroy Simon the Vampire Wolf for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Kiara.

Suddenly, Kiara Kessler wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Kiara Kessler's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Earthbound Immortal Ccapac Apu and the Infernity Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and blue fire behind them and we cheered wildly. Then, Lincoln and Kiara Kessler sucked in and absorbed the elemental forces and darkness and blue fire and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage on that vampire wolf.

Lincoln: That vampire wolf was just as dangerous as his owner.

Nico: He sure hasn't, but you did it, you and Kiara both defeated him and you absorbed him, Lincoln, and you and all of us assimilated his powers, strength, and abilities.

Me: You got that right. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person and perfect for Halloween: Lilith Balthazar.

Selene Arcangela: (GASPS) The Demon Queen of Colorado?! Oh man, that is so awesome and very perfect.

Me: And I remember seeing her and you guys are going to love meeting her, Lilith Balthazar is Lincoln's Guardian Angel from Colorado and she's an extremely powerful demon dark angel and queen of a massive demon clan from Denver, Colorado. She's also feared for destroying a massive army of demons brought to Earth by a Satanic worshipper seven years ago. Unlike regular demons, Lilith was born with incredible powers over darkness, superhuman abilities, superhuman senses, and superhuman strength along with the powers, abilities, and superhuman strength of the many demons and Devils of Hell, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first demon queen of her massive demon clan, and she destroyed the Satanic worshippers who menaced her clan. Then, she'd moved to Royal Woods and it's where she met Lincoln, and she'd discovered his secret: that he was a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with him. She also fiercely defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as Lincoln and Lilith were out at Lake

Huron on a moonlit night on a date to show his thanks to Lilith for always defending him from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Flip showed up and tried to kill them, but those three were no match for them and they pulverized those three and wedgied him by his dirty boxers on a tree branch in front of the police station, and after that, Lincoln and Lilith shared a deep romantic kiss underneath the full moon, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem.

Nico: WHOA!

Lincoln: Yep, she's an awesome force of demonic justice and hope.

Luna: Plus, there are also other Legendary Halloween Monster Monarchs for Vampires, Mummies, Demons, Ghosts, Zombies, Goblins, Trolls, and Frankenstein.

Nico: Way awesome.

Abomination: That's one ghost gone to the dogs!

LaGrange: Damn straight!

See-More: He's never gonna hurt another innocent canine again.

Marluxia: What do we do with the bulldogs?

Magma: And the collar?

Nico: We'll have Scooby put it in his vault.

Scooby Doo: Thanks Nico!

Me: It is worth a fortune.

Nico: Yep. Lets head home. Good job today everyone!

Fluttershy: (To the viewers) Boy this was fun and cool.

Me: It sure was.

We enjoyed the rest of the day and went to sleep

As she grew older, she became the first demon queen of her massive demon clan, and she destroyed the Satanic worshippers who menaced her clan. Then, she'd moved to Royal Woods and it's where she met Lincoln, and she'd discovered his secret: that he was a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with him. She also fiercely defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as Lincoln and Lilith were out at Lake Huron on a moonlit night on a date to show his thanks to Lilith for always defending him from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Flip showed up and tried to kill them, but those three were no match for them and they pulverized those three and wedgied him by his dirty boxers on a tree branch in front of the police station, and after that, Lincoln and Lilith shared a deep romantic kiss underneath the full moon, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem.

Get ready for a fun one as we race through the Grand Canyon and we're going to battle The Boogey Biker!

See you next time.

Me: Nothing like a little fun shopping at the mall.

Nico: Boy you said it.

Qin: Yeah this is always fun.

Xenia: It sure is!

Lola: I love shopping at the mall too.

Laney: Same here. But it's books I like to shop for.

Me: Yep.

Octavia Melody: (British Accent) I love good shopping myself as long as it's for material for getting some good music.

Vinyl Scratch: Same here and I love good rave music too.

Me: All of us love your music ourselves.

Nic: We sure do. Octavia, I want to thank you, Roman Torchwick, and your teams for coming.

Octavia Melody: It is my pleasure Nico and it is going to be so fun and amazing to help you all.

Me: It sure is.

Gabrielle Vickingston: I'm ready for some fun in the music.

Qin: Yeah!

Nico: Gabrielle, remember when I first met you?

Gabrielle Vickingston: How can I forget. You and Qin went to an awesome concert that I did.

Me: What was your band called?

Gabrielle Vickingston: We were called the Meloetta Sirens. Me and my sisters Valencia, Callie and Rhonda Vickingston are a quartet of gene-slammers for Meloetta and Mermaids and we traveled the world and did it all with all kinds of great songs.

Qin: That was an awesome band.

Nico: Yeah. Gabrielle even had me and Qin up on their stage to perform with them. That was fun.

Xenia: Boy that is awesome.

Lincoln: Just like me and Luna when I was at my first concert with Smooch. It was fun.

Me: Boy that rocked!

Nico: When was that?

Me: It was 4 weeks after I moved in. Me, Varie, and Lincoln, Luna and Clyde were at our first concert for Smooch. It was based on the band KISS which was awesome.

Nico: Wow! No kidding!

Gabrielle Vickingston: Boy that is always unforgettable.

Me: It sure is!

Nico: Yep. And now, you're part of my harem.

Gabrielle Vickingston: I sure am.

Me: Yep.

Sunny Starscout: First concerts are always fun.

Nico: Yep. Wow Scooby had a lot of family history with that collar of his.

Me: No kidding. That collar might be ugly but it was worth a lot of money. What really infuriated me was that the Ghost of Buster McMuttmauler was after it.

Eli: Even though he was never dead to begin with.

Lola: Yeah!

May: He went after Manaphy!

Me: But Manaphy really fought back.

Nico: She sure did! I guess those experiences with Officer X really came in handy and made them not go through the same thing twice.

Lola: That is for sure!

Camie: Yeah no kidding.

Zarya Moonwolf: At least that so-called ghost kicked the bucket.

Me: Yep.

Juran: What happened to the collar?

Me: Scooby put it in the vault. Our vault.

Nico: That's wise.

Me: Yep. I just can't believe that the real Buster McMuttmauler is out to kill all the Doo's! What a jerk!

Nico: Why is he out to do that?

Me: The Doo Family stopped him before and he vowed revenge on them.

Fluttershy: Not on my watch!

Me: That is for sure! You make Fluttershy mad and you're going to wish you were never born as you get a nasty dose of the stare.

Nico: That is no fucking lie there!

Gaon: What about the bulldogs?

Laney: We now have a bunch of awesome new pets. They are with us.

Me: Awesome. Bulldogs are awesome and cute.

Nico: They sure are.

Laney: Yeah.

Me: Lets have some more fun at the mall.

Nico: Good idea. Lets buy some usual stuff.

Me: Awesome.

We got to more shopping and it was fun.

We bought everything. We bought jewelry, clothes, toys, games, comics and more.

Later we were at the food court and eating a bunch of really awesome pizzas.

Me: (EATING CHEESE PIZZA) Mmm! Delicious.

Camie: You said it.

I looked at Leni and she looked really tired and sleepy.

Me: Leni are you all right? You look really tired.

Nico: Yeah Leni you look like you didn't sleep good last night.

Leni: (YAWNS) Yeah I feel totes tired.

Nico: Wanna talk about it?

Leni: Okay. (YAWNS) I had a really scary dream.

Me: Uh oh. What was it about?

But then Leni broke down crying and was screaming wailingly.

Ed: (COMFORTS LENI) Aw there there Leni.

Nico: What. Happened?

Natilee: I think this will tell you.

She showed us her sketch of her dream and what we saw was shocking! We saw her running a really successful fashion empire and then it collapsed because a rival company put her out of business and then she spiraled downhill into a terrible depression and was drinking and then she committed suicide by jumping off the Brooklyn Bridge!

WE GASPED!

WE WERE SHOCKED AND HORRIFIED!

Leni was crying hard.

Ed: Oh there there Leni. It'll be all right.

Me: Poor Leni.

Nico: Well, I'm glad the mascots are happy drunks.

Me: Me too. But that is awful! Leni we're sorry about this.

Xenia: Yeah.

Leni: (CRYING HARD) OH THAT DREAM HURTS!

Ed: Oh it'll be okay Leni.

Me: Leni have you been in a terrible creative slump these last couple of days lately?

Leni: (Sniffles) Well now that you mention it… yes I have.

Me: Mm-hmm. Just as I thought.

Nico: How did you know that J.D.?

Me: I've been reading some of Laney's books on Dr. Sigmund Freud's Dream Analysis techniques.

Nico: Wow.

Maria: I should read those.

Nico: Good idea.

Me: Yeah it comes in handy.

Eli: But I also sense that there's a massive energy signal in Leni that's building right now.

Me: Leni is going to transform in the main mission later today.

Leni: Oh wow!

Lincoln: Awesome!

Nico ate some fries.

Nico: Mmm!

Eli: Delicious.

We had a great meal.

Me: (Satisfied) Ahh! So good.

Camie: Yeah.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of Stinkweed has been sighted.

We gasped.

Me: Oh man, a clone of Stinkweed?! Oh, this is gonna stink!

Shaggy: Like, I still remembered him all too well.

Sakura Knudson: I remember that case all too well. Boy, did he stink!

Qin: I checked with the warden and Vincent Thorne is still in prison.

Nico: Good, and since he's got Life without parole, he's never getting out.

Then, Lincoln called the rest of the team and told them of what happened.

Lori: Lincoln told us of the situation, and we're ready to take that monster down.

Me: Without a doubt.

Nico: Yep.

Sakura Knudson: Stinkweed was the star of the movies Vincent Thorne. He was fed up with the Stinkweed Movies and wanted to make Stinkweed look so bad that the studios would stop making them.

Nico: Whoa!

Me: Yep. And I don't blame him.

Lola: Why?

Me: He smelled like rotten garlic for 10 movies.

Eli: Does Stinkweed smell that bad?

Me: HA! He smells as bad as Ed's feet!

Ed: My feet smell good.

Eddy: Shut up Ed.

Me: His stench is so bad that it can turn your stomach inside out.

Camie: Geez!

Gwen Tennyson heard a Pokemon cry.

Gwen: Look.

Then she saw an Arcanine.

Me: Whoa an Arcanine.

Lola: Oh and the poor thing hurt its paw.

We went over.

Arcanine: That stinking weed did this to me.

Me: You mean Stinkweed?

Arcanine: Yeah.

Me: Whoa.

We got to healing him.

Gwen Tennyson: Are you okay now?

Arcanine: Thanks to you guys.

Me: Good.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it

looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical

strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for The Stinkweed clone) AHA! Gotcha! I just spotted The Stinkweed clone, he's 20 yards away, and he's already chasing after the rest of the gang.

Shaggy: What?!

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: He's gonna end up as a stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into

Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Stinkweed clone.

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD!

Nico: (SNIFFS) P.U.! What died in here!?

Edd: GOOD GOLLY ALMIGHTY! WHAT IS THAT HORRIBLE ODOR!? ED!?

Ed: Not I Double D!

Nico: He's right!

We're looking around for the Stinkweed clone and the gems on our 28th Century backpacks glowed and we had on 28th Century Exopacks.

Lincoln: Alright, now if I'm not mistaken, The Stinkweed Clone should definitely be coming right now!

Suddenly, we saw the rest of the gang running towards us, and then, we saw The Stinkweed clone head for us, and Lincoln created a massive indestructible diamond barrier with fire surrounding it that protected all of us and the Stinkweed clone so riled up, he banged his fists hard at it, but the barrier was still standing and his fists were all bruised as he screamed and howled in pain as he got burned.

Eli: Jeez!

Nico: Man, that's painful, and the fire surrounding the barrier really hurt him bad.

Stinkweed Clone: (ROARS) GET OUT HERE RIGHT NOW! I MUST KILL YOU ALL FOR THE MASTER!

Qin: As if, you're not one of Universe 666 Sebastian's creations!

Lincoln: Don't waste your breath on him, Qin, he's still getting his butt kicked.

Lincoln fired a massive diamond ball with water surrounding it, and it hit The Stinkweed clone and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront The Stinkweed clone, who went charging at us.

Shaggy: Like, you know what, you can consider this your final resting place.

Shaggy unholstered his massive Shaggy Rogers' Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Greatsword of Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Justice and transformed into Super Angel-Dark Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel of Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear.

Shaggy: (Divine Echoing Godly Voice of The Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear) And we're also getting some serious payback for chasing us all over the mall and almost ruining Fred's movie.

Me: Save some for the rest of us, Shaggy.

Gabriella Flatula: And me as well.

Me: Okay you walking sack of rotten fertilizer! You're going to be smelling like roses by the time we're done with you!

Nico: YEAH!

Camie: Time for you to smell sweet!

Arcanine charged at him and fired a wave of fire and blasted him down.

Qin: YEAH!

Me: Take that you rotten weed!

Stinkweed Clone: You are the ones that will not stand the horrible smell of Stinkweed!

Xenia: Bring it on!

Stinkweed Clone: You're going to face my wrath!

Shaggy: Like I already saw that one! Isn't that the one where Stinkweed meets the giant Zucchinis?

Stinkweed Clone: No! It's the one where I KILL YOU ALL!

Me: Bring it on you rotten sack of mulch!

She fired a massive blast of fart gas and the stench made the clone hurt all over.

Horsea squirted ink and blinded him.

Me: YEAH!

Lola: He's still a weed! Which calls for fire!

She fired waves of fire and blasted the clone.

Ed: Most of it's from me. And I'm proud of it!

Qin: YEAH! Me too!

Lana: And Me! I never take a bath! And I love it!

Varie: Awesome!

Nico: YEAH!

Suddenly, Gabriella Flatula's dark purple eyes turned neon dark purple and she was surrounded by a green energy aura with stars, gas, phoenixes, and angels, and as she approached the Stinkweed clone, she left green energy, stars, gas, phoenixes, and angels with every step.

Gabriella Flatula: Even if you're just a clone of Stinkweed, you're still just as bad as the real one, but, what makes you even more bad is that you're just a construct created by Alecto Slytherin, and he already paid the price for his crimes, and now, prepare to say goodbye to your miserable life.

Suddenly, Gabriella Flatula was surrounded by a massive vortex of green energy with stars and gas surrounding the vortex, there are phoenixes and angels running and flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at the Stinkweed clone: the red eyes of death.

Me: WHOA!

Nico: Oh, this is gonna get stinky!

Lincoln: Big time! And I've got just the way to kill The Stinkweed Clone along with absorbing him.

But, The Stinkweed Clone went completely mad with rage and charged at the vortex and us as well, but he got hit hard by blasts of really stinky and lethal gas that exploded and sent him flying into a wall. Then, as the vortex faded, Gabriella Flatula emerged, but she was changed forever.

We were amazed by Gabriella Flatula's Super Angel-Gas Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when The Stinkweed Clone saw it, he went mad and ran at her to kill her, but Gabriella Flatula fired a massive barrage of green energy, stars, gas, phoenixes, and angels which hits The Stinkweed clone and sent him flying into another wall, he got back out, but now, he was enraged.

Gabriella Flatula: (Divine Echoing Godly Voice of The Lethal Fart Firestorm Gas Embodiment Phoenix God Angel and Divine Cosmic Eternal Lethal Fart Firestorm Gas Embodiment Phoenix God Angel Love) Alright, you smelly plant monster, you better be ready for one very lethal and stinky defeat.

Suddenly, The Stinkweed clone got hit hard by blasts of moonlight and blue wolf fire.

Lincoln: That certainly wasn't me or you, J.D.

Me: Nope. (Smirks) But, I know one God Sibling capable of that.

Suddenly, we saw a very beautiful and super sexy girl with long midnight blue hair and flower clip in her hair and large midnight blue wolf ears and midnight blue wolf tail, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a dark blue sleeveless crop top, necklace with pearls and dark blue gem for the pendant, dark blue skirt, white bridal gloves, dark blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoats with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive golf greatsword with runes etched on the 7'9" massive, wide, double-edged gold blades, large gold angel faces built into both sides of the hilts, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Michelle Knudson, God Sibling of Moonlight.

Me: Aw yeah, I knew it was her alright! The Wolf Hanyou God Sibling of Moonlight!

Sakura Knudson: It's so good to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your ass and sending you straight to Hell for what you've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well as the sword pendants on his white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust) Even though we know you're not one of Universe 666 Sebastian's creations born from his residual darkness, you're still getting your butt kicked.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, you're going to join Alecto Slytherin in death forever!

Lincoln, Gabriella Flatula, Michelle Knudson, Shaggy, and I went after The Stinkweed Clone, and we fired extremely powerful blasts of rainbow energy, green energy, black and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Stinkweed Clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive

greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Gabriella Flatula, Michelle Knudson, Shaggy, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Stinkweed Clone even more insane and straight to the brink of insanity.

Stinkweed Clone: (ENRANGED GROWL)

The Stinkweed Clone charged right at us completely blind with homicidal rage and fury, but Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Michelle Knudson and Lincoln fired moonlight and blue wolf fire at him and he got burned badly, then, Lincoln fired massive blasts of rainbow fire at The Stinkweed clone, and he was really getting messed up, and Lincoln let out a loud howl and summoned a pack of wolves which brutally mauled and attacked the Stinkweed clone and he got badly hurt. Then, he fired blue fire which burned the stinkweeds off the Stinkweed clone and the odor was gone for good.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The Stinkweed Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his

abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Stinkweed Clone, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Gabriella Flatula's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large green orbs orbiting around her legs, and massive purple angel wings are permanent.

Gabriella Flatula: Now, that was so awesome!

Lincoln: That's another clone of Mystery Inc's enemies down and more to go.

Suddenly, I got jumped on by Gabriella Flatula and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes, and an In Heaven look on my face.

Me: (In Heaven) So… awesome.

I got back up.

Nico: That was one awesome battle.

Lincoln: We took down The Stinkweed clone and I absorbed him, and we also used tons of lightning attacks on him. (To Michelle Knudson) And it's so good to see you again, Michelle.

Michelle Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Michelle Knudson and he hugged her, and Michelle Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his sharper vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing his now larger white wolf ears with rainbow markings on his head, eleven more massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Michelle Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know this awesome wolf girl?

Lincoln: Indeed I do, Eli. Everyone, this is Michelle Knudson, God Sibling of Moonlight, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful moonlight powers and immense control over the powers of the moon, and like me, her favorite animal is the wolf and she's also a Wolf Hanyou. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, Carly, Beth, Natalie, Rachel, Carrie, Alicia, Aurora, Colleen, Natalie, Hayley, Valencia, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, Carly, Beth, Natalie, Carrie, Rachel, Alicia, Colleen, Aurora, Natalie, Hayley, Valencia and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Moonlight, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Nebulonic Gas, Suns, Light Magic, Aurora, Dark Magic, Black Magic, Satanic Magic, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: Whoa!

Me: Yep, she's just as powerful as me and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR THE WRATH OF THE GOD SIBLING OF MOONLIGHT WILL TEAR THEM TO SHREDS UNDERNEATH THE LIGHT OF THE MOON!

Everyone gasped.

Nico: Oh shit, so that means, if they piss her off by attacking her man… !

Lincoln: She's gonna rip them limb from limb, and she's even more powerful and savage than a werewolf, and I should know, we've ripped tons of Flip's musclebound thugs limb from limb, and now that you're here, Michelle.

Lincoln went up to and hugged Michelle Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Michelle Knudson: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Michelle Knudson with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with an white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Michelle Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Michelle Knudson.

Michelle Knudson had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist and he leaned down to her face and kissed her on the lips, but it also got even more passionate when she wrapped her arms around his neck, and Lincoln deepened the kiss and in response and we all cheered for them. When Lincoln separated, Michelle Knudson had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad.

Nico: Kita? You, Ikki and Vice did good yesterday.

Kita: We sure did and it was fun.

Xenia: Yeah! That was fun.

Camie: It sure does.

Lori: Yep. So you literally had the battle at the mall.

Me: We sure did.

Sakura Knudson: Coincidentally we faced Stinkweed at the mall ourselves a while back. It was fun.

Shaggy: Like it was.

Nico: Nice job Arcanine.

Arcanine: Thanks Nico. It was fun.

Poromon: Want some beer?

Arcanine: No thanks. I don't drink.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Oh.

Arcanine: Besides it's awesome I helped out.

Xenia: It sure is.

Poromon: Later, I'll show you guys something I've been working on.

Me: Okay.

Xenia: Yeah.

Camie: Can't wait.

Nico: Who stinks right now?

Eddy: Lumpy and Lana.

Xenia: It's true.

Lana smelled herself and she loved it.

Patrick: I smell bad and I love it. I never have washed myself and never will.

Me: Patrick you are disgusting

SpongeBob: You should've seen me and Patrick when we ate that sundae.

Lily: UCH! That was disgusting! That sundae smelled horrible!

Me: Smelled worse than puke!

Xenia: Yuck!

Me: Yeah!

Nico: That wasn't a sundae!

Me: Yeah ketchup, onions and rotten peanuts is a recipe for rotten stench!

Lana: I'll say! That was awesome!

Lily: YUCK!

Nico: A sundae includes ice cream!

Qin: Chocolate Sauce!

Laney: Whipped cream!

Lana: And cherries!

Xenia: Yeah!

Me: Especially chocolate!

Tom the chocolate fish: (Offscreen) (INSANE SCREAMING) CHOCOLATE!

Poliwag: Oh for God's sake!

Me: Still funny hearing that.

Qin: Yeah.

Poromon: I hope me and the other mascots never encounter anyone like that!

Nico: I know.

Xenia: Me neither.

Qin: Yeah.

Lola: Yeah.

Poliwag: Don't jinx it.

Poromon: Sorry.

Nico: Wouldn't it be funny if we met another chocolate obsessed person?

Eli: That would be funny.

Xenia: Yeah.

Camie: It sure would be.

Varie: Yep.

Horsea: IF we do, we should run for your lives!

Me: Yep.

Camie: Good idea.

Me: Lets worry about that later.

Eli: Now for the Anothers. (Concentrates) Whoa! Derpy's cutie mark then started to glow.

Me: Derpy's cutie mark is glowing!

Nico: Yeah!

Xenia: Yeah this will be cool.

Nico: There they are!

We saw Another Gazolagezola, Splashing Whale Raider, Olden Pony, Devo the Cursed, Boreas, Toyman, Ringmaster, Captain Memo, Superspeed Sue (Big Hero 6), Juri Han, Banana Boom Boom, IM Meen, Golden Eagle Twins, Infernotron, Antberry and Iceking and they flew at us and then…

Then Another Captain Memo fired a ray blast and it hit May and she got turned into a WHEEL MADE OF CHEDDAR CHEESE!

May: (SCREAMS) LOOK AT ME! I'M A WHEEL OF CHEESE!

Nico: (DROOLS) May I am going to eat you up.

Another Olden Pony: Sorry! My bad!

They merged and she reverted back and was a girl with blond hair and yellow eyes and they were in a goofy crosseye look and she had grey clothes and had grey angel wings and had a tiara with the cutie mark of Derpy Hooves and she had the same symbol on her skirt and had a Cheese Magisword in her hand.

Nico licked May's cheek.

Nico: You taste really good.

Me: She sure does taste Gouda!

Luan: (LAUGHS) Good cheese pun!

Nico ate the cheese around May and got her out.

Nico: Man that one was gouda1

Eddy: (LAUGHS) Funny!

Muffins Derpy Hooves: Yeah sorry about that. I am totally accident prone.

Derpy Hooves: You have the same problems as I do. I crash into stuff all the time because of it.

Qin: She can't help it. It's because of her eye condition.

Muffins Derpy Hooves: I see.

Me: Yeah. By the way is the Another Roman Torchwick friendly or hostile?

Muffins Derpy Hooves: Friendly and she is a really cool one.

Lola: Awesome!

Me: Try to be careful where you aim next time.

Muffins Derpy Hooves: I will.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Awesome!

Camie: That was funny how May got turned into cheese.

Nico: I liked it.

Nico: And now, we wait.

Me: Yep.

Camie: This will be cool.

Varie: It sure will.

Nico: Sorry I licked you May.

May: It's okay Nico. I loved it.

Qin: (LAUGHS)

Nico: Aww.

Cloudkicker: That was a fun one though.

Then Cloudkicker's cutie mark was glowing! That meant only one thing!

Nico: Your cutie mark is glowing!

Cloudkicker: It sure is!

Me: Look!

We saw ANOTHER ROMAN TORCHWICK!

Nico: Whoa!

Me: Another Roman!

Qin: Uh oh.

Another Roman Torchwick: (In a girls voice) I hate being in this form though!

She reverted back and was a girl with blond hair and had purple eyes and purple sports clothes and she had purple angel wings and had a tiara with the symbol of Cloudkicker's cutie mark on it and she had the same symbol on her shorts. She also had a lightning sword.

Connie Cloudkicker: Connie Cloudkicker - Embodiment, Gene-slammer and Legacy of Cloudkicker and a great soccer star.

Nico: Sakura Kuwagata!? Wow!

Sakura Kuwagata: Yep. I got this. Care to help J.D.

Me: My pleasure.

Another Roman Torchwick: I come in peace.

Me: And you go in pieces asshole.

Me and Sakura fired energy blasts and the blasts hit him and he exploded and I caught the ridewatch and purified it.

Me: Awesome!

Roman Torchwick: Seriously, why is it that my first death wasn't similar to that?!

Me: Sorry we just want to make it fun.

Roman Torchwick: I see.

Sakura Kuwagata: Yeah.

Nico: You're naked right?

Sakura Kuwagata: Yes that's right.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Sakura Kuwagata: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and then threw up. Then she fired waves of blades and then they slashed May's clothes into ribbons leaving her in her underwear! She had a black bra and panties on.

Sakura reverted back and she was a girl with red hair and red eyes and had red angel wings and had a symbol of a ninja in front of Mount Fuji flying in the middle of her forehead.

Sakura Kuwagata: (Groans) That hurt. (GASP) Oh my god! Sorry May!

May: I need clothes!

Sakura Kuwagata: Oh man! (Sees herself) SO DO I! EYES TO YOURSELVES PERVERYS!

Rarity: Don't worry darlings. We can fix this.

The fashion brigade gave May and Sakura new clothes. Sakura had a red kimono on and she looked awesome.

Sakura Kuwagata: I look awesome.

Nico: Yeah you do.

May: That's better. Whew.

Nico hugged May.

May: Thanks Nico.

Sakura Kuwagata: Aww.

Me: Do you have any favorite memories of Nico?

Sakura Kuwagata: I sure do. Whe me and Nico were over in Japan and I showed him how to make my family's secret sushi recipe.

Me: Wow! That will be awesome to taste.

Camie: Yeah.

Sakura Kuwagata: Yep.

Nico had Sakura join in with hugging May.

Nico: I've missed you.

Sakura Kuwagata: Same here.

We later went back home.

Lincoln: Ah, we're here in Camp Hawkwood from Camp Nowhere in The Nightmare Room, and I know what we're going to do here, not only am I going to rescue the eight girls here, this time, we're here to help Russell, Charlotte, Dave, and Erin rescue the captured campers of Camp Hawkwood and banish the Native American spirits holding them hostage.

Adrienne Midnight: That's right, Lincoln. In the episode, Camp Nowhere, Russell, Charlotte, Dave, and Erin are here in Camp Hawkwood along with several other kids, but this camp was built on Native American soil, and they're holding the other kids hostage.

Me: Oh man.

Nico: This isn't good.

Lincoln: It isn't, we've got to help Russell, Charlotte, Dave, and Erin rescue the capture campers and cross the Native American spirits holding them hostage to the other side.

Octavia Melody: Right. But, how can we do that?

Lincoln: Amber Mahigan, Audrey Berkeley, and Dakota Maracle have been teaching me a lot about how to exorcise troubled Native American spirits, and they've done many rituals to help the spirits cross over.

Amber Mahigan: That's right, and now, you're about to see it for yourselves.

We headed deep into Camp Hawkwood, and we met up with Russell, Charlotte, Dave, and Erin who already told us of the situation. Then, we headed into the center of the camp and Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds, and he began drawing The Six Nations of the Grand River Iroquois Tree of Peace symbol into the dirt.

Then, Lincoln began chanting an ancient Iroquois incantation, and the symbol glowed with an intense light and spiritual power, and then, we saw the Native American spirits holding the other campers hostage, and they tried to attack Russell, Charlotte, Dave, and Erin. But, the symbol shined brighter and it began purifying the hostile spirits, and then, they were crossed over to the other side, and the other campers were freed.

Lincoln: That was a close one. Now, onto the next matter, we got word that the Saints' old enemy, Loki, is here, and we're going to take him down and send him to The Masters of Evil.

Mako Pegasus: I knew we'd be facing him.

Suddenly, we saw a very beautiful and super sexy girl with long black hair and red headband, red eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a sleeveless red crop top, necklace with red gem for the pendant, red skirt, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, moonlight, darkness, dark magic, black magic, Satanic Magic, demons, devils, phoenixes, and angels on the coattails and on the back is an inverted pentagram and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel, and with her are the eight girls.

Lincoln: (GASPS) Lilith Balthazar, Demon Queen of Colorado.

Lilith Balthazar: That's right, and I got the girls away from that false god and enemy of The Saints.

?: I was wondering when you would arrive, Lincoln Loud.

We then saw our target, Loki, the old enemy of Athena's Saints.

Lincoln: Loki.

Sylvester: Since we'd found out you've been a member of Athena's Saints when you were eleven, you've dealt with many of their enemies.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln fired gold chains which bound Loki and he sent him to The Masters of Evil. We all cheered as we holstered our weapons and powered down.

Lincoln: That about does it for the hauntings at Camp Hawkwood.

Nico: Yeah. Lincoln, one day, you've got to take us to meet the rest of Athena's Saints.

Me: I'd heard all about them from Athena, and they are indeed powerful.

Lincoln: That's a great idea, Nico, we'll arrange a meeting with the rest of Athena's Saints. (To Lilith Balthazar) And it's so good to see you again, Lilith.

Lilith Balthazar: You too, Lincoln, it's been seven years since we last met, and it's also good to see you, your sisters, and your parents again, J.D.

Me: You too, Lilith.

Suddenly, Lincoln was pounced on by Lilith Balthazar who proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Lilith Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he got up.

Lilith Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Lilith Balthazar and he hugged her, and Lilith Balthazar is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Lilith Balthazar: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Lilith Balthazar, Demon Queen of Colorado, she's my Guardian Angel from Colorado and she's an extremely powerful demon dark angel and queen of a massive demon clan from Denver, Colorado. She's also feared for destroying a massive army of demons brought to Earth by a Satanic worshipper seven years ago. Unlike regular demons, Lilith was born with incredible powers over darkness, superhuman abilities, superhuman senses, and superhuman strength along with the powers, abilities, and superhuman strength of the many demons and Devils of Hell, but none of their weaknesses, and she was also born with massive black angel wings and she's even more powerful than the demons and Devils of Hell, and even Lucifer himself was that afraid of her because her power over demons and devils is greater than even the feared Lucifer himself. As she grew older, she became the first demon queen of her massive demon clan, and she destroyed the Satanic worshippers who menaced her clan. Then, she'd moved to Royal Woods and it's where she met me, and she'd discovered my secret: that I'm a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with me. She also fiercely defended ne from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as we were out at Lake Huron on a moonlit night on a date to show my thanks to Lilith for always defending ne from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, Flip showed up and tried to kill us, but he was no match for us and we pulverized that mutant and wedgied him by his dirty boxers on a tree branch in front of the police station, and after that, we shared a deep romantic kiss underneath the full moon, and as a result, I promised that when I come of age, I will marry her along with the rest of my harem.

Nico: Whoa. So, you're more powerful than the treacherous Lucifer himself?!

Me: And even he feared her that much, he tried to kill her, but Lilith has beaten his game at every turn.

Lincoln: Lucifer's tried and failed to kill Lilith for a long time, and when she got word that we destroyed Lucifer, she knew he'd return to get revenge on us, so she asked Dana Orichalcum to send him to The Black Gates.

Eli: That's really clever.

Lincoln: Nothing ever escapes her, and now that you're here, Lilith.

Lincoln went up to and hugged Lilith Balthazar in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Lilith Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lilith Balthazar with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lilith Balthazar: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lilith Balthazar, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Lilith Balthazar's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Lilith Balthazar had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Kotoko Akiyama, Arisu Komatsugawa, Kasumi Nonomura, Kuzuha Ayanokouji, Yuuko Minamizawa, Itsumi Hayakawa, Misae Sukihara, and Miyuki Shimizu from Hare Hare Harem.

Lincoln: Oh wow, it's Kotoko Akiyama, Arisu Komatsugawa, Kasumi Nonomura, Kuzuha Ayanokouji, Yuuko Minamizawa, Itsumi Hayakawa, Misae Sukihara, and Miyuki Shimizu from Hare Hare Harem.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Kotoko Akiyama: Yes, we're okay, thanks to you.

Then, when Kotoko Akiyama and the other seven girls saw who it was that saved them from Loki of Saint Seiya, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and

Kotoko Akiyama: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kotoko Akiyama: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kotoko Akiyama, Arisu Komatsugawa, Kasumi Nonomura, Kuzuha Ayanokouji, Yuuko Minamizawa, Itsumi Hayakawa, Misae Sukihara, and Miyuki Shimizu with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and we told everyone what happened, and they were glad Lincoln ended the hauntings at Camp Hawkwood. But, they were also shocked to learn the enemy we went after was Loki from Saint Seiya.

But, when Lincoln showed what we did in beating him down and Lincoln firing gold chains that chained him up and sent him to The Masters of Evil, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Lilith Balthazar have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so you guys had to deal with hostile Native American spirits running loose?

Lincoln: Yep, but my training with Amber Mahigan, Audrey Berkeley, and Dakota Maracle on how to exorcise troubled Native American spirits helped us out, and we also took down Loki, another of the

Saints' enemies and sent him to The Masters of Evil.

Nico: He was a tough opponent just like Mako and Lincoln said.

Me: But, we defeated him, and now, he's in The Masters of Evil.

---

After we helped cross over the hostile Native American spirits haunting Camp Hawkwood and took down Loki of Saint Seiya and sent him to The Masters of Evil, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lilith Balthazar saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Lilith Balthazar: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the

powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Lilith, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Lilith Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Lilith Balthazar: I knew it was only a matter of time before he told everyone that story. Oh, I've got a little something for you, Lincoln, I was preparing this before I came to Camp Hawkwood.

Lilith Balthazar took out a glowing energy drink put into a metal water bottle.

Lincoln: What is that, Lilith?

Lilith Balthazar: This is a special energy drink that's meant only for you to drink, Lincoln, since you're a Vampire-Werewolf Hybrid. I made this not only from some local fruits and veggies from a market in Denver, but I also mixed in some muscle growth serums and other ingredients that I had in my possession.

Laney: We'll keep an eye out since we knew of Lisa's experiments in the past.

Lincoln took the water bottle and he drank all of the contents of the glowing energy drink. Suddenly, Lincoln began to feel something happen to him as his deep sapphire eyes glowed even more along with the rainbow iris of his Third Eye.

Lincoln: Hey, what is this? It feels like my body's burning up in a good way, this… , feels really incredible!

Suddenly, Lincoln's rainbow energy aura flared up extremely as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

Nico: WHOA!

Nicholette Torrington: Wait a second. Lilith, those other ingredients you said you have in your possession, please don't tell me that those added ingredients were… !

Lilith Balthazar: Incubi Hormone Growth, Werewolf Muscle Growth Hormones, and Vampire Testosterone Booster.

The Dark World Goth Girls' jaws dropped to the floor!

CLANG!

Eli shut their jaws.

Jackie Wren: Lilith! You knew Lincoln happens to have abnormally high sex drive levels along with his hyperpuberty, those ingredients you added into that energy drink of yours that we call Devil's Brew will increase them infinite fold!

Clara St. Clarice: WHAT THE?!

Giselle Harrington: We already know that Incubi and Vampires are known to be seductive creatures and male werewolves literally have a tendency to breed with females, and with those ingredients permanently inside Lincoln, his abnormally high sex drive levels along with his hyperpuberty have literally increased infinite-fold along with his superhuman abilities and powers!

Dark World Goth Girls: LILITH!

Luna: Ooh! You're in trouble, demon dudette!

Me: I should've known you'd be up to something, Lilith. Usually, she pulls some pretty crazy pranks on the meanest jerks, and they wind up getting humiliated and expelled.

Lincoln suddenly moved with incredibly faster superhuman speed, and in no time, he had his massive arms wrapped around Lilith Balthazar's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss even more. When Lincoln separated, Lilith Balthazar had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad.

Lincoln: I should've known this was your biggest surprise for me, Lilith. Already thinking of having children?

Nico: Uh… oh. You did it now, Lilith, you're really in for a wild night with Lincoln.

Lilith Balthazar: I can't wait.

Girl Jordan: And same with us.

We got a shower afterwards, and then, Lincoln, Chang'e (SMITE), Da Ji (SMITE), Jing Wei (SMITE), Mulan (SMITE), Ne Zha (SMITE), and Nu Wa (SMITE) are heading to Laverra Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Chang'e (SMITE), Da Ji (SMITE), Jing Wei (SMITE), Mulan (SMITE), Ne Zha (SMITE), and Nu Wa (SMITE) are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Chang'e (SMITE), Da Ji (SMITE), Jing Wei (SMITE), Mulan (SMITE), Ne Zha (SMITE), and Nu Wa (SMITE) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Icky Vicky hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that fire-breathing dragon go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that fire-breathing dragon has sent more muscle-bound thugs to kill them.

Chang'e (SMITE): Wow, so this is Laverra Beach. It sure is beautiful.

Lincoln: It sure is, Chang'e, and it's perfect for our first date. Shall we?

Lincoln, Chang'e (SMITE), Da Ji (SMITE), Jing Wei (SMITE), Mulan (SMITE), Ne Zha (SMITE), and Nu Wa (SMITE) dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Chang'e (SMITE), Da Ji (SMITE), Jing Wei (SMITE), Mulan (SMITE), Ne Zha (SMITE), and Nu Wa (SMITE) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Icky Vicky hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Icky Vicky's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Icky Vicky's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, Icky with a V!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Chang'e (SMITE), Da Ji (SMITE), Jing Wei (SMITE), Mulan (SMITE), Ne Zha (SMITE), and Nu Wa (SMITE) and they hugged the girls in their abnormally massive and powerful muscular arms and Chang'e (SMITE), Da Ji (SMITE), Jing Wei (SMITE), Mulan (SMITE), Ne Zha (SMITE), and Nu Wa (SMITE) placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Chang'e (SMITE), Da Ji (SMITE), Jing Wei (SMITE), Mulan (SMITE), Ne Zha (SMITE), and Nu Wa (SMITE) as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chang'e (SMITE), Da Ji (SMITE), Jing Wei (SMITE), Mulan (SMITE), Ne Zha (SMITE), and Nu Wa (SMITE) with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Chang'e, Da Ji, Jing Wei, Mulan, Ne Zha, and Nu Wa from SMITE are in your harem, Linky.

Chang'e (SMITE), Da Ji (SMITE), Jing Wei (SMITE), Mulan (SMITE), Ne Zha (SMITE), and Nu Wa (SMITE) showed the marks Lincoln made on the right sides of their necks.

Neith (SMITE): Wow, that's really incredible.

Jenna: And Icky Vicky had some nerve trying to kill them, that demonic so-called babysitter is just making things much worse for herself.

Serena Logan: I always knew that bitch was and always will be nothing but fucking trouble, and she's just making things worse for himself.

Rarity: And trying to kill Chang'e, Da Ji, Jing Wei, Mulan, Ne Zha, and Nu Wa from SMITE, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that rampaging she-demon should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, she's officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you fire-breathing rampaging she-demon!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Flip, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Icky Vicky's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Icky Vicky's mouth and the funnel was removed. Then, Icky Vicky's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Icky Vicky farted and massive tons of gold, jewels, gems, and other currencies exploded out of her bubble butt like crazy!

Icky Vicky stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you rampaging she-demon!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Icky Vicky's really pissing me off now, if she does this again, I'm gonna shove a grenade down her throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill her, Flip, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure!

Nico: Slimy Spring Galaxy is next.

Me: Ooh! That one was a huge cave.

Nico: Yep.

Carter: Me and Mack will go.

Nico: Okay.

They went in and the simulator activated and they found themselves at SLIMY SPRING GALAXY!

Carter: Wow!

Mack: Amazing!

Nico: Any tips Nicole?

Nicole: (On the radio) Well in this one you just got to swim to get to the star at the end. But there will be enemies.

Nico: Simple.

Carter: Yep.

Nico: It will be interesting.

Mack: This is gonna be gross, isn't it?

Nicole: No it's all mostly a water cave level.

Mack: Oh. That's different.

Nico: Yep.

Mack: Lets do it!

Carter: LIGHTSPEED RESCUE!

Mack: OVERDRIVE! ACCELERATE!

They transformed and were ready!

Nico: Lets be careful.

?: And we'll help.

2 figures came. One was a girl with Green Hair, Green Eyes, Green clothes and had green angel wings and the symbol of the green Power Rangers emblazoned in the middle of her forehead and had the green Dragon Saber on her hip.

The 2nd one was a girl that was a Centaur and she had a green horse body and also was a girl with green hair and green eyes and had green angel wings and had a green shirt and had a tiara with the symbol of Centaur Man on it.

Vina Takahara: Vina Takahara, Embodiment of the Forever Green Rangers.

Callia Centaur: Callia Centaur, Embodiment of Centaur Man.

Carter: Callia! Wow!

Mack: Awesome to see you again.

Callia Centaur: Same here Carter and Mack. Its been a while.

Nico: We can talk more later. Lets go.

They were off.

Nico: So far so good.

Carter: Not for long!

They saw enemies coming!

It was Goombas, eels, Big Urchins and more!

Nico: Here they come!

Carter: Lets get them! V-LANCER! BLASTER MODE!

Mack: DRIVE LANCE!

Nico: (Gets out Roman Torchwick and Techno Pirate's ridewatches) Time for thief and techno power!

Nico activated them and fired waves of energy.

Carter and Mack fired blasts of energy the the blasts hit the said enemies and blasted them.

Callia Centaur and Vina Takahara fired energy blasts and blasted the enemies.

Nico: YEAH!

They got to the end and got the star.

YOU GOT A STAR!

Vina Takahara: That was fun!

Callia Centaur: It sure was!

They all high five!

Nico: How did you meet Carter and Mack?

Callia Centaur: I met Carter when he and the Lightspeed Rescue rangers battled Ceremonial Psyma Beast Halleluyan.

Nico: You must mean Spellbinder.

Callia Centaur: Yeah sorry I like using the Sentai monster names.

Nico: No worries.

Callia Centaur: Yep and that was fun. And I met Mack and his team and helped them battled Moltor and that was fun.

Mack: That was awesome.

Vina Takahara: It sure was. Also I'm sure you met my sisters. Like them I am the embodiment of the Forever Green Rangers.

Nico: Yep.

Vina Takahara: Yep. I am a Mexican Food chef and make great food.

Nico: Cool! Would you two like to join the team?

Callia Centaur: We would be honored.

They left the simulator and we cheered wildly for them.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Sakura Haruno: Okay, Poromon. What do you need to show us?

Poromon: My teacher had me draw these.

Poromon showed the girls and then they gasped and then screamed!

Fu: THOSE GIRLS ARE NAKED!

Me: WHAT THE!?

Nico: WHAT THE FUCK!?

Nicole: OF ALL THE LOUSY NO GOOD MOTHERFUCKING PIECES OF SHIT!

Fu: Poromon, can I ask a question?

Poromon: Sure.

Fu: WHAT THE FUCK, MAN?!

Me: Who is this teacher that told you to do this?

Poromon: His name is Jasper Laurence. He told us to make these for charity.

Me: (GASP) Oh man! Poromon he lied to you!

Poromon: What do you mean?

I went to the computer and showed his info.

Me: He's a pervert of the worst kind and does lies like those all the time.

I revealed that he is a pedophile that has kids make pornographic images of kids to sell.

Poromon was horrified.

Then he screamed in sheer fright!

Nicole: I'll be right back!

ZOOOM!

She went down to the surface and then we heard sounds of brutal fighting!

WHAM SMASH! CRASH! KRASMASH!

She came back with Jasper Laurence all brutally mangled and beaten up badly!

Nico: YOU SHOULD BE ASHAMED OF YOURSELF!

He spat out teeth and blood.

Headstrong: You're fucking sick!

Sheila: You got that right!

Sheila slapped the cuffs on him.

Sheila: You're under arrest for possession, sale and distribution of child pornography..

Jasper Laurence: But I?

Sheila: Tell it to the judge bub!

Me: The federal judge.

Pipes: You okay, Poromon?

Poromon: I'll be fine. Thanks to Nicole.

Pipes: Good.

Camie: What a jerk.

Varie: Yeah.

Poromon: I'm sorry guys.

Me: It's not your fault Poromon.

Xenia: You didn't know this was going on. And you didn't know he was having you do this.

Nico: Poromon. You need to tell me. How many of these did he have you do?

He went and came back with 20,000 pictures of numerous girls.

Sheila: We'll need these as evidence.

Nico: Oh Poromon. It'll be okay.

Sheila took them for evidence.

Sheila: This guy is looking at eternity in the slammer.

Poromon: I swear I didn't know what these were for!

Nico: We know Poromon.

Nicole: Yeah it's okay. You were duped.

Nico: Next time ask what it's for first.

Sandpit: Nico, who shines today?

Nico: Matt and Ty Rux.

Bobbie Fletcher then came.

Me: Hey Bobbie.

Bobbie Fletcher: Hey guys. I have awesome news for you all. The next race is coming up and going to be a race through the Grand Canyon.

Me: The Grand Canyon!? Whoa!

Xenia: That is gonna be fun!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of The Boogey Biker, and he's causing havoc in The Grand Canyon. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of The Boogey Biker, and he's causing havoc in The Grand Canyon.

We gasped.

Me: Now, we got a clone of The Boogey Biker?! Oh boy.

Nico: He's really gonna get it big time!

Rayman: Thank goodness it's just a clone of The Boogey Biker and not Red Herring in that Boogey Biker outfit again.

Leni: True. But, I feel something about to happen to me.

Rayman: Me too.

Nico: (GASPS) You two are going to transform.

Lincoln: Just like what happened to Lori yesterday.

Nicholette Torrington: Yeah, and it also makes sense that Rayman is also going to transform since The Boogey Biker was Red Herring and he has that delinquent jerk as his archenemy.

Nico: Oh man, the fists are gonna fly. Alright, let's head down there and kick that clone's ass.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

Me: Yeah!

Sakura Knudson: Oh man! That was the only time when Fred got it right!

Xenia: Yeah!

Me: I remember that! That was nuts!

Nico: Haven't done a race in a while.

Me: I know.

Qin: This is gonna be fun.

Bobbie Fletcher: It sure will be awesome.

The previous group came.

General Schwarz: Can me, Machinedramon, Black Spider, Mirror Master, Multiplex, Abomination, LaGrange, See-More, Marluxia and Magma go with you guys?

Nico: Sure guys.

Qin: Awesome!

Me: We're going to race through the Grand Canyon and we're going to battle a clone of the Boogey Biker too.

They gasped!

Black Spider: Geez!

Jack Spicer: Nico which gene-slammer do you think you'll meet next?

Nico: Now we get into the robots from Mega Man X2. So Crystal Snail next.

Qin: Ooh! Awesome.

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Thanatos from Saint Seiya, the God of Death, the twin brother of Hypnos, and main servant of Hades, and he wants revenge on Lincoln for destroying Hades. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest, Mako: the figure we sensed is none other than Thanatos, the God of Death, the twin brother of Hypnos, and main servant of Hades, and he wants revenge on me for destroying Hades.

Mako Pegasus: WHAT?! Thanatos, you're the worst! We'll drown you in The River Styx for this!

Athena (Saint Seiya): I should've known Thanatos would show up.

Lincoln: We'll stop him, Lady Athena.

Carla Carmine: That we will. I refuse to let him live another second longer.

Nico: I hope you guys tear him apart in the same way Lincoln and Taylor tore Hades apart. Alright, gang, let's go, we're heading out to destroy that clone of The Boogey Biker.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Thanatos.

Carla Carmine: There's absolutely no way we're letting you run free any longer, Thanatos, you will suffer the consequences for your crimes and for serving Hades.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of The Boogey Biker so that Lincoln can absorb him, and once we got done with him, Lincoln and Carla Carmine are going to destroy Thanatos.

We got our cars ready and we were off to Arizona.

We arrived at the starting line at the Grand Canyon. One of the Seven Natural Wonders of the World. 278 miles long, 18 miles wide and over 6,000 feet deep. Took 18 million years to form it.

Me: The Grand Canyon! Wow!

Nico: So awesome!

Camie: It sure is!

Black Spider: And I didn't even bring a car!

Me: No worries you can ride with one of us.

Black Spider: Thanks.

Camie: No problem.

We looked at the race map and it went all the way from Lake Mead to Lake Powell and we had to race along the Colorado River.

Dash: My kind of race!

Qin: Boy this is gonna be fun too.

Lola: Yeah!

Varie: It'll be fun and awesome!

Multiplex: Think we should inform Red Herring of this?

Laney: Good idea.

We did so and Red Herring appeared.

Red Herring: So the Boogey Biker is here!?

Me: Yep. A Clone of him.

Nico: Yeah.

Fred Jones: Hey guys!

Mystery Inc. Came.

Me: Hey guys!

Velma: So you are here too for this?

Me: Oh yeah we sure are!

Ruckus: The one time you actually dressed up as a monster.

Red Herring: I know! That was crazy! And I did it because I was making a birthday present for my aunt.

Nico: Wow!

Me: I remember that. That was thoughtful of him.

Xenia: It sure was.

Rayman: Even though you're just a clone of Red Herring's disguise, you're still just as bad as ever, and you might as well consider this your last ride, because you're now heading for a long ride straight to Hell, you rampaging biker ghost.

They fired bike shaped ki blasts at Boogey Biker

Lincoln: Take this!

Lincoln punched the clone of The Boogey Biker super hard in the stomach and sent him flying into a wall that cracked and fell apart and he fell flat on his back. Then, Lincoln swung his massive greatsword like crazy and shredded The Boogey Biker Clone like crazy.

BUZZSAW NOISES!

Then, when Lincoln was done, The Boogey Biker Clone was absolutely slashed and brutally beaten and we were laughing hysterically.

Nicole: Sheesh, you tore him apart, Lincoln!

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Boogey Biker's chest, and then, Lincoln began absorbing The Boogey Biker clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Boogey Biker clone, and he banished The Boogey Biker Clone to The Black Gates. Leni and Rayman holstered their massive new greatswords on their backs and powered down and Leni's new body, clothes, weapons, jewelry, accessories, Third Eye, eleven massive and long blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve sea foam green orbs orbiting around her legs, and massive blonde angel wings are permanent, and Rayman's new body, clothes, weapons, jewelry, accessories, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve purple orbs orbiting around his legs, Third Eye, and massive strawberry-blonde angel wings are permanent.

Nico: Good riddance to that rampaging biker ghost.

Leni: That piece of trash totes deserves it.

Rayman: Big time.

Lincoln: Yeah, he deserves it big time. Now, there's one last thing to do and one last loose end to tie up: Thanatos.

?: LINCOLN LOUD, YOU WILL PAY FOR WHAT YOU DID TO LORD HADES!

Lincoln formed a massive indestructible diamond barrier and it was also infused with absorption energy that protected all of us from a barrage of darkness blasts that came from nowhere and hit the barrier, but it stood strong as the darkness blasts hit and they were absorbed and they flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Thanatos, or we will force you out.

A figure came out, and it was none other than Thanatos from Saint Seiya, the God of Death, the twin brother of Hypnos, and main servant of Hades.

Lincoln: Thanatos.

Thanatos (Saint Seiya): You will pay for what you did to Lord Hades, you and Athena's Saints will all pay with your lives!

Carla Carmine: You won't be getting that chance ever, now you'll follow your master to the grave!

Suddenly, Carla Carmine's blue eyes turned neon blue and she was surrounded by a black and orange energy aura with stars, darkness, orange fire, fairies, hummingbirds, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Thanatos, she left black and orange energy, stars, darkness, orange fire, fairies, hummingbirds, phoenixes, and angels with every step.

Carla Carmine: You've got some nerve coming here and coming after Lincoln, Thanatos. Your master got what he deserved for what he's done in trying to destroy humanity and rule the world, and you also are just as guilty as he is, and now, just like Hades, you are also going to pay the price for your crimes.

Suddenly, Carla Carmine was surrounded by a massive vortex of black and orange energy with stars, darkness, and orange fire surrounding the vortex, there are fairies, hummingbirds, phoenixes, angels, and Catoblepas and the Witch of Fate, Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Every, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Past, Fortune Lady Water, Fortune Lady Wind, Fortune Fairy Ann, Fortune Fairy Chee, Fortune Fairy En, Fortune Fairy Hikari, Fortune Fairy Hu, Fortune Fairy Swee, Fortune Lady Carminate, Supreme Fortune Lady Void, and Earthbound Immortal Aslla Piscu flying around the vortex,, and in the vortex is a black phoenix with the Hummingbird Nazca Line on its stomach and red eyes glaring at Thanatos: the red eyes of eternal death.

Carla Carmine has transformed into SUPER ANGEL-EARTHBOUND IMMORTAL ASLLA PISCU AVATAR-FORTUNE FAIRY AND FORTUNE LADY DUEL MONSTERS-GOD-HUMMINGBIRD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA INFERNAL ORANGE FIRE DARKNESS EARTHBOUND IMMORTAL ASLLA PISCU AVATAR FORTUNE FAIRY AND FORTUNE LADY DUEL MONSTERS GODDESS PHOENIX GOD ANGEL OF DIVINE COSMIC ETERNAL INFERNAL ORANGE FIRE DARKNESS EARTHBOUND IMMORTAL ASLLA PISCU AVATAR FORTUNE FAIRY AND FORTUNE LADY DUEL MONSTERS GODDESS PHOENIX GOD ANGEL JUSTICE AND DIVINE COSMIC ETERNAL INFERNAL ORANGE FIRE DARKNESS EARTHBOUND IMMORTAL ASLLA PISCU AVATAR FORTUNE FAIRY AND FORTUNE LADY DUEL MONSTERS GODDESS PHOENIX GOD ANGEL LOVE!

We were amazed by Carla Carmine's Super Angel-Earthbound Immortal Aslla Piscu Avatar-Fortune Fairy and Fortune Lady Duel Monsters-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Thanatos saw it, he went mad with rage and ran at her to kill her, but Carla Carmine fired a massive barrage of black and orange energy, stars, darkness, orange fire, fairies, hummingbirds, phoenixes, and angels which hit Thanatos and sent him flying into a tree, he got back up and he was now really enraged.

Carly Atlas: Incredible, Carla's transformed.

Selene Arcangela: Oh shit, Carla Carmine's transformed?! This is going to end badly for Thanatos.

Lincoln: Without a doubt, we all know and saw what happens to those who cross The Good Avatars of The Earthbound Immortals, it never ends well, and now, he's about to learn that lesson the hard way.

Carla Carmine: (Divine Echoing Godly Voice of The Infernal Orange Fire Darkness Earthbound Immortal Aslla Piscu Fortune Fairy Fortune Lady Duel Monsters Goddess Phoenix God Angel and Divine Cosmic Eternal Infernal Orange Fire Darkness Earthbound Immortal Aslla Piscu Fortune Fairy Fortune Lady Duel Monsters Goddess Phoenix God Angel Love) You said a mouthful. Now, let's get him, Lincoln.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Carla Carmine.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Just like what happened with Hades, you've got some nerve coming back for revenge, and just like your master, you're about to share the same fate as him.

Carla Carmine and Lincoln went after Thanatos, and they fired extremely powerful blasts of rainbow energy, black and orange energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Thanatos, and they exploded with incredible power as they hit him.

Then, Lincoln and Carla Carmine attacked him with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Carla Carmine also did the same by firing black and orange energy slashes from her massive greatsword, and he and Carla Carmine attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this was making Thanatos even more angrier than ever.

Thanatos (Saint Seiya): YOU! YOU! (ROARS)

Thanatos went after Lincoln and Carla Carmine in a fit of insane rage, but Lincoln and Carla Carmine fired rainbow and black and orange energy blasts at Thanatos and they summoned hummingbirds to attack Thanatos and he was really scarred by their furious attack. Then, Lincoln punched him hard in the face as he crashed back first into a wall and landed on the ground on his back.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Thanatos' chest, and then, Lincoln began absorbing Thanatos into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Thanatos, and he banished Thanatos to The Black Gates. We cheered wildly for what Carla Carmine and Lincoln did as they holstered their massive greatswords on their backs and powered down and Carla Carmine's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, large twelve black and orange orbs orbiting around her legs, and massive black and orange angel wings are permanent.

Carla Carmine: This is for all those who've lost their lives thanks to you and your master. Thanks for helping me destroy Thanatos for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Carla.

Suddenly, Carla Carmine wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Carla Carmine's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Earthbound Immortal Aslla Piscu and the Fortune Fairy and Fortune Lady Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and orange fire behind them and we cheered wildly. Then, Lincoln and Carla Carmine sucked in and absorbed the elemental forces and darkness and orange fire and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage on Thanatos.

Lincoln: We faced off against Thanatos, and this was during our battle against Hades seven years ago, and he was just as dangerous as ever.

Nico: He sure was, but you did it, you and Carla both defeated him and you absorbed him, Lincoln, and you and all of us assimilated his powers, strength, and abilities.

Me: You got that right. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person and perfect for Halloween: Anne Dusana.

Selene Arcangela: (GASPS) The Ghost Queen of Colorado?! Oh man, that is so awesome and very perfect.

Me: And I remember seeing her and you guys are going to love meeting her, Anne Dusana is Lincoln's Guardian Angel from Colorado and she's an extremely powerful ghost dark angel and queen of a massive ghost clan from Denver, Colorado. She's also feared for destroying a massive army of dark spirits brought to Earth by a Satanic worshipper seven years ago. Unlike regular ghosts, Anne was born with incredible powers over darkness, superhuman abilities, superhuman senses, and superhuman strength along with the powers, abilities, and superhuman strength of ghosts, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first ghost queen of her massive ghost clan, and she destroyed the Satanic worshippers who menaced her clan. Then, she'd moved to Royal Woods and it's where she met Lincoln, and she'd discovered his secret: that he was a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with him. She also fiercely defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as

Lincoln and Lilith were out at Lake Huron on a moonlit night on a date to show his thanks to Anne for always defending him from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Scoots showed up and tried to kill them, but she was no match for them and they pulverized that old goat and wedgied her by her panties on a tree branch in front of The Lansing Maximum Security Nuthouse, and after that, Lincoln and Anne shared a deep romantic kiss underneath the full moon, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem.

Nico: WHOA!

Lincoln: Yep, she's an awesome force of ghostly justice and hope.

Luna: Plus, there are also other Legendary Halloween Monster Monarchs for Vampires, Mummies, Demons, Ghosts, Zombies, Goblins, Trolls, and Frankenstein.

Nico: Way awesome.

Billy Natson: AND HERE COMES THE WINNERS OF THE RACE! IT'S J.D. VARIE, RAINBOW DASH, LINCOLN, LYNN, SAKURA KNUDSON AND FU!

EVERYONE CHEERED WILDLY!

We went to the winners circle!

Bizarro: And the winners aren't Team Loud Phoenix Storm!

(TRANSLATION: And the winners are Team Loud Phoenix Storm!)

Puppetmon: Nice job, guys!

Captain Boomerang: You guys earned that trophy.

Billy Numerous: You sure did.

Me: Thanks guys! That was so fun!

X Ray: Let's celebrate!

Ironclad: I could go for some grub right now.

Nico: Me too!

Me, Varie, Rainbow Dash, Lincoln, Lynn, Sakura Knudson and Fu got the same trophy and it looked like a crystal canyon and it had an awesome diamond river.

Nico: Boy that trophy looks cool!

Me: It sure is!

Nico: Great job today everyone!

Rainbow Dash: (To the viewers) Boy this was really awesome!

Me: It sure was!

We went back home and went ot Lynn's Table and had a great meal and then later went back home and went to sleep.

I had Solomon Grundy with us for this.

Me: Boy its been years since we were here.

Grundy: Grundy remember being here.

Xenia: Boy Scorpion Ridge is amazing.

Qin: It sure is.

Lincoln: I'll say!

Camie: It's so cool how the rocks look like a real scorpion.

Himiko: I'll say!

Derpy Hooves: I agree there.

Nico: Derpy, I want to thank you, Cheese Monster, and your teams for coming

Derpy Hooves: No problem Nico.

Lincoln: I'm holding on to Derpy's hand because of her condition.

Derpy Hooves: Thanks Lincoln.

Catharina Cheese: (Swiss Accent) I'm for this too.

Camie: What's wrong with Derpy again?

Me: Oh she has an eye condition and it affects her coordination. She can't help but crash into stuff.

Nico: Yeah

Qin: Ouch. I remember.

Me: Yeah and she can't help it. It's incurable.

Lola: Yeah.

Nico: Catharina, what do you like to do in your free time. (Drools) Make awesome cheese?

Catharina Cheese: Oh you bet. And it's fun and awesome being a cheese maker.

Nico: (Drools waterfalls)

Laney: (LAUGHS) Nico loves his cheese.

Xenia: You got that right.

Crimson Napalm: That is for sure! Nico loves his cheese so much.

Varie: Yep.

Me: (LAUGHS) Yep. And Nico what did you expect? Not only is she an awesome cheese maker but she is also the embodiment of the Cheese Dopant.

Nico: (DROOLS) That is so awesome.

Camie: (LAUGHS) Yeah.

Catharina Swiss: (LAUGHS) Yeah that is true.

I then turned Nico's tail and it squeaked like a faucet and it made him stop drooling.

Nico: Thanks J.D.

Me: You're welcome.

Nico: I just can't get enough!

May: Normally when Saiyans had their tails grabbed they lose their power.

Me: I remember Master Goku having the same problem before.

Nico: That's what happens sometimes to Saiyans.

Me: Yep. Boy that was an awesome race yesterday!

Nico: Yeah! And through the Grand Canyon to stop a clone of the Boogey Biker.

Camie: That was so fun!

Sakura Knudson: That was my first ever race with you guys and man that was awesome!

Nico: How did you like it?

Sakura Knudson: I had so much fun on that!

Me: Glad you had fun sis.

Lola: We are too.

Sakura Knudson: Thanks and it was awesome.

Me: Yeah. And we battled a clone of the Boogey Biker. Wow!

Nico: Boy that was the only case back then where Red Herring actually was the monster.

Maria: He did it for a noble cause.

Me: And that was to give his awesome aunt a great birthday present.

Lola: Yeah that was sweet of him.

Lincoln: So even bullies like Red Herring had a soft side.

Lola: Yeah. They sure do. That was so awesome.

Nico: I thought that was awesome of Red too.

Qin: Yeah that was awesome.

Nico: And we got a trophy.

Sakura Knudson: We sure did and it's cool how many awesome trophies you guys got from those races. I like them.

Me: Thanks sis. It was fun.

Lincoln: We always have fun in those races. They are cool.

Nico: Yeah and J.D. that was clever having Seaspray, Tidal Wave and the Sea Transformers go do all that.

Me: Thanks. It was awesome.

Nico: It sure was.

We were walking around.

Me: Boy Scorpion Ridge sure brings back memories.

Maria: It sure does.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that Max, Steve, and Laura, those miserable greedy jerks whom we beat long ago, have broken out of prison, and they want revenge on us.

We gasped!

Nico: So, it wasn't just Boris and Natasha that we had to fight, now we got word that Max, Steve, and Laura, those miserable greedy jerks whom we beat long ago, have broken out of prison as well?!

Me: Those shit heads!

Shaggy: Like, we better take them down and send them back to prison.

Qin: I checked with The Warden, and he told me those jerks escaped thanks to help from Boris and Natasha.

Lincoln: I hope Vypra tears them apart verbally.

Then, Lincoln called the rest of the team and told them of what happened.

Lori: Lincoln told us of the situation, and we're ready to take those greedy jerks down.

Me: Without a doubt.

Nico: And we're going to take down Boris and Natasha as well, those two jerks need a serious thrashing.

Me: Yep!

Nico: I wasn't with you guys when you were here the first time. Can you tell me what happened?

Me: I sure can. It was one day before you joined us.

I went over what happened in chapter 434 and it was awesome.

It starts in the middle of Gotham Royal York. Me, Lincoln, Laney and Lana were flying in the city keeping our eyes open for crime when we sensed a massive increase in energy.

Me: Uh oh.

Laney: I sense it too. There's a massive rise in energy coming from that building there.

Laney pointed to a building.

Me: Lets go!

We flew over and bursted in and we saw Batman 2039 fighting a man made of fiery rock, a man flat as a pancake and a woman made of frozen gas.

Me: Whoa!

Laney: What's going on here?

Lana: I don't know but Batman has his hands full.

Lana fired a blast of ice lightning at the magma man and he turned into a normal rock.

Laney wrapped the flat man in bramble vines and Lincoln swooped in and shut off the machine.

Lincoln flew up to the frozen gas woman and sensed something wrong with her.

Lincoln: Wait a second you're Mary Michaels A.K.A. Freon.

Freon: That's right. I've heard a lot about you Lincoln Loud.

Lincoln: How did you become like this?

Freon: We were experimenting with a Particle Fusion reactor experiment and we were exposed to tremendous levels of radiation that mutated us and turned us into what we are now. My fiancé Michael was turned into a magma man, our lab assistant Stewart Lowe became a two-dimensional rubber man and I became a mass of freezing gas with ice powers. We were forever changed into the Terrific Trio as a result.

Lincoln: This is incredible. Lab accidents are one of the most prominent causes of people getting superpowers. Same with Nuclear Radiation.

Freon: That's right. We later found out that because of the experiment our genetic structure was disintegrating.

Me: (Gasp) How is that possible?

Freon: I don't know. But the data on the experiment said that there is no cure and that we're becoming dangerously psychotic.

Laney: That's awful. There has to be something we can do for you.

Me: There may be a way. I'm gonna use my magic to help you.

(Chants an incantation) Joutegma Norkwoda Menmentima Worka!

I fired a beam of rainbow light at Freon. Deep in her genetic structure, her DNA was mending back together and she was being cured of her psychosis. Her DNA was fixed.

Freon: (Groans) What happened?

I form a water computer mirror and it showed her DNA back together and she was free of psychosis.

Freon: I'm all cured and my DNA is all fixed up.

Me: Yes. I used my magic to help you.

Freon: Thank you J.D.

She hugged me and I was getting cold on my back.

Me: (Shivers) You're welcome. You're really cold.

Freon: I know. I get that a lot.

Me: I believe it.

Laney: Guys look at 2D Man.

Laney moved her vines and we saw that he had disintegrated into fine powder.

Me: Ooh. That must've not felt good.

Lincoln: No kidding.

Freon: Good bye Stewart.

Lincoln: I'm sorry Mary.

Freon: It's all right Lincoln. As far as I know the men I knew died long ago.

Me: Lets go home.

Back at the estate we were watching TV and playing card games and chess. Me and Lisa were playing Go Fish.

Me: Hmm. Lets see. Lisa do you have any 6's?

Lisa: Negative. Go fish.

I draw a card.

Lisa: Do you possess any Kings?

Me: Oh man.

I hand her 3 Kings.

Lisa: Thank you.

She has 2 sets of cards.

Lisa: So how did Freon get her powers of Ice?

Me: She, Stewart Lowe, and her fiancé Mike were exposed to tremendous levels of radiation during a particle fusion experiment and it mutated them and changed them forever. Freon became frozen gas and has ice powers as a result. Mike got fire and magma powers and Stewart got super elasticity despite being turned flat.

Lisa: Fascinating.

Me: Yeah. I was shocked myself. But like I said, Nuclear Radiation and Laboratory Accidents are one of the most prominent causes of people getting superpowers.

Lisa: Indeed. Do you possess any 4's?

Me: Nope. Go fish Lisa.

Lisa drew a card and then the alarm sounded.

Me: Uh oh!

We go to the computer and saw that something is going on over in Scorpion Ridge, New Mexico.

Me: Something's going down over in Scorpion Ridge, New Mexico.

Lincoln: What's that place?

Me: It's called Scorpion Ridge because it has a rock formation in the shape of a Scorpion. The computer is picking signs of Extraterrestrial Activity.

Lori: You mean like Aliens from another planet?

Me: Precisely. Roswell, New Mexico has been known as the sight of extraterrestrial activity. Lincoln, Laney, Freon, Lori, Double D, Ed, Eddy, Hulk, Ben, Hawkgirl, Lana, Starfire you all come with me. According to the computer it says here that Mystery Inc is there too.

Lincoln: Then they must be there to solve a mystery.

Me: Like old times. Lets go!

We set out for Scorpion Ridge, New Mexico.

We arrived and saw that Scorpion Ridge looks just like a scorpion.

Starfire: How are we gonna find Mystery Inc.?

Me: We follow a trail.

I point to tire tracks and they lead into a canyon. We followed the tracks and they went into a cave.

Lori: They literally lead into this cave.

Freon: Looks like we have to go in.

Lincoln: Yep.

We go into the cave and discover something really unusual in it.

Lana: It's all mining equipment.

Laney: It sure is. Who do you think it all belongs to?

Hulk: More importantly, Hulk thinks it belong to people here.

Me: I have a feeling you're right.

On a jackhammer we saw on the tool a yellow powder and it was shining and sparkling.

I take some of it off with my finger and look at it.

Me: Just as I thought.

Lana: What is it J.D.?

Me: It's gold. Someone struck gold here.

Ed: And look at this guys!

We saw a huge vein of gold.

Me: Well I'll be. Someone discovered an active vein right here under Scorpion Ridge.

Hawkgirl: This is a lot of gold.

Me: It sure is Shayera.

Laney: What are they gonna do with all of it?

Me: Probably keep it all for themselves. A valuable find like this belongs in Fort Knox.

Hulk: Hulk agree.

Then we heard a scream.

Me: That's Daphne! Come on!

We run and flew down a tunnel and saw a crane with Fred, Daphne and Velma in a net.

Fred: You three aren't going to get away with this!

Max: Oh, we already have, Fred.

Steve (to Laura): Babe, after the heroes are dead, let's use all this gold to retire somewhere in Hawaii.

Laura: Good idea. Hawaii has so many nice beaches.

With that, Laura and Steve kiss, making Max gag.

Max: Oh, c'mon! You two have to do that right now?!

Daphne: I guess even villains need to have love.

Me: Let them go you dirtheads!

Steve: Well if it isn't J.D. Knudson and his friends.

Me: That's right Steve now let our friends go you filthbrain!

Laura: Not a chance. They came to stop us so we won't have that gold.

Starfire cut them free and brought Fred, Daphne and Velma to us.

Ed became Edzilla and Ben became Armodrillo.

Ben: ARMODRILLO!

Me: A Talpaedan from the planet Terraexcava

Armodrillo: That's right.

Hawkgirl: You three still have all of us to deal with!

Me: That's right Pukeheads!

Steve (chuckles): Oh, we didn't forget about the rest of you. You see, we brought a friend to keep you all occupied.

Laura: And he should be coming right about… now!

The heroes then saw a figure in the shadows moving towards them.

?: Solomon Grundy

Me: Oh no.

Eddy (recognizes the voice): You've gotta be kidding me.

?: Born on a Monday

Hawkgirl: I know that voice all too well.

Eddy: Oh, you've gotta be kidding me!

?: Christened on Tuesday.

Lincoln: That voice is familiar to me.

Eddy: OH, YOU'VE GOTTA BE (censored) KIDDING ME!

The figure steps out of the shadows to reveal SOLOMON GRUNDY!

Grundy: Married on Wednesday!

Me: Cyrus Gold A.K.A. Solomon Grundy!

Max: We called Penguin and Grodd to send him over a while ago. And the best part? He can't die no matter what you punks do to him!

Me: So you 3 are one of the members of the Legion of Doom!

Steve: I'm the only member actually. Laura and Max are just along for the ride. We help collect funds for the Legion.

Me: Hulk, Ed, Ben, you all stop Grundy. We'll take care of his lackeys.

Grundy: Grundy smash heroes.

Grundy is about to punch Velma but Hulk and Edzilla punch him back.

Hulk and Edzilla: NO! HULK AND ED SMASH ZOMBIE MAN!

Hulk punched Grundy in the face and sent him crashing into a cave wall.

SMASH!

Edzilla slammed his tail into Grundy and punched him several times. Armodrillo kicked him and punched in the head and sent him crashing into a cave wall.

BLAM!

Armodrillo threw a boulder at Grundy and it slammed into him.

CRASH!

Max: Grundy's losing!

Steve and Laura then took the drill and revved it up and they went at them and Armodrillo went to the drill and punched it. Destroying it.

SMASH!

Then Shaggy, Scooby and a woman named Crystal and her dog Amber came.

Shaggy: Like what's going on!?

Me: It's a huge fight Shaggy! Steve, Laura and Max are trying to get gold for the Legion of Doom!

Crystal: The Legion of Doom!? I thought they were just in the comics.

Hawkgirl: No they are all too real and they are our most dangerous enemies.

Scooby Doo: Rawkgirl!? Rawesome!

Crystal: Let us help you guys.

Crystal and Amber then touched their peace sign necklaces and in a powerful burst of light they turned into their true forms. They were really aliens in disguise.

Shaggy: Zoinks! Crystal and Amber, you're both aliens?

Crystal: Yes. I'll explain everything later.

They went out and punched Steve, Laura and Max in the faces and knocked them out.

Amber took a steal beam and tied it around them.

Solomon Grundy was beaten.

Me: Cyrus listen to me. You are being used. Steve, Laura and Max are using you like a pawn in their diabolical plans.

Grundy then knew that I was right and he was mad. Steve, Laura and Max woke up and saw Grundy approach them.

Grundy (approaches Steve, Laura, and Max): Fake aliens use Grundy. Now Grundy will crush fake aliens!

Double D: No, Grundy! They're not worth it! Look at them. They're no threat to anyone now. They can't hurt anyone. If you kill them, you'll only prove to be the monster that everyone says you are.

Grundy (calms down): Grundy knows monster when Grundy sees one.

Armodrillo (to Steve, Laura, and Max): It's your choice. You three can either go to jail or you can get torn apart by Grundy, Hulk, and Edzilla. Sure, you three might be put into seperate prisons but it's better then getting beaten to death.

Me: We're also gonna take the gold here and put it in the United States Gold Reserves in Fort Knox.

Lana froze their legs with ice.

Lana: And we're gonna make sure you stay in prison.

Freon: Nice work Lana. Your ice powers are as awesome as mine.

Lana: Thanks Freon.

I approached Grundy.

Me: Cyrus I know you must be in a lot of pain but let me remind you of who you are.

I put my hand on his head and reminded him of who he was.

---

He saw what he really was over 90 years ago.

Decades ago in the 1920s, Cyrus Gold was an infamous gangster operating in Gotham City. After a successful bullion robbery, Gold was betrayed and gunned down by his co-conspirators. They cursed his body with a powerful gris-gris and dumped the body in a swamp with its own mystical properties. Over time, the magic mixed, and Cyrus, who was resurrected as a soulless zombie, rose from the swamp. The only things he retained from his past life were his instinctive lust for wealth, which he continued to hoard even though he had no longer any use for it, and a faint memory that he was "born on Monday". For the latter reason, Cyrus was named Solomon Grundy after the nursery rhyme of the same name.

FLASHBACK ENDS

Grundy: Grundy remember. What happened to men who betrayed Grundy?

Me: They were arrested and sent to Alcatraz. But in the 1946 prison battle they were shot and killed.

Grundy: Grundy has been avenged. Grundy now am dead and I don't belong here. Thank you J.D. Knudson for helping Grundy and now I can finally rest in peace.

He turned into dust and closed his eyes and he disintegrated into a pile of dust.

Me: Now he can go to eternal rest in peace.

Hawkgirl: Yes. I'm glad he's now at rest.

Freon: Same here.

Lana: Me too.

Me: Lets get some shovels.

We did so and dug a deep hole and put all the dust into the hole.

Lana got a rock and carved on it "Cyrus Gold AKA Solomon Grundy R.I.P."

Laney: Perfect Lana.

Lana: Thanks Lanes.

Me: Now that that's taken care of.

We turned our attention to Crystal and Amber.

Shaggy: Like, I don't get it. You're aliens?

Crystal and Amber had their heads down in guilt.

Crystal: I have another confession.

Shaggy: Like I know. You're not a government agent.

Crystal: Well actually we are. But not from Earth. We were sent by our world to investigate signals from your planet.

Amber: Transmitted from the S.A.L.F. station.

Me: Wow! That's amazing. So you were investigating the satellite transmission signals.

Crystal: That's right. We first honed in on your television signals sent years ago.

Velma: Sure that's why you're disguised the way you are. The television broadcasts you picked up were sent back in the sixties.

Me: That explains it. It was back in the Woodstock 1969 era.

Amber: That's correct.

Crystal: We thought all Earthlings dressed this way.

Lana: Actually this is the 21st century.

Laney: We have many styles of clothes from all over the world.

Ben: But that old saying goes. To each their own.

Me: That's right Ben. Crystal we've been to many planets across the galaxy and not just here but also in galaxies all over the universe.

Crystal: That's what we heard J.D. You are widely known all over the universe and you have had a dramatic impact on the planets.

Me: It's not the first time we've heard that.

Lincoln: Yeah.

Later Crystal and Shaggy, Scooby and Amber were now a couple. It was a pleasant sight. We then mined all the gold out of the mine and put it all on a cart.

Steve, Laura and Max were arrested.

Steve: And we would've gotten away with it too if it weren't…

Officer: Quiet you!

Me: Enjoy prison you three. Cause you're gonna be there for a really long time.

Fred: Thanks for saving us back there guys.

Me: No problem Fred.

Lana: Those clods deserve to spend every single day of their miserable lives in prison.

Daphne: You'll get no argument from me Lana.

Me: Well we got to go deliver all this gold over to Fort Knox in Kentucky.

Shaggy: Like yeah. That's a good spot for it.

Scooby: Reah.

Me: Take care of yourselves guys. And keep eating Shaggy.

Shaggy: Will do.

In Fort Knox, Kentucky we were at the gates with our newly found gold.

We stopped at a gate and I stood in front of a soldier.

Me: (Salutes) James Dean Knudson of Gotham Royal York requesting to make a deposit in gold for the U.S. Gold Reserves, sir!

Soldier: Proceed soldier. Thank you for your deposit.

I nod and the gate opened and go in. I had $500,000,000,000.00 in gold.

General: Where did you find all this gold soldier?

Me: Found it in Scorpion Ridge, New Mexico while investigating signals of Extraterrestrial Activity, sir!

General: Good work J.D. Thank you for bringing it to us.

Me: You're welcome General.

We salute and I left.

Steve, Laura and Max were each placed in three prisons for Life Without Parole. Max was placed in the Antarctica Prison, Laura was placed in the Mariana Trench Prison and Steve because he's the Mastermind was placed into the Moon Prison.

When I was done everyone that hadn't heard about it was shocked, amazed and in awe.

Twilight Sparkle: WOW! So that's how Shaggy met Crystal.

Lola: Yep that was awesome.

Me: And it's how we helped Grundy cross over.

Grundy: Grundy remember that. That was amazing.

Nico: That is amazing. So that is what lead to the battles between you guys and the Legion of Doom?

Me: That's right. The Legion of Doom was really pissed at us because they thought that we killed Grundy. When in actuality we didn't.

Grundy: Grundy told Legion and they felt bad for it.

Nico: Wow.

Hawkgirl then heard a Pokemon cry.

She saw a Pidgeot.

Hawkgirl: A Pidgeot.

Nico: Wow! Oh and the poor thing hurt its wing.

Pidgeot: Yeah.

Hawkgirl: We'll heal you up.

We got to healing it.

Pidgeot: Thank you.

Hawkgirl: You're welcome.

Nico: Wanna come with us?

Pidgeot: Sure.

Me: Awesome.

Nico: What can you tell us about Steve, Laura and Max?

Me: Well these guys are greedy to the Nth Degree. They found an unearthed vein of gold hidden here under Scorpion Ridge and they wanted to mine it all for themselves.

I went over their history.

Steve is one of the three main antagonists of the Scooby-Doo franchise's eighth feature film Scooby-Doo and the Alien Invaders. He is a member of SALF, an organization made for the pursuit of aliens and disguised himself as an alien to raid the gold underground.

He was voiced by Mark Hamill, who is famous for voicing The Joker in the DC Animated Universe.

He works for SALF with his two colleagues Max and Laura. Steve is first seen in the station when Max heard something strange from the monitors. He and his friends are convinced that they're in contact with aliens. When the gang came across the station, Steve and his colleagues welcome them. As they talked, Velma saw some mud on his shoes (including the shoes of his colleagues), which makes her suspicious about them. As they spoke, they tell the gang that they might be in contact with aliens since they heard something on the monitors.

Steve and his friends then disguised themselves as aliens. They scared Scooby and Shaggy by abducting them, just before meeting Crystal and Amber, but when the gang enter the mine, Steve, Laura, and Max have their cover blown by Velma and their accomplices go to search for Shaggy and Scooby. Then, they finally revealed that they discovered the mine was full of gold and they wanted to use it for their own interest.

With the rest of the gang still their prisoners, the Fake Military Police Officers come back and tell them that they found real aliens, which they think was a hallucination because he, Laura, and Max are the aliens, but they realize that they were telling the truth. Realizing the aliens are far more valuable than the gold mine, Steve tries to capture Crystal and Amber with his bulldozer, while Laura tries to pry Max and their henchmen free, but thanks to Shaggy and Scooby, their plan fails as they both crash their bulldozer into his, causing it to topple and roll over, much to his discomfort.

Steve and Laura tried to escape the cave, but the gang manages to trap them with a net. The three SALF members and their henchmen are arrested by the police, Steve saying the ever popular cartoon phrase, "We would've gotten away with it if it hadn't have been for those meddling kids!", only for the police officer to furiously silence him as they're put into the van and sent to prison.

When I was done everyone was shocked!

Applejack: Why those greedy hoodlums!

Xenia: Yeah!

Me: They deserved to be sent to prison.

Qin: Yeah!

Me: They got sentenced to life in federal prison with no possibility of parole.

Xenia: Geez!

Me: Yep. And we mined the gold and I deposited it into Fort Knox.

Camie: Nice.

Manaphy: I was the only one of the mascots back then.

May: You sure were.

Poromon: That is amazing that you were the first mascot.

Nico: Yep.

Lola: That was awesome for all of us.

Qin: Yep. How much was all that gold?

Me: Five hundred billion dollars.

Nico: Wow! That's a lot.

Me: Yep. Without a doubt that Steve, Laura and Max are coming to finish what they started. But they are in for the ultimate shock when they see all their gold gone.

Nico: It's not even there anymore.

Me: Nope. It's right down here.

We went through a cave and we found the equipment and the walls were smashed.

Me: This is where we found the gold and their equipment.

Camie: Wow.

Nico: Amazing.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began

shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Boris, Natasha, Max, Steve, and Laura) AHA! Gotcha! I just spotted Boris, Natasha, Max, Steve, and Laura, they're 200 yards away down that cave, and those three are still out to kill us.

Me: I'm gonna mash those three greedy shitheads into paste!

Nico: And we're sending Boris and Natasha right to Vypra when she comes

Lincoln: I've got some rockets to tie Boris and Natasha to. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red

tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Boris, Natasha, Max, Steve, and Laura.

We were walking through the cave and we're looking around for Boris, Natasha, Max, Steve, and Laura.

Lincoln: Alright, now if I'm not mistaken, Boris, Natasha, Max, Steve, and Laura should definitely be coming right now!

Suddenly, we saw the rest of the gang running towards us, and then, we saw Boris and Natasha heading our way. Lincoln grabbed those two jerks and tied them up.

Nico: Boris and Natasha.

Lincoln: I hope Vypra chews you two criminals out for what you did!

Nico: They've done some pretty nasty things before, but freeing Max, Steve, and Laura from prison, this is considered the lowest and nastiest they've done!

Me: It's definitely a punishment worthy for them. Now, let's get after those shitheads!

Nico: Is this the first time you two are meeting us?

Natasha: (Russian Accent) Yes and we will make you suffer!

Boris: (Russian Accent) That's right!

Me: Boy I remember seeing you guys do everything you could to try and destroy Rocky and Bullwinkle.

Sakura Knudson: Boy that brings back so many memories. I loved watching you guys get thrashed by them back when I was a little girl.

Me: Good times.

Nico: Tell you what. You two tell us where those 3 are and we'll give you candy.

Natasha: Candy? Oh boy!

Me: Boy that was easy.

Boris: We can't resist sweets. Okay they are right down that cave. Coming for you.

Nico: Thanks.

Lincoln: Looks like we don't have to wait long. Here they come!

Then, we saw Max, Steve, and Laura heading for us, and they were out for blood. Lincoln created a massive indestructible diamond barrier with fire surrounding it that protected all of us and Max, Steve, and Laura got so riled up, they banged their fists hard at it, but the barrier was still standing and their fists were all bruised as they screamed and howled in pain as they also got burned.

Eli: Jeez!

Nico: Man, that's painful, and the fire surrounding the barrier really hurt their fists bad.

Lincoln: They deserve it after what they've done.

Lincoln fired a massive diamond ball with fire surrounding it, and it hits Max, Steve, and Laura and sent them flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront Max, Steve, and Laura, who went charging at us.

Shaggy: Like, you know what, you can consider this your final moment of freedom.

Shaggy unholstered his massive Shaggy Rogers' Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Greatsword of Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Justice and transformed into Super Angel-Dark Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel of Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear.

Shaggy: (Divine Echoing Godly Voice of The Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear) And we're also getting some serious payback for everything you tried to do the gang and to my girlfriend!

Me: Save some for the rest of us, Shaggy.

Qadira Quicksand: And us as well.

Me: Hello you three. Long time no punch.

Laura: YOU!

Me: That's right! Us! The very team that kicked your butts back… lets see. I think it was back 5 years ago.

Laura: You're gonna get it for locking us up! It doesn't matter if you're teaming up with… (to Nico) I'm sorry. I don't believe we've had the pleasure of meeting before.

Nico: I'm Nico Chan. I joined up a day after you 3 were locked up.

Me: Lots of things have happened ever since we kicked your butts back then. We grew in numbers and more since then. Didn't watch us on TV in prison?

Max: We didn't have TV's in our cells!

Steve: They said traitors like us don't deserve anything! We were locked up in Solitary confinement!

Nico: You had it coming!

Me: You should have been doing your jobs at the SALF dishes instead of mining for gold!

Pidgeot charged at them and pecked them and then blasted them with a wind blast and blew them into a wall.

Xenia: Take that!

Qin: Oh and don't worry about the gold.

Max: Where is it!?

Me: We mined it and deposited it into Fort Knox.

Nico: Good luck trying to get it out of there.

Max then saw a certain someone and paled.

Max: (nerously smiles) Oh. Hey, Grundy. Well, looks like you got brought back to life. So, how about we let bygones be bygones, huh?

Max then tried to run only for Grundy to grab him

Grundy: Grundy not happy with you for abandoning Grundy.

Me: Shouldn't have done that to him.

Camie: Yeah.

Lola: Now he is in hot water.

Grundy: GRUNDY SMASH!

SMASH SMASH SMASH SMASH SMASH SMASH!

Xenia: Take that!

Qin: And this!

Qin went and grabbed Laura and bashed her all over with intense fury!

Grundy: GRUNDY SMASH!

SMASH SMASH SMASH SMASH SMASH SMASH!

Xenia: Take that!

Qin: And this!

Qin went and grabbed Laura and bashed her all over with intense fury!

Taro: (To Laura) If you had any sense, you'd stand down.

Laura: NEVER! Not until you all pay for what you did to us!

Qin: Then you brought this on yourselves.

Taro fired his Donblaster and blasted Laura, Steve and Max all over.

Fluttershy: YOU! GREAT! BIG! MEANIES! (SCREAMS)

Me: UH OH!

Fluttershy then flew at Steve and bashed him all over in his face and really let him have it!

Then she rolled and smashed him onto the ground left and right and spun around fast and threw him into the air and flew after him and bashed him more in his face and then bashed him all over with intense brutality! She then bashed him into the ground and Max was a MASSIVELY BRUTALLY MANGLED UP MESS!

Me: HOLY CRAP!

Xenia: BRUTAL!

Nico: They didn't even hurt any animals. Yet.

Lola: No but to Fluttershy all life even the Earth is sacred.

Fluttershy grinned nervously.

Lincoln: Way to go Flutters!

Derpy Hooves: Yeah! Way to go!

Camie: Yeah!

Cheese Monster: As a fellow Scooby Doo Monster, I'll attack next.

He fired waves of cheese and drenched them!

Camie: Take that!

Varie: And Nico don't even think of licking them.

Qin: I agree there!

Nico: Okay okay that would be gross.

Poromon: Can I lick them?

Nico: Go for it.

He went and did so and it was funny.

Camie: Okay that is awesome.

Lola: Yeah.

Juri (Yu Yu Hakusho): That is awesome and fun.

Camie: It sure is.

Poromon licked Laura's cheek.

Poromon: Yummy!

Laura: (LAUGHS) Okay that felt tasty and fun.

Xenia: Funny.

Qin; It sure is funny.

Poromon licked Steve's cheek.

Poromon: Yummy.

Nico: (LAUGHS) Go guys!

Qin: (LAUGHS) Funny!

Suddenly, Qadira Quicksand's pink eyes turned neon pink and she was surrounded by a sandy brown energy with stars, sand, quicksand, phoenixes, and angels, and as she approached Max, Steve, and Laura, she left sandy brown energy, stars, sand, quicksand, phoenixes, and angels with every step.

Qadira Quicksand: Even though we're not dealing with any clones of Mystery Inc's enemies at the moment, you three breaking out of prison is something we're not going to stand for, and after everything we heard about you, you're heading back to prison where you'll stay there and rot away for all I care.

Suddenly, Qadira Quicksand is surrounded by a massive vortex of sandy brown energy with stars, sand, and quicksand surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Max, Steve, and Laura: the red eyes of death.

Me: WHOA!

Nico: Oh, this is gonna get messy.

Lincoln: I hope she puts them through Hell.

But, Max, Steve, and Laura went completely mad with rage and charged at the vortex and us as well, but they got hit hard by blasts of sand that exploded and sent him flying into a wall. Then, as the vortex faded, Qadira Quicksand emerged, but she was changed

forever.

Suddenly, Qadira Quicksand's massive golden greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of sandy brown energy, stars, sand, quicksand, phoenixes, and angels, and when it emerged, it was transformed into Qadira Quicksand's Cosmic Eternal Sandstorm Quicksand Dopant Phoenix Angel Greatsword of Cosmic Eternal Sandstorm Quicksand Dopant Phoenix Angel Justice, it's a brand-new massive greatsword with embedded orange gems and the Quicksand Dopant symbol etched on the 7'9" massive, wide, double-edged gold blade, large gold phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large orange gems embedded in their foreheads, longer midnight black handle, four large gold phoenix heads with orange gems for eyes and on the bottom of the large gold phoenix heads is a large gold phoenix head with orange gems for eyes and orange gem in its mouth for the pommel, Qadira Quicksand has on her large gold Bracers of The Champions of The Universe with large brown gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with a gold phoenix head with brown gems for eyes and large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a brown kanji with sand drops in between the kanji below the Quicksand Dopant symbol that said, "Qadira Quicksand, Embodiment of The Quicksand Dopant, Warrior and Master of Quicksand, True Immortal and Powerful Warrior of The Universe, Loving Future Wife of James Dean Knudson, Archenemy of Quickspine, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Sand, Quicksand, Phoenixes, and Angels"

Serena Honoua: But, not before I also transform as well and I'm so looking forward to making you three scream in agony and pain.

Me: Oh, this is gonna be good.

Suddenly, Serena Honoua's blue eyes turned neon blue and she was surrounded by a red and yellow energy with stars, fire, flames, phoenixes, and angels, and as she approached Max, Steve, and Laura, she left red and yellow energy, stars, fire, flames, phoenixes, and angels with every step.

Serena Honoua: Everything I heard from J.D. about you three is true, you three are nothing but rotten selfish good-for-nothing crooks who don't care about anyone except for your own selfish greed, Boris and Natasha made a huge mistake busting you three out, and they're already getting told off by Vypra. Okay, then, it's time for a major asskicking!

Lincoln, Qadira Quicksand, Serena Honoua, Felicia Knudson, Shaggy, and I went after Max, Steve, and Laura, and we fired extremely powerful blasts of rainbow energy, green energy, black and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental

Then, we attacked them with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Qadira Quicksand, Serena Honoua, Felicia Knudson, Shaggy, and I attacked them hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Max, Steve, and Laura even more insane and straight to the brink of insanity.

Max, Steve, and Laura: (ENRAGED GROWL) WE'LL FUCKING KILL YOU ALL!

Max, Steve, and Laura charged right at us completely blind with homicidal rage and fury, but Nico fired waves of energy, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit them and slashed at them with his dark greatsword, Felicia Knudson and Lincoln fired blasts of fire and explosives at them and they got burned badly, then, Lincoln fired massive blasts of rainbow fire at Max, Steve, and Laura, and he was really getting messed up, and Lincoln let out a loud howl and summoned a pack of wolves which brutally mauled and attacked Max, Steve, and Laura and they got badly hurt.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal

Lincoln used a dark magic spell.

Lincoln: (CHANTING AN INCANTATION)

(LUNA'S FUTURE PLAYS)

Lincoln: (SINGING DIVINELY AS DARKNESS AND DEMONS AND DEVILS SWIRL AROUND HIM) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Max, Steve, and Laura, Now the future is a cold nightmare!

Our spines literally had ice running down them, and Lincoln chanted a dark magic spell and he fired three blasts of darkness and demons which hit Max, Steve, and Laura, and they let out bloodcurdling screams as Stars of Satan appeared on their foreheads, and their eyes turned black and they let out even more bloodcurdling screams as memories of their deeds and greed came back to haunt them, and Lincoln tied them up and sent them to The Uranus Prison and threw them in separate cells in Super-Maximum Security Solitary Confinement. Everyone cheered wildly as we holstered our weapons and powered down, and Qadira Quicksand's new body, clothes, weapons, jewelry, 28th Century Backpack, Third Eye, eleven massive and long brown tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large brown orbs orbiting around her legs, and massive brown angel wings are permanent, and Serena Honoua's new body, clothes, weapons, jewelry, 28th Century Backpack, Third Eye, eleven massive and long red tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large red orbs orbiting around her legs, and massive red angel wings are permanent.

Brittney: I knew Lincoln was going to use one of his dark magic spells and curses for this.

Suddenly, I got jumped on by Qadira Quicksand and Serena Honoua and they kissed me all over the place, and when they were done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes, and an In Heaven look on my face.

Me: (In Heaven) So… awesome.

I got back up.

Nico: That was one awesome battle.

Lincoln: We not only tied up Boris and Natasha and sent them to Vypra, but we also took down Max, Steve, and Laura and sent them back to prison, but not before I cursed them with my Mammon's Dark Greed Vengeance Curse, and I added in some awesome additions. Now, they will be tormented forever by memories of their misdeeds.

Me: Brutal.

Lincoln: They deserved it. (To Felicia Knudson) And it's so good to see you again, Felicia.

Felicia Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, our sisters, Varie, and Mom and Dad again, J.D.

Me: You too, sis.

Lincoln went up to Felicia Knudson and he hugged her, and Felicia Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his sharper vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing his now larger white wolf ears with rainbow markings on his head, eleven more massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Felicia Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli. Everyone, this is Felicia Knudson, God Sibling of Explosions, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful explosion and fire powers and immense control over explosions and she's also a demolitions expert and master of explosives. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, Sophia, Avery, Emily, Abigail, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Evelyn, Marlene, Gianna, Arlene, Melanie, Celine, Clara, Megan, Carly, Beth, Natalie, Rachel, Carrie, Alicia, Aurora, Colleen, Natalie, Hayley, Valencia, Michelle, and Valerie, and just like J.D., Sakura, Helena, Sophia, Emily, Abigail, Avery, Grace, Selena, Maria, Caitlin, Morgana, Lunaria, Marlene, Valerie, Gianna, Melanie, Arlene, Celine, Clara, Megan, Carly, Beth, Natalie, Carrie, Rachel, Alicia, Colleen, Aurora, Natalie, Hayley, Valencia, Michelle, and all of us, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Explosions, but also Fire, Water, Ice, Wind, Lightning, Earth, Lava, Darkness, Light, Crystals, Wood, Stars, Time, Gravity, Nature, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Nebulonic Gas, Suns, Light Magic, Aurora, Dark Magic, Black Magic, Satanic Magic, and Moonlight, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: Whoa!

Me: Yep, she's just as powerful as me and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT OR THE WRATH OF THE GOD SIBLING OF EXPLOSIONS WILL BLOW YOU INTO A MILLION PIECES!

Everyone gasped.

Nico: Oh shit, so that means, if they piss her off by attacking her man… !

Lincoln: She'll blow the jerks apart by throwing sticks of dynamite at them and leave them as scattered body parts, and now that you're here, Felicia.

Lincoln went up to and hugged Felicia Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Felicia Knudson: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Felicia Knudson with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with an white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Felicia Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Felicia Knudson.

Felicia Knudson had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist and he leaned down to her face and kissed her on the lips, but it also got even more passionate when she wrapped her arms around his neck, and Lincoln deepened the kiss and in response and we all cheered for them. When Lincoln separated, Felicia Knudson had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad.

Nico: And Ty? You and Matt did good yesterday.

Ty Rux: Thanks Nico. It was fun.

Matt: It sure was.

Camie: Yep.

Qin: It was awesome.

Me: Yep and Lincoln that was a scary curse you put on them.

Lincoln: It sure was.

Nico: Nice job, Pidgeot.

Pidgeot: Thanks Nico. It was fun.

Poromon: From one bird mascot to another, would you like some beer?

Pidgeot: No thanks. I don't drink.

Poliwag did the Puppy eyes.

Poliwag: Pwetty Pwease?

Pidgeot: Sure. That would be fun.

Camie: Awesome.

Xenia: Yeah.

Grundy: Grundy happy now!

Me: Great!

Tristan: Awesome!

Camie: Yeah! Boy that was awesome!

Xenia: I'm glad those three monsters are locked up again.

Camie: And with a terrible curse on them.

Crystal: Serves them right for going after me.

Me: That is for sure.

Qin: Good riddance.

Me: Their greed ended up becoming their downfall. Now it was all for nothing. Thanks to us EVERYONE knows that there is life beyond Earth. And we are friends with many people beyond Earth and they are happy about that.

Nico: That is too true.

Camie: Yep.

Ax: Including me.

Me: Yep.

Starfire: Including me and my kind too.

Lola: Yeah.

Kara (Di-Gata): That's right and me too.

Arkayna: As well as me and my friends.

Aerrow: And me too.

Me: That's right.

Optimus Prime: Don't forget me and my fellow Autobots.

Nico: I think everyone got the idea.

Optimus Prime: You're right.

Daphne: We get the idea Nico.

Nico: Yeah. Now to battle the Anothers.

Eli: Yep. Lets see. (Concentrates) WHOA! This is gonna be a stinky one! We have Another Cheese Monster, Light Angel Phantom Angelite, Glomburger Cheese, Cheese Reaper, Limburger Cheese Sandwich, Soup Squad, Mysterio, Whiplash, Miranda Frost, Jackson Chappell, Fault Zone, Slug King, Peanut Onion Sundae, Triple Gooberberry Sunrise Sundae, Scrappy Rex, Dr. Fetus, and Hamburger People & Mustard Men

Nico: Oh good god! SpongeBob's sundae!?

Lily: And a Triple Gooberberry Sunrise Sundae? That very sundae that made SpongeBob and Patrick get an ice cream headache hangover?! Whoa! I've always wanted to try one of those.

Nico: So one's an ordinary sundae. The other is gross.

Lily: Yep.

Qin: Oh boy. This is gonna be silly.

Nico: Yep. Who's up?

Me: Derpy Hooves, Catharina Cheese, Crimson Napalm, Hilda Limburger, Cheese Sandwich, Amira Farooqi, Yusei, Devon, Juni Cortez, Yost Wolverine, Gentaro, Gingka, Alicia Apple Bloom, Seline Sweetie Belle, Sina Scootaloo, Dana Diamond Tiara and Silvia Silver Spoon.

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Awesome!

Nico ate all the cheeses and soups. Lana was eating the sundae made by SpongeBob and Lily had the Triple Gooberberry sunrise and it was so tasty and she ate it really fast!

Lily burped!

Lily: Ahh! That was so good!

Nico: Wow!

Lana: I'll say! You made a great sundae SpongeBob!

SpongeBob: You mean the ugly sundae?

Lana: You got that right!

Lana's breath then hit my nose. Then…

May: Ahh. Thanks Maria.

Maria: No problem.

Nico: You okay babe?

Crystal Kurotsuki: Yep. Lets get him.

She fired a blast of light and blasted the Another.

Nico: I'll take it from here!

Nico jumped and ATE THE ANOTHER MONSTER IN ONE BITE!

Crystal Kurotsuki: Nico sure loves his cheese!

Qin: Yep.

Gary Slithered over to her.

Gary: Meow.

Crystal Kurotsuki: Hey Gary.

SpongeBob: (LAUGHS) Gary likes you because you're a fellow snail.

Nico: Yep.

Me: Sorry to ask but…

Crystal Kurotsuki: I am naked yes.

I put on my blind man glasses and Nico and the boys covered their eyes.

Me: It's going to hurt.

Crystal Kurotsuki: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and threw up and then she reverted back and was a girl with purple hair and had blue eyes and had extra eyes on stalks on her head and she had purple angel wings and had a symbol that looked like a crystal with a snail in front of it.

Crystal Kurotsuki: (Groans) That really hurt. (Sees herself) GaH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her an awesome purple outfit and she had an awesome crystal sword.

Crystal Kurotsuki: Wow! This is cool!

May: And I didn't get hit!

Crystal Kurotsuki: I agree there!

Qin: Yeah!

Catharina Cheese: Do you have any favorite memories of Nico?

Crystal Kurotsuki: When me and Nico had a grilled cheese sandwich eating contest and we tied. First ever.

Qin: I remember that.

Xenia: (LAUGHS) That is awesome!

Me: Boy no kidding!

Nico: Yep. I'd hug you but I'm too fat and full to do so.

Crystal then hugged him but then…

LOUD LONG FART!

Nico released a massive loud long fart and he deflated like a balloon!

Nico: (BLUSHES IN EMBARRASSMENT) OH Pardon me!

Crystal Kurotsuki: No worries.

Poliwag: That's one way to lose weight!

WE LAUGHED!

Nico and Crystal hugged.

Nico: I've missed you.

Crystal Kurotsuki: Me too Nico.

We later went back home.

Lincoln: Looks like we're back in The Nightmare Room, and I know what we're going to do here, not only am I going to rescue the four girls here, this time, it's to help Alex Sanders break the time warp that he's been caught in thanks to the diary in his new desk.

Adrienne Midnight: That's right. In Dear Diary, I'm Dead, that mysterious diary that was in Alex Sanders' desk predicted his death, and in the end, the diary not only predicted his doom, but it also made sure he doesn't have a future. Alex was eventually caught in a time warp and is forever doomed to relive the pages of the diary over and over as a permanent resident of The Nightmare Room.

Me: Oh man.

Nico: This isn't good.

Lincoln: It isn't, we've got to help Alex Sanders break the time warp and destroy the diary.

Derpy Hooves: Right. But, how can we do that?

Lincoln: This is serious dark magic we're dealing with, so I've got a spell to destroy the time warp and it'll also destroy the diary forever.

We met up with Alex Sanders and he got out the diary in the desk, and Lincoln chanted an incantation and fired a beam of light which hit the diary and destroyed it along with ending the time warp forever.

Lincoln: That was a close one. Now, onto the next matter, we got word that Herrscher of the Void from Honkai Impact 3rd is here, and I also got huge news: Mako, your brother and the rest of Athena's Saints are here.

Mako Pegasus: Wait, my brother's here? Along with the rest of Athena's Saints?! Awesome!

Suddenly, we saw a very beautiful and super sexy girl with long black hair and white headband, red eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black short-sleeved blouse, sleeveless white crop top, necklace with dark blue gem for the pendant, black skirt, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, moonlight, darkness, dark magic, black magic, Satanic Magic, ghosts, phoenixes, and angels on the coattails and on the back is an inverted pentagram and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel, and with her are the four girls.

Lincoln: (GASPS) Anne Dusana, Ghost Queen of Colorado.

Anne Dusana: That's right, and I got the girls away from that genocidal deity, and Mako's brother, Pegasus Seiya and his team, are already busy fighting her.

Lincoln: Let's give them a hand. Mako, shall we?

Mako Pegasus: Of course.

Suddenly, Lincoln's gold chestplate on his chest harness glowed with gold light, and then, Lincoln was adorned in his Thunderbird God Cloth with elaborate gold armor and gold mask and his massive white angel wings were covered in gold armor, and Mako Pegasus adorned herself in the white and blue version of Pegasus Seiya's Pegasus Cloth.

Lincoln: Alright, let's get going and help Pegasus Seiya and his team with Herrscher of the Void.

Me: This is so going to be awesome!

Nico: And we also get to meet Pegasus Seiya and his team as well, and they also knew Lincoln who also happens to be a member of Athena's Saints. Just how many other surprises does he have to share with us?

Me: We've only just begun, Nico.

We flew off, and there we saw our target, Herrscher of The Void, and she's already fighting against Pegasus Seiya, Dragon Shiryu, Cygnus Hyōga, Andromeda Shun, and Phoenix Ikki.

Lincoln: There they are. Let's give them a hand.

Lincoln fired a blast of Cosmos which hit Herrscher of the Void real hard.

Pegasus Seiya: Lincoln? Mako?

Lincoln: Hey, Seiya, is this private or can the rest of us join?

Pegasus Seiya: Nice to see you guys again, and you also brought the rest of Team Loud Phoenix Storm with you?

Me: That he did, and it's an honor to meet you, Seiya.

Pegasus Seiya: Same here, J.D., but we'll have to save the chit-chat for later.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into Herrscher of The Void's chest, and then, Lincoln began absorbing Herrscher of The Void into his body as he and all of us assimilated all of her godly powers, superhuman strength, and superhuman abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Herrscher of The Void except for her clothes, and he banished her to The Black Gates. We all cheered as we holstered our weapons and powered down and Lincoln's Thunderbird God Cloth and Mako's Pegasus God Cloth came off and changed back into a Thunderbird and Pegasus.

Lincoln: That's it for Herrscher of The Void.

Phoenix Ikki: You got that right, and it's great to see you and Mako again, Lincoln, but you've really grown a lot.

Dragon Shiryu: It has been seven years since we last met, and you were only a kid back then.

Lincoln: I've grown and evolved a whole lot in the seven years since we last met, and after we defeated Hades back then.

Andromeda Shun: It has.

Mako Pegasus: And Hades came back after we defeated him seven years ago, but he was still no match for us, Lincoln, Taylor Kamiyama, and I defeated him for good and Lincoln banished him to The Black Gates forever.

Pegasus Seiya: Lady Athena told us about that, and good riddance to Hades for good.

Nico: After everything Lincoln told us about him, he deserved it.

Lincoln: You said it. (To Anne Dusana) And it's so good to see you again, Anne.

Anne Dusana: You too, Lincoln, it's been seven years since we last met, and it's also good to see you, your sisters, and your parents again, J.D.

Me: You too, Anne.

Suddenly, Lincoln was pounced on by Anne Dusana who proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Anne Dusana was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he got up.

Anne Dusana: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Anne Dusana and he hugged her, and Anne Dusana is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Anne Dusana: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really

grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Anne Dusana, Ghost Queen of Colorado, she's my Guardian Angel from Colorado and she's an extremely powerful ghost dark angel and queen of a massive ghost clan from Denver, Colorado. She's also feared for destroying a massive army of dark spirits brought to Earth by a Satanic worshipper seven years ago. Unlike regular ghosts, Anne was born with incredible powers over darkness, superhuman abilities, superhuman senses, and superhuman strength along with the powers, abilities, and superhuman strength of ghosts, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first ghost queen of her massive ghost clan, and she destroyed the Satanic worshippers who menaced her clan. Then, she'd moved to Royal Woods and it's where she met me, and she'd discovered my secret: that I'm a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with me. She also fiercely defended me from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, and this one time, as we were out at Lake Huron on a moonlit night on a date to show my thanks to Anne for always defending me from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, Scoots showed up and tried to kill us, but she was no match for us and we pulverized that old goat and wedgied her by her panties on a tree branch in front of The Lansing Maximum Security Nuthouse, and after that, we shared a deep romantic kiss underneath the full moon, and as a result, I promised that when I come of age, I will marry her along with the rest of my harem.

Nico: Wow, messing with someone with ghost powers is never a good idea.

Lincoln: But, Scoots never ever learns her lesson, which is why she deserved to be sent to The Black Gates for all the trouble she's caused, and now that you're here, Anne.

Lincoln went up to and hugged Anne Dusana in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Anne Dusana: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Anne Dusana with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Anne Dusana: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Anne Dusana, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Anne Dusana's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Anne Dusana had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Chiharu Mizutani, Kana Fujisaki, Kieri Misa, and Mami Sawada from Tottemo Harem.

Lincoln: Oh wow, it's Chiharu Mizutani, Kana Fujisaki, Kieri Misa, and Mami Sawada from Tottemo Harem.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Chiharu Mizutani: Yes, we're okay, thanks to you.

Then, when Chiharu Mizutani and the other three girls saw who it was that saved them from Herrscher of the Void, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a

Chiharu Mizutani: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Chiharu Mizutani: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chiharu Mizutani, Kana Fujisaki, Kieri Misa, and Mami Sawada with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and we told everyone what happened, and they were glad we ended the time warp Alex Sanders was caught in by the diary, and they were also shocked to find out the villain we went after was Herrscher of the Void from Honkai Impact 3rd who's gotten into a fight with Pegasus Seiya, Dragon Shiryu, Cygnus Hyōga, Andromeda Shun, and Phoenix Ikki.

But, when Lincoln showed what we all did in viciously beating her and Lincoln absorbing her and sending her to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Anne Dusana have a lot of catching up to do, now that she's back in town, and Pegasus Seiya, Dragon Shiryu, Cygnus Hyōga, Andromeda Shun, and Phoenix Ikki were also welcomed as new members of the team.

Maria: Whoa, so Alex was caught in a time warp because of a cursed diary.

Lincoln: He was forced to relive the pages of that diary over and over again thus getting sent to The Nightmare Room.

Me: Yep, but after Lincoln ended the curse, we helped Pegasus Seiya and the Saints take care of Herrscher of the Void.

Nico: And we now have them as new members of the team.

Equuleus Shoko: You said it.

---

After we helped Alex Sanders end the time warp by destroying the cursed diary and meeting Pegasus Seiya, Dragon Shiryu, Cygnus Hyōga, Andromeda Shun, and Phoenix Ikki and destroying Herrscher of the Void, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Anne Dusana saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Anne Dusana: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Anne, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Anne Dusana: That's incredible, and we'd already known just how

strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Anne Dusana: I knew it was only a matter of time before he told everyone that story.

Suddenly, we heard the doorbell ring.

Sumner: Come in.

Helena Knudson went to the doors and opened them, and when we saw who came in, my jaw, along with my mom, dad, and Sakura's jaws dropped to the floor: it was our relatives from Colorado.

CLANG!

Eli closed our jaws.

Sumner: Dad?!

Me: Grandpa?!

Dean Knudson: Hey, how's my son and grandson?

We were literally that stunned.

Patti: Wow, all of you came from Colorado?! What for?

Helena Knudson: As soon as all of us were finally back, we made a plan to call all our relatives from Colorado, and we told them everything that all of us have returned.

Me: Wow.

Patti's Mom: Yep, and we're going to be throwing a huge party at Lynn's Table to celebrate this huge reunion.

Patti: Wait, what?! Uh, Lincoln, did my daughters know about this?

Lincoln: I didn't even ask them, Mrs. Knudson.

Sakura Knudson: I didn't either, but wow!

Nico: A huge party and reunion, this is going to be good.

Eli: This is going to be awesome meeting all of big bro's relatives.

Nico: We met his parents and Sakura, and in the past few days, we met the other God Siblings, and now we're meeting the rest of J.D.'s family from Colorado, and as always: SERGIO CASAGRANDE, YOU'RE FORBIDDEN FROM ATTENDING!

Sergio: (GROWLS)

We got a shower and we went to Lynn's Table, and we were having a really fun time, and Eli, Nico, and the rest of the team talked with our relatives, and my grandparents, cousins, aunts, and uncles on Mom and Dad's side also had their fun clobbering the jerks, and they made Flip curse like crazy.

?: Hey, you starting the party without me?

Suddenly, we saw a very beautiful and super sexy girl with long black hair and light blue headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a sky blue shirt, necklace with dark blue gem for the pendant, sky blue skirt, sky blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, earth, phoenixes, and angels on the coattails and on the back is an inverted pentagram and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel.

Lincoln: (GASPS) Tori Beifong, Gene-Slammer of Motormaster, Crumplezone, Thunderhoof, Breakdown, Nitro Zeus, Underbite, Bonecrusher, Bisk, Grindor, Scowl, Transit, Gold Wubbox, Buzzinga and Knurv.

Toph: Sis?!

Tori Beifong: Yep, that's right, and it's so good to see you and Toph again, Lincoln.

Suddenly, when Marv and Harry saw Tori Beifong, Marv screamed like a little girl and wet his pants!

Lincoln went up to Tori Beifong and he hugged her, and Tori Beifong is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his sharper vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing his now larger white wolf ears with rainbow markings on his head, eleven more massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Tori Beifong: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli. Everyone, this is Tori Beifong, Gene-Slammer of Motormaster, Crumplezone, Thunderhoof, Breakdown, Nitro Zeus, Underbite, Bonecrusher, Bisk, Grindor, Scowl, Transit, Gold Wubbox, Buzzinga and Knurv, she's my Guardian Angel from China and classmate in English, but she's also a beautiful and deadly Earthbender with seismic sense like her sister, Toph Beifong, and only Tori knew this, but Toph and I ended up going on a date together in a restaurant which resulted in us kissing each other on the lips. Tori has black hair, sky blue shirt, and skirt. I made Tori and Toph beautiful necklaces, and to show thanks, they kissed me on the lips, and as a result, I promised that when I come of age, I will marry Toph and Tori along with the rest of my harem. Tori hates The Wet Bandits with a blazing passion, the reason why is because they tried to steal their parents' fortune, only for Toph, Tori, and I to use our Earthbending to flatten them like pancakes and then sent them flying out of here and into the hands of the cops and thrown right back in jail.

Me: Whoa!

Nico: Damn, that's incredible, and that explains why Marv screamed like a little girl again and he wet his pants.

Eli: Wait, that also means Mulan Zhèngyìdòushì isn't the only one with seismic sense.

Mulan Zhèngyìdòushì: (Chinese Accent) That's right, Tori also has that power as well, and I hadn't forgotten about that day she, Toph, and Lincoln used their Earthbending to flatten Marv and Harry like pancakes and send them flying out of the house and into the hands of the police.

Lincoln: You were laughing hysterically when we showed you what we did to those two boobs, Mulan, it was too hilarious, and now that you're here, Tori.

Lincoln went up to and hugged Tori Beifong in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Tori Beifong: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Tori Beifong with sky blue gems on the gold lightning bolts and sky blue crystal links from her merged Crystal Necklace of The Buddha along with an white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Tori Beifong: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Tori Beifong.

Tori Beifong had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist and he leaned down to her face and kissed her on the lips, but it also got even more passionate when she wrapped her arms around his neck, and Lincoln deepened the kiss and in response and we all cheered for them. When Lincoln separated, Tori Beifong had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad.

Flip: UGH, GROSS!

Sebastian eventually let all Hell loose on Flip by summoning demons who tore at him and he bellowed out with pain, and he did the same to NO MA'AM, Peggy Bundy, Bud Bundy, Kelly Bundy, and Marcy D'Arcy as the demons tore into them too.

Sebastian Mendez: That was for trying to kill me back in Chicago in the past, you nasty pigs!

Me: Whoa, I certainly don't want to know what those morons tried to do to you in the past, but given their reprehensible nature and dumb antics in the past, they must've done something to piss you off in a huge way.

After the reunion party and helping my relatives settle into their new home, Lincoln and the Simulator versions of Acxa, Katie "Pidge" Holt, and Amy Gillis are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And the Simulator versions of Acxa, Katie "Pidge" Holt, and Amy

Gillis are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out the Simulator versions of Acxa, Katie "Pidge" Holt, and Amy Gillis all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Icky Vicky hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that fire-breathing dragon go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that fire-breathing dragon has sent more muscle-bound thugs to kill them.

Simulator Acxa: Wow, so this is Seaside Hill. It sure is beautiful.

Lincoln: It sure is, Acxa, and it's perfect for our first date. Shall we?

Lincoln and the Simulator versions of Acxa, Katie "Pidge" Holt, and Amy Gillis dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and the Simulator versions of Acxa, Katie "Pidge" Holt, and Amy Gillis got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Icky Vicky hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Icky Vicky's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Icky Vicky's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, Icky with a V!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to the Simulator versions of Acxa, Katie "Pidge" Holt, and Amy Gillis and they hugged the girls in their abnormally massive and powerful muscular arms and the Simulator versions of Acxa, Katie "Pidge" Holt, and Amy Gillis placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked the Simulator versions of Acxa, Katie "Pidge" Holt, and Amy Gillis as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Simulator versions of Acxa, Katie "Pidge" Holt, and Amy Gillis with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now the Simulator versions of Acxa, Katie "Pidge" Holt, and Amy Gillis are in your harem, Linky.

The Simulator versions of Acxa, Katie "Pidge" Holt, and Amy Gillis showed the marks Lincoln made on the right sides of their necks.

Ets: You can thank me for that one.

Jenna: And Icky Vicky had some nerve trying to kill them, that demonic so-called babysitter is just making things much worse for herself.

Serena Logan: I always knew that bitch was and always will be nothing but fucking trouble, and she's just making things worse for himself.

Rarity: And trying to kill the Simulator versions of Acxa, Katie "Pidge" Holt, and Amy Gillis, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that rampaging she-demon should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, she's officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you fire-breathing rampaging she-demon!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Flip, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Icky Vicky's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Icky Vicky's mouth and the funnel was removed. Then, Icky Vicky's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Icky Vicky farted and massive tons of gold, jewels, gems, and other currencies exploded out of her bubble butt like crazy!

Icky Vicky stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you rampaging she-demon!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Icky Vicky's really pissing me off now, if she does this again, I'm gonna shove a grenade down her throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill her, Flip, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and

soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Luna came in and she looked really tired and she looked like she was about to explode into tears.

Otto Rocket: You Okay Luna?

Me: You look tired. Are you feeling alright?

Then Luna came and sat on the couch and then she broke down crying.

She cried hard and then massive jets of tears erupted out of her eyes and I opened an umbrella and tears bounced off it.

Me: Luna!

Sam S.L.: Luna! Are you alright! What's wrong?

Luna: I HAD A HORRIBLE NIGHTMARE DUDES!

Nico: What was it about?

Luna: I DREAMT THAT SAM WENT ON A HOMICIDAL RAGE AND KILLED EVERYONE IN MY FAMILY AND EVERYONE I KNOW! (WAILING HARD)

WE GASPED IN SHOCK!

Sam S.L.: LUNA I would NEVER do that to you!

Me: Yeah! Sam would never do that to the one person who loved her more than anything!

Nico: You must've been thinking of her fraud parents.

Luna: (Sniffles) Yeah I probably was.

Nico: I've been reading on Dream Analysis techniques too.

Me: Nice.

Stacy Bolton: That is awesome. But Luna you don't have to worry about them. We gave them the black gates.

Sam S.L.: Yeah they are gone forever. I would never be like that!

Nico: They can rot in hell.

Qin: I agree!

Sakura Knudson: Yeah I agree!

Xenia: Good riddance.

Lana: Guys look!

We saw on TV a huge news story!

Katherine Mulligan: This is Katherine Mulligan reporting to you live where 710 Terrorist Factions living under Gotham Royal York have been arrested and the FBI and Law Enforcements all over the city have caught a grand total of 834,323 members of all 710 members of them.

WE GASPED!

Katherine Mulligan: Team Loud Phoenix Storm's ground penetrating radar was able to find them all and the FBI and government arrested all of them.

Stacy Bolton: Did a single person do this?

Me: I don't think so.

Sheila and Tom then came in and they were dripping in sweat they were really exhausted.

Me: Whoa you two are exhausted.

Xenia: No kidding.

Sheila and Tom crashed onto the sofa and they were really tired!

Hotlink: Wanna talk about it?

Sheila: (YAWNS) Yeah it was so exhausting.

Tom Lair: (YAWNS) Arresting all those terrorists took it out of us.

Qin: Boy no kidding.

?: I was the one that helped bring them in.

We saw a girl with pink and green hair and she had green clothes and had red rose angel wings and she had a tiara with a symbol for Plant Man on it and she had a sword plant in her hands.

Piña Colada Plant: Piña Colada Plant, Embodiment of Plant Man.

(THE PIÑA COLADA SONG BY RUPERT HOLMES PLAYS)

Nico: Awesome to meet you Piña Colada.

Horsea: Anyone familiar with her?

Poromon: Me and Nico because she makes awesome Piña Coladas.

Nico: (LAUGHS) Dad loves them.

Poromon: Actually me and CatDog. But it's true for Nico.

Pina Colada Plant: Yep. I make great Pina Coladas. Non-alcoholic versions too for those that don't drink.

Me: Cool!

Cat: And she is a great defender too. She beat up the Greasers too.

Dog: Boy she sure did Cat.

Me: Nice.

Nico: Would you like to join the team?

Piña Colada Plant: I would be honored.

Sweerve: Wait! How did you meet Poromon and CatDog?

Pina Colada: I met Poromon when I was in a restaurant and I treated him to a Pina Colada and beer.

Poromon: She is the one that got me and Poliwag to love beer.

Xenia: Oh boy.

Pina Colada: And I met CatDog when they were having problems with Rancid. I faced Rancid when they charged them $34,000 for that buffet.

Me: Highway Robbery!

Xenia: Yeah!

Qin: That was cool : Nico, who shines today?

Nico: Missy and Jason James

Qin: Awesome!

Zuko: Looking forward to this one.

Camie: Me too!

Volcana: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of The Headless Skateboarder, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront

today, it's none other than a clone of The Headless Skateboarder, and he's causing havoc.

We gasped.

Me: Now, we got a clone of The Headless Skateboarder?! Oh boy.

Nico: He's really gonna get it big time!

Max Goof: Without a doubt, he's gonna get it. But, I feel something about to happen to me. (Realizes it) Wait, this means I'm also going to transform.

Luna Loud: And me too!

Nico: Makes sense though, since your archenemy is The Headless Skateboarder. I hope you tear that clone apart and make him eat dirt just like you did to Brad. Alright, let's head down there and kick that clone's ass.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

Me: You got that right!

Sakura Knudson: Boy I remember that! That was the most fun I've ever had skateboarding on that one.

Nico: What can you tell us about him?

Sakura Knudson: He was really Al and he was a drug smuggler.

Me: WHOA! Yeah I remember that. And we busted him and Sandy Sneakers and they got Life in Federal Prison.

Xenia: Good riddance.

Otto Rocket: Anyone that messes with skateboarding is my enemy!

Stacy Bolton: Mine too!

Nico: Anyone also like Skateboarding?

Ronnie Anne, Sakura Avalon, Lynn, Lynn Jr., Sakura Knudson, Reggie, Sammie, Twister, Rainbow Dash, Lightning Dust, Scootaloo, Zipp Storm, Sunny Starscout, Sora, The Mighty Morphin Rangers, Indigo Zap and Kevin raised their hands.

Nico: Wow! Quite a few.

Xenia: Yep.

The previous group came.

Billy Numerous: Can me, Springfield Mafia, Cantwell, Wiggum, Roxy Rocket, Bizarro, Puppetmon, Captain Boomerang, Mr. Fizz, and U Foes go with you guys?

Legs: We heard you had a nightmare, Luna?

Ironclad: Are you okay?

Luna: I'm alright dudes.

Ironclad: Good.

Nico: And yes you all can come with.

Me: And next after the gears we'll use Elemental Swords.

Qin: Elemental Swords?

Me: Yep. Watch.

Camie: This will be cool.

Me: This is an Elemental Sword.

I pulled out a sword hilt and channeled Storm Style Chakra into it and it formed a blade made of Storm Chakra and it emitted the thunderous crackling of thunder from a Supercell Storm. The Sword also gave off a Magnetic Field and lightning of intensely strong power.

Me: This is called Stormsave!

Nico: COOL!

Me: Yep. They are swords made of Elemental Chakra. I invented the technique myself from my Ebonwu Squadron Self.

J.D. 2: (Through My Crest) Yep I gave him the idea and thought it was so cool.

Nico: That is an awesome idea! Okay we'll do it.

Me: Awesome.

Catilla: Boss, which Gene Slammer do you think you'll meet next?

Nico: Bubble Crab next.

SpongeBob: (LAUGHS) Bubbles are cool.

Qin: They sure are.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures are none other than Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus, The Black Saints, and they're here for revenge on Lincoln for destroying them seven years ago. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. Seiya, Shiryu, Hyōga, Shun, Ikki, the figures we sensed belong to our old enemies: Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus, The Black Saints, and they're here for revenge on me for destroying them.

We gasped.

Me: Wait, you destroyed The Black Saints as well?

Pegasus Seiya: Yeah, that's right, Lincoln destroyed them seven years ago, and these guys are the opposite of us.

Mako Pegasus: They sure were, Seiya.

Regina Goodwin: Leave them to me and Lincoln, Seiya, we'll both make them pay.

Lincoln: Hold on, Regina, it's not just going to be the two of us.

Regina Goodwin: Wait, what?

Phoenix Ikki: Lincoln's right, if one of our old enemies are involved, then, we're also joining in as well.

Me: So, this is basically one of those battles where his old teammates also join in as well.

Dragon Shiryu: That is correct.

Cygnus Hyōga: This was a rule Lincoln wanted to establish in case any of our old enemies show up as well.

Andromeda Shun: We may not have been there when Hades came back along with Thanatos, but now that we're here, we'll give Lincoln and Regina a hand in dealing with The Black Saints.

Nico: Wow, that's some awesome planning Lincoln made seven years ago. Alright, gang, let's go, we're heading out to destroy that clone of The Headless Skateboarder.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus.

Regina Goodwin: There's absolutely no way we're letting you run free any longer, Black Saints, The Avatar of Earthbound Immortal Uru will claim your souls.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of The Headless Skateboarder so that Lincoln can absorb him, and once we got done with him, Lincoln, Regina Goodwin, Pegasus Seiya, Dragon Shiryu, Cygnus Hyōga, Andromeda Shun, and Phoenix Ikki are going to destroy Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus, The Black Saints.

We were off to the skate park in the Gotham Royal York Park.

---

We arrived at the Skate Park in Gotham Royal York Park.

Cantwell: Here we are.

Vapor: I hope it hasn't done too much damage.

Louie: Only one way to find out

We walked around and saw that it was deserted.

Me: Whoa this park is a ghost town.

Xenia: Not literally. But it's scary.

Headless Scateboarder: (GHOSTLY VOICE) DUDE! OH DUDE!

We saw THE HEADLESS SKATEBOARDER!

SHAGGY AND SCOOBY AND MYSTERY INC. SCREAMED IN FRIGHT!

But he was shorter.

Me: Wait a second.

I pulled the pumpkin off and it was RED HERRING!

Me: Ha! Nice Try Red Herring!

Red Herring: (LAUGHS) I wanted to see if I still got it.

Me: Well you still got it.

Sakura Knudson: Yeah and you scared Shaggy and the gang but not me and bro.

Red Herring: (laughs) Okay, it wasn't me. But I just wanted to try it out like I did before. You didn't think it would be that easy, did ya?!

Tricloid: I was hoping it was.

X Ray: Oh well.

Me: It was a nice try though.

Eli: Yeah.

Roxy Rocket: We have the whole place to ourselves.

Qin: I think because the clone of the Headless Skateboarder scared everyone off.

Xenia: Yeah.

Horri Bull: What First?

Me: Well we're going to have to wait for him.

Eli: I'll sense for him.

Xenia: Okay.

Puppetmon: Should we eat something?

Me: I think we… (STOMACH GROWLS) Oh I guess we are a little hungry. And I lost my lunch all over May.

May: THAT WAS GROSS!

Me: I said I was sorry!

I formed a huge Ultimeatum tree and we got burgers.

Snarler: Lets dig in!

We got to eating.

Eli: (Eating) MMM!

Lana: Delicious!

Stacy Bolton: Yeah!

Camie: (EATING) Mmm!

Vector: Ah. I just like delicous food. Especially at a park.

Nico: It sure is.

Qin: It's gonna be a while before he gets here.

Eli: Yep.

Sabator: You think it's onto us?

Nurzak: That's a possibility.

Qin: Yeah.

Eli: I sense him. He's coming. 2,000 yards and closing.

Mr. Fizz: Anyone want soda?

Me: Oh sure.

He gave me some and I drank it all down.

Me: (Gulping)

I finished it.

Me: Ahh. (LOUD BELCH) Oh pardon me.

Alice Gehabach: At least you didn't get any on May this time?

Hydranoid: If that's possible.

Me: No way.

Qin: Yeah.

Me: Sorry May I can't believe I did that to you.

Vapor: What happened?

Me: I hurled my guts out all over May after Lana ate Another Ugly Sundae. Her breath smelled so horrible.

Brian: J.D. hurled as much as I did after finding out that I had sex with Quagmire's dad.

Captain Boomerang: (Australian Accent) Mate, you had no idea who you had sex with. And that's okay.

Me: Yeah.

Brian: (LAUGHS) You're right on that.

Nico: Yeah.

Eli: 1,000 yards and closing.

Stewie: I can't believe you didn't tell me Quagmire beat you up, Brian! I could've killed him for you!

Chan Lee: He's right, Brian.

Fourtress: You should always tell a friend this.

Brian: I know and I'm sorry I didn't.

Stewie: It's okay.

Qin: Good. But still Quagmire is gone and given the black gates.

Camie: Yeah.

Bizarro (laughs): Stewie probably wouldn't have blown Quagmire's brains out easily!

Solar Man: Translation: Stewie probably would have blown Quagmire's brains out easily.

Qin: He wouldn't have.

Me: (Nods)

Zenet Surrow: He must be close now.

Contestir: We better get ready

Eli: Yes 500 yards.

We got ready and hid.

Headless Skateboarder: (GHOSTLY VOICE) DUDE! OH DUDE!

He came fast up to the park and it was a clone of THE HEADLESS SKATEBOARDER!

He was looking around.

Headless Skateboarder: Where did you go dudes?!

Then the spirits of skateboarders came and swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we came out and Ronnie Anne and Stacy kicked him down!

Stacy Bolton: No one messes with Skateparks!

Alright, time to send you straight to a place far worse than Hell.

Max Goof: Not before I also transform and join in.

Me: Go get him!

Max Goof: Okay, I've had it up to hear with you.

Suddenly, Max Goof's deep blue eyes turned neon deep blue and he was surrounded by a white and red energy aura with stars, crosses, angels, swords, light, darkness, keys, phoenixes, and angels, he unholstered his Max Goof's Heavenly Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Keyblade of Justice from his back, and as he approached The Headless Skateboarder clone, he left white and red energy, stars, crosses, angels, swords, light, darkness, keys, phoenixes, and angels with every step.

Max Goof: Even though you're just a clone of The Headless Skateboarder, you're still just as bad as ever, and you might as well consider this your last ride, because you're now heading for a long ride straight to Hell, you headless skateboarding ghoul.

Suddenly, Max Goof was surrounded by a massive vortex of white and red energy with swords, light, darkness, crosses, stars, and keys surrounding the vortex, there's a massive army of angels, phoenixes, and angels flying around the vortex, and inside the vortex is a gold phoenix with blood red eyes glaring at The Headless Skateboarder clone: the red eyes of eternal death, and lights shined down from the Heavens and a divine choir of Angels sang and hellfire arose from Hell as the demons howled and screamed with fury and rage. Then, as the vortex faded, Max Goof emerged, but he was changed forever.

Max Goof grew from 8'3" to 8'5" in height, his massive and powerful muscles grew much bigger and he still retained his eight-pack abs, he has large gold metal bands on his massive biceps and thighs and he now has twelve large crimson red orbs orbiting around his legs, he has red highlights in the bangs of his long black hair and he has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, he has neon deep blue eyes and a white and red energy aura with stars, crosses, angels, swords, light, darkness, keys, Keyblades, phoenixes, and angels surrounding him and immense rainbow protective aura with the elements swirling around it, he has an Angel holding a Keyblade in its right hand and the Light and Eternity Kanjis in its left hand emblazoned on his forehead and

Suddenly, Max Goof felt a sharp pain on his now wider and more muscular back, and then, his massive white angel wings with golden tips on the large white feathers grew much bigger for his new body, Max Goof has on his Ring of The Phoenix with large deep red gem with heart-shaped gem embedded in it on his right ring finger and a Blue Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Max Goof's massive Max Goof's Heavenly Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Keyblade of Justice and all the greatswords and swords he'd gotten began merging together and they're surrounded by a kaleidoscope of white and red energy, stars, crosses, angels, swords, light, darkness, keys, Keyblades, phoenixes, and angels, and when it emerged, it was transformed into Max Goof's Cosmic Eternal Heavenly Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Phoenix God Angel Keyblade of Cosmic Eternal Heavenly Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Phoenix God Angel Justice, it's a brand-new massive Keyblade with embedded colored gems and Hidden Mickey icon, Sora's Crown pendant, Keyblade, Archangel, and the symbol of Kingdom Hearts etched on the 7'9" massive, wide, double-edged crimson red blade, large white angel wings for the Keyblade's guard, large white angelic faces built into both sides of the hilt and blue cat's eye pupils and large red gems on top of the blue cat's eye pupils embedded in the forehead, longer midnight black handle, four large white angel heads with deep blue gems for eyes and large white angel head with red gem in its mouth on the bottom of the angel heads for the pommel, the Three Wayfinders of Terra, Aqua, and Ventus surrounded by silver angel wings for the keychain links, and the keychain's token the silhouettes of Mickey, Donald, and Goofy, he has on his brand-new large gold Bracers of The Champions of The Universe with red gems on his wrists and Dragon Ball Bracelet and wrist computer on his left gold Bracer, his new large gold Belt of Elemental Bravery with a golden Mickey head with blue gems for eyes for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and his Eater of Sins revolver holstered on his right hip. We were amazed by Max Goof's Super Angel-Disney Knight-Archangel-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Roxanne saw him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding, but when The Headless Skateboarder clone saw it, he went mad with anger and rage and ran at Max to kill him, but Max Goof fired a massive barrage of white and red energy, stars, crosses, angels, swords, light, darkness, keys, Keyblades, phoenixes, and angels which hits The Headless Skateboarder clone and sent him flying into a wall, he got back up, but now, he was mega pissed now.

Lincoln: Take this!

Lincoln punched the clone of The Headless Skateboarder super hard in the stomach and sent him flying into a wall that cracked and fell apart and he fell flat on his back. Then, Lincoln swung his massive greatsword like crazy and shredded The Headless Skateboarder Clone like crazy.

BUZZSAW NOISES!

Then, when Lincoln was done, The Headless Skateboarder Clone was absolutely slashed and brutally beaten and we were laughing hysterically.

Nicole: Sheesh, you tore him apart, Lincoln!

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Headless Skateboarder's chest, and then, Lincoln began absorbing The Headless Skateboarder clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Headless Skateboarder clone, and he banished The Headless Skateboarder Clone to The Black Gates. Max Goof holstered his massive Keyblade on his back and powered down, and

Max Goof's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve red orbs orbiting around his legs, Third Eye, and massive white angel wings are permanent.

Nico: Good riddance to that rampaging headless skateboarder ghoul.

Max Goof: That piece of trash deserves it big time.

Lincoln: Yeah, he deserves it big time. Now, there's one last thing to do and one last loose end to tie up: Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus, The Black Saints.

?: LINCOLN LOUD, YOU WILL PAY FOR WHAT YOU DID TO US!

Lincoln formed a massive indestructible diamond barrier and it was also infused with absorption energy that protected all of us from a barrage of Cosmos blasts that came from nowhere and hit the barrier, but it stood strong as the Cosmos blasts hit and they were absorbed and they flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus, or we will force you out.

Four figures came out, they were none other than Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black

Cygnus, The Black Saints.

Lincoln: Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus, The Black Saints.

Pegasus Seiya: I should've known you four would be back. Looks like you're still sore about that fight seven years ago.

Black Pegasus: You will pay for what you did to us, you and Athena's Saints will all pay with your lives!

Regina Goodwin: Go to Hell, you piece of shit!

Selene Arcangela: Crap, you just stepped into deep shit!

Suddenly, Regina Goodwin's red eyes turned neon red and she was surrounded by a black and red energy aura with stars, darkness, red fire, spiders, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus, she left black and red energy, stars, darkness, red fire, spiders, phoenixes, and angels with every step.

Regina Goodwin: You've got some nerve coming here and coming after Lincoln, you sore losers, and you know what, you five deserved to get your asses kicked seven years ago after everything you've done. But, now we find out you've come back for revenge against Lincoln, that is unforgivable, and for that, I will drag your miserable souls straight into the blackest depths of The Netherworld and put you all through something far worse than Hell!

Suddenly, Regina Goodwin was surrounded by a massive vortex of black and red energy with stars, darkness, and red fire surrounding the vortex, there are spiders, phoenixes, angels, and Dark Spider, Ground Spider, Informer Spider, Mother Spider, Relinquished Spider, Spyder Spider, Dark Tuner Spider Cocoon, and Earthbound Immortal Uru flying around the vortex, and in the vortex is a black phoenix with the Spider Nazca Line on its stomach and red eyes glaring at The Black Saints: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: Uh oh, this isn't gonna end well!

Lincoln: They better be glad that Roman isn't also here, but it's still going to end in a total bloodbath for those five.

Then, as the vortex faded, Regina Goodwin emerged, but she was changed forever and the wrath of The Avatar of Earthbound Immortal Uru and Fusion Gene-Slammer of The Spiders Duel Monsters is about to be unleashed on The Black Saints!

Regina Goodwin grew from 7'0" to 8'0" in height, she has large gold metal bracers on her biceps and thighs, and she now has twelve large black and red orbs orbiting around her legs, she has the body of a goddess, she has red highlights in the bangs of her long black hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon red eyes and a black and red energy aura with stars, darkness, red fire, spiders, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all of the elements swirling around it, she has Earthbound Immortal Uru and the Spider Duel Monsters emblazoned on her forehead and Third Eye with red iris, she has on spider earrings with red gems for eyes and holding the Star, Dark, and Eternity Kanjis in their legs, she also has Earthbound Immortal Uru with red gems for eyes and holding the Star, Dark, and Eternity Kanjis in its legs for the second pendant on the bottom of her orange hummingbird-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems embedded on the gold lightning bolts, and she also has on a white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love on her neck. Regina Goodwin, Lincoln, Pegasus Seiya, Dragon Shiryu, Cygnus

Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus went after Lincoln, Regina Goodwin, Pegasus Seiya, Dragon Shiryu, Cygnus Hyōga, Andromeda Shun, and Phoenix Ikki in a fit of insane rage, but Lincoln, Regina Goodwin, Pegasus Seiya, Dragon Shiryu, Cygnus Hyōga, Andromeda Shun, and Phoenix Ikki fired rainbow and black and red energy blasts and Cosmos blasts at The Black Saints and Lincoln and Regina Goodwin summoned spiders to attack The Black Saints and they were really scarred by their furious attack. Then, Lincoln, Pegasus Seiya, Dragon Shiryu, Cygnus Hyōga, Andromeda Shun, and Phoenix Ikki punched them hard in the face as they crashed back first into a wall and landed on the ground on their backs, and Lincoln fired purifying energy blasts at the Black Pegasus, Black Dragon, Black Cygnus, Black Andromeda, and Black Phoenix Cloths and purified them and made them his own.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into the chests of Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus, and then, Lincoln began absorbing Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus into his body as he and all of us assimilated all of their powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus, and he banished Black Phoenix, Black Pegasus, Black Dragon, Black Andromeda, and Black Cygnus to The Black Gates. We cheered wildly for what Regina Goodwin and Lincoln did as they holstered their massive greatswords on their backs and powered down and Regina Goodwin's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, large twelve black and red orbs orbiting around her legs, and massive black and red angel wings are permanent.

Regina Goodwin: You dark counterparts of Seiya and his friends deserved everything that you've done in the past. Thanks for helping me destroy The Black Saints for good, Lincoln, you too, Seiya.

Lincoln: (Smiles Warmly) You're welcome, Regina.

Suddenly, Regina Goodwin wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Regina Goodwin's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Earthbound Immortal Uru and the Spider Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and red fire behind them and we cheered wildly. Then, Lincoln and Regina Goodwin sucked in and absorbed the elemental forces and darkness and red fire and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage on The Black Saints.

Lincoln: Like Seiya said, we faced off against The Black Saints, and this was before our battle against Hades seven years ago, and they were just as dangerous as ever.

Nico: They sure were, but you did it, you, Carla, Seiya and his team defeated them and you absorbed them, Lincoln, and you and all of us assimilated their powers, strength, and abilities.

Me: Along with purifying the Black Pegasus, Black Dragon, Black Cygnus, Black Andromeda, and Black Phoenix Cloths. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person and perfect for Halloween: Regina Maxwell.

Selene Arcangela: (GASPS) The Zombie Queen of Colorado?! Oh man, that is so awesome and very perfect.

Me: And I remember seeing her and you guys are going to love meeting her, Regina Maxwell is Lincoln's Guardian Angel from Colorado and she's an extremely powerful zombie dark angel and queen of a massive zombie clan from Denver, Colorado. She's also feared for destroying a massive army of zombies brought back from the dead by none other than the insane Sebastian Mendez from seven years ago. Unlike regular zombies, Regina was born with incredible powers over darkness, superhuman abilities, superhuman senses, and superhuman strength along with the powers, abilities, and superhuman strength of the zombies, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first zombie queen of her massive zombie clan, and she destroyed the zombies Sebastian summoned and drove him back to The Netherworld like the sore loser he was. Then, she'd moved to Royal Woods and it's where she met Lincoln, and she'd discovered his secret: that he was a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with him. She also fiercely defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as Lincoln and Regina were out at Lake Huron on a moonlit night on a date to show his thanks to Anne for always defending him from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Hawk and Hank showed up and tried to kill them, but they were no match for them and they pulverized those buttrags and wedgied them by their undies on a tree branch in front of the police station, and after that, Lincoln and Regina shared a deep romantic kiss underneath the full moon, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem.

Nico: WHOA!

Lincoln: Yep, she's an awesome force of undead justice and hope.

Luna: Plus, there are also other Legendary Halloween Monster Monarchs for Vampires, Mummies, Demons, Ghosts, Zombies, Goblins, Trolls, Witches, and Frankenstein.

Nico: Way awesome.

Larxene: Looks like the park's free now.

Pinky: Yippee!

Jet: We should celebrate!

Me: Good idea.

Headless Skateboarder Head: I don't suppose you'll let me go now?

Melter: (laughs) Not a chance!

Mole Man: At least we made it so you can function without your body.

Qin: Yeah.

Nico: But this was fun. Great job today everyone.

Stacy Bolton: This was really awesome though

Rainbow Dash: (to the viewers) I hope you had an awesome time with this one.

Me: I know I did.

We went and had some fun and then we later went back home and went to sleep.

# THE CASE OF THE WEREDOO

This chapter is based on the episode of A Pup Named Scooby Doo called The Were-Doo of Doo Manor

---

In the early morning hours at 1:30 AM, Lincoln had a dream, and he saw three figures who was hiding out and living in the streets of Manhattan. But, they were no ordinary three figures, they were Pyro the Fire Demon, son of Lincoln's future wife, Pyra the Fire Demon. Tiffany Loud, daughter of Lincoln's future wife, Thunderblast. and Princess Icy, daughter of Lincoln's future wife, Rosalina. Lincoln woke up from the dream, but he wasn't the only one, Pyra the Fire Demon, Thunderblast, Rosalina, Love Charm, The Lumas, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Pyra the Fire Demon: And not only that, it also means that we found out where our kids is at.

Rosalina: Any ideas where exactly?

Me: They're at Manhattan.

Nico: One of 5 New York City's boroughs? Oh, god no!

Lincoln: I know, Nico. Come on, we'd better hurry to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Pyra the Fire Demon, Thunderblast (who has a human disguise), Rosalina, Love Charm, The Lumas, Me, and Nico were heading to Manhattan. Then, Lincoln saw a tall and muscular 1,700/17 years-old dragon-like demon who has dark green scaly skin with a yellow underbelly, yellow hair with red ends, red eyes, yellow short and curved horns, darker red wings, and yellow spikes on his back and tail. He also has five-clawed hands with bluish grey claws and four-clawed feet. He wears a red jacket with yellow patches that somewhat conceals a white T-Shirt, and blue cargo shorts. A slender 14-years-old Caucasian girl who fair skin, blue eyes, and auburn colored hair. She wears a yellow blouse shirt with beige suit jacket, yellow mini skirt with a Decepticon logo on it, and beige mary jane pumps. and a slender 11-years-old young girl who has light blue skin, blue eyes with light blue eyeshadow and three eyelashes, and long blond hair in a single french braid. She wears a light blue diamond necklace, black bodysuit with white stripe on upper arm and stomach sides over a light cyan ballerina length dress with small blue jacket, light blue arm warmers, black leggings, and light blue snow boots. She also wears her arm gauntlet blades called the Icing Skated Blades. Lincoln saw who they are, they were Pyro the Fire Demon, Tiffany Loud, and Princess Icy.

Lincoln: Excuse me, are you Pyro, Tiffany and Princess Icy?

Pyro the Fire Demon: Indeed we are.

Tiffany Loud: Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Pyra the Fire Demon, Thunderblast (who's human disguise is a taller, slim and young 16-years-old teenage girl who has fair skin, bright blue eyes, and long magenta and blonde hair that she puts it into a ponytail with two sideburns and a heart-shaped bangs. She wears a silver tiara, a yellow blouse with elbow-length sleeves held up by white ruffled cuffs covered by a short-sleeved magenta bolero jacket, a gold-trimmed silver breastplate with amethyst brooch, magenta pleat skirt with decepticon symbol on it, yellow and white striped leggings and dark magenta mary janes with a pale pink strap and gold soles.), and Rosalina came out, and when Pyro the Fire

Demon, Tiffany Loud, and Princess Icy saw them, they were stunned. and when Lincoln see Thunderblast's human disguise, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

Princess Icy: Mother?

Rosalina: I'm here, my little Ice Princess.

Pyro the Fire Demon, Tiffany Loud, and Princess Icy, ran up to Pyra the Fire Demon, THunderblast, and Rosalina, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, Black Alpha, Love Charm, and The Lumas.

Lincoln: And there's something you two should know, Pyra, Thunderblast, Rosalina, your mothers are many of my many future wives.

Pyro the Fire Demon, Tiffany Loud and Princess Icy: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Pyro the Fire Demon, Tiffany Loud and Princess Icy with joy, Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Thunderblast: Oh, and thanks for helping me find a human disguise, Linky. I look like a real princess warrior.

Lincoln: (Smiles Warmly) You're welcome, Thunderblast.

Suddenly, Lincoln wrapped his abnormally massive and powerful muscular arms around Thunderblast and he kissed her on the lips which she returned with intense passion as she wrapped her arms around him. Lincoln separated, but Thunderblast still had a red blush on her face with steam coming out of her ears.

Thunderblast: (In Heaven) Whoa! What… a… kisser.

Pyra the Fire Demon and Rosalina: (Chuckles in a good goofy mood) That's our Linky.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Pyro the Fire Demon, Tiffany Loud and Princess Icy to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Pyra the Fire Demon, Thunderblast, and Rosalina, and with their kids, and Pyro the Fire Demon, Tiffany Loud and Princess Icy now has a loving, strong, brave, and caring father in their life.

Supernova Zap: No problem Nico. This will be so fun.

Qin: It sure will.

Allie Aurora: I agree there too.

Qin: Same here.

Nico: Allie, what do you like to do in your free time?

Allie Aurora: I'm an astronomer and I love to study about the Aurora and why it is what it is.

Xenia: That is cool.

Me: It sure is. The Aurora is Solar Wind trapped in the Earth's magnetic field. It makes an amazing show.

Xenia: It sure does.

Allie Aurora: That's right and I also monitor the sun and it's fun.

Xenia: Cool.

Nico: That's a good job.

Qin: Yeah!

Me: It sure is. And the Sun is always active too.

Xenia: Yeah.

Camie: We knew about that. But it was fun having some battles on the sun.

Me: Yep.

Nico: Yep.

Me: Man yesterday was a far out awesome battle.

Sakura Knudson: I agree there. I had a lot of fun there.

Camie: Boy the Headless Skateboarder was tough.

Nico: You know it's a clone right?

Me: No need to remind us but it was still fun.

Xenia: It sure was cool.

Qin: Yep.

Varie: Yep. That was cool though.

Nico: We kept the head.

Qin: We sure did.

Lola: Stacy now has a fun head to talk to.

Camie: She sure does.

Starlight Glimmer: That head is creepy but we like it.

Nico: I agree.

Xenia: Yep.

Nico: You never mess with Skateboarding on Stacy's watch.

Me: That is for sure there! But the moves he did were awesome.

Qin: Yep. So was Stacy and Otto's moves.

Xenia: Yeah!

Camie: That is for sure!

Laney: Yeah!

Nico: Lets go have some fun!

We went and had fun at Phoenix Land!

We had fun at some games and had some fun on the rides and more.

We went on a new roller coast called the HURLCHURNER! It was called that because it can send your stomach out through your mouth!

It was funny and awesome and cool!

We later went to get some food.

Nico: I'm ordering a burger and fries.

Me: I'll get us everything.

Nico: Now you're talking!

We went and got everything at the park.

We got to eating.

Me: (EATING PIZZA) Mmm!

Nico was eating burgers and fries.

Nico: (Eating) Delicious.

May: (Eating Chicken Salad) Yummy!

Later we were stuffed and full!

Me: (BURPS) Oh pardon me. Ahh that was great!

Nico: It sure was!

Me: Yeah!

Maria: I'm starting to think the nightmares aren't a coincidence.

Me: Me too. Someone is causing them and it's not the Phantom Stranger.

Xenia: No kidding there.

Me: Well we'll find out who it is soon.

But then we saw a girl sitting at a table and she was CRYING HARD! She had green hair and blue eyes and had black clothes and had green angel wings and had tiara with the symbol of the Hate Dopant on it and the same symbol on her skirt and she had a hate sword with her.

Me: Oh man. Halinor Hatfield?

We went over.

Me: Are you alright?

Halinor Hatfield: (CRYING) It's all my fault! I am the reason why he is there!

Me: What? Who?

Halinor Hatfield: My dad! He's in hell because of me!

Me: Why do you say that?

Nico: You're not making any sense.

Me: Halinor tell us what happened.

Halinor Hatfield: (Sniffles) Well it was a while back.

She told us that 5 years ago her father was warned that her father committed a most unforgivable number of sins and he will burn in Hell Forever with the Devil. Her father begged for him to be spared but it fell on deaf ears. 5 years later to that day her father vanished and he was gone. She prayed for her father to be returned and she filed a missing persons and found his car later and his clothes were gone like he just vanished into thin air. But then she fell asleep and then the same mysterious figure she saw with her dad came and told her to come with him and then she saw the most horrifying sight ever known. Just like the figure said her father was burning for all eternity in the fires of Hell. She saw the horrifying landscape around her and there was fire and the screams of pain coming from countless evil people in agony and suffering and she then saw her father and he was suffering and burning and filled with pain and agony! He was tortured beyond all words and was shocked beyond all imagination. The figure told her that 5 years before she was born her father killed 20 people. Many of them children and that's why he was there in Hell, burning for all eternity. Ever since then she cried hard and was devastated beyond all words. She now HATES HER FATHER WITH A VENGEANCE AND NEVER WANTS TO SEE THAT MONSTER AGAIN! She was crying her heart out since that day.

When she was done we were shocked, horrified and speechless. I had tears streaming down my face. May and Maria were crying hard!

Qin: Halinor. We're so sorry.

Camie: That is horrible!

Nico: MOTHERFUCK!

Xenia: That is awful!

Girl Jordan went over to her and put her hand on her shoulder.

Girl Jordan: Halinor I completely understand how you feel. I have a massive burning hatred towards someone I hate too.

Halinor Hatfield: (sniffles) You do?

Girl Jordan: Yes it was 6 years ago. Before Team Loud Phoenix Storm was even formed. Carnage destroyed my life too. I didn't lose my family permanently. At least my family is back with me.

Halinor Hatfield: But mine is gone. Forever. (CRYING HARD) I lost EVERYTHING! All because of my father!

I hugged and comforted her.

Eddy: What about your mom?

Halinor Hatfield: (CRYING) She's dead! Dad killed all the members of my family! I am the only one left! (CRYING HARD!)

Xenia: Oh man!

She lost everything! She has no one to look after her. All because of her father. He took EVERYTHING away from her and now he is suffering the ultimate punishment, Burning for all Eternity in the Fires of Hell.

Nico: Wanna stay with us?

Halinor Hatfield: Re… Really?

Me: Sure you still have me and us.

Qin: Yeah. You did nothing to deserve this.

Xenia: Yeah.

Lincoln: My Guardian Angel, Sarah Tinsley knows how you feel. She went through the same thing.

Lana: It's true.

Halinor Hatfield: (Sniffles) Thank you guys. Thank you J.D.

Me: You're welcome.

Nico: We'll order food for you.

Her stomach growled.

Me: She is really hungry.

We got her 3 pizzas and man she was hungry! She hadn't eaten anything for a while.

Nico ate his burger and fries.

Me: Boy Halinor you sure are hungry.

She later finished.

Halinor Hatfield: Boy that was great. (BELCH) Oh pardon me.

Xenia: No worries.

Hainor Hatfield: But if I see that monster that is my father again I'm sending him straight to the black gates!

Qin: That we can guarantee!

Xenia: Yeah!

Lola: He deserves it!

Camie: Big time!

Maria: Back to what I was talking about?

Me: Oh right.

Xenia: I think someone might be causing causing these nightmares.

Qin: I agree. But on the plus side they are making us stronger.

Luan: (YAWNS) Yeah they sure are.

Eddy: Oh guys I think Luan might have had one.

Maria: You think it's Nehelenia?

Natilee: OH GOD NO! I personally made sure that she was sent to the Black Gates!

Luan: But I had a bad dream.

Me: Really?

Luan: (YAWNS) Yeah it was awful.

Natilee: It was.

She showed us a sketch of it. She was told that was at a comedy club and she did all kinds of terrible jokes and they threw rotten fruit and eggs and tomatoes at her and yelled at her that she WILL NEVER EVER BE FUNNY and she is a disgrace to comedy everywhere and then her entire family said the same thing! Then she suddenly SNAPPED! And turned into a FUCKED UP JOKER GIRL! SHE KILLED HER ENTIRE FAMILY AND THEN KILLED EVERYONE IN ALL OF THE CITY AND BURNED IT TO THE GROUND!

WE GASPED IN SHOCK AND HORROR AND MORE!

Me: THAT IS A HELLISH NIGHTMARE!

Luan then broke down crying hard! Eddy comforted her!

Eddy: It was only a nightmare!

Me: Luan must've been thinking about all the terrible and awful pranks she did every April Fools day because of Abigail Sanchez.

Qin: I agree there.

Nico: Me too.

Qin: Yeah.

Luan: That monster really damaged me! Turned me into a psychotic monster!

Xenia: She's gone now Luan.

Me: Natilee, you have to figure out WHO'S DOING THIS!

Natilee: Me and Lincoln and Princess Luna are looking into the matter right now! It's gonna take time.

Xenia: Yeah just be patient and we'll find out more.

Camie: Yeah!

Nico: Oh. Sorry.

Emperor Z: Dr. Destiny is looking into this matter too.

Nico: Great.

Xenia: Yeah no kidding.

Lola: Thank goodness.

Nico: But we got to find out who it is.

Maria: All we can do is wait.

Me: Yep.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of Zombo is here in Phoenix Land and is causing havoc.

We gasped.

Me: Oh man, a clone of Zombo?! Oh boy.

Shaggy: Like, I still remembered him all too well.

Sakura Knudson: I remember that case all too well. Boy, was he crazy.

Qin: I checked with the warden and Joey Jipner is still in prison.

Nico: Good, and since he's got Life without parole, he's never getting out.

Then, Lincoln called the rest of the team and told them of what happened.

Lori: Lincoln told us of the situation, and we're ready to take that clown down.

Me: Without a doubt.

Nico: Who was Joey Jipner?

Sakura Knudson: He and his family were the owners of Jipner's Joyland Amusement Park and he turned into Zombo the Clown to scare his family away so that he can run his park on his own and make all the money.

Nico: Whoa!

Sakura Knudson: Yep and we busted him and sent his butt off to prison for 25 years.

Nico: And then life without parole?

Me: Yep.

Lucy Loud then heard a Pokemon cry.

Lucy Loud: Gasp! Look.

It was a Crobat.

Me: A Crobat. That's perfect for you Lucy.

Lucy: It sure is.

Me: Oh and the poor thing hurt its wing.

Halinor Hatfield: Oh poor fella.

Crobat: I hurt myself because of Zombo.

Qin: That rotten clown.

We got to healing him.

Nico: Oh Halinor we never got to hear about what kinds of powers you got.

Halinor Hatfield: Well as the Embodiment of the Hate Dopant, I think it's pretty Self-Explanitory. I cause people to hate each other. I can even supercharge you guys because of your power to absorb negative energy from hatred.

Me: Wow! That is awesome.

Nico: Are you okay now, Crobat?

Crobat: Thanks to you guys.

Me: Awesome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles

detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for The Zombo Clone) AHA! Gotcha! I just spotted The Zombo clone, he's 20 yards away, and he's already chasing after the rest of the gang.

Shaggy: What?!

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: He's gonna end up as a stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Zombo Clone.

Nico: He's here somewhere.

We got to searching

Lincoln: Alright, now if I'm not mistaken, The Zombo Clone should definitely be coming right now!

WE HEARD ZOMBO LAUGHING CRAZILY!

Suddenly, we saw the rest of the gang running towards us, and then, we saw The Zombo clone head for us, and Lincoln created a massive indestructible diamond barrier with ice surrounding it that protected all of us and the Zombo clone so riled up, he banged his fists hard at it, but the barrier was still standing and his fists were frozen solid as he screamed seeing his hands frozen solid.

Eli: Jeez!

Nico: Yeesh, using ice to freeze his hands, now that was just cold.

Zombo Clone: (ROARS) GET OUT HERE RIGHT NOW! I MUST KILL YOU ALL FOR THE MASTER!

Qin: As if, you're not one of Universe 666 Sebastian's creations!

Lincoln: Don't waste your breath on him, Qin, he's still getting his butt kicked.

Lincoln fired a massive diamond ball with ice surrounding it, and it hit The Zombo clone and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront The Zombo clone, who went charging at us.

Shaggy: Like, you know what, you can consider this your final resting place.

Shaggy unholstered his massive Shaggy Rogers' Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Greatsword of Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Justice and transformed into Super Angel-Dark Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel of Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear

Shaggy: (Divine Echoing Godly Voice of The Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear) And we're also getting some serious payback for chasing us all over Jipner's Joyland.

Me: Save some for the rest of us, Shaggy.

Oceanus Ocean: And me as well.

Zombo Clone: NOW I'M GOING TO BREAK EVERY FUNNY BONE IN YOUR BODIES!

Me: I'm going to rip out all of your teeth you filthy clown!

Crobat charged at him and blasted him with a Psybeam blast.

The blast hit him and smashed him down.

Zombo Clone: NOW I'M REALLY MAD!

Zombo threw a pie at us!

Eli used the Force and it went back at Zombo and it hit him!

Billy then took Grim's scythe!

Maria: And this!

She fired a wave of water and drenched the clone.

Xenia: YEAH!

Horsea squirted ink and blinded him.

Qin: YEAH!

Qin fired waves of fire and blasted the clone.

Halinor Hatfield: Time for you to feel Hate!

She fired a blast of darkness and it hit the clone and then the CLONE GOT SUPER INSANELY AND MASSIVELY PISSED! BIG TIME!

The Zombo Clone went at us and I punched him and knocked out all his teeth!

Nico: That was something!

Halinor Hatfield: It's why I am the embodiiment of the Hate Dopant.

He got up and was making accordian noises!

Me: How about this too?

I had a piano crash onto him!

KRASMASH!

Me: My favorite note B-Flat!

Nico: Who's piano was that?

Xenia: You're right. Besides it was funny!

WE LAUGHED!

Eli: Watch this one!

He used the Force and twisted and broke the Zombo clone all over like how we did with Pennywise!

I then pulled off the mask of it.

Me: Scared you good didn't I?

Nico: WHOA! That was a scary mask!

Me: Thanks. I made it myself.

Nico: From what?

Me: I made it with latex and then made it with the use of other masks that were made to look like all of us. I made them as Thing monsters.

Kate Lloyd: I gave J.D. some pointers for the mask.

Nico: Cool!

Qin: Neat!

Me: I wanted to use this for Halloween last year but I never got the chance.

Nico: Oh.

Horsea: That was scary!

Me: Sorry.

Suddenly, Oceanus Ocean's ocean blue eyes turned neon ocean blue and she was surrounded by an ocean blue energy aura with stars, water, ocean waves, sea creatures, phoenixes, and angels, and as she approached the Zombo clone, she left ocean blue energy, stars, water, ocean waves, sea creatures, phoenixes, and angels with every step.

Oceanus Ocean: Even if you're just a clone of Zombo, you're still just as bad as the real one, but, what makes you even more bad is that you're just a construct created by Alecto Slytherin, and he already paid the price for his crimes, and now, prepare to say goodbye to your miserable life.

Suddenly, Oceanus Ocean was surrounded by a massive vortex of ocean blue energy with stars, water, and ocean waves surrounding the vortex, there are sea creatures, phoenixes, and angels flying and swimming around the vortex, and in the vortex is a blue phoenix with red eyes glaring at The Zombo clone: the red eyes of death.

Me: WHOA!

We were amazed by Oceanus Ocean's Super Angel-Ocean Dopant Embodiment-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when The Zombo Clone saw it, he went mad and ran at her to kill her, but Oceanus Ocean fired a massive barrage of ocean blue energy, stars, water, ocean waves, sea creatures, phoenixes, and angels which hits The Zombo clone and sent him flying into another wall, he got back out, but now, he was enraged.

Zombo Clone: (ENRANGED GROWL)

Then, he fired blue fire which hit the Zombo clone and he got burned bad.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The Zombo Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began

growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Zombo Clone, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Oceanus Ocean's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark blue tails and longer dolphin tail, large gold halo with four orbiting gold rings on each corner behind her head, twelve large ocean blue orbs orbiting around her legs, and massive dark blue angel wings are permanent.

Oceanus Ocean: Now, that was so awesome!

Lincoln: That's another clone of Mystery Inc's enemies down and more to go.

Suddenly, I got jumped on by Oceanus Ocean and she kissed me all over the place, and when she was done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes, and an In Heaven look on my face.

Me: (In Heaven) So… awesome.

I got back up.

Nico: Jason? You and Missy did good yesterday.

Jason James: Thanks Nico.

Missy: That was fun.

Nico: That was one awesome battle.

Lincoln: We took down The Zombo clone and I absorbed him, and we also used tons of water attacks on him. Say, Luna, did you say you found out who's been causing us to get those nightmares?

Luna: Yep. Guardian Angels, if you would?

Lincoln's Guardian Angels nodded and they showed a hologram screen and they played the footage of The Loud Siblings all sleeping. Suddenly, we saw black shadows manifest in their rooms, and the shadows transformed into darker versions of Sebastian from another world, he fired blasts of darkness at them that gave them nightmares as he cackled like a demonic monster and vanished. When the video ended, we were pissed off.

Sebastian Mendez: What the Hell? A darker version of me?!

Ed Cowart: That's your Royal Defenders' twin, and trust me, he's much worse than the Universe 666 version of you and you before your Dark Side was removed. I never thought we'd have to run into him again.

Nico: Yeah, we knew how much of a monster you were when you went batshit crazy and turned to darkness and evil.

Lincoln: Yeesh, he's a monster.

Me: So, this asshole's now running loose and messed with our friends. When we find him, we are so gonna make him pay! And Ed, you knew him?

Ed Cowart: Wish we hadn't, he was just as worse as Universe 666 Sebastian and Sebastian before his Dark Side was removed. But, that's not all, I got intel saying he's also broken out a group of people whom I thought I'd never have to see again from our world before this whole mess with Sindri Myr began.

RD Me: Oh shit, if it's who I think it is, we've got five of the worst criminals from our world here and they've returned for revenge on us.

Eli: We'll make them pay for this.

RD Lincoln: That we will, we're not letting that deranged monster nor those assholes live any longer.

RD Girl Jordan: For sure, I've still got a few things I want to deal unto that demonic bastard.

Me: So a Royal Defenders version of Sebastian is behind this!

Qin: Oh man!

Nico: Nice job Crobat.

Crobat: Thanks Nico. It was awesome.

Me: It was fun.

Camie: Yep.

Poromon: Want some beer?

Crobat: No thank you. I drink soda.

Me: Awesome.

Poromon: Okay then.

Poliwag: (Gives puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Sorry.

Poromon: Do you also drink blood?

Crobat: No way! I don't like the taste.

Nico: Okay. Looks like Fangs has a friend.

Lucy Loud: He sure does.

Qin: Yep.

Poromon: Sorry. I just figured since you're a bat Pokemon.

Crobat: No worries.

Xenia: Good.

Nico: Yeah.

Camie: This was fun.

Luan: At least now we know who is responsible for our nightmares!

Sebastian Mendez: Yeah a Royal Defenders version of me!

Xenia: Not good.

Volcana: Now all the Core 310 has morphed at least once.

Me: And how did you all like it?

Eli: It was awesome!

Nico: Yeah it was!

Varie: That was fun for you all!

Lola: Yeah we had a great time!

Laney: We sure did!

Twilight Sparkle: Yeah that was fun and awesome!

Rainbow Dash: Everyone had fun.

Nico: How many Loud Kids haven't had Nightmares yet?

Me: Lynn, Lincoln, Lucy, Laney, Lana, Lola, Lisa and Lily haven't yet.

Linka: Me and my brothers haven't been affected.

Me: I don't think he's after you and your brothers Linka.

Xenia: Yeah but we'll be ready in case he does go after them.

Camie: Yeah.

Nico: At least we know who caused them.

Me: But he overlooked one incredibly powerful factor. The nightmares he caused are only making us more powerful than ever before.

Xenia: That is for sure.

Varie: Yep.

Camie: Yeah that is amazing.

Luna: And it's rockin dudes.

Leni: It totes is.

Luan: No kidding there. I just can't believe that Royal Defenders Sebastian would cause that to me!

Me: At least it's not real Luan.

Eddy: That is for sure.

Emperor Z: I'll have to put the M.O.E. on full alert for him and have them ready for him.

Qin: Yeah.

Nico: We need to deal with him in the future.

Lily: I agree there.

Ed Cowart: We'll be ready for him.

Camie: Yes we will.

Brittney: And this curse will make sure we take him down.

She showed Royal Defenders Sebastian planning his next move. Then Brittney flared up her power of Eternal Darkness and Frozen Hellfire and spread her wings of darkness!

Lincoln: Nobody messes with me and my sisters and lives to tell about it!

Lincoln did the same thing.

(LUNA'S FUTURE PLAYS)

Brittney and Lincoln: (SINGING DIVINELY AS DARKNESS FROZEN FIRE SWIRLED AROUND THEM)

I see a cold wind blowing through

I see days neither fun nor free

I see a future caused by you

I see a path not meant to be

The future should be filled with magic

Dreams and wishes brought to life

But the days ahead are dark and tragic

No time for hope when all is strife

Whatever might have been

All the dreams that ponies share

Because of you, Sebastian Mendez

Now, the future is a cold nightmare

Royal Defenders Sebastian screamed as darkness covered him and bramble vine tattoos wrapped around his arms. HE WAS CURSED WITH A TERRIBLE PUNISHMENT!

Nico and me and most of us had Shivers of ice and fear go down our spines as Brittney and Lincoln sang that.

When the Window closed we were shocked!

Me: What was that curse Brittney?

Brittney: It's called the Curse of the Brambles of the Windigos. Every time he hits Lincoln and his sisters the vines will grow and when they reach his heart he will die in the most horrifyingly painful and hellishly horrible death ever imagined. And he will be banished to the black gates.

Nico: Call me when it does. I want to rip his fucking head off! PERSONALLY!

Brittney: Count on it!

Me: And it'll be perfect timing too! He'll die RIGHT ON Halloween!

Xenia: WHOA!

Qin: Awesome!

Camie: So he has 8 days left to live!

Nico: I'll get the chainsaw!

Lynn: Use mine Nico.

Lynn gave it to him.

Nico: Thanks Lynn.

Lynn: I used this in Halloween back in 2016.

Me: It's true. She was a deranged Masked Slasher for Halloween back then.

Nico: COOL!

Poromon: Keep it in your room.

Nico: I will.

Lynn: Be sure to give it back when you're finished.

Nico: Okay then.

Me: Now for the Anothers. But Brittney that curse you did was awesome.

Brittney: Thanks dad. It was cool.

Nico: It sure was. Who do we have?

Eli: (Concentrates) WHOA! We got Another Emperor Z, Alaskan Bull Worm, Mirror Knight, Evil HERO Nemesis, TTG Santa Claus, The Wall, Blizzard, Touch & Go, Slug, Tormes the Centaur, Dottie (Batman Beyond), Kingpin and Ghost of Captain Cutler, Steam Demons, Star Creature, Ghost of Elias Kingston and Snake Demon

Xenia: This will be awesome and fun.

Eli: And I sense that the Anothers minus Emperor Z are one person.

Qin: Nice!

Me: Yep.

Then a balloon floated in.

Ed: LOOK A BALLOON!

Edd: Aww. Somebody must've accidentally set it free.

Ed: It is an alien probe from outer space!

Me: Ed!

Nico: There they are!

We saw Another Alaskan Bull Worm, Mirror Knight, Evil HERO Nemesis, TTG Santa Claus, The Wall, Blizzard, Touch & Go, Slug, Tormes the Centaur, Dottie (Batman Beyond), Kingpin and Ghost of Captain Cutler, Steam Demons, Star Creature, Ghost of Elias Kingston and Snake Demon!

They merged and she reverted back and she was a girl with purple hair and pink eyes and purple clothes and she had a tiara with the symbol of the Balloon Dopant on it and she had the same symbol on her skirt and on her arm was the Anti-Pincushion Man symbol and she had a Balloon Animal Magisword in her hand.

Me: Vivian Balloon! Wow!

Vivian Balloon: Awesome to see you again J.D.

Me: Same here. Vivian is the Embodiment of the Balloon Dopant and she is also the defender and protector of Balloonland. You remember that one right?

Nico: Oh yeah!

Sakura Knudson: I remember that cartoon! Loved that one back when I was a little girl.

Me: Yep. And she hates the Pincushion Man with a vengeance and wants to destroy him.

Vivian Balloon: It's true and I love all balloons like my own children. They are fun.

Qin: Cool!

Me: By the way is the Another Emperor Z friendly or hostile?

Vivian Balloon: Friendly and she is really powerful!

Me: WHOA!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated.

Me: Action time!

We fired waves of energy and elements and blasted the Anothers and smashed them down.

I caught the Wonder Ride books.

Me: Awesome!

Nico: And now we wait.

Me: Yep. But we don't have to wait long!

In a swirl of darkness came ANOTHER EMPEROR Z!

Me: WHOA! This one is gonna be tough!

Xenia: YEAH!

Nico: YEAH!

Another Emperor Z: (In a girls voice) But it will be awesome.

Me: (GASP) That voice!

She reverted back and it was a girl with purple hair and purple eyes and she had an amazing star dress on and she had a tiara with the symbol of the Galaxy Dopant on it and the same symbol on her skirt.

Me: Hikari Ginga Galaxy! Wow!

Hikari Ginga Galaxy: Awesome to see you again J.D.

Me: Same here.

Rarity: And that dress is absolutely magnificently divine on you darling.

Hikari Ginga Galaxy: Thanks.

Me: Hikari is the embodiment of the Galaxy Dopant and she has the powers of the stars, galaxies, nebulae, planets, and more and she also has darkness powers too.

Emperor Z: That is just like me.

Hikari Ginga Galaxy: It sure is.

Nico: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Me: I'm not surprised. He must've been afraid of your power in a sense.

Hikari Ginga Galaxy: Yeah.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

Lincoln did so.

Me: YEAH!

Qin: This is gonna be awesome.

Me: Yep.

Another Emperor Z: So you will make my sparkle appear.

Me: Lets see how you like this. Time for me to go all out.

I then went SUPER ANGEL-EBONWU-JANUARY WOLF MOON-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA UNIVERSAL ELEMENTAL DIVINE COSMIC HARMONY JANUARY WOLF MYTHOLOGICAL GOD PHOENIX ANGEL OF DIVINE COSMIC UNIVERSAL ELEMENTAL DIVINE COSMIC HARMONY JANUARY WOLF MYTHOLOGICAL GOD PHOENIX ANGEL JUSTICE AND DIVINE COSMIC HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC HARMONY JANUARY WOLF MYTHOLOGICAL GOD PHOENIX ANGEL HOPE!

Another Emperor Z: It does and you are a really an amazing power.

Me: I get that a lot.

I unsheathed my sword.

Me: Lets see how you fair against the power of the Elements of Harmony and Friendship and my new more powerful sparkle.

He turned into his Z-Shin form.

Me: Impressive. Just like what I saw on TV and during Nico's birthday 2 years ago when you became this. It shows how strong and powerful the forces of darkness can get at their worst.

Another Z-Shin: (Dark Demonic Voice) Indeed. Lets get it on.

Me: With pleasure.

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

We went at each other and clashed powerfully with our swords and sparks were flying all over the place with incredible fury and I fired blasts of light and then Another Z-Shin fired blasts of darkness and the blasts collided and exploded in a massive fiery explosion.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I punched him in the face and kicked him in the stomach and smashed him down and he got up and we flew into the air and kicked and punched and clashed with our swords at an incredible level and fired energy and darkness blasts at each other at an incredible and powerful level as massive fiery explosions were illuminating the skies and setting them ablaze with fire. We clashed violently all over as powerful spikes in energy were surging all over the place and shaking the world all over the place with incredible fury.

KRABBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOMMMMMM!
KRABBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMM!

We landed and clashed more and the power from the fight was unbelievable.

Nico: WHOA!

Qin: AWESOME!

Hikari Ginga Galaxy: WOW! What power!

Nico: Gets out Emperor Z's Ridewatch) How about you see my own sparkle?

May: (Gets out Mirror Knight's Ridewatch) These knights reflect the darkness!

Maria: (Gets out TTG Santa's Ridewatch) This Santa is gonna be on the naughty list!

Allie Aurora: (Gets out Alaskan Bull Worm's Ridewatch) IT WAS AN ALASKAN BULL WORM! IT'S BIG! SCARY! AND PINK!

They words appear on screen as she says them; "Alaskan" written in icy letters, "Bull" written in furry letters, and "Worm!" written in letters that resemble worms. Big" displayed in large letters, "Scary" in green drippy letters, and "Pink" in pink fuzzy cursive letters.

They used the powers of Emperor Z, Alaskan Bull Worm, Mirror

Knight, Evil HERO Nemesis, TTG Santa Claus and The Wall! And they blasted the Another down!

Me: OH YEAH!

Then China White, Universe 666 Drej Queen Susquehanna, Klarion the Witch Boy and Hurricaune the Wolveroid, Deathstorm (DC), and Lightning (Ultimate Muscle) came.

Nico: Nice team China White!

China White: THanks Nico!

Indigo Zap: Awesome!

Me: Yep.

?: I'll say!

Bubble Crab came.

Me: Cool! Bubble Crab!

Qin: Awesome!

Bubble Crab: (In a girls voice) This is gonna be good.

Nico: Bailey Bubble!? Whoa!

Bailey Bubble: Yep. I got this.

She fired a wave of bubbles and smashed the Another and I caught the ridewatch and purified it.

Me: Oh yeah!

Mr. Krabs: A fellow crab!

Qin: Yeah!

Lily: That's right!

Bailey Bubble: Yep. And sorry to tell you but I'm naked.

Me: I figured.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Bailey Bubble: I know.

Me: Here we go.

I snapped my fingers and she doubled over in pain and then she threw up and fired bubbles and trapped May in one!

May: WHAT THE!?

She reverted back and was a girl with blue hair and had red eyes and had blue angel wings and had a symbol of a crab in a bubble in the middle of her forehead.

Bailey Bubble: (Groans) That hurt. Wait what!? (GASP) Oh man! Sorry May! We got to get her down!

She was high up!

But then…

POP!

The bubble popped and then she fell and then…

CRASH!

SHE CRASHED INTO THE GROUND AND it was a NASTY THUD!

She spat out blood and teeth!

May: I'm okay!

Varie looked her over.

Nico: OOH MAN! That had to hurt!

Bailey Bubble: (Sees herself) GAH! EYES TO YOURSELVES

PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashiono brigade gave her awesome aqua blue clothes.

Bailey Bubble: Wow! This is awesome!

Nico: It sure is.

May: OUCH! That hurt!

Lola: Boy May you're going to be feeling that for a while!

May: Ouch! No kidding!

Bailey Bubble: Man that must've really hurt.

Me: Yeah.

Allie Aurora: Do you have any favorite memories of Nico?

Bailey Bubble: I sure do. When I made Nico my awesome bouillabaisse pasta and it was awesome.

Nico: (DROOLS) That was so delicious.

Halinora Hatfield: Boy I'll have to try that.

Me: Me too.

Bailey Bubble: Yep.

Nico and Bailey hugged.

Nico: I've missed you.

Bailey Bubble: Same here.

Sora: Let me heal you.

May: Thanks Sora.

He healed her.

May: Ahh thanks.

Camie: That was fun though.

We later went back home.

Lincoln: Looks like we're back in The Nightmare Room, and I know what we're going to do here, not only am I going to rescue the four girls here, this time, it's to help Vanessa, Spencer, and Charlie destroy The Howler and banish those troublesome spirits in the machine back to the spirit world.

Adrienne Midnight: That's right.

Brittney: And I remember that device all too well, The Howler is a machine used to open doors to the other side and allow someone to talk to the dead. But, this machine houses dark spirits that want to escape and take possession of their bodies and the spirits of the possessed are put into The Howler. This thing is way too dangerous and needs to be destroyed.

Me: Oh man.

Nico: This isn't good.

Lincoln: It sure isn't, but we've got to help Vanessa, Spencer, and Charlie destroy it.

Supernova Zap: But what if those spirits are already in two of them?

Lincoln: I have an idea on how to send them out into the open.

We met up with Spencer and he told us that Vanessa and Charlie have already been possessed by two of the spirits in The Howler, and they need him for their friend. Then, we saw the possessed Charlie and Vanessa appear with The Howler in hand, and Lincoln fired two energy beams that forced out the possessing spirits and put Vanessa and Charlie's spirits back in and those two nuisance spirits back into The Howler, and we destroyed it and banished those three troublemaking spirits to The Spirit World.

Lincoln: That was a close one. Now, onto the next matter, we got word that Qin's ancestor and our old enemy, Emperor Han the Dragon Emperor, has come back from the dead.

We gasped.

Qin: The Dragon Emperor's back?!

Kita Yuan: I can't believe it. I should've known death wouldn't keep him down for long.

Suddenly, we saw a very beautiful and super sexy girl with long purple hair and purple headband, red eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a purple frilly short-sleeved shirt, necklace with dark blue gem for the pendant, purple skirt, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, moonlight, darkness, dark magic, black magic, Satanic Magic, zombies, phoenixes, and angels on the coattails and on the back is a headstone and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel, and with her are the four girls.

Lincoln: (GASPS) Regina Maxwell, Zombie Queen of Colorado.

Regina Maxwell: That's right, and I got the girls away from Qin's ancestor, and he's on his way here now for Round 2.

Kita Yuan: Perfect.

Suddenly, we saw our target, Emperor Han the Dragon Emperor, heading our way.

Sylvester: You know, I don't understand why we should just kill him and give him the heave-ho to The Black Gates.

Then, Lincoln tied The Dragon Emperor up in rainbow energy chains and sent him to The Masters of Evil. We cheered as we holstered our weapons and powered down.

Lincoln: That should do it, we destroyed The Howler and took down The Dragon Emperor, and we also knew who it was that's been giving our siblings nightmares. (To Regina Maxwell) And it's so good to see you again, Regina.

Regina Maxwell: You too, Lincoln, it's been seven years since we last met, and it's also good to see you, your sisters, and your parents again, J.D.

Me: You too, Regina.

Suddenly, Lincoln was pounced on by Regina Maxwell who proceeded to kiss him all over the place: face, arms, pecs, eight-pack abs, and stomach. When Regina Maxwell was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, pecs, eight-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's… something I've not… forgotten.

We snickered as he got up.

Regina Maxwell: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln went up to Regina Maxwell and he hugged her, and Regina Maxwell is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Regina Maxwell: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Regina Maxwell, Zombie Queen of Colorado, she's my Guardian Angel from Colorado and she's an extremely powerful zombie dark angel and queen of a massive zombie clan from Denver, Colorado. She's also feared for destroying a massive army of zombies brought back from the dead by none other than the insane Sebastian Mendez from seven years ago. Unlike regular zombies, Regina was born with incredible powers over darkness, superhuman abilities, superhuman senses, and superhuman strength along with the powers, abilities, and superhuman strength of the zombies, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first zombie queen of her massive zombie clan, and she destroyed the zombies Sebastian summoned and drove him back to The Netherworld like the sore loser he was. Then, she'd moved to Royal Woods and it's where she met me, and she'd discovered my secret: that I'm a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with me. She also fiercely defended me from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, and this one time, as we were out at Lake Huron on a moonlit night on a date to show his thanks to Regina for always defending me from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of my enemies, Hawk and Hank showed up and tried to kill them, but they were no match for us and we pulverized those buttrags and wedgied them by their undies on a tree branch in front of the police station, and after that, we shared a deep romantic kiss underneath the full moon, and as a result, I promised that when I come of age, I will marry her along with the rest of my harem.

Nico: Whoa!

Me: And she's also a deadly one-army zombie slayer, she mowed down tons of hordes of zombies and left them as splattered messes of body parts and blood.

Eli: Gruesome.

Lincoln: Yeah, the Zombie Apocalypse Survivors are going to be in for a wild ride with her, and now that you're here, Regina.

Lincoln went up to and hugged Regina Maxwell in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Regina Maxwell: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Regina Maxwell with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented

Elemental Thunderbird Choker of Eternal Love on her neck.

Regina Maxwell: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Regina Maxwell, and of course, for that little pouncing.

Lincoln still had his massive arms wrapped around Regina Maxwell's waist, and he leaned down to her face and kissed her on the lips, but when she wrapped her arms around his neck, Lincoln deepened the kiss and we all cheered for them. When Lincoln separated, Regina Maxwell had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad. Then, we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Aya Nanase, Dorothy Marleen, Kimika Soejima, Shina Imahara, Shana Ayase, and Yuri Kawashima from Harem & Harem.

Lincoln: Oh wow, it's Aya Nanase, Dorothy Marleen, Kimika Soejima, Shina Imahara, Shana Ayase, and Yuri Kawashima from Harem & Harem.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Aya Nanase: Yes, we're okay, thanks to you.

Then, when Aya Nanase and the other five girls saw who it was that saved them from Emperor Han the Dragon Emperor, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow

Aya Nanase: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aya Nanase: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aya Nanase, Dorothy Marleen, Kimika Soejima, Shina Imahara, Shana Ayase, and Yuri Kawashima with colored gems embedded in the lightning bolt links and colored crystal links from their merged Crystal Necklaces of the Buddha along with white and gold accented Elemental Chokers of Eternal Love on their necks. We returned to The World Tree Estate and we told everyone what happened, and they were glad we destroyed The Howler and saved Vanessa, Spencer, and Charlie, and they were also shocked to find out the villain we went after was Qin's ancestor and our old enemy, Emperor Han the Dragon Emperor, who had come back from the dead.

But, when Lincoln showed what we all did in beating him down and sending him straight to The Masters of Evil, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Regina Maxwell have a lot of catching up to do, now that she's back in town.

Maria: Whoa, so you guys had to destroy The Howler and banish those troublemaking spirits inside that machine.

Lincoln: And we also took down Emperor Han and sent him to Vypra.

Nico: I almost thought that Kita was going to tear him apart.

Me: Same here, but Kita and Qin both didn't want him dead since he is their family, so he'll fit in with The Masters of Evil.

After we helped Vanessa, Spencer, and Charlie destroy The Howler and banish those troublesome spirits in the machine back to the spirit world and took down Emperor Han the Dragon Emperor, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Regina Maxwell saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Regina Maxwell: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from

Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Regina, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Regina Maxwell: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Regina Maxwell: I knew it was only a matter of time before he told everyone that story.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was a male with crazy brown hair and dressed in a red prison jumpsuit, and he was really out for blood.

Ed Cowart: Oh shit, that's Caleb Roman! He's one of the five criminals that RD Sebastian busted out of prison!

RD Me: Should've known that shithead would be the first, and you guys aren't going to like him one bit. Caleb Roman is a well-known and super dangerous criminal, he's been wanted for tons of violent crimes and destruction of property, he's a monstrous asshole even worse than the dark sides of Lori, Lynn, Lola, Lisa, Luan, Chandler, Principal Huggins, and Chase Young.

Nico: Jeez, that fucker's bad news!

RD Lincoln: And he's among those who've helped that monstrous demon in causing destruction to our home. We had Caleb Roman captured and sent to a maximum security prison for the rest of his life, but Sebastian escaped and vowed revenge on us.

Lincoln: We better take care of Caleb Roman at once.

We flew out of The World Tree Estate and Lincoln fired rainbow energy blasts at Caleb Roman, and he went ballistic when he saw us along with The Royal Defenders.

Ed Cowart: I should've known you'd show up here, Caleb. I caught the stench of your B.O. from a mile away!

Caleb Roman: SHUT THE FUCK UP! I'M GOING TO ENJOY TEARING YOUR THROAT OUT FOR THROWING ME IN PRISON, ASSHOLE!

Nico: Ain't happening, fucker.

?: Hey, you starting the party without me?

Suddenly, we saw a very beautiful and super sexy girl with long orange hair and purple headband, blue eyes, she was tall at 7'0" in height, she had the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a violet shirt, necklace with dark blue gem for the pendant, jeans, violet knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with stars, gears, phoenixes, and angels on the coattails and on the back are Springer, Kup, Roadbuster, Leadfoot, Topspin, Rack'n'Ruin, Sentinel Prime, Brawn, Hound, Warpath, Landmine, Gears, Trailbreaker, Clobber, Quickmix, Glamrock Freddy, Roxanne Wolf, Glamrock Chica, and Montgomery Gator and holstered on her back is a massive gold greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large white angel faces built into both sides of the hilt, longer midnight black handle, and gold pointed tip for the pommel.

Lincoln: (GASPS) Relena Caskett, Fusion Gene-Slammer of Springer, Kup, Roadbuster, Leadfoot, Topspin, Rack'n'Ruin, Sentinel Prime, Brawn, Hound, Warpath, Landmine, Gears, Trailbreaker, Clobber, Quickmix, Glamrock Freddy, Roxanne Wolf, Glamrock Chica, and Montgomery Gator.

Roll Caskett: Sis?!

Relena Caskett: Yep, that's right, and it's so good to see you and Roll again, Lincoln. Let's save it for later, we've got to deal with this asshole.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds, and he and Relena fired gears which hit Caleb Roman hard in the face, and that drove him ballistic.

Sebastian Mendez: As if I wasn't enough of a nightmare along with my Universe 666 twin, now I find out I also have a Royal Defenders twin who's worse than my Universe 666 twin and me before I had my Dark Side removed.

Sebastian fired Divine Darkness blasts which hit Caleb Roman and tore him apart and he was sent to The Black Gates. Then, we headed home and continued our workouts.

Ed Cowart: Well, that's one asshole down, and four to go before we get after that demonic asshole.

Lincoln: But, like we did with Universe 666 Sebastian, we need to take care of those five criminals and send them to The Black Gates, and then, we can take care of RD Sebastian. And now that you're back, Relena.

Lincoln went up to Relena Caskett and he hugged her, and Relena Caskett is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his sharper vampire fangs and more massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing his now larger white wolf ears with rainbow markings on his head, eleven more massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Relena Caskett: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli. Everyone, this is Relena Caskett, Fusion Gene-Slammer of Springer, Kup, Roadbuster, Leadfoot, Topspin, Rack'n'Ruin, Sentinel Prime, Brawn, Hound, Warpath, Landmine, Gears, Trailbreaker, Clobber, Quickmix, Glamrock Freddy, Roxanne Wolf, Glamrock Chica, and Montgomery Gator, she's my Guardian Angel from Michigan and classmate in Science and Math, and she's a beautiful yet capable mechanic and swimmer like her sister Roll Caskett. She and Roll wear bikinis underneath their clothes, and Relena has orange hair with violet shirt and pants with a violet bikini underneath. She, Roll, Lisa, and I even built a massive race track for marbles and we also helped Lisa with her inventions, and to show thanks, she took us to a lake where I ended up kissing Relena and Roll on the lips. As a result, I promised that when I come of age, I will marry Roll Caskett and Relena along with the rest of my harem.

Me: That's incredible.

Selene Arcangela: And that happened before Ronnie Anne came into the picture. Not only that, but Lincoln and Roll Caskett made each other necklaces with photos of each other to remember, in fact, Roll and Relena's love for Lincoln was so strong that Chase Young's Dark Side just couldn't erase it, and the love The Guardian Angels have for Lincoln was that powerful, it caused nothing but pain to Chase Young's Dark Side.

Nico: Wait, he tried to erase that love you all had for Lincoln?! WHAT A BASTARD MONSTER FUCKER!

Lincoln: That's not even the worst thing you can call him, but yeah, there's that, and Relena really really hates Flip with a burning passion, the reason why is because he once tried to steal one of Lisa's inventions for profit. Thankfully, Roll, Relena, Lisa, and I stopped Flip recovered Lisa's invention and we beat the crap out of Flip and threw him back in jail in only his underwear.

Me: Stupid mutant!

Eli: Now, he's really getting close to getting his life ended!

Lincoln: You got that right, and now that you're here, Relena.

Lincoln went up to and hugged Relena Caskett in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Relena Caskett: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Relena Caskett with orange gems on the gold lightning bolts and orange crystal links from her merged Crystal Necklace of The Buddha along with an white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Relena Caskett: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Relena Caskett.

Relena Caskett had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist and he leaned down to her face and kissed her on the lips, but it also got even more passionate when she wrapped her arms around his neck, and Lincoln deepened the kiss and in response and we all cheered for them. When Lincoln separated, Relena Caskett had an atomic red blush on her face, hearts in her eyes, and her heart was beating like mad.

We got a shower, and then, Lincoln, Simulator Betty Quinlan, Simulator Elke Elkberg, and Sagebrush Sally are heading to Coral Capers.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Betty Quinlan, Simulator Elke Elkberg, and Sagebrush Sally are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Betty Quinlan, Simulator Elke Elkberg, and Sagebrush Sally all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Icky Vicky hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made that fire-breathing dragon go insane with anger, until Lincoln fired energy blasts at her and more gold and jewels and treasures came out of her, but they also got to keep their heads up, they got word that fire-breathing dragon has sent more muscle-bound thugs to kill them.

Sagebrush Sally: Wow, so this is Coral Capers. It sure is beautiful.

Lincoln: It sure is, Sagebrush Sally, and it's perfect for our first date. Shall we?

Lincoln, Simulator Betty Quinlan, Simulator Elke Elkberg, and Sagebrush Sally dived into the waters and they had fun swimming and they even saw the marine life there. Then, they went back to the beach and they had an awesome volleyball game, and Simulator Betty Quinlan, Simulator Elke Elkberg, and Sagebrush Sally got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and his kids cheered.

But then, they saw the hulking muscle-bound thugs that Icky Vicky hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Icky Vicky's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Icky Vicky's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, Icky with a V!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Betty Quinlan, Simulator Elke Elkberg, and Sagebrush Sally and they hugged the girls in their abnormally massive and powerful muscular arms and Simulator Betty Quinlan, Simulator Elke Elkberg, and Sagebrush Sally placed their hands on the massive pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln also marked Simulator Betty Quinlan, Simulator Elke Elkberg, and Sagebrush Sally as he slowly sank his fangs into them and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Coral Capers, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Betty Quinlan, Simulator Elke Elkberg, and Sagebrush Sally with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Betty Quinlan, Simulator Elke Elkberg, and Sagebrush Sally are in your harem, Linky.

Simulator Betty Quinlan, Simulator Elke Elkberg, and Sagebrush Sally showed the marks Lincoln made on the right sides of their necks.

Jenna: And Icky Vicky had some nerve trying to kill them, that demonic so-called babysitter is just making things much worse for herself.

Serena Logan: I always knew that bitch was and always will be nothing but fucking trouble, and she's just making things worse for herself.

Rarity: And trying to kill Simulator Betty Quinlan, Simulator Elke Elkberg, and Sagebrush Sally, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs she sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and I killed them all and sent them to The Black Gates, and that rampaging she-demon should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Icky Vicky scream and bellow with extreme hatred and rage and cursing right at us, and now, she's officially lost her mind.

Maria: (Flips Icky Vicky the middle finger) Yeah, up yours, you fire-breathing rampaging she-demon!

Nico: Even after we kicked Icky Vicky's miserable hide, that bitch still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Flip, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Eli: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Icky Vicky's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Icky Vicky's mouth and the funnel was removed. Then, Icky Vicky's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Icky Vicky farted and massive tons of gold, jewels, gems, and other currencies exploded out of her bubble butt like crazy!

Icky Vicky stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you rampaging she-demon!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Icky Vicky's really pissing me off now, if she does this again, I'm gonna shove a grenade down her throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill her, Flip, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure!

Nico: This is it. The last time we fight Bowser in a Galaxy.

Me: Wow! The grand finale!

Xenia: Nice!

Me: Me, Akira and Iron Man will go with.

Xenia: Cool!

Camie: Yeah this will be awesome!

We went into the simulator and we were at BOWSER'S GALAXY GENERATOR!

Nico: There it is!

Me: Bowser's Galaxy Generator. No way in hell are we going to let him build his own empire!

Iron Man: It really has been fun fighting bosses in outer space

Me: You said it Tony.

Nicole: (On the Radio) Like you guys did before you got to blast open that door there. He'll be expecting you.

Nico: Okay.

Me: This is it guys.

Nico: Yep. There's no turning back.

Me: Yep.

Akira: Lets make this one to remember!

?: Let us help!

2 figures came. 1 was a girl with Black Hair and purple eyes and had black clothes and black angel wings and had the symbol of the Forever Black Emblazoned in the middle of her forehead.

The second was a girl with aqua blue hair and blue eyes and had aqua blue clothes and aqua blue angel wings and had a tiara with the symbol of Blizzard Man on it.

Noir Takahara: Noir Takahara, Embodiment of Forever Black.

Brie Blizzard: Brie Blizzard, Embodiment of Blizzard Man!

Akira: Brie! Wow!

Iron Man: Its been a while.

Brie Blizzard: Akira and Tony. Its been a while.

Me: We can catch up later. Lets go.

Nico: Right!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We were off and we were flying fast.

Nico: But there's still one more Galaxy after this.

Me: Grand Master Galaxy.

Nico: Yep.

We flew fast and got to the door.

Me: There it is.

Nico: I got this.

He blasted open the door and we flew into it and we saw BOWSER! HE WAS HUGE!

Me: Bowser!

Nico: JUMPING PEANUTS! You got really big!

Bowser: I know!

Me: Yeah.

Bowser: It really has been fun hasn't it?

Me: Yeah! But there are still other games for us to thrash you in.

Nico: Yeah we got 40 years worth of games.

Akira: He's right on that.

Me: Even though you've been around since 1985 it's still fun.

Bowser: It sure is. Lets make this really awesome!

Me: Gladly!

Akira: IRON MAN! D-SMASH!

He summoned DISK WARS IRON MAN!

Nico: OH YEAH!

Me: Time for action!

Bowser: Gladly!

Me: KAAAAAA MEEEEEE HAAAAAAA MEEEEEE HAAAAAAAAAAAAAA!

I fired a powerful Kamehameha Wave and it hit Bowser and blasted him in a powerful and fiery explosion!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: NICE!

Akira and Iron Man blasted him with Repulsor and energy blasts!

Nico: (gets out Emperor Z and Cheese Monster's Ridewatches) Time for this cheese to sparkle!

Nico activated them and fired dark cheese wheels and blasted Bowser all over and they exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

Me: Nice one!

Brie fired a massive blast of ice and Noir fired a black energy blast and the blasts all hit him and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: YEAH! Lets finish this with an awesome bang guys!

Nico: Combo blast?

Me: Combo blast!

Bowser: Give me your best shot!

Me, Nico, Akira, Iron Man, Nori and Brie: MARIO ULTIMATE HYPER STARBLAST!

WE FIRED A MASSIVE RAINBOW STAR BLAST!

Bowser: (To the viewers) See you guys in Super Mario Odyssey!

Then the blast hit him and exploded!

EXTREMELY MASSIVE AND INCREDIBLE EXPLOSION OF INCREDIBLE POWER!

The explosion blasted him down and the Grand Star was out!

We went and grabbed it!

YOU GOT A GRAND STAR!

Nico: YEAH!

EVERYONE CHEERED WILDLY!

Noir Takahara: That was epic!

Bowser was knocked out cold!

We all high five!

Nico: Shoudn't something else be happening?

Me: LOOK!

We saw a comet and it was ROSALINA'S SPACE STATION!

Me: There's Rosalina's Station!

Nico: Wow!

Rosalina: Thank you all. When that evil monster took our star power, I was separated from my precious little one. But I knew we'd see each other again. Because There is a force that binds us, defying even time and space.. Not even the laws of the universe can stop it. I knew its gentle pull would prevail.

Me: And it's the bonds of love, friendship and those important to you.

Rosalina: That is correct.

Me: I've known about that for years. And that made us all stronger than ever.

Nico: That's right.

Rosalina: I'm glad.

Me: Yeah.

Nico: How did you meet Iron Man and Akira?

Brie Blizzard: I met Akira when he and his team were battling their world's version of Venom and that was brutal. I helped them contain him.

She showed a DISK containing Venom.

Nico: Awesome!

Brie Blizzard: Yep and I met Iron Man while he and the Avengers were battling Loki and it was awesome. I had power that easily matched him.

Me: Wow! That is really awesome.

Noir Takahara: It sure is. And like my sisters, I am the embodiment of Forever Black. But I'm a cave explorer and it's really awesome.

Me: That is cool.

Nico: Would you two like to join the team?

Noir Takahara: We would be honored.

We left the simulator and everyoone cheered wildly for us! IT WAS AWESOME!

---

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive twenty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Raven: Do I even want to know where the mascots are right now?

Eli: Well lets see. (Concentrates) Oh man! They are at the M.O.E. HQ!

Me: What!? Oh I think they are playing Hide and seek there.

---

Meanwhile Jack O Lantern was heading to his room for a snooze.

Jack O Lantern: (YAWNS) Man I'm beat.

He went into his room and it was FULL of stuff for halloween and it was a lot of stuff and he laid down on his pumpkin bed and looked and then saw Poliwag.

Jack O Lantern: Oh hey Poliwag. What brings you here?

Poliwag: Playing hide and seek with the mascots.

---

Back with us we were worried.

Zarya: Might as well pick them up.

Me: Yep. We should.

We teleported there with Instant Transmission.

---

Meanwhile Jack O Lantern was showing pictures of his battles to the mascots.

Jack O Lantern: And here's me battling Spiderman as he was about to turn into the Man Spider.

Poromon: Wow! He sure looked freaky with 2 more pairs of arms.

Jack O Lantern: I know.

Horsea: What caused that again?

Jack O Lantern: It was his spider half getting out of control and he needed to find a cure.

Horsea: Jeez!

Poliwag: That must've been painful!

Jack O Lantern: It was! But that was what lead to him becoming Man Spider.

---

We arrived.

Vypra: Hey guys!

Me: Hey Vypra. Sorry about popping in like this but the Mascots are here.

Vypra: Oh they're in Jack's room.

Me: Okay.

We went over.

We went in.

Scavenger: Are you guys here?

Poromon: Hey guys!

Me: Wow! Nice room you got here Jason.

Jack O Lantern: Thanks J.D. The Mascots were playing hide and seek.

Me: I had a feeling they were. And you guys are looking at photos?

Jack O Lantern: Yep.

We saw one where we saw a 6 armed Spiderman battling him.

Spiderman: Whoa! That is something I never want to go through again.

Nico: You lookedm really freaky with 6 arms.

Spiderman: I know. That was so painful.

Qin: Yikes.

Poliwag: And feral!

Me: Yeah I remember he went feral because of that.

Xenia: Yeah.

Camie: That was awful.

Spiderman: At least I was cured thank goodness.

Me: Good.

Tailgate: At least we saw another Core Member room.

Me: We sure did. Your room is amazing Jason.

Jack O Lantern: I know. I have a huge collection of Halloween stuff.

Me: Boy it sure is cool.

Jack O Lantern: Yep.

Nico: Lets head home guys.

Poromon: Okay. Bye.

We left and went back home.

Masker Mind: Nico, who shines today?

Nico: Trixie Lulamoon and Artha.

Me: All right!

Artha: YEAH!

Trixie Lulamoon: This will be so fun for The Great and Powerful Trixie!

Me: YEAH!

Lincoln: Trixie Lulamoon the Great and Powerful will make it fun!

Camie: Darn tootin!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than a clone of Nasty Doo, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: (GASPS) Oh man!

Lincoln sounded the alarm.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than a clone of Nasty Doo, and he's causing havoc.

We gasped.

Me: Now, we got a clone of Nasty Doo?! Yuck!

Crash Bandicoot: Okay, now that rampaging beast is really going to get it.

Luan: Yeah, that animal is going to get put down.

Nico: I hope you tear that clone apart and make him eat dirt just like you did to Alternate Kaos and Malefor. Alright, let's head down there and kick that clone's ass.

Lincoln: He won't be going down without a fight, but we're not letting him run free any longer, he's going to pay.

Nico: Who is Nasty Doo?

Qin: He was Professor Digmi who was trying to find out more about the Doo Family's history. He found Missing Link Doo. It would have made him famous.

Poromon: Any relation to Scooby?

Qin: Actually believe it or not there is. Scooby is Related to Nasty Doo. But that curse was fabricated. It only affected Nasty.

Xenia: Whoa!

Me: Nasty Doo was a one mean Doo!

Nico: He thought that Nasty's curse would pass on to him on the night of the full moon at Doo Manor.

Me: Good thing the next Full Moon isn't tonight.

Maria: So he'll be at a disadvantage.

Qin: Yep.

Me: I'll go Wolf Moon against him.

Zarya Moonwolf: And I'll help too.

Xenia: Yep.

The previous group came.

Jet: Can me, Golden Glider, Black Adam, Jack O Lantern, Kite Man, Larxene, Pinky and the Brain, Melter, Mole Man, and Magneto go with you guys?

Pinky: Hope you enjoyed Jack O Lantern's room!

Nico: Oh we did and it was awesome! And yes you can come with us.

Qin: Yep.

Camie: Yeah!

Riku: Nico, which gene-slammer do you think you'll meet next?

Nico: Flame Stag next.

Qin: Ooh! Fiery!

Bambi: Awesome!

Camie: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Herrscher of the End, the main antagonist of the Honkaiverse, and she wants revenge on Lincoln for killing Herrscher of The Void. When we saw it, we knew it meant trouble.

Lincoln: Oh man.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone we're not going to like in the slightest. The figure I sensed belongs to Herrscher of the End, the main antagonist of the Honkaiverse, and she wants revenge on me for killing Herrscher of The Void.

We gasped.

Me: Uh oh.

Nico: Not good.

Rachel Goodwin: Should've known she'd want revenge on you for absorbing Herrscher of the Void, but she's going to wind up absorbed by you after we take her down.

Lincoln: Right, Rachel.

Nico: I hope you guys tear her apart. Alright, gang, let's go, we're heading out to destroy that clone of Nasty Doo.

Lincoln: That clone's going to get pummeled hard and then, he's going to be absorbed, and once we get done with him, you're next, Herrscher of The End.

Rachel Goodwin: There's absolutely no way we're letting you run free any longer, Herrscher of The End, The Avatar of Earthbound Immortal Wiraqocha Rasca will claim your souls.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down the clone of Nasty Doo so that Lincoln can absorb him, and once we got done with him, Lincoln and Rachel Goodwin are going to destroy Herrscher of The End.

We were off to Doo Manor

---

We arrived at Doo Manor and it was a creepy place!

Golden Glider: This is the place.

Sakura Knudson: Yep. Doo Manor. Boy its been years since I was here.

Me: Same here. Wow. Feels like forever.

Camie: Boy it sure is a cool house.

Xenia: It sure is.

We went up to the door and we knocked on it and answering it was Shaggy.

Shaggy: Like thank goodness you guys are here.

Me: Like we wouldl ever miss this.

Xenia: Yep.

We went in.

Scooby Doo: Oh thank goodness.

Me: Yep.

Nico: I'll say!

Cassandra: The inside of the house is very nice.

We saw couches, chairs and more made from his old pizza boxes.

Scooby Doo: Reah. I love recycling.

Qin: Darn.

Woman: KEEP IT DOWN IN THERE! I HATE YOU DOO JERKS FOR LIVING IN MY HOUSE!

Scooby's aura flared up.

Nico: GEEZ! Who is that nasty woman?

Me: Oh that's Gilda Squatter. She lives here with the Doo's. She lived in this house before them until the Doo's received this house in a will.

Nico: Oh man!

Me: Yeah and she HATES the Doo's with a vengeance.

Mole Man: Lets kick her out.

Me: I tried to talk her into moving but she is one stubborn woman.

Nico: We'll see about that.

Me: Yep. Sheila, Tom?

Sheila: You got it.

They got a court order eviction notice ready for her.

They went to face her and she was yelling up a REALLY NASTY

STORM!

It was stuff so horrible that we can't describe it!

Bleez: You two need any help?

Sheila: Yeah we could use a hand.

Me: Allow me.

I pulled out a straitjacket and a ball gag and I jumped her and tied her up.

Me: There. Now you listen here you stuck up rotten apple! This house now rightfully belongs to the Doo family and they earned this house fair and square! So either you move out of here like I tried to tell you years ago or we'll MAKE YOU LEAVE! So what's it going to be?

She talked muffled up.

I pulled out the gag.

Gilda Squatter: YOU WILL NEVER GET ME TO LEAVE! THIS IS MY HOUSE! I HATE THE DOOS!

Sheila: Then you are under arrest!

Me: For trespassing.

Magneto: Enjoy prison.

Camie: Me neither.

Lana: Same with me!

Alice Gehabach: Nasty Doo is just another animal.

Hydranoid: And all animals need is the right bait.

Me: Lets see. I know.

I pulled out a stuffed animal dummy of Scooby Doo.

Me: I made this for just such an emergency.

Brain: No food as bait?

Me: Nope. The only thing Nasty Doo is hungry for is hate.

Nico: Wow.

Qin: Nasty Doo has a really rotten attitude.

Me: He wasn't called NASTY doo for nothing.

Sheep Creep Baaed.

Me: Yeah.

We got the trap ready.

The bait was set.

We waited.

Kite Man: What's taking it so long?!

Me: Shhh!

Then we heard a growl.

Nico: Look.

We saw a figure and it was THE CLONE OF NASTY DOO!

Xenia: There he is.

Nasty Doo Clone: SAY GOODBYE SCOOBY DOOMED!

Nico: Now!

We went at the clone.

The Clone roared and then the spirits of the wolves came and then they swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard.

We landed!

Me: Time for some Wolf Pain! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

I was ready for action!

Me: (HOWLS)

Azula: Time you burned!

Black Adam: Me and Larxene will get the rest of the usual battle members.

Nico: Okay then.

They went and did so.

Qin: Here we go.

Nico: We sure did and it was funny.

Webstor: (to Lucy Loud) I hope you take care of that Crobat.

Lucy Loud: I will.

?: That is good.

A figure came out and it was QUVAL!

---

Origin

Quval came from a planet that was destroyed by Ginis in the past. Following his planet's destruction, Quval joined the Deathgalien though he still harbored desires for revenge against Ginis for the destruction of his planet.

Blood Game

Quval later arrived at Earth along with the rest of the Deathgalien aboard the Sagittari Ark, as Earth was to be the place where they would hold their 100th Blood Game.

Later, after Bangray's death, Quval gained his hand and thus his power to extract memories from people. He later viewed the memories of Naria to gain information on Ginis, learning that he would be vulnerable if he went down to Earth.

As part of a scheme to lure Ginis down to the planet, Quval created a clone copy of Ginis to capture Misao so the Zyuohgers would think the real Ginis captured him, as well as a copy of Misao for the Zyuohgers to find in the mansion. He then created a copy of Azald to accompany him as he informed Ginis that Naria had been captured by the Zyuohgers and that Ginis himself would have to go down and fight them.

When Ginis attacked the Zyuohgers, Quval summoned six cloned Players and his revealed his betrayal to Ginis. With the clone Misao's support, Quval convinces the Zyuohgers to team up with him to destroy Ginis. However, Ginis used the Gift memory core to absorb the planet's power and transform into Shin Ginis. The Deathgalien owner then revealed to Quval that he was aware of

Quval's treachery wand allowed it to play out for his amusement, before destroyed three Player clones, as well as the clone Azald and clone-Misao, revealing Quval's manipulation of Zyuohgers. Shin Ginis then grew the remaining monsters, allowing him to gain control of them and sent them to attack Quval.

His plan having fallen apart, Quval attempted to destroy the Earth to amuse Ginis and hopefully convince his former boss to spare him. After rampaging for a bit, he was confronted by the Zyuohgers, who question his motives due to now knowing that his planet was destroyed by Ginis. However, Quval announces that he would be willing to throw everything away just to prevent Ginis from killing before attacking the Zyuohgers. After the Zyuohgers defeated him, he was enlarged by Naria, only to be defeated by Dodeka King.

Zyuohger Returns

He was later revived alongside the other Deathgalien officials by Pocane Daniro. He fought against Zyuoh Elephant and attempted to convince him to take over the world with him, only to be defeated by the Zyuman, dying once again.

---

Yamato: Quval!

Quval: Been a while rangers.

Me: I remember you! You were one of Ginis' generals and you had lots of Blood Games.

Quval: Yep. Good memory.

Me: Yep.

Quval: I must thank you for killing Ginis. Especially since he destroyed my planet.

Me: Ginis had it coming. He deserved to be sent to the Black Gates for his crimes.

Qin: That is for sure!

Lola: Yeah I hate that monster!

Nico: Same here. Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!

Lincoln punched the clone of Nasty Doo super hard in the stomach and sent him flying into a wall that cracked and fell apart and he fell flat on his back. Then, Lincoln swung his massive greatsword like crazy and shredded The Nasty Doo Clone like crazy.

BUZZSAW NOISES!

Then, when Lincoln was done, The Nasty Doo Clone was absolutely slashed and brutally beaten and we were laughing hysterically.

Nicole: Sheesh, you tore him apart, Lincoln!

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into The Nasty Doo's chest, and then, Lincoln began absorbing The Nasty Doo clone into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing's left of The Nasty Doo clone, and he banished The Nasty Doo Clone to The Black Gates. Crash Bandicoot and Luan holstered their massive greatswords on their backs and powered down, and Luan's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, large twelve yellow orbs orbiting around her legs, Third Eye, eleven massive and long light brown wolf tails, and massive light brown angel wings are permanent, and Crash Bandicoot's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, large gold halo with four large orbiting gold rings on each corner behind his head, large twelve colored orbs orbiting around his legs, Third Eye, and massive reddish-brown angel wings are permanent.

Nico: Good riddance to that rampaging beast.

Crash Bandicoot: That piece of trash deserves it big time.

Luan: Big time, that animal deserved it.

Lincoln: Yeah, he deserves it big time. Now, there's one last thing to do and one last loose end to tie up: Herrscher of the End.

Lincoln formed a massive indestructible diamond barrier and it was also infused with absorption energy that protected all of us from a barrage of dark energy blasts that came from nowhere and hit the barrier, but it stood strong as the dark energy blasts hit and they were absorbed and they flowed into us and we grew even stronger.

Lincoln: (Catches the scent) There's no mistaking the scent of blood from anywhere, come out from the shadows, Herrscher of The End, or we will force you out.

A figure came out, it was none other than Herrscher of The End.

Lincoln: Herrscher of The End.

Herrscher of The End: You will pay for what you did to my sister! I WILL MAKE YOU ALL SUFFER!

Rachel Goodwin: Go to Hell, you piece of shit!

Selene Arcangela: Crap, you just stepped into deep shit!

Suddenly, Rachel Goodwin's purple eyes turned neon purple and she was surrounded by a black and purple energy aura with stars, darkness, purple fire, condors, dragons, phoenixes, and angels, she unholstered her massive golden greatsword from her back, and as she approached Herrscher of The End, she left black and purple energy, stars, darkness, purple fire, condors, dragons, phoenixes, and angels with every step.

Rachel Goodwin: You've got some nerve coming here and coming after Lincoln, you bitch, and you know what, your sister deserved to get her ass kicked after everything she's done. But, now we find out you've come back for revenge against Lincoln, that is unforgivable, and for that, I will drag your miserable soul straight into the blackest depths of The Netherworld and put you through something far worse than Hell!

Suddenly, Rachel Goodwin was surrounded by a massive vortex of black and purple energy with stars, darkness, and purple fire surrounding the vortex, there are condors, dragons, phoenixes, angels, and Apocatequil, Ascator, Dawnwalker, Fire Ant Ascator, Moon Dragon Quilla, Oracle of the Sun, Sun Dragon Inti, Supay, Supay, Duskwalker, Weeping Idol, and Earthbound Immortal Wiraqocha Rasca flying around the vortex, and in the vortex is a black phoenix with the Condor Nazca Line on its stomach and red eyes glaring at Herrscher of the End: the red eyes of eternal death.

Me: HOLY SHIT!

Nico: Uh oh, this isn't gonna end well!

Lincoln: She better be glad that Rex isn't also here, but it's still going to end in a total bloodbath for her.

Then, as the vortex faded, Rachel Goodwin emerged, but she was changed forever and the wrath of The Avatar of Earthbound Immortal Wiraqocha Rasca and Fusion Gene-Slammer of The Inca Duel Monsters is about to be unleashed on Herrscher of The End!

Suddenly, Rachel Goodwin's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and purple energy, stars, darkness, condors, dragons, purple fire, phoenixes, and angels, and when it emerged, it was transformed into Rachel Goodwin's Cosmic Eternal Darkness Purple Fire Condor Earthbound Immortal Wiraqocha Rasca Avatar Phoenix Angel Greatsword of Cosmic Eternal Darkness Purple Fire Condor Earthbound Immortal Wiraqocha Rasca Avatar Phoenix Angel Greatsword Justice, it's a brand-new massive greatsword with embedded purple gems and Earthbound Immortal Wiraqocha Rasca and the Inca Monsters etched on the 7'9" massive, wide, double-edged midnight black blade, large black condor heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large black condor heads with purple gems for eyes and on the bottom of the large black condor heads is a large black condor head with purple gems for eyes and purple gem in its mouth for the pommel, Rachel Goodwin has on her brand-new large gold Bracers of The Champions of The Universe with large purple gems on her wrists and Dragon Ball Bracelet and wrist computer on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Wiraqocha Rasca's head with purple gems for eyes and large purple gem in its mouth for the belt buckle and gold versions of The Inca Duel Monsters' heads with purple gems for eyes and purple gems in their mouths around the belt on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Rachel Goodwin's Super Angel-Earthbound Immortal Wiraqocha Rasca Avatar-Inca Duel Monsters-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Herrscher of The End saw it, she went mad with rage and ran at her to kill her, but Rachel Goodwin fired a massive barrage of black and purple energy, stars, darkness, purple fire, condors, dragons, phoenixes, and angels which hit Herrscher of The End and sent her flying into a tree, she got back up and she was now really enraged.

Carly Atlas: Incredible, Rachel's transformed.

Selene Arcangela: Oh shit, Rachel Goodwin's transformed?! This is going to end badly for Herrscher of The End.

Lincoln: Without a doubt, we all know and saw what happens to those who cross The Good Avatars of The Earthbound Immortals, it never ends well, and now, he's about to learn that lesson the hard way.

Rachel Goodwin: (Divine Echoing Godly Voice of The Infernal Purple Fire Darkness Earthbound Immortal Wiraqocha Rasca Inca Duel Monsters Goddess Phoenix God Angel and Divine Cosmic Eternal Infernal Purple Fire Darkness Earthbound Immortal Wiraqocha Rasca Inca Duel Monsters Goddess Phoenix God Angel Love) You said a mouthful. Now, let's get her, Lincoln.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as the sword pendants on his large white and gold accented Elemental Thunderbird Choker of Eternal Love were glowing, and he joined Rachel Goodwin.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your sister paid the price for her crimes against humanity, and now, it's your turn to pay, Herrscher of The End.

Rachel Goodwin and Lincoln went after Herrscher of The End, and they fired extremely powerful blasts of rainbow energy, black and purple energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, dumbbells, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow

Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Herrscher of The End, and they exploded with incredible power as they hit her.

Then, Lincoln and Rachel Goodwin attacked her with powerful slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Rachel Goodwin also did the same by firing black and purple energy slashes from her massive greatsword, and he and Rachel Goodwin attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of their massive and excessive brute superhuman strength, along with elemental blasts, and this was making Herrscher of The End even more angrier than ever.

Herrscher of The End: YOU! YOU! (ROARS)

Herrscher of The End went after Lincoln and Rachel Goodwin, but Lincoln and Rachel Goodwin fired rainbow and black and red energy blasts and Cosmos blasts at Herrscher of The End and Lincoln and Rachel Goodwin summoned condors to attack Herrscher of The End and they were really scarred by their furious attack. Then, Lincoln, Pegasus Seiya, Dragon Shiryu, Cygnus Hyōga, Andromeda Shun, and Phoenix Ikki punched her hard in the face as she crashed back first into a wall and landed on the ground on her back.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and he stabbed them into the chest of Herrscher of The End, and then, Lincoln began absorbing Herrscher of The End into his body as he and all of us assimilated all of her powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of Herrscher of The End, and he banished Herrscher of The End to The Black Gates. We cheered wildly for what Rachel Goodwin and Lincoln did as they holstered their massive greatswords on their backs and powered down and Rachel Goodwin's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, large twelve black and red orbs orbiting around her legs, and massive black and red angel wings are permanent.

Rachel Goodwin: You deserved everything that you've done to humanity and helping your misogynist sister. Thanks for helping me destroy Herrscher of The End for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Rachel.

Suddenly, Rachel Goodwin wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rachel Goodwin's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Earthbound Immortal Wiraqocha Rasca and the Inca Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and purple fire behind them and we cheered wildly. Then, Lincoln and Rachel Goodwin sucked in and absorbed the elemental forces and darkness and purple fire and they came back to us as the display vanished.

Me: That was one awesome battle, you guys, and you really did tons of damage on Herrscher of The End.

Lincoln: She was just as dangerous as her sister.

Nico: She sure was, but you did it, you and Rachel defeated her and you absorbed her, Lincoln, and you and all of us assimilated her powers, strength, and abilities.

Me: You said it. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person and perfect for Halloween: Carla Nightwolf.

Selene Arcangela: (GASPS) The Witch Queen of Colorado?! Oh man, that is so awesome and very perfect.

Me: And I remember seeing her and you guys are going to love meeting her, Carla Nightwolf is Lincoln's Guardian Angel from Colorado and she's an extremely powerful witch dark angel and queen of a massive witch coven from Denver, Colorado. She's also feared for destroying a rival coven of witches who hated them and they made a deal with none other than the insane Sebastian Mendez from seven years ago. Unlike regular witches, Carla was born with incredible powers over darkness, superhuman abilities, superhuman senses, mastery over all forms of dark magic, black magic, and Satanic Magic and superhuman strength along with the powers, abilities, and superhuman strength of the witches, but none of their weaknesses, and she was also born with massive black angel wings. As she grew older, she became the first witch queen of her massive witch coven, and she destroyed the hated rival clan of witches and drove Sebastian back to The Netherworld like the sore loser he was. Then, she'd moved to Royal Woods and it's where she met Lincoln, and she'd discovered his secret: that he was a vampire-werewolf hybrid and an extremely powerful Alpha, and almost immediately, she fell in love with him. She also fiercely defended Lincoln from the wrath of Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies, and this one time, as Lincoln and Regina were out at Lake Huron on a moonlit night on a date to show his thanks to Carla for always defending him from Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of his enemies, Killjoy Huggins showed up and tried to kill them, but he was no match for them and they pulverized him and wedgied him by their undies on a tree branch in front of Superintendent Chen, and after that, Lincoln and Carla shared a deep romantic kiss underneath the full moon, and as a result, Lincoln promised that when he comes of age, he will marry her along with the rest of his harem.

Nico: WHOA!

Lincoln: Yep, she's an awesome force of dark magic justice and hope.

Luna: Plus, there are also other Legendary Halloween Monster Monarchs for Vampires, Mummies, Demons, Ghosts, Zombies, Goblins, Trolls, Witches, and Frankenstein.

Nico: Way awesome.

Rich Texan: That's the end of that.

Steam Smythe: Not only is the clone gone.

Black Adam: But so is Gilda Squatter.

Selene: Let's celebrate here.

Larxene: I hope you guys are making pizza now.

Shaggy: Like we sure will.

Me: Awesome.

Nico: Yep. Great job today everyone.

Starlight Glimmer: (To the viewers) That was a crazy one huh?

Me: It sure was Starlight.

We later had some awesome pizza.

We went back home and enjoyed the rest of the day and went to sleep.

Me: Wow! So this is Texola.

Nico: Wow! Where is everyone?

Me: No one has been here for years. This whole place was rendered a ghost town after it was ravaged by the Dust Bowl and the Great Depression.

Indigo Zap: Boy it sure is creepy.

Camie: Yeah no kidding.

Lola: Hard to imagine this place is here. Chernobyl and Prypiat are deserted and now this place too.

Me: Yep. This is a modern day ghost town in Oklahoma.

Eli: Scary.

Nico: Indigo, I want to thank you, China White, and your teams for coming

Indigo Zap: No problem Nico. This is gonna be fun.

Nico: It sure is.

Cold Forecast: I'm excited for this one.

Nico: Cold, what do you like to do in your free time?

Cold Forecast: I haven't thought about it. I'm still in school at Crystal

Prep.

Indigo Zap: Yeah she is usually on the soccer team when we have our games with Canterlot High.

Lola: That sure is fun.

Me: No kidding there. If Principal Celestia will allow it we can watch a game with you guys.

Cold Forecast: That would be so fun. And I'm sure Sakura Knudson and Lynn would love to join the Wondercolts.

Sakura Knudson: That would be awesome and I was one of the best soccer stars in school.

Nico: Don't forget Anna.

Me: Yeah. She would love that too.

Nicole: Yeah my sister is the best sports star too.

Cold Forecast: That is true.

Nico: Yep. Boy yesterday was a crazy one. The Were-Doo of Doo Manor

Qin: Yeah no kidding! That was a rotten temper werewolf.

Varie: He wasn't called Nasty Doo for nothing.

Nico: And he wasn't the only problem.

Me: Nope. Gilda Squatter was there.

Xenia: Yeah she was trespassing.

Laney: I don't understand why Scooby's mom and dad couldn't kick her out before.

Me: I don't know myself. But when we came along we got her out of there by force.

Xenia: That is for sure.

Nico: Now she is in prison.

Laney: Yep.

Nico: Mr. Grouse is much better than her.

Me: That is for sure.

Lincoln: I agree there too. And he is nicer to everyone now that we helped him out.

Me: Yep. Especially during Christmas to help him get tickets to visit his family.

Nico: Really?

Me: Yep. It was back in 2016. Long story but it was fun.

Camie: Wow.

Lola: Yeah that was awesome.

Laney: It sure was.

Lana: I'll say!

Nico: Might as well look around here.

Me: Yeah. Not much to see though.

We looked around and saw that the whole town of Texola was completely abandoned and run down.

Xenia: Wow. How long has it been since anyone was here?

Me: 89 years. This whole town was rendered a ghost town by the time the Dust Bowl reared its ugly head.

Camie: The Dust Bowl?

Me: Terrible dust storms that ravaged the entire country back in the

1930s. They covered over 100 million acres of land back then and it was horrible. We called them the Black Blizzards.

Nico: Yuck.

Maria: Should we fix it up?

Me: Nah. This whole town is a lost cause. Its been over 89 years since then and it's almost impossible to restore this to what it was before.

Nico: Really?

Me: Yeah I'm afraid so.

Xenia: Darn.

Camie: But seeing this town like this is awful.

Me: I know.

Nico: How many people lived here before?

Me: 361 before back in 1910. Now here in this time it's only 43.

Nico: Wow!

May: Where can we find the 43 people?

Me: Don't know. I've never been to this town before. This is new to me. Not very many people know that this place even exists because it's abandoned.

May: I see.

Eli: Yeah.

Qin: Crazy huh?

May: Yeah.

Nico: Except us of course.

Me: Yeah.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and we're not going to like this in the slightest: we got word that a clone of the Ghost of Al Cabone is here, and he's causing havoc.

We gasped.

Me: Oh man, a clone of the Ghost of Al Cabone?! Oh boy.

Shaggy: Like, I still remembered him all too well.

Sakura Knudson: I remember that case all too well. Boy, was he a rotten to the core gangster.

Qin: I checked with the warden and Prestina is still in prison.

Nico: Good, and since she's got Life without parole, she's never getting out.

Then, Lincoln called the rest of the team and told them of what happened.

Lori: Lincoln told us of the situation, and we're ready to take that ghost gangster down.

Me: Without a doubt.

Qin: Yep.

Camie: Who was Al Cabone?

Me: The meanest and most evil gangster ever to terrorize all of Coolsville back in the 1920s. This was one guy that no one should have ever fucked around with. He was THAT Rotten.

Camie: (GULPS)

Me: Yeah. The cops came before he could get his money. Legends say that he had more money than all the most infamous gangsters in the country put together. The cops came and took him away and he swore that he would return and get his money. But unfortunately he spent the rest of his life locked up in Alcatraz. He died in prison there.

Camie: (GULPS AGAIN!)

Nico: Scary.

Me: Yeah.

Camie: What was the story of Prestina?

Me: Well she was a magic show host that had a TV show. But she lost her job and was infuriated about it! She vowed that she couldn't have a TV show at the station then NO ONE would. She was sentenced to 50 years in prison and it got upgraded to life without parole.

Nico: Yep.

Camie: Good riddance.

Nico: Yeah.

Aqua heard a Pokemon cry.

Aqua: Hey look!

We saw a Suicune!

Me: Wow! A Suicune!

Xenia: Awesome!

Nico: Oh and it hurt its paw.

Aqua went over to heal it up.

Aqua: Are you okay?

Suicune: Just got hurt.

We got to healing Suicune up.

Suicune: Thanks.

Me: You're welcome.

Aqua: Want to come with us?

Suicune: I would be honored.

Xenia: Awesome.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as four times as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical

strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for The Ghost of Al Cabone Clone) AHA! Gotcha! I just spotted The Ghost of Al Cabone clone, he's 20 yards away, and he's already chasing after the rest of the gang.

Shaggy: What?!

Nico: That just saved us the trouble. Let's get him and tear him in two!

Lincoln: He's gonna end up as a stain on the floor. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: Ugh, I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on The Ghost of Al Cabone clone.

We were flying in the air and landed and we're looking around for the Ghost of Al Cabone clone.

Nico: Come out come out wherever you are.

Me: Yeah.

Lynn: (YAWNS)

Me: Uh oh. Lynn did Royal Defenders get you?

Lynn: (YAWNS) Yeah he did.

Me: You can tell us your dream later. Right now we got a ghost to thrash.

Lincoln: Alright, now if I'm not mistaken, The Ghost of Al Cabone Clone should definitely be coming right now!

Suddenly, we saw the rest of the gang running towards us, and then, we saw The Ghost of Al Cabone clone head for us, and Lincoln created a massive indestructible diamond barrier with ice surrounding it that protected all of us and the Ghost of Al Cabone clone so riled up, he banged his fists hard at it, but the barrier was still standing and his fists were frozen solid as he screamed seeing his hands frozen solid.

Eli: Jeez!

Nico: Yeesh, using ice to freeze his hands, now that was just cold.

Ghost of Al Cabone Clone: (ROARS) BLAH! SEE! BLAH! GET OUT HERE RIGHT NOW! I MUST KILL YOU ALL FOR THE MASTER! SEE! NYAH!

Qin: As if, you're not one of Universe 666 Sebastian's creations!

Lincoln: Don't waste your breath on him, Qin, he's still getting his butt kicked.

Lincoln fired a massive diamond ball with ice surrounding it, and it hit The Ghost of Al Cabone clone and sent it flying and crashed into a wall Lincoln made and Lincoln deactivated the barrier and we all got ready to confront The Ghost of Al Cabone clone, who went charging at us.

Shaggy: Like, you know what, you can consider this your final resting place.

Shaggy unholstered his massive Shaggy Rogers' Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Greatsword of Cosmic Eternal Primordial Darkness Erebus' Eternal Night Dragon Phoenix Angel Justice and transformed into Super Angel-Dark Dragon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel of Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel and Divine Cosmic Eternal Cosmic Primordial Eternal Darkness Dark Supernatural Fear Dragon Phoenix God Angel Fear.

Me: Save some for the rest of us, Shaggy.

Winona Weather, Elisa Eternity, and Zoey Zhuqiaomon: And us as well.

Me: Okay you buttfaced Gangster! It's time to put some hurt on you!

Me: Yep. Carol gave her to me. She is a cute one.

Nico: What do you think Fluttershy?

Fluttershy: Oh she is so adorable.

Me: Yeah.

Captain Marvel: I remember that.

Qin: That is cool Carol.

Captain Marvel: She sure is. But also a Flerken was the reason why Nick Fury lost his eye.

Me: Ouch! I thought he lost his eye in a Nazi Grenade Blast?

Nico: Well that's what happened in the comics.

Nick Fury: Yeah it's something I don't like to talk about.

Me: No worries Director Fury. Here Fluttershy. Hold onto her for me please.

Fluttershy: Oh of course.

Nico: Boy that is interesting.

Camie: Yep.

Yost Captain America: It sure is.

Me: Yep. Now where were we? Oh right!

Winona Weather: Time for some action!

Suddenly, the colored eyes of Winona Weather, Elisa Eternity, and Zoey Zhuqiaomon turned neon and they were surrounded by colored energy auras with stars, nebulae, elemental forces, vermillion birds, phoenixes, and angels, and as they approached the Ghost of Al Cabone clone, they left colored energy, stars, nebulae, elemental forces, vermillion birds, phoenixes, and angels with every step.

Winona Weather: Even if you're just a clone of The Ghost of Al Cabone, you're still just as bad as the real one.

Elisa Eternity: But, what makes you even more bad is that you're just a construct created by Alecto Slytherin, and he already paid the price for his crimes.

Zoey Zhuqiaomon: Now, prepare to say goodbye to your miserable life, you miserable mug.

Suddenly, Winona Weather, Elisa Eternity, and Zoey Zhuqiaomon were surrounded by three massive vortexes of colored energy with stars, nebulae, and elemental forces surrounding the vortexes, there are vermillion birds, phoenixes, and angels flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring at The Ghost of Al Cabone clone: the red eyes of death.

Me: WHOA!

Nico: Oh, this is gonna be good!

Lincoln: That gangster's going to get it big time!

But, The Ghost of Al Cabone Clone went completely mad with rage and charged at the vortexes and us as well, but he got hit hard by blasts of lightning, elemental forces, and fire that sent him flying into a wall. We were amazed by the transformations of Winona Weather, Elisa Eternity, and Zoey Zhuqiaomon, and when I saw Winona Weather and Elisa Eternity, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding, and when Lincoln saw Zoey Zhuqiaomon, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Ghost of Al Cabone Clone saw it, he went mad and ran at them to kill them, but Winona Weather, Elisa Eternity, and Zoey Zhuqiaomon fired massive barrages of colored energy, elemental forces, mythological animals, phoenixes, and angels which hits The Ghost of Al Cabone clone and sent him flying into another wall, he got back out, but now, he was enraged.

Lincoln, Winona Weather, Elisa Eternity, Zoey Zhuqiaomon, Shaggy, and I went after The Ghost of Al Cabone Clone, and we fired extremely powerful blasts of rainbow energy, purple energy, vermillion red energy, black and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at The Ghost of Al Cabone Clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Winona Weather, Elisa Eternity, Zoey Zhuqiaomon, Shaggy, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Ghost of Al Cabone Clone even more insane and straight to the brink of insanity.

Ghost of Al Cabone Clone: (ENRAGED GROWL)

The Ghost of Al Cabone Clone charged right at us completely blind with homicidal rage and fury, but Nico fired waves of water, May fired blasts of ice, and Qin fired blasts of fire, and Sebastian fired blasts of Divine Darkness that hit him and slashed at him with his dark greatsword, Lincoln fired waves of water at him and he got drenched badly, and Lincoln let out a loud howl and summoned a pack of wolves which brutally mauled and attacked the Ghost of Al Cabone clone and he got badly hurt. Then, he fired blue fire which hit the Ghost of Al Cabone clone and he got burned bad.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue,

Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, for the feast.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into The Ghost of Al Cabone Clone, and then, Lincoln began absorbing him into his body as he and all of us assimilated all of his powers, strength, and abilities and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Ghost of Al Cabone Clone, and he sent him to The Black Gates. Everyone cheered wildly as we holstered our weapons and powered down, and Winona Weather's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long purple tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large purple orbs orbiting around her legs, and massive dark purple angel wings are permanent, Elisa Eternity's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long light blue tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large rainbow orbs orbiting around her legs, and massive rainbow angel wings are permanent, and Zoey Zhuqiaomon's new body, clothes, weapons, jewelry, 28th Century silver Miracle Box backpack, Third Eye, eleven massive and long vermillion red tails, large gold halo with four orbiting gold rings on each corner behind her head, twelve large vermillion red and yellow orbs orbiting around her legs, and massive vermillion red angel wings are permanent.

Winona Weather: Now, that was so awesome!

Lincoln: That's another clone of Mystery Inc's enemies down and more to go.

Suddenly, I got jumped on by Winona Weather and Elisa Eternity, and they kissed me all over the place, and when they were done, I had lipstick marks on my face, arms, pecs, stomach, abs, and back, along with an atomic red blush on my face, hearts in my eyes, and an In Heaven look on my face, and Lincoln jumped on by Zoey Zhuqiaomon, and she kissed him all over the place, and when she was done, he had lipstick marks on his face, arms, pecs, stomach, abs, and back, along with an atomic red blush on his face, hearts in his eyes, and an In Heaven look on his face.

Me: (In Heaven) So… awesome.

Lincoln: (In Heaven) Worth… getting… jumped… on!

Lincoln and I recovered.

Nico: That was one awesome battle.

Lincoln: We took down The Ghost of Al Cabone clone and I absorbed him, and we really let him have it, and since he just struck Lynn last night.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we saw RD Sebastian already pissed off. But, then, we saw the bramble vine tattoos wrapped around his arms advance even further as he screamed in pain from the curse, and the viewing window closed.

Brittney: Serves you right, I can't wait until you meet your end on Halloween, you shit head.

Nicole: He really made a huge mistake crossing both Lincoln and Brittney, and from what we've seen, crossing The Empress of Darkness is literally a death sentence of the worst kind.

Me: Even crossing Lincoln by hurting his family, friends, harem, and kids is also a very huge mistake.

Lynn: Don't remind us, because he's scarier than a gorilla when he's pissed.

Lori, Lynn, Lola, Lisa, and Luan shuddered in fright, even me and

Nico.

Nico: (Shudders) Yeah, pissing off your brother is literally the worst thing your Dark Sides had done, and it never ends well.

Qin: That is for sure!

Me: At least we know that the curse works.

Brittney: It sure does.

Lincoln: Yep.

Nico: And Artha? You and Trixie did good yesterday.

Artha Penn: Thanks Nico!

Trixie Lulamoon: It was an amazinf adventure for The Great and Powerful Trixie!

Me: It sure was!

Lola: I agree there!

Lynn: (Yawns) It sure was fun.

Lightning: Shablam! Yeah! Lynn are you ready to talk?

Lynn: Oh right. I'm ready to talk

Nico: Okay. And nice job Suicune.

Suicune: Thanks Nico.

Nico: Go ahead Lynn.

Lynn: I had a really awful nightmare.

Natilee: This is what she saw.

She showed us a sketch and it was Lynn Losing a baseball game and then she beat up her brother so badly in front of everyone that she had to be restrained. Then she was taken to the coach and he kicked her out of all of her teams and blacklisted her from ever participating in any sport ever again and then she got so mad that she KILLED THE COACH, HER FRIENDS AND EVEN HER ENTIRE FAMILY AND BURNED THE ENTIRE CITY TO THE GROUND!

WE GASPED IN UTTER SHOCK AND HORROR!

ME: OH MAN!

Lynn then broke down crying!

Lynn: (CRYING HARD) That was a horrible nightmare! I'm sorry guys!

Nico: That wasn't real!

Me: Nico! Lynn is obviously still thinking about the terrible things her evil self did before to Lincoln and her friends in that universe.

Nico: You're right. That was terrible.

Me: Yeah.

Lightning was comforting Lynn.

Lightning: It's okay Lynn. It's okay.

Lynn was crying hard and wailing.

Lynn: (CRYING HARD) I AM A TERRIBLE SPORT! I WISH I NEVER ATTENDED A SINGLE SPORT EVENT! I'M A MONSTER!

Me: Lynn! Don't talk like that!

Rita: Oh sweetie. It's just a dream. It's not real. Besides you put all that behind you remember?

Lynn: But mom I was a horrible sport.

Me: That was before Lynn. Not anymore.

Rainbow Dash, Margo, Paula, Polly Pain and Lightning put their hands on her.

Lightning: Lynn you are not a terrible sport. You are passed that and you are the best I know. You did so many great sports and you are a truly fun athlete just like me.

Xenia: Yeah.

Nico: We were talking earlier about sports stuff involving you.

Camie: Yeah. That is true.

Me: We even asked if you wanted to participate in a soccer game with Canterlot High.

Anna Knudson: Yeah. While the fight was going on Cold Forecast told me about it.

Nico: So what do you say?

Lynn: (Cheers up) I will gladly participate and I'm glad I'm not like that.

Lola: Great!

Eli: Whoa! I sense a huge energy building in her.

Me: That means one thing. Transformation.

Qin: Yep.

Suicune: I feel it too. And Poromon before you ask no I don't drink beer.

Poromon: Oh. Okay.

Poliwag did the Puppy eyes.

Poliwag: Pwetty pwease?

Suicune: Nice try shrimp.

Nico: You heard him Poliwag and that's enough. Besides that doesn't work on a legendary Pokemon.

Poliwag: Oh right.

Nico: Can people ride on you?

Suicune: They sure can.

Me: Cool! Now comes the fun part. We got the Anothers to face.

Eli: Lets see. (Concentrates) WHOA! Lightning Dust: Wow! This is amazing! So you are my gene-slammer and my legacy and also you are just as reckless as I am.

Lana Lightning Dust: Yep I sure am.

Me: Well that kind of recklessness is going to get you killed. We had to go through those hardships and learn through that the hard way before we found out we were suffering from Dark Orb Contamination.

Lana Lightning Dust: Well also I'm a deadly martial artist like China White and I have amazing lightning powers.

China White: Wow! That is really amazing and cool.

Aura Stag Flame: Yep. Awesome to see you and Qin and Nico. I got this.

She fired a blast of fire and blasted the Another and I caught the Ridewatch and purified it.

Me: Yeah!

Nico: I was gonna tell you that's a nice team.

Baron Von Shellshock: Ach apologies Nico.

Nico: It's all right.

Qin: But that was cool though.

Me: Yep.

Aura Flame Stag: It sure was and also I'm naked just so you know.

Me: Uh oh.

I put on my blind man Glasses and the boys covered their eyes.

Me: It's going to hurt.

Aura Stag Flame: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and then she threw up and fired a blast of fire and Maria accidentally swallowed it and she turned into her water form and she screamed and held her mouth and then out came a ball of water and it popped over Eli and screamed in his face with steam.

She reverted back and she was a girl with red hair and red eyes and had red angel wings and had a Flame with a stag in front of it in the middle of her forehead.

Aura Stag Flame: (Groans) That hurt.

Maria: Hot hot hot hot hot hot! That hurt!

Aura Flame Stag: Oh man! Sorry Maria! (Sees herself) GAH! Eyes to yourselves perverts!

Aura Stag Flame: Awesome! I look cool.

May: At least I wasn't hit this time.

Aura Stag Flame: Yeah I know.

Cold Forecast: Do you have any favorite memories of Nico?

Aura Stag Flame: When me and Nico were in the forest and I called some of my deer friends and it was fun for him. We had a picnic together.

Nico: That was fun.

Lana: Awesome.

Nico and Aura Stag Flame hugged.

Nico: I've missed you.

Aura Stag Flame: Me too Nico.

We later went back home.

Moonlight Raven: I cannot believe this witch would do something like this, she needs to be sent to The Black Gates.

Lincoln: (GASPS) Carla Nightwolf, Witch Queen of Colorado.

Carla Nightwolf: That's right, and I got the girls away before The Black Box of Epiales could claim its next victims.

We headed out, and then, we saw it: a black demonic looking box with dark energy radiating off it, it was The Black Box of Epiales.
